

## Illinois Power Generating Company

Dear Noteholder,

You are receiving this letter and the attached document because you hold a portion of one or more of the following series of notes issued by Illinois Power Generating Company (“*Genco*”):

- 7.00% Senior Notes, Series H, due 2018
- 6.30% Senior Notes, Series I, due 2020
- 7.95% Senior Notes, Series F, due 2032

Dyneegy Inc. (“*Dyneegy*”) is Genco’s parent company. Dyneegy and Genco are pursuing two alternative methods of restructuring the notes described above (the “*Genco Notes*”). One option is an out-of-court exchange offer for the Genco Notes combined with a consent solicitation to amend the indenture governing the Genco Notes. The other is a vote on a prepackaged plan of reorganization of Genco (the “*Plan Solicitation*”), which would be filed in court in a Chapter 11 bankruptcy case. Complete information about each of these options and how to participate is included in the attached document. Capitalized terms used, but not defined, in this letter have the meanings given to them in the attached document.

Because the procedures for participating in each of the alternative methods are different, you may receive two separate copies of this letter and the attached document. The reason a single document was used for both options is that each involves soliciting participation for a restructuring of all of Genco’s debt. All holders of the Genco Notes are eligible to vote on the prepackaged plan of reorganization of Genco. However, only “Eligible Holders”, as defined in the attached document, are able to participate in the exchange offer and consent solicitation.

In order to determine if you are an Eligible Holder, please see page i of the attached document. If you are unsure whether you are an Eligible Holder, please consult your custodian bank, depository, broker, trust company or other nominee for assistance.

If enough holders participate in the exchange offer and other conditions are met, the exchange offer and related consent solicitation will be successful, and Genco would not file a Chapter 11 bankruptcy case. However, in order to be successful, holders of at least 97% of the outstanding principal amount of the Genco Notes must participate in the exchange offer, unless such condition is modified or waived by Dyneegy. If not enough holders participate in the exchange offer, Genco may file the prepackaged plan of reorganization in a Chapter 11 bankruptcy case if sufficient holders vote in favor of that alternative.

Please also note the following:

- There is no record date associated with the exchange offer, and holders are required to arrange to have their custodian bank, depository, broker, trust company or other nominee tender their Genco Notes in order to participate in the exchange offer.
- The voting record date for the Plan Solicitation is October 28, 2016.

- The deadline for both events is 11:59 P.M., New York City time on December 6, 2016.
- Please follow the instructions of your custodian bank, depositary, broker, trust company or other nominee on how to participate.

Thank you.

Upon the terms and subject to the conditions set forth in this Offering Memorandum and Indenture Consent Solicitation Statement and Disclosure Statement (this “*Offering Memorandum and Disclosure Statement*”):

- Dynergy Inc. (“*Dynergy*”) is offering Eligible Holders (as defined below) of the outstanding senior notes of Illinois Power Generating Company (“*Genco*”) listed below to exchange in an out-of-court restructuring (the “*Exchange Offer*”) such senior notes for the consideration described below:
  - 7.00% Senior Notes, Series H, due 2018 (the “*2018 Notes*”);
  - 6.30% Senior Notes, Series I, due 2020 (the “*2020 Notes*”); and
  - 7.95% Senior Notes, Series F, due 2032 (the “*2032 Notes*” and, together with the 2018 Notes and the 2020 Notes, the “*Genco Notes*”); and
- in connection with the Exchange Offer, Dynergy is soliciting consents (the “*Indenture Consents*”) on behalf of Genco from Eligible Holders (the “*Indenture Consent Solicitation*”) to the Proposed Amendments (as defined herein) to the indenture governing the Genco Notes (the “*Genco Indenture*”);

**OR, IN THE ALTERNATIVE**

(if conditions to completion of the Exchange Offer are not satisfied or waived)

- Genco is soliciting acceptances (the “*Plan Solicitation*”) from all holders of Genco Notes (“*Noteholders*”) of an in-court restructuring of Genco pursuant to a prepackaged plan of reorganization (the “*Plan*”) described below.

The restructuring of the Genco Notes pursuant to the Exchange Offer or the Plan (the “*Restructuring*”) reflects the terms of a restructuring support agreement (the “*Support Agreement*”) among Dynergy, Genco, certain of their affiliates and Eligible Holders of 69.9% in aggregate principal amount of the outstanding Genco Notes (the “*Supporting Noteholders*”). Pursuant to the Support Agreement, the Supporting Noteholders have agreed, subject to the terms and conditions contained therein, among other things, to (1) support and take all actions reasonably necessary to achieve the Restructuring, including by tendering (and not withdrawing) their Genco Notes in the Exchange Offer, consenting in the Indenture Consent Solicitation and voting in favor of the Plan; (2) not support any other plan or restructuring transaction or take any other action that is inconsistent with, or would reasonably be expected to impede, the Restructuring; and (3) not direct the trustee under the indenture governing the Genco Notes (the “*Genco Indenture Trustee*”) to take any action inconsistent with the Supporting Noteholders’ obligations under the Support Agreement. Dynergy and Genco may not modify certain terms of the Exchange Offer, including increasing the Minimum Participation Threshold (as defined below), or the Plan without the consent of some or all of the Supporting Noteholders. See “The Exchange Offer and Indenture Consent Solicitation” and “The Plan.”

All tenders in the Exchange Offer must be done through The Depository Trust Company's ("DTC") Automated Tender Offer Program, known as "ATOP." If you are an Eligible Holder and participate in the Exchange Offer but the Exchange Offer is not consummated, the Genco Notes that you tendered in the Exchange Offer will be released from DTC's ATOP system upon termination of the Exchange Offer and, whether or not you submit a ballot ("Ballot") voting in favor of the Plan, you will be required to follow the instructions set forth in Section 7.4 of the Plan and the Eligibility Letter (as defined below) after the date that Genco files the Plan in an in-court Chapter 11 proceeding as described herein in order to receive a distribution under the Plan. Dynegy and Genco do not intend to permit tenders in the Exchange Offer by guaranteed delivery procedures. For further information, contact the Information Agent or the Exchange Agent (each as defined herein) at their respective telephone numbers and addresses set forth on the back cover of this Offering Memorandum and Disclosure Statement or consult your custodian bank, depository, broker, trust company or other nominee for assistance.

The electronic transfer by an Eligible Holder of Genco Notes to the Exchange Agent in accordance with DTC's ATOP procedures for transfer and delivery of an Agent's Message (as defined herein) through ATOP will, upon consummation of the Exchange Offer, constitute a release and discharge of certain claims such Eligible Holder may have against Dynegy, Genco and certain of their affiliates and other parties. The Plan contains a substantially identical release and discharge of such claims by all Noteholders, which will become effective upon the effectiveness of the Plan. See "Risk Factors—Risks Related to Consummation of the Exchange Offer or the Plan—Upon the consummation of the Exchange Offer, participating Eligible Holders will be deemed to have released and discharged each of Dynegy, Genco and certain of their affiliates and other parties from certain claims. The Plan contains a substantially identical release and discharge of such claims by all Noteholders, which will become effective upon the effectiveness of the Plan."

The Exchange Offer and Indenture Consent Solicitation are being made only to Eligible Holders as described below under "The Exchange Offer and Indenture Consent Solicitation." The Plan Solicitation is being made to all Noteholders as described below under "The Plan."

Eligible Holders must make their own decisions whether to participate in the Exchange Offer. Noteholders must make their own decisions whether to vote to accept the Plan. See "Risk Factors" beginning on page 36 for a discussion of the risks you should consider before participating in the Exchange Offer or voting on the Plan.

Neither the Securities and Exchange Commission (the "SEC"), any other securities commission nor any court or other regulatory authority has approved or disapproved the Exchange Offer or the Plan, nor have any of the foregoing authorities passed upon or endorsed the merits of the Exchange Offer or the Plan or the accuracy or adequacy of this Offering Memorandum and Disclosure Statement. Any representation to the contrary is a criminal offense.

The date of this Offering Memorandum and Disclosure Statement is November 7, 2016

**The Exchange Offer and Indenture Consent Solicitation**

The Exchange Offer is being made only:

- (1) inside the United States to Noteholders who are:
  - (a) “qualified institutional buyers” (as defined in Rule 144A under the Securities Act of 1933, as amended (the “*Securities Act*”)); or
  - (b) “accredited investors” (as defined in Rule 501(a) of Regulation D under the Securities Act); or
- (2) outside the United States to Noteholders that are persons other than “U.S. persons” (as defined in Rule 902 under the Securities Act) in offshore transactions in reliance upon Regulation S under the Securities Act (“*Regulation S*”).

Noteholders who satisfy any of the conditions set forth in the previous sentence are referred to herein as “*Eligible Holders*” and Noteholders who do not satisfy any of the conditions set forth in the previous sentence are referred to herein as “*Non-Eligible Holders*.”

**By tendering Genco Notes in the Exchange Offer, a Noteholder will be deemed to be certifying that it is an Eligible Holder. If you are a Non-Eligible Holder, the Exchange Offer is not being made to you and you should review the information below under the heading “The Plan.” If you are unsure whether you are an Eligible Holder, please consult your custodian bank, depository, broker, trust company or other nominee for assistance. Dynegey and Genco retain the right to request additional information to confirm whether any Noteholder is or is not an Eligible Holder.**

Pursuant to the Exchange Offer and subject to the satisfaction or waiver of the Exchange Offer Conditions (as defined below), in exchange for each \$1,000 principal amount of Genco Notes validly tendered (and not validly withdrawn) on or prior to the Expiration Date and accepted by Dynegey, the Eligible Holder thereof will receive the applicable consideration set forth in the table below. In order to participate in the Exchange Offer, an Eligible Holder must (i) tender Genco Notes in the Exchange Offer and (ii) consent to the applicable Proposed Amendments (together, the “*Exchange Offer Payment Conditions*”). Eligible Holders will not be permitted to tender their Genco Notes in the Exchange Offer without consenting to the Proposed Amendments and Eligible Holders who validly tender Genco Notes in the Exchange Offer will be deemed to have consented to the Proposed Amendments.

- (1) Interest on the Dynegey Notes issued pursuant the Exchange Offer will accrue at a rate per annum equal to the lesser of (1) the average of (a) the 2023 VWAY (as defined herein) and (b) the 2024 VWAY (as defined herein) or (2) the 2024 VWAY. Accordingly, if the Dynegey Notes are issued pursuant to the Exchange Offer, the interest rate on the Dynegey Notes will be 8.48% per annum. For a description of the Dynegey Notes, see “Description of the Dynegey Notes.”
- (2) Each of the Dynegey Warrants will be exercisable for one share of Dynegey’s common stock (“*Dynegey Common Stock*”) at an exercise price of \$35.00 per share. The Dynegey Warrants will be exercisable in a cashless exercise in exchange for Dynegey Common Stock. For a description of the Dynegey Warrants, see “Description of the Dynegey Warrants.”
- (3) The cash payable in the Exchange Offer with respect to each series of Genco Notes consists of \$114.32 per \$1,000 principal amount, plus accrued interest on such notes from the last date on which interest was paid through, but excluding, December 7, 2016, which is the earliest potential Settlement Date for the Exchange Offer. Genco intends to make the interest payment due on December 1, 2016 on the 2032 Notes as required by the Support Agreement. No additional amounts will be paid in the Exchange Offer with respect to accrued and unpaid interest on the Genco Notes whether or not the Exchange Offer is extended or the Settlement Date is later than December 7, 2016. The cash payable in the Exchange Offer will be paid by Genco; *provided*, that if the cash available at Genco upon consummation of the Exchange Offer is insufficient to pay such amount and other amounts then payable by Genco, Dynegey will provide Genco with the funds necessary to pay the difference through an intercompany loan.

Other than as set forth above, Eligible Holders will not receive any payment, including for accrued and unpaid interest, with respect to the Genco Notes pursuant to the Exchange Offer. The Dynegey Notes will be issued in minimum denominations of \$1.00 and in integral multiples of \$1.00 in excess thereof. The principal amount of Dynegey Notes to be issued to any Eligible Holder will be rounded down to the nearest \$1.00. The number of Dynegey Warrants to be issued to any Eligible Holder will be

rounded down to the nearest whole number. No payment will be made with respect to any fractional portion of Dynegy Notes or Dynegy Warrants not received as a result of such rounding.

Completion of the Exchange Offer and Indenture Consent Solicitation is subject to the satisfaction or waiver of a number of conditions as set forth herein (the “*Exchange Offer Conditions*”), including: (i) receipt of valid tenders (that are not validly withdrawn) from Eligible Holders representing at least 97% (the “*Minimum Participation Threshold*”) of the aggregate principal amount of the Genco Notes and (ii) receipt of the Requisite Consents (as defined herein) to the Proposed Amendments. Pursuant to the Support Agreement, Dynegy, in its sole discretion, but in consultation with Genco and with notice to the Supporting Noteholders, may amend, modify, supplement or waive the Minimum Participation Condition, so long as the Minimum Participation Condition shall not exceed 97%. Dynegy reserves the right, in its sole discretion, to not accept for exchange any Genco Notes if the Exchange Offer Conditions are not satisfied and to reject the tender of any Eligible Holder that does not satisfy both of the Exchange Offer Payment Conditions. Additionally, subject to the terms of the Support Agreement, Dynegy reserves the right to extend the Exchange Offer and Indenture Consent Solicitation at any time and for any reason after consultation with Genco and the Supporting Noteholders, and, subject to the terms of the Support Agreement, to terminate, withdraw or amend the Exchange Offer and Indenture Consent Solicitation at any time and for any reason.

In connection with the Exchange Offer, Dynegy is soliciting on behalf of Genco consents from Eligible Holders to the Proposed Amendments. Eligible Holders who validly tender their Genco Notes in the Exchange Offer will be deemed to have delivered their Indenture Consent by such tender. Execution of the Supplemental Indenture (as defined herein) containing the Proposed Amendments will be subject to certain conditions. Accordingly, the Supplemental Indenture may be executed by Genco and the Genco Indenture Trustee upon or at any time after consummation of the Exchange Offer and the Proposed Amendments will become operative upon execution of the Supplemental Indenture. If the Proposed Amendments become operative, certain restrictive covenants and other provisions of the Genco Indenture will be amended or eliminated with respect to any Genco Notes that remain outstanding after consummation of the Exchange Offer. If the Exchange Offer is consummated, but the Proposed Amendments do not become operative, the Genco Indenture will remain in effect in its present form. In addition, if the Exchange Offer is not consummated prior to commencement by Genco of a case under Chapter 11 (“*Chapter 11*” and such case, the “*Chapter 11 Case*”) of Title 11 of the United States Code (the “*Bankruptcy Code*”), the Eligible Holders’ consents to the Proposed Amendments will be deemed revoked, the Supplemental Indenture will not be executed, and the Proposed Amendments will not become operative. In the event that the Support Agreement is terminated, the Indenture Consents of the Supporting Noteholders will be deemed revoked.

## The Plan

**Genco has not commenced a Chapter 11 Case and has not filed a prepackaged plan in a Chapter 11 proceeding. The solicitation of acceptances of the Plan from all Noteholders is being conducted to obtain sufficient votes to accept the Plan prior to Genco filing a voluntary case under Chapter 11. As of the date of this Offering Memorandum and Disclosure Statement, Genco has not taken any corporate action approving a bankruptcy filing and, if the Exchange Offer is consummated, will not commence a bankruptcy filing to consummate the Plan. Furthermore, because no Chapter 11 Case has yet been commenced, this Offering Memorandum and Disclosure Statement has not been approved by any court as containing adequate information within the meaning of Section 1125(a) of the Bankruptcy Code.**

The Plan Solicitation is being made to all Noteholders. In the event that the Exchange Offer is not consummated for any reason, but Noteholders voting to accept the Plan constitute a majority in number of the Noteholders who have voted on the Plan and hold at least 66.7% of the aggregate amount of Noteholder Claims (as defined herein) held by Noteholders who voted on the Plan (the “*Requisite Plan Acceptance*”), then, subject to the terms and conditions of the Support Agreement and approval by Genco’s board of directors, Genco intends to commence the Chapter 11 Case and pursue confirmation and consummation of the Plan. If the Chapter 11 Case is commenced and the Plan becomes effective, claims arising or existing under or related to the Genco Notes or the Genco Indenture (“*Noteholder Claims*”) shall be allowed in an amount equal to the principal amount of the Genco Notes, plus accrued and unpaid interest, if any, as of the date the Chapter 11 Case is commenced (the “*Petition Date*”), and (1) each Eligible Holder who participates with respect to its Genco Notes after the Petition Date (pursuant to Section 7.4 of the Plan and the Eligibility Letter (as defined below) instructions) on or prior to the 165<sup>th</sup> day after the effective date of the Plan (the effective date of the Plan is referred to as the “*Plan Effective Date*”) (or the next succeeding Business Day, as defined herein) will receive on account of its Noteholder Claims its *pro rata* share (across all Noteholder Claims) (collectively, the “*Eligible Holder Distribution*”) of (a) \$210.0 million aggregate principal amount of Dynegy Notes, (b) 10 million Dynegy Warrants and (c) \$100,693,750 in cash, (2) each Non-Eligible Holder who participates with respect to its Genco Notes after the Petition Date (pursuant to Section 7.4 of the Plan and the Eligibility Letter instructions) on or prior to the 165<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day) will receive an amount in cash equal to the sum of: (i) the principal amount of Dynegy Notes that such Non-Eligible Holder would receive under the Plan if it were an Eligible Holder, (ii) its *pro rata* share (across all Noteholder Claims) of \$15.0 million (representing Dynegy’s valuation (using a Black Scholes valuation as of the end of the business day prior to the date of this Offering Memorandum and Disclosure Statement) of the Dynegy Warrants such Non-Eligible Holder would receive under the Plan if it were an Eligible Holder) and (iii) its *pro rata* share (across all Noteholder Claims) of \$100,693,750 (collectively, the “*Non-Eligible Holder Distribution*”) and (3) the Genco Notes will be cancelled. As noted above, Dynegy and Genco retain the right to request additional information to confirm whether any Noteholder is or is not an Eligible Holder.

If the Chapter 11 Case is commenced and the Plan becomes effective, detailed information with respect to the procedures for Plan distributions on account of the Genco Notes will be set forth in an eligibility letter (the “*Eligibility Letter*”), which will be sent to Noteholders after the Petition Date. As noted above, if you are an Eligible Holder and participate in the Exchange Offer but the Exchange Offer is not consummated, the Genco Notes that you tendered in the Exchange Offer will be released from DTC’s ATOP system upon termination of the Exchange Offer and, whether or not you submit a Ballot voting in favor of the Plan, you will be required to follow the instructions set forth in Section 7.4 of the Plan and the Eligibility Letter in order to receive a distribution under the Plan. If the Chapter 11 Case is commenced and the Plan becomes effective, any Noteholder who fails to follow the instructions in Section 7.4 of the Plan and the Eligibility Letter on or prior to the 165<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day) will have its Noteholder Claim and its distribution pursuant to the Plan on account of such Noteholder Claim discharged and forfeited and will not participate in any distribution under the Plan. Any property in respect of such forfeited Noteholder Claims will revert to Dynegy or Genco, as applicable.

Dynegy will serve as co-sponsor and co-proponent of the Plan and is participating in the Plan with Genco, but, for the avoidance of any doubt, only Genco intends to commence the Chapter 11 Case (subject to the terms and conditions of the Support Agreement and approval by Genco’s board of directors) and Dynegy is not commencing a case under Chapter 11 or otherwise. Dynegy will issue the Dynegy Notes and the Dynegy Warrants, and Genco will provide the cash portion of the Eligible Holder Distribution, the Non-Eligible Holder Distribution and the Support Agreement Fee; *provided*, that if the cash available at Genco on the Plan Effective Date is insufficient to pay such amounts and other amounts then payable by Genco, Dynegy will provide Genco with the funds necessary to pay the difference through the Genco Working Capital Facility.

Depending on when an Eligible Holder participates with respect to its Genco Notes under the Plan, the Dynegy Notes and Dynegy Warrants will be issued on the Plan Effective Date, on the 75th day after the Plan Effective Date (or the next succeeding Business Day), or on the 180th day after the Plan Effective Date (or the next succeeding Business Day). Dynegy Notes that are issued on each of these dates may not be fungible for trading purposes with Dynegy Notes issued on the other dates. See “Risk Factors—Risks Related to Bankruptcy Considerations.”

The Voting Record Date (as defined herein) for purposes of determining Noteholders that are eligible to vote on the Plan is October 28, 2016 unless modified by Genco with the consent of Dynegy and in consultation with the Supporting Noteholders. Only Noteholders on the Voting Record Date will be entitled to vote on the Plan, whether or not the Genco Notes held by such Noteholder are subsequently transferred. Noteholders on the Voting Record Date may vote on the Plan whether or not the corresponding Genco Notes have been tendered in the Exchange Offer. For your vote to be counted, it must be received by the Voting Agent (as defined herein) on or prior to the Expiration Date. Please refer to the Ballot for instructions on how to vote. Votes that are properly completed and received by the Voting Agent on or prior to the Expiration Date (and not validly revoked) will be counted regardless of whether the Exchange Offer is consummated.

The Plan should be considered separately from the Exchange Offer, and any vote to accept the Plan that is not validly withdrawn or modified to reject the Plan on or prior to the Expiration Date shall be binding. In addition, in no event will the expiration or termination of the Exchange Offer or the Indenture Consent Solicitation or the failure by Dynegy to accept any Genco Notes tendered in the Exchange Offer affect the validity of votes to accept the Plan. You may vote to accept or reject the Plan by delivering the Ballot to the Voting Agent (if you received a “pre-validated Ballot from your nominee) or to your nominee so that your nominee may include your vote on a Master Ballot. Follow the directions of your nominee for the return of your Ballot. By delivering the Ballot to vote on the Plan, you are making certain certifications, as contained in the Ballot, and agreeing to certain provisions contained in the Plan including the release and discharge provisions. If you vote against or take no action with respect to the Plan, Genco may not be able to consummate the Plan, but if the Plan is consummated, it will be binding on you. See “Procedures for Tendering Genco Notes in the Exchange Offer, Delivering Indenture Consents, Voting on the Plan and Submitting Genco Notes in Connection with the Plan.”

A Ballot may be withdrawn by delivering a written notice of withdrawal to the Voting Agent, so that the Voting Agent receives the notice on or prior to the Expiration Date. In order to be valid, a notice of withdrawal must (1) specify the name of the Noteholder who submitted the Ballot to be withdrawn, (2) contain a description of the Genco Notes to which it relates and (3) be signed by the Noteholder who signed the Ballot in the same manner as on the Ballot. Dynegy and Genco expressly reserve the right to contest the validity of any withdrawals of votes on the Plan. A Ballot may be withdrawn whether or not the corresponding Genco Notes have been withdrawn from the Exchange Offer.

Any Noteholder who casts a timely vote may change or withdraw its vote after the Expiration Date only with the approval of the Bankruptcy Court or the consent of Dynegy and Genco, in consultation with the Supporting Noteholders. If more than one timely, properly completed Ballot is received with respect to the same Genco Notes and no order of the Bankruptcy Court allowing the Noteholder to change its vote has been entered with respect to such vote, the Ballot that will be counted for purposes of determining whether sufficient votes to accept the Plan have been received will be the last timely, properly-completed Ballot, as determined by the Voting Agent. Votes with respect to the Plan will be binding on any subsequent owner, purchaser, transferee or holder of Genco Notes.

Dynegy reserves the right to, subject to the Support Agreement and applicable law, extend the Expiration Date after consultation with Genco and the Supporting Noteholders. In addition, Dynegy and Genco reserve the right to not count any vote

that does not comply with the voting procedures. In the event the Plan Solicitation is terminated, withdrawn or not otherwise consummated or a Chapter 11 Case is commenced but the Plan Effective Date does not occur, the Eligible Holder Distribution and the Non-Eligible Holder Distribution will not be paid and the Genco Notes will remain outstanding in their current form.

None of Dynegy, Genco, the Information Agent, the Exchange Agent, the Voting Agent, the Genco Indenture Trustee, the trustee under the indenture governing the Dynegy Notes, the Supporting Noteholders, or any of their representatives or counsel, accountants or other advisors is making any representation to you regarding the legality of any exchange of Genco Notes for the applicable consideration (as described in the table on the front cover of this Offering Memorandum and Disclosure Statement) or the participation in the Indenture Consent Solicitation or vote on the Plan by you under appropriate legal investment or similar laws. This Offering Memorandum and Disclosure Statement is being provided to Noteholders for informational use solely in connection with their consideration of the transactions described herein. The use of this Offering Memorandum and Disclosure Statement for any other purpose is not authorized.

No representation or warranty, express or implied, is made by the Information Agent, the Exchange Agent and/or the Voting Agent as to the accuracy or completeness of any of the information set forth in this Offering Memorandum and Disclosure Statement, and nothing contained in this Offering Memorandum and Disclosure Statement is or shall be relied upon as a promise or representation, whether as to the past or the future. This Offering Memorandum and Disclosure Statement contains summaries, which are believed to be accurate, of some of the terms of specific documents, but reference is made to the actual documents, copies of which will be made available upon request, at no cost, for the complete information contained in those documents. Unless otherwise stated, the information contained in this Offering Memorandum and Disclosure Statement is as of the date hereof and is subject to change without notice. Neither the delivery of this Offering Memorandum and Disclosure Statement at any time nor the offer, exchange or delivery of any consideration hereunder shall, under any circumstances, create any implication that there has been no change in the information contained in or incorporated by reference into this Offering Memorandum and Disclosure Statement or in the affairs of Dynegy or Genco or any of their subsidiaries or affiliates since the date of this Offering Memorandum and Disclosure Statement.

Although Dynegy and Genco are not under any obligation to do so, Dynegy and Genco reserve the right in the future to acquire Genco Notes, other than pursuant to the Exchange Offer, by means of open market purchases, privately negotiated acquisitions, subsequent exchange or tender offers, redemptions under the provisions of the Genco Indenture or otherwise, at prices or on terms that may be higher or lower or more or less favorable than those in the Exchange Offer, in any such case in compliance with applicable laws. Dynegy or Genco may also conduct one or more consent solicitations in the future on terms that may be more or less favorable than those in the Indenture Consent Solicitation. In addition, in the event that the Exchange Offer is not consummated and the Plan does not become effective, Genco may file for bankruptcy and seek approval of a “prearranged,” “pre-negotiated” or other form of plan of reorganization. There can be no assurance that such a “prearranged,” “pre-negotiated” or other form of plan would be on more or less favorable terms than the Exchange Offer or the Plan.

Each Noteholder must comply with all applicable laws and regulations in force in any jurisdictions in which it participates in the Exchange Offer or the Plan or possesses or distributes this Offering Memorandum and Disclosure Statement and must obtain any consent, approval or permission required for participation in the Exchange Offer or the Plan under the laws and regulations in force in any jurisdictions to which such Noteholder is subject. None of Genco, Dynegy or any of their affiliates or representatives shall have any responsibility therefor.

**This Offering Memorandum and Disclosure Statement, including the documents attached hereto or incorporated by reference herein, and the Ballots contain important information that should be read before any decision is made to participate in the Exchange Offer and the Indenture Consent Solicitation, or whether to vote on the Plan.**

## **SEC REVIEW**

In connection with the filing of the registration statements relating to the Dynegy Notes and the Dynegy Warrants that Dynegy may be required to make if the Exchange Offer is consummated as described in “Description of the Dynegy Notes—Notes Registration Rights; Special Interest” and “Description of the Dynegy Warrants—Warrant Registration Rights,” Dynegy may be required to make changes to the description of its business and/or the financial information and data included in or incorporated by reference into this Offering Memorandum and Disclosure Statement. Any such modification, reformulation or elimination may be significant. In particular, the SEC has adopted certain guidelines regarding the use of financial measures that do not comply with accounting principles generally accepted in the United States, or Generally Accepted Accounting Principles (“GAAP”). The SEC may take the view that the non-GAAP financial measures incorporated by reference herein, for example, EBITDA and Adjusted EBITDA (as defined herein), do not comply with these rules and may require Dynegy to remove them from, or to change the way Dynegy reports its non-GAAP financial measures in, the registration statement to be filed with respect to the Dynegy Notes and/or the Dynegy Warrants to comply with such guidelines. Any such changes would result in differences between the non-GAAP financial measures included in or incorporated by reference into this Offering Memorandum and Disclosure Statement and the registration statement with respect to the Dynegy Notes and/or the Dynegy Warrants.

## NON-GAAP FINANCIAL MEASURES

In analyzing and planning for Dynegy's business, Dynegy supplements its use of GAAP financial measures with non-GAAP financial measures, including earnings before interest, taxes, depreciation and amortization ("*EBITDA*") and Adjusted EBITDA. These non-GAAP financial measures reflect an additional way of viewing aspects of Dynegy's business that, when viewed with Dynegy's GAAP results and the accompanying reconciliations to corresponding GAAP financial measures included in the tables incorporated by reference herein, may provide a more complete understanding of factors and trends affecting Dynegy's business. These non-GAAP financial measures should not be relied upon to the exclusion of GAAP financial measures and are by definition an incomplete understanding of Dynegy and must be considered in conjunction with GAAP measures.

Dynegy believes that the historical non-GAAP measures disclosed in its filings are only useful as an additional tool to help management and investors make informed decisions about Dynegy's financial and operating performance. By definition, non-GAAP measures do not give a full understanding of Dynegy; therefore, to be truly valuable, they must be used in conjunction with the comparable GAAP measures. In addition, non-GAAP financial measures are not standardized; therefore, it may not be possible to compare these financial measures with other companies' non-GAAP financial measures having the same or similar names. Dynegy strongly encourages investors to review its consolidated financial statements and publicly filed reports in their entirety and not rely on any single financial measure.

Dynegy defines EBITDA as earnings (loss) before interest expense, income tax expense (benefit), and depreciation and amortization expense. Dynegy defines Adjusted EBITDA as EBITDA adjusted to exclude (i) gains or losses on the sale of certain assets, (ii) the impacts of mark-to-market changes on derivatives related to Dynegy's generation portfolio, as well as interest rate swaps and warrants, (iii) the impact of impairment charges and certain other costs such as those associated with acquisitions, and (iv) other material items. Beginning in 2016, Adjusted EBITDA also excludes non-cash compensation expense.

For more information, see "Management's Discussion and Analysis of Financial Condition and Results of Operations—Results of Operations" and Dynegy's audited consolidated financial statements, including the notes thereto, included in Dynegy's Annual Report on Form 10-K for the year ended December 31, 2015 and Dynegy's Quarterly Report on Form 10-Q for the quarter ended September 30, 2016, which are incorporated by reference into this Offering Memorandum and Disclosure Statement.

## INDUSTRY AND MARKET DATA

Dynegy and Genco have obtained industry and market share data from third-party studies and industry publications. These studies and publications generally state that they have obtained information from sources believed to be reliable, but do not guarantee the accuracy or completeness of such information. In addition, in many cases, Dynegy and/or Genco have made statements in this Offering Memorandum and Disclosure Statement and in the documents incorporated by reference herein regarding Dynegy and Genco's industries and their respective positions in their industries based upon estimates made from Dynegy and Genco's experience in their respective industries and their own investigations of

market conditions. Dynegy and Genco believe these estimates to be accurate as of the date of this Offering Memorandum and Disclosure Statement or the date of the document incorporated by reference, as applicable. However, this information may prove to be inaccurate because of the method by which Dynegy and Genco obtained some of the data for their estimates or because this information cannot always be verified with complete certainty due to the limits on the availability and reliability of raw data, the voluntary nature of the data gathering process and other limitations and uncertainties. As a result, you should be aware that the industry and market data included in this Offering Memorandum and Disclosure Statement and in the documents incorporated by reference herein, and estimates and beliefs based on that data may not be reliable.

### **Dynegy Inc.**

Dynegy's primary business is the production and sale of electric energy, capacity and ancillary services from its fleet of 34 power plants in eight states totaling approximately 25,000 MW of generating capacity. Dynegy operates a portfolio of generation assets that is diversified in terms of dispatch profile, fuel type and geography. Dynegy's Coal and IPH segments are fleets of baseload coal facilities, located in the Midwest and Massachusetts. Dynegy's Gas segment operates both intermediate and peaking natural gas plants, located in the Midwest, Northeast and California. The inherent cycling and dispatch characteristics of Dynegy's combined cycle units allow it to take advantage of the volatility in market pricing in the day-ahead and hourly markets. This flexibility allows Dynegy to optimize its assets and provide incremental value to the system by making available dispatchable, fast response energy and ancillary services to key load zones. While Dynegy's peaking facilities are generally dispatched to serve load only during the highest periods of power demand, such as hot summer and cold winter days, Dynegy's peaking facilities in PJM, ISO-NE, CAISO, and MISO generate capacity revenues through structured markets or bilateral tolling agreements, as local utilities and ISOs seek to ensure sufficient generation capacity is available to meet future market demands.

Dynegy sells electric energy, capacity and ancillary services primarily on a wholesale basis from its power generation facilities. Dynegy also serves residential, municipal, commercial and industrial customers primarily in MISO and PJM through its Homefield Energy and Dynegy Energy Services retail businesses, through which Dynegy provides retail electricity to approximately 1,003,000 residential customers and approximately 46,000 commercial, industrial and municipal customers in Illinois, Ohio and Pennsylvania. Wholesale electricity customers will primarily contract for rights to capacity from generating units for reliability reasons and to meet regulatory requirements. Ancillary services support operation of the transmission grid, follow real-time changes in load and provide emergency reserves for major changes to the balance of generation and load. Retail electricity customers purchase energy and these related services in the deregulated retail energy market. Dynegy sells these products individually or in combination to its customers for various lengths of time from hourly to multi-year transactions.

Dynegy does business with a wide range of customers, including RTOs and ISOs, integrated utilities, municipalities, electric cooperatives, transmission and distribution utilities, power marketers, financial participants such as banks and hedge funds and residential, commercial and industrial end-users. Some of Dynegy's customers, such as municipalities or integrated utilities, purchase Dynegy's products for resale in order to serve their retail, commercial and industrial customers. Other customers, such as some power marketers, may buy from Dynegy to serve their own wholesale or retail customers or as a hedge against power sales they have made.

### ***Delta Transaction***

On February 24, 2016, Atlas Power Finance, LLC, a Delaware limited liability company (the "Purchaser") and a wholly owned subsidiary of Atlas Power, LLC ("Atlas Power"), which was 65% indirectly owned by Dynegy and 35% owned by certain affiliated investment funds of ECP (the "ECP Funds"), entered into a Stock Purchase Agreement (as amended and restated on June 27, 2016, the "Delta

*Stock Purchase Agreement*”), with GSENA and International Power, S.A. (the “*Seller*”), indirect subsidiaries of ENGIE S.A. (“*ENGIE*”), pursuant to which the Purchaser will, subject to the terms and conditions in the Delta Stock Purchase Agreement, purchase GSENA from the Seller for a purchase price of approximately \$3.3 billion, subject to certain adjustments (the “*Delta Transaction*”). Pursuant to the Delta Stock Purchase Agreement, prior to the consummation of the Delta Transaction, ENGIE will cause GSENA to transfer certain assets to other subsidiaries of ENGIE so that, at the closing of the Delta Transaction, GSENA’s assets will consist solely of the GSENA Thermal Assets.

On June 27, 2016, pursuant to the terms of the amended and restated interim sponsors agreement, dated June 14, 2016 (the “*Interim Sponsors Agreement*”), among Dynegy, Atlas Power, ECP and Terawatt Holdings, LP, an affiliate of ECP, a wholly owned subsidiary of Dynegy acquired the 35% ownership interest in Atlas Power held by the ECP Funds (the “*ECP Buyout*”) and Atlas Power became an indirect wholly owned subsidiary of Dynegy. In accordance with the Interim Sponsors Agreement, Dynegy will pay ECP \$375 million (the “*ECP Buyout Price*”) on the later of December 31, 2016 or the date that is three months after the closing of the Delta Transaction (the “*First Payment Date*”). Alternatively, Dynegy may pay the ECP Buyout Price after the First Payment Date, but in such case, the ECP Buyout Price would be subject to quarterly escalation up to a maximum of \$468.5 million. Dynegy intends to pay the ECP Buyout Price at or prior to the First Payment Date.

Pursuant to the Delta Stock Purchase Agreement, the deadline for the closing of the Delta Transaction is February 24, 2017. Dynegy expects the Delta Transaction to close in the fourth quarter of 2016 after satisfaction or waiver of customary closing conditions and governmental approvals, including approval from the FERC.

The foregoing description of the Delta Stock Purchase Agreement and the Interim Sponsors Agreement and the transactions contemplated thereby is subject to and qualified in its entirety by reference to the full text of the Delta Stock Purchase Agreement and the Interim Sponsors Agreement, copies of which are attached as Exhibits 2.1 and 10.3 to Dynegy’s Current Report on Form 8-K, filed on June 28, 2016, which is incorporated herein by reference. The Delta Stock Purchase Agreement and the Interim Sponsors Agreement have been incorporated by reference into this Offering Memorandum and Disclosure Statement to provide investors with information regarding the terms of the Delta Transaction and the Interim Sponsors Agreement and is not intended to provide any factual information about Dynegy or any of its subsidiaries or affiliates, and you should not rely upon the representations and warranties contained therein.

- (1) Unit capabilities are based on winter capacity and are reflected at Dynegy's net ownership interest. Dynegy has not included units that have been retired or out of operation.
- (2) Includes 630 MW of capacity at Baldwin Unit 3, which was mothballed on October 17, 2016. Baldwin Unit 1 is scheduled to be mothballed in September 2018.
- (3) Dynegy has transmission rights up to 260 MW into PJM effective June 1, 2017.
- (4) Co-owned with other generation companies. Elwood ownership interests to be sold pursuant to the Elwood Purchase Agreement. See "—Sale of Elwood."
- (5) Facilities not operated by Dynegy.
- (6) Scheduled to be retired from service in June 2017.
- (7) Dynegy has transmission rights into PJM for certain of Dynegy's IPH plants and, therefore, also offers power and capacity into PJM.

### ***Sale of Elwood***

On August 3, 2016, J-POWER USA Development Co., Ltd., a Delaware corporation (“JPOWER”), agreed to acquire Dynegy’s indirect 50% interests in Elwood Energy LLC (“*Elwood Energy*”) and Elwood Expansion LLC and its indirect 100% interest in Elwood Services Company, LLC (collectively, the “*Elwood Sale*”), for a purchase price of \$172.5 million, pursuant to a Membership Interest Purchase Agreement (the “*Elwood Purchase Agreement*”), by and among Elwood Expansion Holdings, LLC, Elwood Energy Holdings, LLC, Tomcat Power, LLC, Elwood Energy Holdings II, LLC and JPOWER.

Elwood Energy owns a natural-gas-fired peaking facility located in Will County, Illinois. On November 2, 2016, Dynegy and JPOWER received FERC approval for the Elwood Sale. The transaction is expected to close by mid-November 2016. The Elwood Purchase Agreement contains certain termination rights for the parties, including if the closing does not occur within 210 days following the date of the Elwood Purchase Agreement.

### **Illinois Power Generating Company**

Genco is an electric generation subsidiary of IPR, which is an indirect wholly-owned subsidiary of Dynegy. Genco is headquartered in Houston, Texas and was incorporated in Illinois in March 2000. Genco owns and operates a merchant generation business in Illinois. Genco has an 80% ownership interest in EEI, which Genco consolidates for financial reporting purposes. EEI operates merchant electric generation facilities in Illinois and FERC-regulated transmission facilities in Illinois and Kentucky. Genco also consolidates its wholly-owned subsidiary, Coffeen and Western Railroad Company, for financial reporting purposes.

Genco currently sells all of its power and capacity to IPM through PSAs. IPM attempts to optimize the value of Genco’s available generation capacity and energy and to mitigate risks through wholesale and bilateral sales of capacity and energy, retail sales in the non-rate-regulated Illinois market, participation in structured capacity market auctions in MISO and PJM and financial hedging transactions, including options and other derivatives. IPM also entered into a similar PSA with IPRG.

Under the PSAs, IPM revenues are allocated between Genco and IPRG based on reimbursable expenses and generation of each entity. The reimbursable expenses used in the calculation of revenues allocated under the Genco and IPRG PSAs include operation costs in addition to depreciation and interest on debt. Additionally, the revenues allocated include settled values of derivative instruments entered into by IPM to hedge commodity exposure related to Genco and IPRG generation.

EEI also has a PSA with IPM, whereby EEI agreed to sell and IPM agreed to purchase all of the capacity and energy available from EEI’s generation fleet. With limited exceptions, the price that IPM pays for capacity is the MISO Local Resources Zone 4 clearing price. IPM pays spot market prices for the associated energy. In addition, EEI will at times purchase energy from IPM to fulfill obligations to a non-affiliated party.

Ultimately, Genco’s sales are subject to market conditions for power. Genco principally uses coal and limited amounts of natural gas for fuel in its operations. The prices for these commodities can fluctuate significantly due to the global economic and political environment, weather, supply, demand and many other factors. Genco employs various risk management strategies to reduce its exposure to commodity risk and other risks inherent in its business. As discussed above, IPM may hedge exposures related to Genco’s generation through derivative contracts and the settled value under such contracts is allocated to Genco through the PSAs. The reliability of Genco’s facilities, operations and maintenance costs, and capital expenditures are key factors that Genco seeks to control in order to optimize its results of operations, financial position and liquidity.

Genco is currently organized into a ring-fenced group in order to maintain corporate separateness from Dynegy and its other legal entities, which include IPRG and IPM. Genco has an independent director and special director whose consent is required for certain corporate actions, including material transactions with affiliates. Genco maintains separate books, records and bank accounts and separately appoints officers. Furthermore, Genco pays liabilities from its own funds, conducts business in its own name and has restrictions on pledging its assets for the benefit of certain other persons.

### **The Restructuring**

Dynegy and Genco are proposing to effect the Restructuring of the Genco Notes through one of the following two alternatives: (i) an out-of-court restructuring consisting of the Exchange Offer and the Indenture Consent Solicitation or (ii) if the Exchange Offer Conditions are not satisfied or waived but the Requisite Plan Acceptance is received, an in-court restructuring pursuant to the Plan, as described in this Offering Memorandum and Disclosure Statement.

The Exchange Offer contemplates, subject to the satisfaction or waiver of the Exchange Offer Conditions, in exchange for each \$1,000 principal amount of Genco Notes validly tendered by an Eligible Holder (and not validly withdrawn) on or prior to the Expiration Date and accepted by Dynegy, the Eligible Holder thereof will receive the consideration set forth on the front cover of this Offering Memorandum and Disclosure Statement.

In the event that the Exchange Offer is not consummated for any reason, but the Requisite Plan Acceptance is received, then, subject to the terms and conditions of the Support Agreement and approval by Genco's board of directors, Genco intends to commence the Chapter 11 Case and pursue confirmation and consummation of the Plan. The Plan contemplates that, upon satisfaction or waiver of the conditions to effectiveness thereof, the Noteholder Claims will be allowed in the principal amount of the Genco Notes, plus accrued and unpaid interest, if any, as of the Petition Date, and:

- each Eligible Holder who participates with respect to its Genco Notes after the Petition Date (pursuant to Section 7.4 of the Plan and the Eligibility Letter instructions) on or prior to the 165<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day) will receive on account of its Noteholder Claims its *pro rata* share (across all Noteholder Claims) of (i) \$210.0 million aggregate principal amount of Dynegy Notes, (ii) 10 million Dynegy Warrants and (iii) \$100,693,750; and
- each Non-Eligible Holder Noteholder who participates with respect to its Genco Notes after the Petition Date (pursuant to Section 7.4 of the Plan and the Eligibility Letter instructions) on or prior to the 165<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day) will receive on account of its Noteholder Claims an amount in cash equal to the sum of (i) the principal amount of Dynegy Notes that such Non-Eligible Holder would receive under the Plan if it were an Eligible Holder, (ii) its *pro rata* share (across all Noteholder Claims) of \$15.0 million (representing Dynegy's valuation (using a Black Scholes valuation as of the end of the business day prior to the date of this Offering Memorandum and Disclosure Statement) of the Dynegy Warrants that such Non-Eligible Holder would receive under the Plan if it were an Eligible Holder) and (iii) its *pro rata* share (across all Noteholder Claims) of \$100,693,750.

If the Chapter 11 Case is commenced and the Plan becomes effective, detailed information with respect to the procedures for Plan distributions on account of the Genco Notes will be set forth in the Eligibility Letter, which will be sent to Noteholders after the Petition Date. If you are an Eligible Holder and participate in the Exchange Offer but the Exchange Offer is not consummated, the Genco Notes that you tendered in the Exchange Offer will be released from DTC's ATOP system upon termination of the Exchange Offer and, whether or not you submit a Ballot voting in favor of the Plan, you will be required to follow the instructions set forth in Section 7.4 of the Plan and the Eligibility Letter in order to receive a

distribution under the Plan. If the Chapter 11 Case is commenced and the Plan becomes effective, any Noteholder who fails to follow the instructions in Section 7.4 of the Plan and the Eligibility Letter on or prior to the 165<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day) will have its Noteholder Claim and its distribution pursuant to the Plan on account of such Noteholder Claim discharged and forfeited and will not participate in any distribution under the Plan. Any property in respect of such forfeited Noteholder Claims will revert to Dynegy or Genco, as applicable.

Receipt by a Noteholder of the applicable consideration described above will constitute full satisfaction of all amounts that remain due on such holder's Genco Notes.

The Restructuring reflects the terms of the Support Agreement among Dynegy, Genco, certain of their affiliates and the Supporting Noteholders, which Supporting Noteholders hold approximately 69.9% in aggregate principal amount of the outstanding Genco Notes. Pursuant to the Support Agreement, the Supporting Noteholders have agreed, subject to the terms and conditions contained therein, among other things, to (1) support and take all actions reasonably necessary to achieve the Restructuring, including by tendering (and not withdrawing) their Genco Notes in the Exchange Offer, consenting in the Indenture Consent Solicitation and voting in favor of the Plan; (2) not support any other plan or restructuring transaction or take any other action that is inconsistent with, or would reasonably be expected to impede, the Restructuring; and (3) not direct the Genco Indenture Trustee to take any action inconsistent with the Supporting Noteholders' obligations under the Support Agreement. Dynegy and Genco may not modify certain terms of the Exchange Offer, including increasing the Minimum Participation Threshold, or the Plan without the consent of some or all of the Supporting Noteholders.

Dynegy reserves the right to, subject to the Support Agreement and applicable law, extend the Expiration Date after consultation with Genco and the Supporting Noteholders. In addition, Dynegy and Genco reserve the right to not count any vote that does not comply with the voting procedures.

If Dynegy or Genco, as applicable, waives a material condition of the Exchange Offer or the Plan or otherwise amends the Exchange Offer or the Plan in any material respect, Dynegy and Genco will promptly disclose the amendment or waiver by issuance of a press release or other public announcement and, at Dynegy or Genco's election, Dynegy or Genco may also issue a supplement or amendment, as appropriate, to this Offering Memorandum and Disclosure Statement, and extend the Expiration Date of the Exchange Offer, the Indenture Consent Solicitation and the Plan Solicitation to the extent required by applicable law.

### **Indenture Consent Solicitation**

In connection with the Exchange Offer, Dynegy is soliciting the Indenture Consents on behalf of Genco from Eligible Holders to approve the Proposed Amendments. See "The Exchange Offer and Indenture Consent Solicitation—Proposed Amendments."

### **Expenses**

Dynegy will pay certain fees and expenses associated with the Exchange Offer, including the reasonable fees and expenses of the Information Agent and the Exchange Agent. Genco will pay the reasonable expenses of the Voting Agent and the Genco Indenture Trustee and, pursuant to the Support Agreement, Genco has agreed to pay certain fees and expenses of an ad hoc group of the Supporting Noteholders (the "*Ad Hoc Group*") and their advisors. None of the fees and expenses of the Ad Hoc Group that are being paid by Genco are being paid in connection with the Ad Hoc Group tendering their Genco Notes in the Exchange Offer.

## **Post-Restructuring Transactions**

### ***Guarantee of Dynegy Indebtedness***

Upon or after consummation of the Exchange Offer and the Proposed Amendments becoming operative or the effectiveness of the Plan, Dynegy intends to designate Genco and its wholly-owned subsidiary as guarantors of Dynegy's material, third-party indebtedness for borrowed money. EEI, in which Genco owns an 80% interest, and its subsidiaries will not guarantee Dynegy's indebtedness. As of September 30, 2016, on a pro forma basis as described under the section "Dynegy Capitalization," Dynegy had \$9.2 billion of material, third-party indebtedness for borrowed money (excluding a forward capacity agreement, inventory financing agreements, the amortizing note portion of Dynegy's tangible equity units, equipment financing agreements and unamortized debt discounts and issuance costs), \$2.6 billion of which would have been secured (which secured indebtedness will be secured by substantially all of the assets of Genco and such wholly-owned subsidiary in conjunction with the effectiveness of the guarantees). The guarantees will contain language limiting the amount of the guarantee to the extent it constitutes a fraudulent transfer or conveyance and provide for contribution from or payments made by or on behalf of any other guarantor. See "Description of the Dynegy Notes—The Subsidiary Guarantees" for additional information on guarantors of Dynegy's indebtedness.

### ***Amendments to the Genco Power Supply Agreement and the Shared Services Agreement***

The operation of Genco's business is dependent to a significant extent on agreements with its affiliates. The Support Agreement provides that these agreements may be modified upon consummation of the Restructuring.

As described under "—Illinois Power Generating Company" above, Genco currently sells all of its power and capacity to IPM, one of its affiliates, through the Genco Power Supply Agreement, and IPM entered into a similar power supply agreement with IPRG. The Genco Power Supply Agreement continues through December 31, 2022 and from year to year thereafter unless either party elects to terminate by providing the other party with no less than six months' advanced written notice. As required by the Support Agreement, upon consummation of the Restructuring, the Genco Power Supply Agreement will be amended to (i) address any potential dispute regarding the term of the Genco Power Supply Agreement and to provide that at any time during the term of the Genco Power Supply Agreement, either party may elect to terminate by providing the other party with no less than six months' advance written notice and (ii) if requested by Dynegy and IPM, modify the calculation of the Energy Charge and the Capacity Payment (each as defined in the Genco Power Supply Agreement) to eliminate any subsidy from IPM or IPRG to Genco under the Genco Power Supply Agreement.

Genco is also party to a Shared Services Agreement through which Dynegy and certain of its affiliates provide administrative and management services to Genco and certain of its other affiliates. The Shared Services Agreement currently runs through December 31, 2016, and is automatically extended for successive renewal terms of twelve months each unless a recipient of services (such as Genco) delivers a notice of termination no less than twelve months prior to the end of any renewal term. As required by the Support Agreement, upon consummation of the Restructuring, the Shared Services Agreement will be amended to provide that Dynegy and its affiliate providers of services may terminate the Shared Services Agreement for convenience with respect to a recipient (including Genco) upon twelve months' notice to such recipient.

## Considerations in Respect of the Exchange Offer and the Plan Process

### *The Exchange Offer*

Consummation of the Restructuring through the Exchange Offer provides several benefits to Dynegy and Genco, including, among other things:

- the ability to effectuate the Restructuring in a shorter period of time than may be required if the Restructuring is consummated through the Plan;
- management remains in complete control of Genco's business without the reporting requirements and oversight required by the Bankruptcy Court; and
- as further described in "Risk Factors—Risks Related to Bankruptcy Considerations," avoidance of the attendant quantifiable and unquantifiable costs and uncertainties of the bankruptcy process.

Potential direct and indirect costs or disadvantages to Dynegy and Genco of the Exchange Offer include:

- uncertainty as to whether the Exchange Offer will be consummated given the high threshold for approval (at least 97% of the aggregate principal amount of the Genco Notes; provided, however, that pursuant to the Support Agreement, Dynegy, in its sole discretion, but in consultation with Genco and with notice to the Supporting Noteholders, may amend, modify, supplement or waive such Minimum Participation Condition, so long as the Minimum Participation Condition shall not exceed 97%); and
- benefits are limited to the financial restructuring of the Genco Notes that participate in the Exchange Offer without the attendant benefits of a bankruptcy process, which includes the ability to include all of the Genco Notes in the Restructuring.

### *The Plan*

Consummation of the Restructuring through the Plan provides several benefits to Dynegy and Genco, including, among other things:

- a lower threshold for approval (whereas approval from at least 97% of the aggregate principal amount of the Genco Notes is required to implement the Exchange Offer (unless such Minimum Participation Condition is amended, modified, supplemented or waived by Dynegy as described above)), the Bankruptcy Code requires approval of the Plan by Noteholders constituting a majority in number of the Noteholders who have voted on the Plan and hold at least 66.7% of the aggregate amount of Noteholder Claims held by Noteholders who voted on the Plan);
- the ability of Genco to treat the claims of all Noteholders, whether or not such Noteholders vote to accept the Plan, eliminating the "holdout" problem presented by the Exchange Offer in connection with Noteholders that do not participate in the Exchange Offer, and thereby including all of the Genco Notes in the Restructuring; and
- certainty regarding the cancellation of indebtedness income being excluded from Genco's taxable income.

Potential direct and indirect costs or disadvantages of the Plan to Dynegy and Genco include:

- as further described in “Risk Factors—Risks Related to Bankruptcy Considerations,” uncertainty as to whether the Plan and solicitation of votes on the Plan will be approved by the U.S. Bankruptcy Court for the Southern District of Texas, Houston Division (the “*Bankruptcy Court*”) and as to whether the conditions to confirmation and consummation of the Plan will be satisfied;
- incremental cash outflows triggered by a bankruptcy filing, including, but not limited to, costs related to the filing, Bankruptcy Court reporting requirements and professional fees;
- the impact of the bankruptcy process on Genco’s business operations and management; and
- potential reputational damage to Genco resulting from the filing of bankruptcy.

***Effects of a Bankruptcy Filing without the Plan***

If the Exchange Offer is not consummated and the Requisite Plan Acceptance is not received, Genco may nevertheless be required to commence bankruptcy proceedings within the next 12 to 18 months. If such bankruptcy proceedings are commenced, Noteholders may receive less consideration for their Genco Notes than the consideration being offered in the Exchange Offer and under the Plan. A bankruptcy filing of Genco without the Plan would also present uncertainty with respect to Genco’s ability to satisfy its debt and other obligations.

## Summary of the Terms of the Exchange Offer and Indenture Consent Solicitation

*If you are a Non-Eligible Holder, the Exchange Offer and Indenture Consent Solicitation are not being made to you. This section applies only to Eligible Holders. The summary below describes the principal terms of the Exchange Offer and Indenture Consent Solicitation. Certain of the terms and conditions described below are subject to important limitations and exceptions. For a more complete understanding of the terms and conditions of the Exchange Offer and Indenture Consent Solicitation, you should read this entire Offering Memorandum and Disclosure Statement.*

**Overview** ..... Dynegy is offering each Eligible Holder of Genco Notes the applicable consideration described below. Dynegy will issue the Dynegy Notes and the Dynegy Warrants and Genco will fund the cash payable in the Exchange Offer; *provided*, that if the cash available at Genco upon consummation of the Exchange Offer is insufficient to pay such amount and other amounts then payable by Genco, Dynegy will provide Genco with the funds necessary to pay the difference through an intercompany loan.

**Exchange Consideration**..... In exchange for each \$1,000 principal amount of Genco Notes validly tendered (and not validly withdrawn) and accepted by Dynegy, the Eligible Holder thereof will receive (a) subject to rounding, \$254.55 principal amount of Dynegy Notes, (b) subject to rounding, 12.12 Dynegy Warrants, each of which will be exercisable for one share of Dynegy Common Stock, and (c) \$124.62 in cash for each \$1,000 principal amount of 2018 Notes, \$126.04 in cash for each \$1,000 principal amount of 2020 Notes and \$115.64 for each \$1,000 principal amount of 2032 Notes. The cash payable in the Exchange Offer with respect to each series of Genco Notes consists of \$114.32 per \$1,000 principal amount, plus accrued interest on such notes from the last date on which interest was paid through, but excluding, December 7, 2016, which is the earliest potential Settlement Date for the Exchange Offer. Genco intends to make the interest payment due on December 1, 2016 on the 2032 Notes as required by the Support Agreement. No additional amounts will be paid in the Exchange Offer with respect to accrued and unpaid interest on the Genco Notes whether or not the Exchange Offer is extended or the settlement date is later than December 7, 2016. Other than as set forth above, Eligible Holders will not receive any payment, including from accrued and unpaid interest, with respect to the Genco Notes pursuant to the Exchange Offer.

### Conditions to Completion of the Exchange Offer .....

The obligation of Dynegy to accept for exchange Genco Notes tendered pursuant to the Exchange Offer is subject to the satisfaction of certain conditions, including, among others:

- (1) Eligible Holders representing 97% or more of the aggregate principal amount of the Genco Notes shall have validly tendered (and not validly withdrawn) their Genco Notes in the Exchange Offer (the “*Minimum Participation Condition*”); *provided, however*, that, pursuant to the Support Agreement, Dynegy, in its sole discretion, but in consultation with Genco and with notice to the Supporting Noteholders, may amend, modify, supplement or

waive the Minimum Participation Condition, so long as the Minimum Participation Threshold shall not exceed 97%;

(2) the receipt of the Requisite Consents to the Proposed Amendments; and

(3) the Support Agreement has not been validly terminated by the parties thereto.

**Expiration Date** ..... The Exchange Offer and Indenture Consent Solicitation will expire at 11:59 p.m., New York City time, on December 6, 2016, unless extended by Dynegy. Dynegy reserves the right to extend the Exchange Offer and Indenture Consent Solicitation at any time and for any reason after consultation with Genco and the Supporting Noteholders.

**Settlement Date** ..... The Settlement Date for the Exchange Offer will occur as soon after the Expiration Date as practicable, but not, in any event, later than on the third Business Day following the Expiration Date (such date, the “*Settlement Date*”).

#### **Procedures for Tendering**

**Genco Notes** ..... **All tenders in the Exchange Offer must be done through DTC’s ATOP system.** If an Eligible Holder wishes to participate in the Exchange Offer, and such holder’s Genco Notes are held by a custodial entity such as a custodian bank, depository, broker, trust company or other nominee, such holder must instruct such custodial entity (pursuant to the procedures of the custodial entity) to tender the Genco Notes on such holder’s behalf.

For further information, see “Procedures for Tendering Genco Notes in the Exchange Offer, Delivering Indenture Consents, Voting on the Plan and Submitting Genco Notes in Connection with the Plan.”

#### **Withdrawal of Tenders and**

**Indenture Consents** ..... If you are an Eligible Holder and participate in the Exchange Offer by tendering your Genco Notes and deliver your Indenture Consent and later wish to withdraw your tender and revoke your Indenture Consent, you may do so at any time on or prior to the Expiration Date. Eligible Holders who validly withdraw Genco Notes on or prior to the Expiration Date will be deemed to have concurrently revoked the related Indenture Consents. See “Procedures for Tendering Genco Notes in the Exchange Offer, Delivering Indenture Consents, Voting on the Plan and Submitting Genco Notes in Connection with the Plan—Exchange Offer and Consent Solicitation—Withdrawal of Tenders and Revocation of Indenture Consents.”

#### **The Indenture Consent**

**Solicitation** ..... In connection with the Exchange Offer, Dynegy is soliciting Indenture Consents on behalf of Genco from each Eligible Holder to the Proposed Amendments.

Eligible Holders will not be permitted to consent to the applicable Proposed Amendments without tendering their Genco Notes in the applicable Exchange Offer, and Eligible Holders will not be permitted to tender their Genco Notes for exchange without consenting to the applicable Proposed Amendments.

**Requisite Consents** ..... Subject to the satisfaction of certain conditions, Genco intends to execute a Supplemental Indenture (the “*Supplemental Indenture*”) with respect to the Proposed Amendments after consummation of the Exchange Offer, and the Proposed Amendments will become operative upon execution of the Supplemental Indenture. If the Proposed Amendments become operative, certain restrictive covenants and other provisions of the Genco Indenture will be amended or eliminated with respect to any Genco Notes that remain outstanding after consummation of the Exchange Offer. If the Exchange Offer is consummated, but the Proposed Amendments do not become operative, the Genco Indenture will remain in effect in its present form. In addition, if the Exchange Offer is not consummated prior to commencement by Genco of the Chapter 11 Case, the Eligible Holders’ consents to the Proposed Amendments will be deemed revoked, the Supplemental Indenture will not be executed, and the Proposed Amendments will not become operative. In the event that the Support Agreement is terminated, the Indenture Consents of the Supporting Noteholders will be deemed revoked.

**Proposed Amendments** ..... The proposed amendments to the Indenture dated as of November 1, 2000, between Genco and The Bank of New York Mellon Trust Company, N.A. (formerly known as The Bank of New York Trust Company, N.A. (successor as trustee to The Bank of New York Mellon (formerly known as The Bank of New York))), as trustee (the “*Base Indenture*”) (the “*Base Proposed Amendments*”) would, among other things, amend or eliminate certain restrictive covenants, events of default and related provisions contained in the Base Indenture, and the proposed amendments to the Fourth Supplemental Indenture, dated as of January 15, 2003 (the “*Fourth Supplemental Indenture*”), the Sixth Supplemental Indenture, dated as of July 7, 2008 (the “*Sixth Supplemental Indenture*”) and the Seventh Supplemental Indenture, dated as of November 1, 2009 (the “*Seventh Supplemental Indenture*”) (collectively, the “*Additional Proposed Amendments*” and, together with the Base Proposed Amendments, the “*Proposed Amendments*”) would, among other things, amend or eliminate certain provisions contained in the Base Indenture as amended and/or supplemented by the applicable supplemental indenture. See “The Exchange Offer and Indenture Consent Solicitation—Proposed Amendments.”

Dynegy has the right in its sole discretion to amend or modify the Proposed Amendments in any respect.

**Denominations** ..... The 2018 Notes and the 2032 Notes may be tendered and accepted for exchange only in minimum denominations of \$100,000 and in integral multiples of \$1,000 in excess thereof. The 2020 Notes may be tendered in minimum denominations of \$2,000 and in integral

multiples of \$1,000 in excess thereof.

**Eligible Holders** ..... The Exchange Offer and Indenture Consent Solicitation is being made only (1) inside the United States to Noteholders who are (a) “qualified institutional buyers” (as defined in Rule 144A under the Securities Act) or (b) “accredited investors” (as defined in Rule 501(a) of Regulation D under the Securities Act); or (2) outside the United States to Noteholders that are persons other than “U.S. persons” (as defined in Rule 902 under the Securities Act) in offshore transactions in reliance upon Regulation S. By tendering Genco Notes in the Exchange Offer, a Noteholder will be deemed to be certifying that it is an Eligible Holder.

**Release, Discharge of Claims, and Covenants Not to Sue** ..... The electronic transfer of Genco Notes to the Exchange Agent in accordance with DTC’s ATOP procedures for transfer and delivery by an Eligible Holder of an Agent’s Message through ATOP will, upon consummation of the Exchange Offer, constitute a release and discharge of certain claims the Eligible Holder may have against Dynegy, Genco and certain of their affiliates and other parties. See “Release, Discharge of Claims, and Covenants Not to Sue.”

**Consequences of Failure to Tender** ..... If the Exchange Offer is consummated, the aggregate principal amount of outstanding Genco Notes will be significantly reduced, which will adversely affect the liquidity of non-tendered Genco Notes. Therefore, the market price for Genco Notes that are not tendered in the Exchange Offer may be adversely affected. In addition, if the Proposed Amendments become operative, the Genco Indenture will be modified to eliminate certain restrictive covenants and events of default. For a description of the consequences of failing to exchange your Genco Notes in this case, see “Risk Factors—Risks to Holders of Non-Tendered Genco Notes if the Exchange Offer is Consummated.”

**Consequences of Failure to Consummate the Exchange Offer** ..... If the Exchange Offer Conditions are not satisfied but the Requisite Plan Acceptance is received, Genco intends to commence a Chapter 11 Case and pursue confirmation and consummation of the Plan.

**Exchange Agent; Information Agent** ..... D.F. King & Co., Inc.

**Certain U.S. Federal Income Tax Consequences** ..... For a discussion of certain U.S. federal income tax consequences for the Exchange Offer, see “Certain U.S. Federal Income Tax Considerations.”

## Summary of the Plan

*The Plan Solicitation is being made to all Noteholders. The summary below describes the principal terms of the Plan and the Plan Solicitation. Certain of the terms and conditions described below are subject to important limitations and exceptions. For a more complete understanding of the terms and conditions of the Plan and Plan Solicitation, you should read this entire Offering Memorandum and Disclosure Statement, including in particular the section entitled “The Plan.”*

**Overview** ..... Dynegy and Genco have prepared the Plan as an alternative to the Exchange Offer for accomplishing the Restructuring. To the extent that the Minimum Participation Condition is not achieved, but the Requisite Plan Acceptance is received, then, subject to the terms and conditions of the Support Agreement and approval by Genco’s board of directors, Genco intends to commence the Chapter 11 Case and pursue confirmation and consummation of the Plan.

The Plan consists of a plan of reorganization under Chapter 11 of the Bankruptcy Code. A copy of the Plan is attached to this Offering Memorandum and Disclosure Statement as Annex A. If confirmed, the Plan will bind all Noteholders, regardless of whether they voted to accept or reject the Plan and regardless of whether they voted at all on the Plan. See “The Plan.”

Dynegy will serve as co-sponsor and co-proponent of the Plan and is participating in the Plan with Genco, but, for the avoidance of any doubt, only Genco intends to commence the Chapter 11 Case (subject to the terms and conditions of the Support Agreement and approval by Genco’s board of directors) and Dynegy is not commencing a case under Chapter 11 or otherwise.

If the Requisite Plan Acceptance is not received, then the Chapter 11 Case may not be commenced and the Plan will not be confirmed or become effective.

**Plan Distribution** ..... If the Chapter 11 Case is commenced and the Plan becomes effective, Noteholder Claims will be allowed in the principal amount of the Genco Notes, plus accrued and unpaid interest, if any, as of the Petition Date, and:

**Conditions to the Effectiveness  
of the Plan.....**

The Plan Effective Date will not occur until the conditions set forth below have been satisfied or waived:

- (1) the order of the Bankruptcy Court confirming the Plan shall have been entered in form and substance reasonably satisfactory to Dynegy, Genco and at least two unaffiliated Supporting Noteholders who together hold, in the aggregate, at least 50.1% of the outstanding principal amount of Genco Notes held by all Supporting Noteholders (the "*Majority Supporting Noteholders*"), and shall have become a final order;
- (2) the final version of the Plan Supplement (as defined in the Plan, attached as Annex A to this Offering Memorandum and Disclosure Statement) and all of the schedules, documents and exhibits contained therein shall have been filed in form and substance reasonably acceptable to Dynegy, Genco and the Supporting Noteholders in accordance with the Support Agreement;
- (3) all actions, documents, certificates and agreements necessary to implement the Plan, including documents contained in the Plan Supplement, shall have been effected or executed and delivered, as the case may be, to the required parties and, to the extent required; *provided, however*, that each document, instrument and agreement must be reasonably acceptable to Dynegy, Genco and the Supporting Noteholders in accordance with the Support Agreement;
- (4) the Bankruptcy Court shall not have required the establishment of a reserve for Disputed Claims (as defined in the Plan) in an amount greater than \$10 million, which condition may be waived only by Dynegy, in its sole discretion;
- (5) all authorizations, consents, regulatory approvals, rulings or documents that are necessary to implement and effectuate the Plan shall have been received, waived or otherwise resolved; and
- (6) Genco shall have entered into the Genco Working Capital

Facility, and all conditions precedent to the consummation or effectiveness of the entry in to the Genco Working Capital Facility shall have been waived or satisfied in accordance with the terms thereof, and any funding contemplated to be made on the Plan Effective Date shall have been made in accordance with the applicable financing documents.

Other than with respect to Disputed Claims reserve condition in clause (4) above, each of the conditions to the Plan Effective Date may be waived in whole or in part by Genco, without any notice to parties in interest or the Bankruptcy Court and without a hearing; *provided, however*, that such waiver shall not be effective without the consent of Dynegy and the Majority Supporting Noteholders. See “The Plan—Confirmation and Effectiveness of Plan—Conditions to Effective Date.”

**Procedures with Respect to  
Distributions on Account of the  
Genco Notes .....**

Detailed information with respect to the procedures for Plan distributions on account of the Genco Notes will be set forth in the Eligibility Letter, which will be sent to Noteholders after the Petition Date. You should read the Eligibility Letter, when issued, and Section 7.4 of the Plan carefully regarding the procedures to follow.

If you are an Eligible Holder and participate in the Exchange Offer but the Exchange Offer is not consummated, the Genco Notes that you tendered in the Exchange Offer will be released from DTC’s ATOP system upon termination of the Exchange Offer and, whether or not you submit a Ballot voting in favor of the Plan, you will be required to follow the instructions set forth in Section 7.4 of the Plan and the Eligibility Letter after the Petition Date in order to receive a distribution under the Plan.

**Plan Distribution Dates .....** If the Chapter 11 Case is commenced and the Plan becomes effective,

- each Noteholder who participates with respect to its Genco Notes (pursuant to Section 7.4 of the Plan and the Eligibility Letter instructions) on or prior to the date that is five business days prior to the hearing on confirmation of the Plan (the “*First Plan Participation Date*”) will receive the applicable distribution under the Plan on the Plan Effective Date;
- each Noteholder who participates with respect to its Genco Notes (pursuant to Section 7.4 of the Plan and the Eligibility Letter instructions) after the First Plan Participation Date but on or prior to the 60<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day) will receive the applicable distribution under the Plan on the 75<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day); and
- each Noteholder who participates with respect to its Genco Notes (pursuant to Section 7.4 of the Plan and the Eligibility Letter

instructions) after the 60<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day) but on or prior to the 165<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day) will receive the applicable distribution under the Plan on the 180<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day).

Any Noteholder who fails to follow the instructions in Section 7.4 of the Plan and the Eligibility Letter on or prior to the 165<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day) will have its Noteholder Claim and its distribution pursuant to the Plan on account of such Noteholder Claim discharged and forfeited and will not participate in any distribution under the Plan. Any property in respect of such forfeited Noteholder Claims will revert to Dynegy or Genco, as applicable.

### **Genco Working Capital**

**Facility**..... In connection with the Plan, Dynegy will make available to Genco on the Plan Effective Date, an intercompany revolving working capital facility (the “*Genco Working Capital Facility*”) that will consist of a tranche A revolving facility (the “*Tranche A Revolving Facility*”) with aggregate commitments thereunder of up to \$25.0 million and a tranche B revolving facility (the “*Tranche B Revolving Facility*”) with aggregate commitments thereunder of up to \$100.0 million. Genco’s obligations under the Genco Working Capital Facility will be secured by a first lien on substantially all of the assets of Genco, subject only to certain existing and customary permitted liens.

The maximum amounts available under the Tranche A Revolving Facility and the Tranche B Revolving Facility may be adjusted based on adjustments, as of the Plan Effective Date, to a number of assumptions underlying such expected maximum amounts available, including Genco’s actual cash balance immediately prior to the Plan Effective Date, actual and projected remaining transaction costs, and other items, in the reasonable determination of Dynegy, Genco and the Supporting Noteholders in accordance with the Support Agreement.

Proceeds of the Tranche A Revolving Facility may be used to satisfy the ordinary course working capital needs of Genco and other general corporate purposes of Genco and its subsidiaries; *provided* that (i) proceeds of the Tranche A Revolving Facility may not be used to satisfy any judgment or order or binding arbitration award (or multiple related judgments, orders or awards) against Genco or any of its subsidiaries in an aggregate amount exceeding \$10 million and (ii) if the Bankruptcy Court requires Genco to establish a reserve or reserves with respect to Disputed Claims, proceeds of the Tranche A Revolving Facility may not be used to fund such a reserve or reserves in an aggregate amount in excess of \$10 million. Proceeds of the Tranche B Revolving Facility may be used by Genco solely to pay amounts payable under the Support Agreement (including the \$9.0 million Support Agreement Fee and the Non-Eligible Holder

Distribution).

The Genco Working Capital Facility will provide that (1) Dynegy's commitment to fund advances under the Tranche A Revolving Facility will terminate if a final judgment or order or binding arbitration award (or multiple related judgments, orders or awards) in an aggregate amount exceeding \$10 million is entered against Genco or any of its subsidiaries, and (2) Dynegy's commitment to fund advances under the Tranche B Revolving Facility will be subject to customary anti-cash hoarding provisions.

See Exhibit C of the Plan, which is attached as Annex A to this Offering Memorandum and Disclosure Statement, for the Genco Working Capital Facility term sheet.

As a result, Eligible Holders who participate in the Exchange Offer will be able to offer or resell the Dynegy Notes only in transactions registered under or exempt from the registration requirements of the Securities Act and applicable state securities laws. See “Notice to Investors.” If issued pursuant to the Plan, the Dynegy Notes will be issued to Eligible Holders in reliance upon an exemption from registration under Section 1145 of the Bankruptcy Code. As a result, Eligible Holders may offer or resell Dynegy Notes issued pursuant to the Plan without registration, unless such Eligible Holder is an “underwriter” (as defined in Section 1145(b)(1) of the Bankruptcy Code) with respect to such securities.

#### Adjustments to Prevent

**Dilution** ..... The Exercise Price, the number of Warrant Shares issuable upon the exercise of each Dynegy Warrant and the number of Dynegy Warrants outstanding are subject to adjustment from time to time upon the occurrence of the following with respect to Dynegy:

**Registration Rights** ..... If the Dynegy Warrants are issued pursuant to the Exchange Offer, the warrant agreement will include registration rights provisions. Pursuant to such registration rights provisions, Dynegy will agree, beginning six months from the date of issuance of the Dynegy Warrants, that if holders of Registrable Securities (as defined herein) constituting more than 10% of all Warrant Shares originally issuable upon exercise of all Dynegy Warrants (in each case as adjusted by the anti-dilution provisions) request the filing of a registration statement for the resale

of Dynegy Common Stock issued upon exercise of the Dynegy Warrants, Dynegy will use commercially reasonable efforts to file such registration statement and to cause such registration statement to remain effective until the number of remaining Registrable Securities constitutes less than 10% of the shares of Warrant Shares originally issuable upon exercise of all Dynegy Warrants (in each case as adjusted by the anti-dilution provisions).

**Transfer Restrictions** ..... The Dynegy Warrants and Warrant Shares will not initially be registered under the Securities Act or the securities laws of any other jurisdiction. If issued pursuant to the Plan, the Dynegy Warrants will be issued to Eligible Holders in reliance upon an exemption from registration under Section 1145 of the Bankruptcy Code. As a result, Eligible Holders may offer or resell Dynegy Warrants issued pursuant to the Plan without registration, unless such Eligible Holder is an “underwriter” (as defined in Section 1145(b)(1) of the Bankruptcy Code) with respect to such securities.

**No Public Trading Market** ..... Prior to the Exchange Offer and Plan Solicitation, there has been no trading market for the Dynegy Warrants.

## SUMMARY UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION

The following summary unaudited pro forma condensed combined financial information (the “*Summary Pro Forma Financial Information*”) sets forth selected historical consolidated financial information for Dynegy and gives effect to the Transactions (other than the Elwood Sale), as well as the previous Duke Midwest and EquiPower Acquisitions as described below. The Summary Pro Forma Financial Information is derived from, and should be read in conjunction with, the Unaudited Pro Forma Condensed Combined Financial Information and related notes filed as Exhibit 99.2 to Dynegy’s Current Report on Form 8-K, filed October 5, 2016 (the “*Financial Information 8-K*”), which is incorporated by reference into this Offering Memorandum and Disclosure Statement. The Financial Information 8-K was prepared assuming gross proceeds from Dynegy’s offering of 8.000% senior notes due 2025 (the “*Dynegy 2025 Notes*”) of \$500.0 million and the repayment of \$300.0 million of its outstanding term loans; however, the summary unaudited pro forma condensed combined financial information presented herein was prepared based on gross proceeds from the Dynegy 2025 Notes of \$750.0 million and the repayment of \$550.0 million of its outstanding term loans. The Summary Pro Forma Financial Information is provided for informational and illustrative purposes only and should be read in conjunction with “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and the audited consolidated financial statements and related notes in Dynegy’s Annual Report on Form 10-K for the year ended December 31, 2015, Dynegy’s unaudited interim condensed consolidated financial statements included in Dynegy’s Quarterly Report on Form 10-Q for the six months ended June 30, 2016, the audited combined financial statements of the GSENA Thermal Assets as of December 31, 2015 and 2014 and for the years ended December 31, 2013, 2014 and 2015 and the notes related thereto, and the unaudited combined financial statements of the GSENA Thermal Assets as of June 30, and for the six months ended June 30, 2016 and 2015 and the notes related thereto, each of which are incorporated by reference into this Offering Memorandum and Disclosure Statement. Additionally, the financial statements of the assets acquired in the Duke Midwest Acquisition and the combined financial statements of EquiPower Resources Corp. and its subsidiaries and Brayton Point Holdings, LLC and its subsidiary for the three months ended March 31, 2015, as included in Dynegy’s Current Report on Form 8-K filed on May 18, 2015, should be read in conjunction with the Summary Pro Forma Financial Information.

The Pro Forma Adjustments (as defined herein), as described in the notes to the Unaudited Pro Forma Condensed Combined Financial Information filed as an exhibit to the Financial Information 8-K, which is incorporated by reference into this Offering Memorandum and Disclosure Statement, are based on currently available information. Management believes such adjustments are reasonable, factually supportable and directly attributable to the events and transactions described therein. The unaudited pro forma condensed combined balance sheet reflects the impact of the Dynegy 2025 Notes offering, the Delta Transaction, the ECP Stock Purchase, the ECP Buyout, the drawing on Dynegy’s existing revolving credit facility and Dynegy’s Tranche C Term Loan, in each case, discussed elsewhere in this Offering Memorandum and Disclosure Statement as if they had been completed on June 30, 2016. The unaudited pro forma condensed combined statements of operations give effect to the events and transactions described in the previous sentence, as well as Dynegy’s tangible equity units offering, the Duke Midwest Acquisition and the EquiPower Acquisition, as if they had been completed on January 1, 2015, and only include adjustments which have an ongoing impact. The Summary Pro Forma Financial Information does not purport to represent what Dynegy’s actual consolidated results of operations or financial position would have been had the events and transactions occurred on the dates assumed, nor is it necessarily indicative of Dynegy’s future financial condition or consolidated results of operations.

## RISK FACTORS

*You should carefully consider the following risk factors before making a decision to tender your Genco Notes in the Exchange Offer or to vote on the Plan, in addition to the other information contained in or incorporated by reference into this Offering Memorandum and Disclosure Statement, including, without limitation, the risk factors found in Dynegy and Genco's periodic reports that are incorporated by reference herein. The risks and uncertainties described below and in the incorporated documents are not the only risks and uncertainties applicable to Dynegy and Genco. Additional risks and uncertainties not presently known to Dynegy or Genco, or that Dynegy or Genco currently deem immaterial, also may impair their business operations. The risks discussed below and in the incorporated documents include forward-looking statements and Dynegy or Genco's actual results may differ substantially from those discussed in these forward-looking statements.*

### **Risks Related to Consummation of the Exchange Offer or the Plan**

***If the Minimum Participation Condition is not met for the Exchange Offer, there nonetheless may be sufficient votes to accept the Plan to accomplish the Restructuring.***

The consummation of the Exchange Offer is conditioned upon, among other things, satisfaction of the Minimum Participation Condition, which requires that at least 97% of the aggregate principal amount of outstanding Genco Notes be validly tendered and not validly withdrawn in the Exchange Offer; *provided, however*, that, pursuant to the Support Agreement, Dynegy, in its sole discretion, but in consultation with Genco and with notice to the Supporting Noteholders, may amend, modify, supplement or waive the Minimum Participation Condition, so long as the Minimum Participation Threshold shall not exceed 97%. In order to implement the Plan, the Requisite Plan Acceptance must be received. If the Exchange Offer is not consummated because the Minimum Participation Condition is not met or for any other reason, but the Requisite Plan Acceptance is received, then, subject to the terms and conditions of the Support Agreement and the approval by Genco's board of directors, Genco intends to commence the Chapter 11 Case and pursue confirmation and consummation of the Plan. If the Plan is confirmed by the Bankruptcy Court, it will bind all Noteholders regardless of whether they voted to accept or reject the Plan and regardless of whether they voted at all on the Plan.

The confirmation and effectiveness of the Plan are subject to certain other conditions that may not be satisfied and are different from those under the Exchange Offer. Dynegy and Genco cannot assure you that all requirements for confirmation and effectiveness of the Plan will be satisfied or that the Bankruptcy Court will conclude that the requirements for confirmation and effectiveness of the Plan will have been satisfied.

***Upon the consummation of the Exchange Offer, participating Eligible Holders will be deemed to have released and discharged each of Dynegy, Genco and certain of their affiliates and other parties from certain claims. The Plan contains a substantially identical release and discharge of such claims by all Noteholders, which will become effective upon the effectiveness of the Plan.***

The electronic transfer of Genco Notes to the Exchange Agent in accordance with DTC's ATOP procedures for transfer and delivery of an Agent's Message through ATOP by an Eligible Holder will, upon consummation of the Exchange Offer, constitute a release and discharge, on behalf of such Eligible Holder and its successors and assigns, and such Eligible Holder's affiliates and their respective successors and assigns, of the Released Parties (as defined herein) and their respective present and former affiliates, members, officers, directors, representatives and advisors, from any and all Claims and Causes of Action relating to or arising from, in whole or in part, certain actions, transactions, agreements, events or other occurrences taking place on or before the Settlement Date, other than such Claims and Causes of Action against a Released Party (other than Genco and its subsidiaries) relating to securities existing on or before the consummation of the Exchange Offer that were issued by a Released Party (other than Genco and its

subsidiaries) or debt incurred by a Released Party (other than Genco and its subsidiaries). The Plan contains a substantially identical release and discharge of such claims by all Noteholders, which will become effective upon the effectiveness of the Plan. See “Release, Discharge of Claims, and Covenants Not to Sue.”

***Neither the Genco Notes nor the Dynegy Notes and Dynegy Warrants to be issued either pursuant to the Exchange Offer or the Plan have been independently valued.***

Neither Genco nor Dynegy has obtained or requested an independent valuation from any banking or other firm as to the value of the Genco Notes, the Dynegy Notes or the Dynegy Warrants or the fairness of the consideration being offered pursuant to the Exchange Offer or the Plan. You should value these yourself.

***Holders of the Dynegy Notes and the Dynegy Warrants may be restricted in their ability to transfer or sell their securities.***

If issued pursuant to the Exchange Offer, the Dynegy Notes and the Dynegy Warrants will be issued to Eligible Holders in reliance upon an exemption from registration under the Securities Act and applicable state securities laws. As a result, Eligible Holders who participate in the Exchange Offer will be able to offer or resell the Dynegy Notes and Dynegy Warrants only in transactions registered under or exempt from the registration requirements of the Securities Act and applicable state securities laws. See “Notice to Investors.” If issued pursuant to the Plan, the Dynegy Notes and Dynegy Warrants will be issued to Eligible Holders in reliance upon an exemption from registration under Section 1145 of the Bankruptcy Code. As a result, Eligible Holders may offer or resell Dynegy Notes and Dynegy Warrants issued pursuant to the Plan without registration, unless such Eligible Holder is an “underwriter” (as defined in Section 1145(b)(1) of the Bankruptcy Code) with respect to such securities.

Pursuant to the registration rights provisions to be included in the indenture governing the Dynegy Notes if the Dynegy Notes are issued pursuant to the Exchange Offer, Dynegy will, under circumstances described under the section “Description of the Dynegy Notes—Notes Registration Rights; Special Interest,” offer to holders of the Dynegy Notes the opportunity to exchange the Dynegy Notes for a new series of notes that are identical in all material respects to the Dynegy Notes (except that such notes will not contain terms with respect to special interest and transfer restrictions) and are registered under the Securities Act. Alternatively, or in addition to effecting such exchange offer, under certain circumstances, Dynegy will use commercially reasonable efforts to file with the SEC a shelf registration statement to cover certain resales of the Dynegy Notes.

Pursuant to the registration rights provisions to be included in the warrant agreement if the Dynegy Warrants are issued pursuant to the Exchange Offer, if holders of Registrable Securities (as defined in “Description of the Dynegy Warrants—Warrant Registration Rights”) constituting more than 10% of all Warrant Shares originally issuable upon exercise of all Dynegy Warrants (in each case as adjusted by the anti-dilution provisions) request a filing of a registration statement for the resale of Dynegy Common Stock issued upon exercise of the Dynegy Warrants, Dynegy will use commercially reasonable efforts to file such registration statement and to cause such registration statement to remain effective until the number of remaining Registrable Securities constitutes less than 10% of the shares of Warrant Shares originally issuable upon exercise of all Dynegy Warrants (in each case as adjusted by the anti-dilution provisions).

The SEC has broad discretion to determine whether any registered exchange offer or resale registration statement will be declared effective and may delay or deny the effectiveness of any such registration statement filed by Dynegy for a variety of reasons. There can be no assurance that a registration statement with respect to the Dynegy Notes or Dynegy Warrants will be filed or become

effective. Failure to have any registration statement declared effective could adversely affect the liquidity and value of the Dynegy Notes or Dynegy Warrants.

***Upon or after consummation of the Exchange Offer and the Proposed Amendments becoming operative or the effectiveness of the Plan, Dynegy intends to designate Genco and its wholly-owned subsidiary as guarantors of Dynegy's material, third-party indebtedness for borrowed money.***

Upon or after consummation of the Exchange Offer and the Proposed Amendments becoming operative or the effectiveness of the Plan, Dynegy intends to designate Genco and its wholly-owned subsidiary as guarantors of Dynegy's material, third-party indebtedness for borrowed money. EEI, in which Genco owns an 80% interest, and its subsidiaries will not guarantee Dynegy's indebtedness. As of September 30, 2016, on a pro forma basis as described under the section "Dynegy Capitalization," Dynegy had \$9.2 billion of material, third-party indebtedness for borrowed money (excluding a forward capacity agreement, inventory financing agreements, the amortizing note portion of Dynegy's tangible equity units, equipment financing agreements and unamortized debt discounts and issuance costs), \$2.6 billion of which would have been secured (and will be secured by substantially all of the assets of Genco and such wholly-owned subsidiary in conjunction with the effectiveness of the guarantees). The guarantees will contain language limiting the amount of the guarantee to the extent it constitutes a fraudulent transfer or conveyance and provide for contribution from or payments made by or on behalf of any other guarantor. See "Description of the Dynegy Notes—The Subsidiary Guarantees" for additional information on guarantors of Dynegy's indebtedness.

#### **Risks Related to Bankruptcy Considerations**

***The Bankruptcy Court may determine that solicitation of votes on the Plan does not satisfy the requirements of the Bankruptcy Code.***

The Bankruptcy Code provides that a debtor may solicit votes prior to the commencement of a Chapter 11 case if conducted in accordance with applicable non-bankruptcy law governing the adequacy of disclosure in connection with such solicitation or, if there is no such non-bankruptcy law, after disclosure of "adequate information," as defined in the Bankruptcy Code. Additionally, the Bankruptcy Code provides that a holder of a claim will not be deemed to have accepted or rejected the a plan before commencement of a Chapter 11 case if the Bankruptcy Court finds that the Plan was not transmitted to substantially all creditors and other interest holders of that same class entitled to vote or that an unreasonably short time was prescribed for voting.

If the Bankruptcy Court concludes that the requirements of the Bankruptcy Code have not been met, then the Bankruptcy Court could deem votes solicited prior to the commencement of the Chapter 11 Case invalid. If the Bankruptcy Court so concludes, the Plan could not be confirmed without a re-solicitation of votes to accept or reject the Plan. While Genco believes that the requirements of the Bankruptcy Code will be met, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

If a re-solicitation of the Plan is required, there can be no assurance that such re-solicitation would be successful. In addition, re-solicitation could delay confirmation of the Plan and result in termination of the Support Agreement. Non-confirmation of the Plan and loss of the benefits under the Support Agreement could result in a lengthy bankruptcy proceeding, the outcome of which would be uncertain.

***In the Chapter 11 Case, material transactions could be set aside as fraudulent conveyances or preferential transfers.***

If Genco commences the Chapter 11 Case but the Plan is not confirmed or implemented, the outcome of the Chapter 11 Case will be uncertain. In such a case, any payments received by stakeholders

prior to the bankruptcy filing could be challenged under applicable debtor/creditor and/or bankruptcy laws as either a “fraudulent conveyance” or a “preferential transfer.” A fraudulent conveyance occurs when a transfer of a debtor’s assets is made with the intent to defraud creditors or in exchange for grossly inadequate consideration. A preferential transfer occurs upon a transfer of property of the debtor while the debtor is insolvent for the benefit of a creditor on account of an antecedent debt owed by the debtor that was made on or within 90 days before the date of filing the bankruptcy petition or one year before the date of filing the petition, if the creditor, at the time of such transfer was an insider. If any transfer was challenged in the Bankruptcy Court as a fraudulent conveyance or preferential transfer and found to have occurred as such with regard to any of Genco’s material transactions, the Bankruptcy Court could order the recovery of all amounts received by the recipient of the transfer. Genco does not believe that any payments made pursuant to material transactions would be recoverable as fraudulent conveyances or preferential transfers. However, there can be no assurance that a party in interest will not seek to challenge transactions on this basis in the Bankruptcy Court, or that the Bankruptcy Court will not order the recovery of any transferred amounts.

***A claim holder may object to, and the Bankruptcy Court may disagree with, Genco’s classification of claims under the Plan and the treatment of such claims within a class.***

The Bankruptcy Code provides that a debtor may place a claim or an interest in a particular class only if such claim is substantially similar to the other claims or interests of such class, and that claims within the same class must receive the same treatment. Genco believes that the classification of claims under the Plan, and the treatment of such claims within such classes, complies with the requirements set forth in the Bankruptcy Code. However, once a Chapter 11 Case has been commenced, a claim holder could challenge the classification or treatment of claims within a class, and there can be no assurance that the Bankruptcy Court will reach the same conclusion as Genco. While Genco believes that the requirements of the Bankruptcy Code will be met, if the Bankruptcy Court concludes that the classification or treatment of claims within a class under the Plan does not comply with the requirements of the Bankruptcy Code, Genco may need to modify the Plan. Such modification may require reclassification of claims and a re-solicitation of votes on the Plan. If re-solicitation of the Plan is required, there can be no assurance that the re-solicitation will be successful. In addition, re-solicitation could delay confirmation of the Plan and result in termination of the Support Agreement. Non-confirmation of the Plan and loss of the benefits under the Support Agreement could result in a lengthy bankruptcy proceeding, the outcome of which would be uncertain.

***Parties in interest may object to the Plan on account of certain release provisions.***

While Genco believes the releases provided under the Plan are permissible and appropriate, if Genco commences the Chapter 11 Case to confirm the Plan, any party in interest could object to the Plan and argue that certain releases provided under the Plan are not permissible. In response to such an objection, the Bankruptcy Court could determine that such releases are not valid under the Bankruptcy Code. If the Bankruptcy Court concludes that the releases under the Plan do not comply with the requirements of the Bankruptcy Code, Genco will need to modify the Plan, which could delay confirmation of the Plan.

***If Genco commences the Chapter 11 Case and the Plan is not confirmed, other parties in interest might be permitted to propose alternative plans of reorganization that may be less favorable.***

If Genco commences the Chapter 11 Case to confirm the Plan or any other bankruptcy proceeding, other parties in interest could seek authority from the Bankruptcy Court to propose an alternative plan of reorganization. Under the Bankruptcy Code, a debtor-in-possession initially has the exclusive right to propose and solicit acceptances of a plan of reorganization. However, such exclusivity period can be

reduced or terminated upon order of the Bankruptcy Court. If such an order were to be entered, other parties in interest would then have the opportunity to propose alternative plans of reorganization.

If other parties in interest were to propose an alternative plan of reorganization following expiration or termination of Genco's exclusivity period, such a plan may be less favorable to Genco's employees, vendors and suppliers, which could have an adverse effect on Genco's business, and may be less favorable to Noteholders. In addition, if there were competing plans of reorganization, the Chapter 11 Case likely would become longer, more complicated and more expensive.

***Genco's business could be adversely affected by the uncertainty caused by a bankruptcy filing. A lengthy bankruptcy proceeding could increase the probability and magnitude of these risks, as well as impair the prospect for reorganization on the terms contained in the Plan.***

Genco's business could be adversely affected by the uncertainty caused by a bankruptcy filing, including, among other things, that:

- business partners could terminate their relationship with Genco or require financial assurances or enhanced performance, any of which could impair Genco's prospects;
- employees could be distracted from performance of their duties or more easily attracted to other career opportunities and it may become more difficult to retain, attract or replace key employees; and
- public perception of Genco's continued viability may affect, among other things, the desire of new parties to enter into, or continue agreements or arrangements with Genco, and third parties' confidence in Genco's ability to operate could erode, ultimately resulting in a significant decline in Genco's revenues, profitability and cash flow.

Genco expects that a Chapter 11 bankruptcy filing solely for the purpose of implementing the Plan would be of a relatively short duration, and the Support Agreement and Plan are designed to minimize the length of the Chapter 11 Case. However, it is impossible to predict with certainty the amount of time that Genco may spend in bankruptcy. The probability and magnitude of the risks to Genco's business could increase with the length of time it takes to complete the Chapter 11 Case. If Genco is unable to obtain confirmation of the Plan on a timely basis, because of a challenge to the Plan or otherwise, Genco may be forced to operate in bankruptcy for an extended period of time while it tries to develop an alternative plan of reorganization that can be confirmed. An alternative plan of reorganization may adversely affect Noteholder recovery and/or Genco's business compared to the Plan.

***Certain assumptions on which the Plan is based may prove incorrect.***

The Plan affects Genco's capital structure and reflects assumptions and analyses based on Genco's experience and the advice of its financial advisors. Whether actual results will be consistent with Genco's expectations and assumptions depends on a number of factors, including, but not limited to, Genco's ability to generate adequate liquidity, as well as the overall strength and stability of general economic conditions of the energy industry. The failure of any of these factors could materially and adversely affect the successful reorganization of Genco's business.

In addition, the Plan relies upon financial projections, including with respect to revenues, EBITDA, debt service and cash flow. Financial forecasts are speculative, and it is possible that one or more of the assumptions and estimates that are the bases of these financial forecasts may not be accurate. Accordingly, Genco acknowledges that its actual financial condition and results of operations may differ, perhaps materially, from what was anticipated. Consequently, there can be no assurance that the results contemplated by any plan of reorganization implemented will occur or, even if they do occur, that they

will have the anticipated effects on Genco and its subsidiaries or their businesses or operations. The failure of any such results to materialize as anticipated could materially and adversely affect the successful execution of any plan of reorganization.

***The Support Agreement may terminate.***

The Support Agreement contains certain provisions that give the parties thereto the ability to terminate the Support Agreement under certain circumstances. For example, subject to the terms and conditions of the Support Agreement, Dynegy, Genco or the Majority Supporting Noteholders may terminate the Support Agreement (1) upon the occurrence and during the continuation of the breach by the other party of the representations, warranties or covenants set forth in the Support Agreement, as applicable, to the extent such breach would have a material adverse effect on consummation of the Restructuring, (2) upon the issuance by a governmental authority of a ruling, judgment or order enjoining the consummation of, or rendering illegal, the Restructuring, (3) upon the Bankruptcy Court's entry of an order, which becomes a final order, directing the appointment of an examiner, converting the Chapter 11 Case to a case under Chapter 7 of the Bankruptcy Code, or dismissing the Chapter 11 Case, or (4) if certain milestones in respect of the Restructuring are not satisfied. See "The Plan—Summary of the Support Agreement as it Pertains to the Plan" for additional information on such milestones. Termination of the Support Agreement could result in a protracted Chapter 11 Case. In addition, if the Support Agreement is terminated and the Chapter 11 Case is not dismissed, then, among other things, the Genco Power Supply Agreement and the Shared Services Agreement will automatically and immediately terminate without any further notice on April 30, 2018 unless otherwise agreed between the relevant parties. Termination of the Genco Power Supply Agreement or the Shared Services Agreement would likely have material and adverse consequences for Genco's business.

***Genco may seek to amend, waive, modify or withdraw the Plan at any time prior to the confirmation of the Plan.***

Genco reserves the right, prior to the confirmation or substantial consummation thereof, subject to the provisions of Section 1127 of the Bankruptcy Code and applicable law and the terms of the Support Agreement, to amend the terms of the Plan or waive any conditions thereto, if and to the extent such amendments or waivers are necessary or desirable to consummate the Plan. The potential impact of any such amendment or waiver on the holders of claims and interests, including the Noteholders, cannot presently be foreseen but may include a change in the economic impact of the Plan on some or all of the proposed classes or a change in the relative rights of such classes. All holders of claims and interests will receive notice of such amendments or waivers required by applicable law and the Bankruptcy Court. If, after receiving sufficient votes to accept the Plan, but prior to confirmation of the Plan, Genco seeks to modify the Plan, the previously solicited acceptances will be valid only if (1) all classes of adversely affected creditors and interest holders accept the modification in writing or (2) the Bankruptcy Court determines, after notice to designated parties, that such modification was de minimis or purely technical or otherwise did not adversely change the treatment of holders of accepting claims and interests or is otherwise permitted by the Bankruptcy Code.

***The Bankruptcy Court may not confirm the Plan. Even if the Plan is confirmed, Genco may fail to meet all conditions precedent to effectiveness of the Plan, and the Plan may not become effective.***

Genco cannot assure you that the Plan, if filed, will be confirmed by the Bankruptcy Court or, if the Plan is confirmed, that it will become effective and be implemented. The confirmation of the Plan is subject to certain conditions that may or may not be satisfied. For example, Section 1129 of the Bankruptcy Code, which sets forth the requirements for confirmation of a plan of reorganization, requires, among other things, a finding by the Bankruptcy Court that the plan of reorganization is "feasible," and that, under the plan of reorganization, each holder of a claim or interest within each impaired class either

accepts the plan of reorganization or receives or retains cash or property of a value, as of the date the plan of reorganization becomes effective, that is not less than the value such holder would receive or retain if the debtor were liquidated under Chapter 7 of the Bankruptcy Code. See Annex B to this Offering Memorandum and Disclosure Statement. While Genco believes that the requirements of Section 1129 of the Bankruptcy Code will be met, there can be no assurance that the Bankruptcy Court will conclude that the feasibility test and other requirements of confirmation of the Plan have been met, and Genco may need to modify the Plan prior to its confirmation. Such modification, however, may require a re-solicitation of votes on the Plan. There can be no assurance that modifications to the Plan would not be required for confirmation, or that such modifications would not require a re-solicitation of votes on the Plan. Accordingly, failure to confirm the Plan could further weaken Genco's liquidity position, and could jeopardize its successful exit from the Chapter 11 Case.

If the Plan is confirmed, Genco believes that the Plan Effective Date could occur soon after such confirmation. However, there can be no assurance as to such timing or that conditions to the Plan Effective Date will ever occur. Prolonging the Chapter 11 Case due to failure to consummate the Plan may have an adverse effect on Genco's business. The effectiveness of the Plan is subject to certain conditions that may or may not be satisfied. Genco cannot assure you that all requirements for effectiveness required under the Plan will be satisfied. See "The Plan—Anticipated Events in a Chapter 11 Case—Confirmation of a Plan" and "The Plan—Confirmation and Effectiveness of Plan—Conditions to Effective Date."

***If the Plan is implemented, a portion of the Non-Eligible Holder Distribution is based on Dynege's valuation of the Dynege Warrants as of the business day prior to the date of this Offering Memorandum and Disclosure Statement, and such consideration will not be revalued or adjusted on the date they are issued.***

If the Plan is implemented, a portion of the total Non-Eligible Holder Distribution is based on (1) the principal amount of Dynege Notes and cash such Non-Eligible Holder would have received if it were an Eligible Holder and (2) Dynege's valuation (using a Black Scholes valuation as of the end of the business day prior to the date of this Offering Memorandum and Disclosure Statement) of the Dynege Warrants as of the business day prior to the date of this Offering Memorandum and Disclosure Statement. Under certain circumstances, including changes in the price per share of Dynege Common Stock, the valuation of the Dynege Warrants on the day they are issued may be different from Dynege's valuation on which the Non-Eligible Holder Distribution was calculated. The Non-Eligible Holder Distribution paid pursuant to the Plan will not be revalued or adjusted to reflect any changes in circumstances that may affect Dynege's valuation of the Dynege Warrants.

***If the Exchange Offer is not consummated and Genco commences the Chapter 11 Case, you will be required to participate with respect to your Genco Notes under the Plan in order to receive a distribution under the Plan, whether or not you tendered your Genco Notes in the Exchange Offer or submitted a Ballot in favor of the Plan.***

If you are an Eligible Holder and participate in the Exchange Offer but the Exchange Offer is not consummated, the Genco Notes that you tendered in the Exchange Offer will be released from DTC's ATOP system upon termination of the Exchange Offer and, whether or not you submit a Ballot voting in favor of the Plan, you will be required to follow the instructions set forth in Section 7.4 of the Plan and the Eligibility Letter after the Petition Date in order to receive a distribution under the Plan. Genco or the Voting Agent will distribute after the Petition Date the Eligibility Letter regarding the procedures for submitting Genco Notes in order to receive a distribution under the Plan. If the Chapter 11 Case is commenced and the Plan becomes effective, any Noteholder who fails to follow the instructions in the Eligibility Letter and Section 7.4 of the Plan on or prior to the 165th day after the Plan Effective Date (or the next succeeding Business Day) will have its Noteholder Claim and its distribution pursuant to the Plan

on account of such Noteholder Claim discharged and forfeited and will not participate in any distribution under the Plan. Any property in respect of such forfeited Noteholder Claims will revert to Dynegy or Genco, as applicable.

***If the Exchange Offer is not consummated and Genco does not receive votes sufficient to accept the Plan, Genco may nonetheless need to seek relief under the Bankruptcy Code. In such case, the value of any potential recovery by the Noteholders may be less than Eligible Holders would receive in the Exchange Offer or than all Noteholders would receive under the Plan.***

If Dynegy and Genco do not consummate the Exchange Offer or receive the Requisite Plan Acceptance, Genco may nonetheless need to seek relief under the Bankruptcy Code without the benefit of a plan of reorganization that has been pre-approved by certain of Genco's creditors. Any distributions that a Noteholder might receive in respect of its Genco Notes under any alternative plan of reorganization or in a liquidation likely would be substantially delayed, and the value of any potential recovery likely would be adversely impacted by such delay. Furthermore, in the event of any foreclosure, dissolution, winding-up, liquidation or reorganization, or other insolvency proceeding, other than in connection with the Plan, there can be no assurance as to the value, if any, that would be available to Noteholders, which may be less than Eligible Holders would receive in the Exchange Offer or than all Noteholders would receive under the Plan.

***Genco's Chapter 11 Case may be converted into a case under Chapter 7 of the Bankruptcy Code.***

If the Plan is not confirmed or consummated, the Chapter 11 Case may potentially be converted into a case under Chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be appointed or elected to liquidate Genco's assets for distribution in accordance with the priorities established by the Bankruptcy Code. A discussion of the effects that a Chapter 7 liquidation would have on the recoveries of holders of claims and interests and Genco's liquidation analysis are set forth under "Liquidation Analysis" attached hereto as Annex B to this Offering Memorandum and Disclosure Statement. Genco believes that liquidation under Chapter 7 of the Bankruptcy Code would result in, among other things, smaller distributions being made to Noteholders than those provided for in the Plan because of:

- the likelihood that Genco's assets would need to be sold or otherwise disposed of in a less orderly fashion over a short period of time;
- additional administrative expenses involved in the appointment of a trustee; and
- additional expenses and claims, some of which would be entitled to priority, which would be generated during the liquidation in connection with the potential cessation of Genco's operations.

The Support Agreement may be terminated if the Chapter 11 Case is dismissed or converted into a case under Chapter 7 of the Bankruptcy Code.

***Depending on when an Eligible Holder participates with respect to its Genco Notes under the Plan, the Dynegy Notes and Dynegy Warrants will be issued on the Plan Effective Date, on the 75<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day), or on the 180<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day). Dynegy Notes that are issued on each separate date may not be fungible for trading purposes with Dynegy Notes issued on the other dates.***

If the Dynegy Notes are issued pursuant to the Plan, Eligible Holders will be permitted to receive their *pro rata* share of the Eligible Holder Distribution (1) on the Plan Effective Date by participating with respect to their Genco Notes (pursuant to Section 7.4 of the Plan and the Eligibility Letter instructions) on or prior to the First Plan Participation Date, (2) on the 75<sup>th</sup> day after the Plan Effective

Date (or the next succeeding Business Day) by participating with respect to their Genco Notes (pursuant to Section 7.4 of the Plan and the Eligibility Letter instructions) after the First Plan Participation Date but on or prior to the 60<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day), or (3) on the 180<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day) by participating with respect to their Genco Notes (pursuant to Section 7.4 of the Plan and the Eligibility Letter instructions) after the 60<sup>th</sup> but on or prior to the 165<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day). Dynegy Notes issued to Eligible Holders on each separate date may not be fungible for U.S. federal income tax purposes with the Dynegy Notes issued on the other dates. If such notes are not fungible for U.S. federal income tax purposes, they will trade under a separate CUSIP number, which could impact the liquidity of such notes. Eligible Holders should read Section 7.4 of the Plan and carefully follow the instructions in the Eligibility Letter, when issued, on how to submit their Genco Notes under the Plan.

### **Risks to Holders of Non-Tendered Genco Notes if the Exchange Offer is Consummated**

***If the Exchange Offer is consummated, liquidity of the remaining non-tendered Genco Notes will be significantly reduced, and the market prices for non-tendered Genco Notes therefore may be reduced.***

If the Exchange Offer is consummated, the aggregate principal amount of outstanding Genco Notes will be significantly reduced, which will adversely affect the liquidity of non-tendered Genco Notes. An issue of securities with a small outstanding principal amount available for trading, or float, generally commands a lower price than a comparable issue of securities with a greater float. Therefore, the market price for Genco Notes that are not tendered in the Exchange Offer may be adversely affected. The reduced float also may tend to make the trading prices of Genco Notes that are not exchanged more volatile. Additionally, holders of non-tendered Genco Notes will continue to be subject to all the risks related to ownership of Genco securities, including risks related to Genco's business and other risks and uncertainties discussed in Genco's periodic reports that are incorporated herein by reference.

***If the Exchange Offer is consummated and the Proposed Amendments become operative, holders of Genco Notes that are not tendered and accepted in the Exchange Offer will no longer benefit from the protections provided by certain of the existing restrictive covenants, events of default and other provisions.***

With respect to each series of Genco Notes, if the applicable Proposed Amendments become operative, Genco Notes that are not tendered and accepted pursuant to the applicable Exchange Offer will remain outstanding immediately following the completion of the Exchange Offer and will be subject to the terms of the Base Indenture as modified by the applicable supplemental indenture. Among other things, as a result of the adoption of the Proposed Amendments with respect to each series of Genco Notes, certain of the restrictive covenants and events of default contained in the Genco Indenture and the Genco Notes will be eliminated or waived, covenants regarding mergers and consolidations will be modified, and certain other provisions contained in the Genco Indenture and the Genco Notes will be modified or eliminated. Following the adoption and implementation of the Proposed Amendments, holders of Genco Notes not tendered and accepted will no longer be entitled to the benefits of such covenants, events of default and other provisions. The elimination of these covenants, events of default and other provisions will permit certain actions previously prohibited that could increase the risk of holding an investment in Genco, as well as adversely affect the market price and credit rating, if any, of the remaining Genco Notes. See "The Exchange Offer and Indenture Consent Solicitation—Proposed Amendments."

***If the Exchange Offer is consummated and the cash available at Genco is insufficient to pay the cash amounts then payable by Genco in connection with the Exchange Offer, Dynegy will provide to Genco an intercompany loan, which may be secured, in which case it would be effectively senior to any remaining Genco Notes to the extent of the value of the collateral securing such loan.***

If the Exchange Offer is consummated and the cash available at Genco is insufficient to pay the cash amounts then payable by Genco in connection with the Exchange Offer, Dynegy will provide to Genco an intercompany loan, which may be used by Genco solely to pay amounts payable under the Support Agreement (including the \$9.0 million Support Agreement Fee). Genco's obligations under the intercompany loan may be secured by a first lien on substantially all of the assets of Genco, subject only to certain existing and customary permitted liens. Therefore, Genco's obligations under such intercompany loan would be effectively senior to any remaining Genco Notes to the extent of the value of the collateral (if any) securing the loan.

## **Risks Related to Ownership of the Dynegy Notes, the Dynegy Warrants and Dynegy Common Stock**

### ***Risks Related to the Dynegy Notes***

***Dynegy's indebtedness could adversely affect its ability in the future to raise additional capital to fund its operations. It could also expose Dynegy to the risk of increased interest rates and limit Dynegy's ability to react to changes in the economy or Dynegy's industry as well as impact Dynegy's cash available for distribution.***

As of September 30, 2016, Dynegy had \$9.7 billion of indebtedness (which amount includes \$825 million of Genco Notes (without giving effect to the proposed Restructuring) and excludes unamortized discount and debt issuance costs of \$218 million). Assuming the Delta Transaction is consummated, as of September 30, 2016, on a pro forma basis for the Pro Forma Adjustments, Dynegy would have had \$9.7 billion of indebtedness (excluding unamortized discount and debt issuance costs of \$199 million), of which \$2.9 billion would have been secured. As of September 30, 2016, Dynegy had \$1.1 billion of additional borrowings available under Dynegy's revolving credit facilities, net of expected letters of credit outstanding (all of which are secured). Upon the closing of the Delta Transaction, Dynegy will have additional capacity in place, will draw upon its revolving capacity, and expects to issue additional letters of credit. Dynegy's debt could have negative consequences for its financial condition including:

- increasing Dynegy's vulnerability to general economic and industry conditions;
- requiring a substantial portion of Dynegy's cash flow from operations to be dedicated to the payment of principal and interest on its indebtedness, therefore reducing Dynegy's ability to use its cash flow to fund its operations, capital expenditures and future business opportunities;
- limiting Dynegy's ability to enter into long-term power sales or fuel purchases which require credit support;
- limiting Dynegy's ability to fund operations or future acquisitions;
- restricting Dynegy's ability to make certain distributions with respect to its capital stock and the ability of Dynegy's subsidiaries to make certain distributions to Dynegy, in light of restricted payment and other financial covenants in Dynegy's credit facilities and other financing agreements;
- exposing Dynegy to the risk of increased interest rates because certain of its borrowings, including borrowings under its revolving credit facility, are at variable rates of interest;

- limiting Dynegy's ability to obtain additional financing for working capital including collateral postings, capital expenditures, debt service requirements, acquisitions and general corporate or other purposes; and
- limiting Dynegy's ability to adjust to changing market conditions and placing Dynegy at a competitive disadvantage compared to its competitors who may have less debt.

Dynegy and its subsidiaries may be able to incur substantial additional indebtedness in the future, including following the Restructuring. The terms of the indentures and other agreements governing Dynegy's indebtedness, including the Credit Agreement, do not fully prohibit Dynegy or its subsidiaries from doing so. Additionally, in certain cases, Dynegy is permitted to incur other indebtedness which would be effectively senior to the Dynegy Notes. If new debt is added to current debt levels, the related risks could intensify. See "Description of the Dynegy Notes."

***Dynegy's Credit Agreement contains, and agreements Dynegy enters into in the future may contain, covenants that significantly restrict Dynegy's operations.***

Dynegy's Credit Agreement contains covenants imposing financial and operating restrictions on Dynegy's business. Dynegy's existing credit facilities contain covenants imposing certain requirements on its business. These requirements may limit Dynegy's ability to take advantage of potential business opportunities as they arise and may adversely affect the conduct of Dynegy's current business, including restricting Dynegy's ability to finance future operations and capital needs and limiting its ability to engage in other business activities. These covenants could place restrictions on Dynegy's ability and the ability of its operating subsidiaries to, among other things:

- declare or pay dividends, repurchase or redeem stock or make other distributions to stockholders;
- incur additional debt or issue some types of preferred shares;
- create liens;
- make certain restricted investments;
- enter into transactions with affiliates;
- enter into any agreements which limit the ability of certain subsidiaries to make dividends or otherwise transfer cash or assets to Dynegy or certain other subsidiaries;
- sell or transfer assets; and
- consolidate or merge.

In addition, the Credit Agreement contains a financial covenant, if Dynegy has utilized 25% or more of its Revolving Facility, that specifies maximum thresholds for Dynegy's senior secured leverage ratio (as defined in the Credit Agreement). These restrictions may also limit Dynegy's ability to obtain future financings, withstand a future downturn in its business or the economy in general, or otherwise conduct necessary corporate activities. Dynegy may also be prevented from taking advantage of business opportunities that arise because of the limitations that the restrictive covenants under the Credit Agreement impose on Dynegy. Agreements Dynegy enters into in the future may also have covenants that restrict Dynegy's operations.

A breach of any covenant in the indenture governing the Dynegy Notes, the indentures governing Dynegy's 6.75% Senior Notes due 2019, Dynegy's 7.375% Senior Notes due 2022, Dynegy's 5.875%

Senior Notes due 2023, Dynegy's 7.625% Senior Notes due 2024 or Dynegy's 8.000% Senior Notes due 2025 (collectively, the "*Existing Notes*"), the Credit Agreement or the agreements governing Dynegy's other indebtedness would result in a default under that agreement after any applicable grace period. A default, if not waived, could result in acceleration of the debt outstanding under such agreement and in a default with respect to, and acceleration of, the debt outstanding under any other debt agreements. The accelerated debt would become immediately due and payable. If that should occur, Dynegy may not be able to make all of the required payments or borrow sufficient funds to refinance it. Even if new financing were then available, it may not be on terms that are acceptable to Dynegy. See "Description of the Dynegy Notes—Events of Default and Remedies."

***The indenture governing the Dynegy Notes will not contain financial covenants or meaningful restrictions on Dynegy or its subsidiaries.***

Neither Dynegy nor any of its subsidiaries will be restricted from incurring additional debt or other liabilities under the indenture governing the Dynegy Notes. Dynegy may from time to time incur additional debt and other liabilities. The indenture governing the Dynegy Notes will not require Dynegy to achieve or maintain any minimum financial results relating to its financial condition or results of operations. In addition, Dynegy will not be restricted from paying dividends or making distributions on its capital stock or purchasing or redeeming its capital stock under the indenture governing the Dynegy Notes.

***To service Dynegy's indebtedness, Dynegy will require a significant amount of cash. Dynegy's ability to generate cash depends on many factors beyond Dynegy's control.***

Dynegy's ability to make payments on and to refinance its indebtedness, including the Dynegy Notes, the Existing Notes and the Credit Agreement, and to fund planned capital expenditures and other strategic investments will depend on Dynegy's ability to generate cash in the future. This, to a certain extent, is subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond Dynegy's control. Dynegy may not generate sufficient cash flow from operations and Dynegy cannot assure you that future borrowings will be available to it in an amount sufficient to enable it to pay its indebtedness or to fund its other liquidity needs. If Dynegy cannot make scheduled payments on its indebtedness, Dynegy will be in default and the holders of the Dynegy Notes and the Existing Notes could declare all applicable outstanding principal and interest to be due and payable, the lenders under the Credit Agreement could terminate their commitments to loan money, the lenders could foreclose against the assets securing their borrowings and Dynegy could be forced into bankruptcy or liquidation. All of these events could result in your losing your investment in the Dynegy Notes.

***Dynegy's ability to refinance the Credit Agreement, the Dynegy Notes offered hereby, the Existing Notes and any other future indebtedness depends on many factors beyond Dynegy's control.***

Dynegy will likely need to refinance all or a portion of its indebtedness on or before maturity. Dynegy's ability to refinance the Dynegy Notes offered hereby, the Credit Agreement, the Existing Notes and any other future indebtedness will depend on the condition of the capital markets and Dynegy's financial condition at such time and could be limited by restrictive covenants in Dynegy's existing and future debt agreements. Dynegy cannot provide assurances that it will be able to refinance any of its indebtedness on commercially reasonable terms or at all. If refinancing is not available to Dynegy, it may not have sufficient cash to enable it to meet all of its obligations, including payments on the Dynegy Notes and its other indebtedness.

***The Dynegy Notes and the guarantees will be unsecured and effectively subordinated to Dynegy's existing secured indebtedness and any future secured indebtedness.***

The Dynegy Notes and the guarantees will be general unsecured senior obligations and will be effectively subordinated to all of Dynegy's existing and future secured debt and that of each subsidiary guarantor, including obligations under the Credit Agreement, to the extent of the value of the collateral securing such debt. If Dynegy or a subsidiary guarantor are declared bankrupt, become insolvent or are liquidated or reorganized, any of Dynegy's secured debt or of that subsidiary guarantor will be entitled to be paid in full from Dynegy's assets or the assets of the subsidiary guarantor, as applicable, securing that debt before any payment may be made with respect to the Dynegy Notes or the affected guarantees. Holders of the Dynegy Notes will participate ratably in Dynegy's remaining assets with all holders of Dynegy's unsecured indebtedness that does not rank junior to the Dynegy Notes, including holders of the Existing Notes and all of Dynegy's other general creditors, based upon the respective amounts owed to each holder or creditor. In any of the foregoing events, there may not be sufficient assets to pay amounts due on the Dynegy Notes. As a result, holders of the Dynegy Notes would likely receive less, on a ratable basis, than holders of secured indebtedness.

Assuming the Delta Transaction is consummated, as of September 30, 2016, on a pro forma basis for the Pro Forma Adjustments, Dynegy would have had \$9.7 billion of indebtedness (excluding unamortized discount and debt issuance costs of \$199 million), of which \$2.9 billion would have been secured. As of September 30, 2016, Dynegy had \$1.1 billion of additional borrowings available under Dynegy's revolving credit facilities, net of expected letters of credit outstanding (all of which are secured). Upon the closing of the Delta Transaction, Dynegy will have additional capacity in place, will draw upon its revolving capacity, and expects to issue additional letters of credit.

***Your right to receive payments on the Dynegy Notes could be adversely affected if any of Dynegy's non-guarantor subsidiaries declare bankruptcy, liquidate or reorganize.***

A number of Dynegy's subsidiaries will not guarantee the Dynegy Notes. See "Description of the Dynegy Notes—Brief Description of the Dynegy Notes and the Subsidiary Guarantees—The Subsidiary Guarantees." Accordingly, claims of holders of the Dynegy Notes will be structurally subordinated to the claims of creditors of these non-guarantor subsidiaries, including trade creditors. All obligations of Dynegy's non-guarantor subsidiaries will have to be satisfied before any of the assets of such subsidiaries would be available for distribution, upon liquidation or otherwise, to Dynegy or a guarantor of the Dynegy Notes. The indenture governing the Dynegy Notes will not limit the ability of these subsidiaries to incur certain additional debt or other liabilities. In the event of a bankruptcy, liquidation or reorganization of any of Dynegy's non-guarantor subsidiaries, holders of their indebtedness and their trade creditors will generally be entitled to payment of their claims from the assets of those subsidiaries before any assets are made available for distribution to Dynegy. As of September 30, 2016, (1) Dynegy and the subsidiary guarantors held 82% of Dynegy's consolidated total assets and (2) assuming the Delta Transaction is consummated, on a pro forma basis for the Pro Forma Adjustments, Dynegy and the subsidiary guarantors would have held 97% of Dynegy's consolidated total assets. In addition, after giving effect to the Pro Forma Adjustments as if each of the transactions described therein occurred on January 1, 2015, total operating revenues of the non-guarantor subsidiaries would have been 11% and 10% of Dynegy's consolidated operating revenues for the year ended December 31, 2015 and the nine months ended September 30, 2016, respectively.

***A court could cancel the guarantees of the Dynegy Notes by Dynegy's subsidiaries under fraudulent transfer law.***

Each of Dynegy's current and future wholly-owned domestic restricted subsidiaries that from time to time is a borrower or guarantor under the Credit Agreement will guarantee the Dynegy Notes, except as

described under “Description of the Dynegy Notes—The Subsidiary Guarantees.” Although the guarantees provide you with a direct claim against the assets of the subsidiary guarantors, under federal bankruptcy law and comparable provisions of state fraudulent transfer laws, in certain circumstances a court could cancel a guarantee and order the return of any payments made thereunder to the subsidiary guarantor or to a fund for the benefit of its creditors.

A court might take these actions if it found, among other things, that when the subsidiary guarantor incurred the debt evidenced by its guarantee (i) it received less than reasonably equivalent value or fair consideration for the incurrence of the guarantee and (ii) any one of the following conditions was satisfied:

- the subsidiary guarantor was insolvent or was rendered insolvent by reason of the incurrence;
- the subsidiary guarantor was engaged in a business or transaction for which its remaining assets constituted unreasonably small capital; or
- the subsidiary guarantor intended to incur, or believed (or reasonably should have believed) that it would incur, debts beyond its ability to pay as those debts matured.

In applying the above factors, a court would likely find that a subsidiary guarantor did not receive fair consideration or reasonably equivalent value for its guarantee, except to the extent that it benefited directly or indirectly from the issuance of the Dynegy Notes. The determination of whether a subsidiary guarantor was or was rendered “insolvent” when it entered into its guarantee will vary depending on the law of the jurisdiction being applied. Generally, an entity would be considered insolvent if the sum of its debts (including contingent or unliquidated debts) is greater than the fair market value of its assets, if the present fair salable value of its assets is less than the amount that will be required to pay its probable liability on its existing debts, including contingent or unliquidated debts, as they become absolute and matured or if it is unable to pay its debts.

If a court canceled a subsidiary guarantor’s guarantee, you would no longer have a claim against that subsidiary guarantor or its assets. Dynegy’s assets and the assets of the remaining subsidiary guarantors may not be sufficient to pay amounts then due under the Dynegy Notes.

***The Dynegy Notes will be guaranteed by each of Dynegy’s current and future wholly-owned domestic subsidiaries that is a borrower or guarantees the Credit Agreement or any indebtedness that refinances the Credit Agreement. If such a subsidiary is released from its guarantee of the Credit Agreement or such other indebtedness, it will automatically be released from its guarantee of the Dynegy Notes.***

The Dynegy Notes will be guaranteed by each of Dynegy’s current and future wholly-owned domestic subsidiaries that is a borrower or guarantees the Credit Agreement or any indebtedness that refinances the Credit Agreement, except as described under “Description of the Dynegy Notes—The Subsidiary Guarantees.” If such a subsidiary is released from its guarantee of the Credit Agreement or such other indebtedness, it will automatically be released from its guarantee of the Dynegy Notes without the consent of the holders of the Dynegy Notes. The Credit Agreement provides that a subsidiary guarantee may be released under certain circumstances. For example, the Credit Agreement: (i) permits Dynegy’s subsidiary guarantors to enter into certain permitted transactions as a result of which such subsidiary guarantor ceases to be a subsidiary and (ii) allows Dynegy to designate any of its subsidiaries as an unrestricted subsidiary or excluded project subsidiary so long as certain conditions are satisfied, the effect of which, in each case, would be to release such subsidiary from its guarantee obligations or to not require a guarantee from such subsidiary. See “Description of the Dynegy Notes—The Subsidiary Guarantees.”

***If an active trading market does not develop for the Dynegy Notes you may not be able to resell them.***

The Dynegy Notes are a new issue of securities and there is no established trading market for the Dynegy Notes. Dynegy cannot assure you that an active trading market will develop for the Dynegy Notes. If no active trading market develops, you may not be able to resell your Dynegy Notes at their fair market value or at all. Future trading prices of the Dynegy Notes will depend on many factors, including, among other things, prevailing interest rates, Dynegy's operating results and the market for similar securities. Dynegy does not intend to apply for listing the Dynegy Notes on any securities exchange or for inclusion of the Dynegy Notes in any automated quotation system. Historically, the market for non-investment grade debt has been subjected to disruptions that have caused substantial volatility in the prices of securities similar to the Dynegy Notes. The market for the Dynegy Notes, if any, may be subject to similar disruptions. Any such disruptions may adversely affect the value of your Dynegy Notes.

***Dynegy may be unable to repurchase the Dynegy Notes upon a change of control.***

Upon the occurrence of a change of control, you will have the right to require Dynegy to repurchase your Dynegy Notes at a purchase price in cash equal to 101% of the principal amount of your Dynegy Notes plus accrued and unpaid interest, if any, to but excluding the date of purchase. The Credit Agreement and the indentures governing the Existing Notes contain, and any future credit agreement or other agreements relating to indebtedness to which Dynegy becomes a party may contain, prohibitions of certain events, including events that would constitute a change of control. The exercise by the holders of Dynegy Notes of their right to require Dynegy to repurchase the Dynegy Notes upon a change of control could cause a default under these other agreements, even if the change of control itself is not due to the financial effect of such repurchases on Dynegy or otherwise. In the event a change of control occurs at a time when Dynegy is prohibited from purchasing Dynegy Notes, Dynegy could seek the consent of the applicable lenders to the purchase of Dynegy Notes or could attempt to refinance the indebtedness that contains such prohibitions. If Dynegy does not obtain a consent or repay that indebtedness, it will remain prohibited from purchasing Dynegy Notes. Dynegy's failure to make the change of control offer or to pay the change of control purchase price when due would result in a default under the indenture which, in turn, would constitute a default under the Credit Agreement, the indentures governing the Existing Notes and the documents governing Dynegy's other indebtedness. In addition, Dynegy may not have sufficient financial resources to satisfy all of its obligations under the Dynegy Notes and its other indebtedness. Finally, the change of control feature of the Dynegy Notes does not cover all corporate reorganizations, mergers or similar transactions and may not provide you with protection.

***Ratings of the Dynegy Notes or Dynegy's other debt may affect the trading price of the Dynegy Notes.***

The Dynegy Notes will, as soon as reasonably practicable after the Settlement Date or the Plan Effective Date, as applicable, be publicly rated by independent rating agencies. If one or more rating agency assigns the Dynegy Notes a rating lower than the rating expected by investors, or reduces their rating in the future, the market value of the Dynegy Notes could be harmed. In addition, the trading price of the Dynegy Notes is affected by market perceptions of Dynegy's creditworthiness. Consequently, if a credit rating agency downgrades or withdraws a rating on Dynegy's other debt, or puts Dynegy on credit watch, the trading price of the Dynegy Notes may decline.

***Risks Related to the Dynegy Warrants******The trading prices for the Dynegy Warrants will be directly affected by the trading prices for Dynegy Common Stock.***

It is impossible to predict whether the prices of Dynegy Common Stock will rise or fall. The market price of Dynegy Common Stock will be influenced by general stock market conditions and Dynegy's operating results and business prospects and other factors described elsewhere in these "Risk Factors" and

in risk factors contained in documents incorporated herein by reference. In addition, sales by Dynegy or its stockholders of substantial amounts of Dynegy Common Stock in the market after the offering of the Dynegy Warrants or the perception that those sales could occur can affect the price of Dynegy Common Stock. The market for Dynegy Common Stock likely will influence, and be influenced by, a market that develops for the Dynegy Warrants, if any. The price of Dynegy Common Stock also could be affected by possible sales of such common stock by investors who view the Dynegy Warrants as a more attractive means of equity participation in Dynegy and by hedging or arbitrage trading activity that is likely to develop involving the Dynegy Warrants and Dynegy Common Stock. The arbitrage activity could, in turn, affect the trading prices of the Dynegy Warrants and Dynegy Common Stock.

***Until you have the rights of a record holder with respect to Warrant Shares, you are not entitled to any rights with respect to Dynegy Common Stock, but you are subject to all changes made with respect to Dynegy Common Stock.***

Until you have the rights of a record holder with respect to Warrant Shares, you are not entitled to any rights with respect to Dynegy Common Stock. Accordingly Dynegy cannot assure you that a liquid trading market will develop for the Dynegy Warrants (or, if developed, that a liquid trading market will be maintained), that you will be able to sell the Dynegy Warrants at a particular time or that the prices you receive when you sell will be favorable.

***The secondary market for the Dynegy Warrants may be illiquid.***

The Dynegy Warrants and the Warrant Shares will be new securities for which there is no established trading market. Immediately after the issuance of the Dynegy Warrants, Dynegy intends to use commercially reasonable efforts to apply for a listing of the Dynegy Warrants on the NYSE. If approved for listing, Dynegy expects that the Dynegy Warrants will begin trading on the NYSE within 30 days after the Dynegy Warrants are first issued. There can be no assurance that the Dynegy Warrants will be listed on the NYSE.

***You may not be able to recover the value the Dynegy Warrants, and the Dynegy Warrants may be worthless when they expire.***

On November 4, 2016, the last reported sales price of Dynegy Common Stock on the NYSE was \$8.31 per share. This is less than the exercise price of the Dynegy Warrants. In order to recover the value of the Dynegy Warrants, either a trading market must develop for the Dynegy Warrants or the price of Dynegy Common Stock must be more than the exercise price of the Warrants (\$35.00 per share).

Holders of Dynegy Warrants may exercise their right to acquire Dynegy Common Stock prior to the expiration of the seven-year term, after which date any unexercised Dynegy Warrants will expire and have no further value. In certain circumstances, the Dynegy Warrants may be exercisable on a cashless basis. There can be no assurance that the market price of Dynegy Common Stock will ever equal or exceed the exercise price of the Dynegy Warrants, and, consequently, whether it will ever be profitable for holders of the Dynegy Warrants to exercise the Dynegy Warrants.

***You may incur immediate and future dilution upon exercise of the Dynegy Warrants for shares of Dynegy Common Stock.***

Upon exercise of your Dynegy Warrants for shares of Dynegy Common Stock, you could experience immediate and substantial dilution if the exercise price of the Dynegy Warrants at the time is higher than the net tangible book value per share of the outstanding Dynegy Common Stock. In addition, you will experience dilution when Dynegy issues additional shares of common stock that it is permitted or required to issue in any future offerings.

***The adjustment to the exercise price for Dynegy Warrants and the number of Warrant Shares purchasable upon exercise of each Dynegy Warrant in connection with an anti-dilutive adjustment event may not adequately compensate you for any lost value of your Dynegy Warrants as a result of such event.***

Pursuant to the terms of the Dynegy Warrants, under certain circumstances, Dynegy will adjust the exercise price for Dynegy Warrants and the number of Warrant Shares purchasable upon exercise of each Dynegy Warrant in connection with such an adjustment event. The adjustment to the exercise price for Dynegy Warrants and the number of Warrant Shares purchasable upon exercise of each Dynegy Warrant will be determined based on the date on which the adjustment event occurs or becomes effective. The adjustment to the exercise price for Dynegy Warrants and the number of Warrant Shares purchasable upon exercise of each Dynegy Warrant in connection with an adjustment event may not adequately compensate you for any lost value of your Dynegy Warrants as a result of such dilutive event.

***A holder of Dynegy Warrants may be subject to tax if Dynegy makes or, in certain other circumstances, does not make certain adjustments to the number of Warrant Shares to be issued upon the exercise of a Dynegy Warrant or to the exercise price of the Dynegy Warrants, even though such holder does not receive a corresponding cash distribution.***

The number of Warrant Shares to be issued upon the exercise of a Dynegy Warrant and the exercise price of the Dynegy Warrants are subject to adjustment in certain circumstances, including the payment of cash dividends with respect to Dynegy Common Stock. In certain circumstances, a holder of Dynegy Warrants may be deemed to have received a constructive distribution subject to U.S. federal income tax without the receipt of any cash. In addition, in certain other circumstances, the absence of certain adjustments could also be treated as a constructive taxable distribution to a holder of Dynegy Warrants. In the case of a Non-U.S. Holder of Dynegy Warrants, any constructive distribution that is treated as a dividend would be subject to U.S. federal withholding tax at a 30% rate, or such lower rate as may be specified by an applicable tax treaty. Because constructive distributions will not give rise to any cash from which any U.S. withholding tax can be satisfied, Dynegy (or the paying agent) may withhold any such tax from other cash payments and distributions deliverable to a Non-U.S. Holder. See “Certain U.S. Federal Income Tax Considerations.”

***The Dynegy Warrants may have no value in a bankruptcy.***

In the event of a bankruptcy or reorganization or other insolvency proceeding by or against Dynegy, the unexercised Dynegy Warrants may be deemed to be executory contracts subject to rejection by Dynegy with approval of the bankruptcy court. As a result, even if sufficient funds are available, holders of the outstanding Dynegy Warrants may not be entitled to receive any consideration or may receive less than they would be entitled to if they had exercised their Dynegy Warrants prior to the commencement of such bankruptcy or reorganization. In addition, in the event of a bankruptcy or reorganization or other insolvency proceeding, the common stock underlying the Dynegy Warrants may have little or no value.

***The exercise prices for the Dynegy Warrants will not be adjusted for all dilutive events.***

The exercise price for the Dynegy Warrants is subject to adjustment for stock splits and combinations, stock dividends and certain other transactions set forth in “Description of the Dynegy Warrants—Anti-dilution Adjustments.” However, the exercise price will not be adjusted for other events, such as employee and director option grants or certain offerings of Dynegy Common Stock or securities convertible into shares of Dynegy Common Stock for cash or in connection with acquisitions, which may adversely affect the market price of Dynegy Common Stock. Accordingly, an event that adversely affects the value of the Dynegy Warrants may occur, and that event may not result in an adjustment to the exercise price.

***Risks Related to Dynegy Common Stock******The market price of Dynegy Common Stock may be volatile, which could cause the value of your investment to decline.***

The market price of shares of Dynegy Common Stock has fluctuated substantially and may continue to fluctuate in response to multiple factors, some of which are beyond Dynegy's control, as described under "Disclosure Regarding Forward-Looking Statements" in this Offering Memorandum and Disclosure Statement.

The stock markets in general have experienced extreme volatility that has at times been unrelated to the operating performance of particular companies. These broad market fluctuations may adversely affect the market price of Dynegy Common Stock, make it difficult to predict the market price of Dynegy Common Stock in the future and cause the value of your investment to decline.

***There may be future sales or other dilution of Dynegy's equity, which may adversely affect the market price of the shares of Dynegy Common Stock and/or dilute the value of shares of Dynegy Common Stock but without triggering an anti-dilution adjustment under the terms of the warrant agreement.***

Dynegy is not restricted from issuing, and stockholder approval is not required in order to issue, additional shares of Dynegy Common Stock, including securities that are convertible into or exchangeable for, or that represent the right to receive, shares of Dynegy Common Stock, except any stockholder approval required by the NYSE. Issuances of a substantial number of shares of Dynegy Common Stock or other equity or equity-linked securities could depress the market price of shares of Dynegy Common Stock or dilute Dynegy Common Stock. Dynegy cannot predict the effect that future issuances of Dynegy Common Stock or other equity-related securities would have on the market price of the Dynegy Warrants or shares of Dynegy Common Stock.

In addition, the number of Warrant Shares issuable upon exercise of the Dynegy Warrants is subject to adjustment only for certain events with respect to Dynegy, including, but not limited to, stock splits and combinations, the issuance or expiration of options, warrants or convertible securities, dividends or distributions, certain issuances of common stock, other actions affecting common stock equivalents and the consolidation, merger or sale of assets. The number of shares of Dynegy Common Stock deliverable upon the exercise of the Dynegy Warrants is not subject to adjustment for other events that may adversely affect the value of Dynegy Common Stock, such as employee stock grants, offerings of Dynegy Common Stock for cash, certain exchanges of Dynegy Common Stock for other securities or in connection with acquisitions and other transactions. Accordingly, Dynegy may issue equity or equity-linked securities without triggering anti-dilution adjustments under the warrant agreement.

***Dynegy's board of directors may, without stockholder approval, cause the issuance of shares of preferred stock with rights which could adversely affect the right of holders of Dynegy Common Stock or could discourage, delay or prevent a change of control of Dynegy.***

Dynegy's third amended and restated certificate of incorporation provides for the issuance of up to 20,000,000 shares of preferred stock with such designations, rights and preferences as may be determined from time to time by Dynegy's board of directors. Dynegy's board of directors may, without further stockholder approval, cause the issuance of preferred stock with dividend, liquidation, conversion, voting or other rights which could adversely affect the voting power or other rights of the holders of Dynegy Common Stock. If issued, the preferred stock could also dilute the holders of Dynegy Common Stock and could discourage, delay or prevent a change of control of Dynegy, including transactions in which stockholders might receive a premium for their shares.

***Dynegy does not currently anticipate paying cash dividends on Dynegy Common Stock in the foreseeable future.***

Dynegy has paid no cash dividends on its common stock and has no current intention of doing so. Any future determination to pay cash dividends will be at the discretion of Dynegy's board of directors, subject to applicable limitations under Delaware law, and will be dependent upon Dynegy's results of operations, financial condition, contractual restrictions and other factors deemed relevant by Dynegy's board of directors.

***Shares of Dynegy Common Stock are equity securities and are subordinated to Dynegy's existing and future indebtedness and structurally subordinated to all the indebtedness claims against Dynegy's subsidiaries.***

Shares of Dynegy Common Stock are equity interests and do not constitute indebtedness. As such, shares of Dynegy Common Stock will rank junior in right of payment to all of Dynegy's indebtedness and to other non-equity claims against Dynegy and Dynegy's assets available to satisfy claims against Dynegy, including claims in a bankruptcy, liquidation or similar proceeding.

In addition, Dynegy's right to participate in any distribution of assets of any of its subsidiaries upon the subsidiary's liquidation, reorganization or otherwise, and thus your ability as a holder of shares of Dynegy Common Stock to benefit indirectly from such distribution, will be subject to the prior claims of creditors of that subsidiary, except to the extent that any of Dynegy's claims as a creditor of such subsidiary may be recognized. As a result, Dynegy Common Stock is structurally subordinated to all existing and future liabilities and obligations of Dynegy's subsidiaries.

### **USE OF PROCEEDS**

Neither Dynegy nor Genco will receive any proceeds from the Exchange Offer or the Plan. If the Exchange Offer is consummated, the Genco Notes exchanged in connection with the Exchange Offer will be cancelled. If the Exchange Offer is not consummated and the Plan becomes effective, all of the Genco Notes will be cancelled.

### **DYNEGY CAPITALIZATION**

The following table sets forth Dynegy's consolidated cash and cash equivalents and Dynegy's consolidated capitalization as of September 30, 2016:

- on an actual basis;
- on an as adjusted basis, after giving effect to the Restructuring (assuming that all of the outstanding Genco Notes are cancelled either as a result of being validly tendered (and not validly withdrawn) and accepted in the Exchange Offer or because the Plan is implemented) as if it had occurred on September 30, 2016; and
- on an as further adjusted basis to also give effect to the (i) borrowings under Dynegy's revolving credit facility to finance a portion of the purchase price for the Delta Transaction, (ii) Elwood Sale, (iii) ECP Buyout, (iv) ECP Stock Purchase, (v) Delta Transaction and the payment of the acquisition consideration with the proceeds of the Acquisition Financing Transactions and cash-on-hand, (vi) issuance of the Dynegy 2025 Notes in October 2016 and (vii) payment of related fees and expenses, as if each had occurred on September 30, 2016.

You should read the following information in conjunction with the sections entitled "Summary—Summary Historical Consolidated Financial Information of Dynegy" and "Risk Factors" included in this Offering Memorandum and Disclosure Statement and the section entitled "Management's Discussion and Analysis of Financial Condition and Results of Operations" contained in Dynegy's Annual Report on Form 10-K for the year ended December 31, 2015, and in Dynegy's Quarterly Report on Form 10-Q for the quarter ended September 30, 2016, each incorporated by reference into this Offering Memorandum and Disclosure Statement, and (i) the financial statements of Duke Midwest and the EquiPower Assets and the related notes incorporated by reference into this Offering Memorandum and Disclosure Statement and (ii) the financial statements of the GSENA Thermal Assets and the related notes incorporated by reference into this Offering Memorandum and Disclosure Statement. - (1) As of September 30, 2016, Dynegy's Credit Agreement consisted of (i) a seven-year senior secured term loan B facility due April 23, 2020 (the "*Tranche B-2 Term Loans*") and (ii) \$1.425 billion in senior secured revolving credit facilities (the "*Revolving Facility*"). The Revolving Facility includes three tranches of revolving commitments consisting of: (i) a \$475 million tranche which will mature on April 23, 2018, (ii) a \$350 million tranche which will mature April 1, 2020, and (iii) a \$600 million tranche which will mature on April 2, 2020. Additionally, on June 27, 2016, Dynegy Finance IV, Inc., a direct wholly-owned subsidiary of Dynegy, entered into a term loan credit agreement with certain lenders providing for a \$2.0 billion, seven-year senior secured term loan facility (the "*Escrowed Term Loan*"), net proceeds of which were placed into escrow pending the closing of the Delta Transaction. Upon consummation of the Delta

Transaction, the Escrowed Term Loan will convert into an incremental term loan facility (the “*Incremental Term Loan*”) of Dynegy under the Credit Agreement and, pursuant to and in accordance with the Third Amendment to the Credit Agreement, dated as of June 27, 2016, Dynegy will become the borrower thereof (the Escrowed Term Loan or the Incremental Term Loan, as applicable, the “*Tranche C Term Loan*”). Only amounts outstanding under the Tranche B-2 Term Loans, the Tranche C Term Loan and the Revolving Facility are used for calculating the secured debt and the senior secured leverage ratio per the Credit Agreement.

- (2) At September 30, 2016, there were no amounts drawn on the Revolving Facility; however, Dynegy had outstanding letters of credit of approximately \$327 million, which reduces the amount available under the Revolving Facility. As of September 30, 2016, Dynegy had \$1.1 billion of additional borrowings available under Dynegy’s revolving credit facilities, net of expected letters of credit outstanding (all of which are secured). Upon the closing of the Delta Transaction, Dynegy will have additional capacity in place, will draw upon its revolving capacity, and expects to issue additional letters of credit..
- (3) The \$825 million of Genco Notes are non-recourse to Dynegy.

## GENCO CAPITALIZATION

The following table sets forth Genco's consolidated cash and cash equivalents and Genco's consolidated capitalization as of June 30, 2016:

- on an actual basis;
- on an as adjusted basis, after giving effect to the (i) Restructuring (assuming that all of the outstanding Genco Notes are cancelled either as a result of being validly tendered (and not validly withdrawn) and accepted in the Exchange Offer or because the Plan is implemented), (ii) guarantee by Genco of all of Dynegy's unsecured notes and credit facilities, (iii) payment of the Support Agreement Fee by Genco, (iv) borrowings under the Genco Working Capital Facility (or other intercompany loan if the Exchange Offer is consummated), (v) payment of the Support Agreement Fee in full and (vi) payment of related fees and expenses, as if each had occurred on June 30, 2016; and

- (2) If the Plan is implemented, Genco will enter into the Genco Working Capital Facility that will provide for maximum aggregate borrowings by Genco of \$125.0 million. See "The Plan—Overview of the Plan—Means for Implementation of the Plan; Post-Effective Date Governance—The Genco Working Capital Facility." If the Exchange Offer is consummated and the cash available at Genco is insufficient to pay the amounts then payable by Genco in the Exchange Offer, Dynegey will provide Genco with the funds necessary to pay the difference through an intercompany loan.

**RATIO OF EARNINGS TO FIXED CHARGES OF DYNEGY**

As a result of the application of fresh-start accounting as of October 1, 2012, following Dynegy's reorganization, Dynegy's financial statements on or prior to October 1, 2012 are not comparable with its financial statements after October 1, 2012. References to "Successor" refer to Dynegy after October 1, 2012, after giving effect to the application of fresh-start accounting. References to "Predecessor" refer to Dynegy on or prior to October 1, 2012.

The following table sets forth for Dynegy for each of the periods indicated its ratio of earnings to fixed charges on a consolidated basis. For the purposes of computing the ratio of earnings to fixed charges, "earnings" are defined as pre-tax income from continuing operations before adjustments for earnings from equity investments plus fixed charges. "Fixed charges" consist of interest, whether capitalized or expensed, amortization of debt expense and the estimated interest component of rent expense.

## **RELEASE, DISCHARGE OF CLAIMS, AND COVENANTS NOT TO SUE**

### **Release and Discharge upon Consummation of the Exchange Offer**

If you are a Non-Eligible Holder, the Exchange Offer is not being made to you. This subsection applies only to Eligible Holders.

#### ***Release and Discharge by Eligible Holders Who Tender Genco Notes in the Exchange Offer***

The electronic transfer of Genco Notes to the Exchange Agent in accordance with DTC's ATOP procedures for transfer and delivery of an Agent's Message through ATOP by an Eligible Holder will, upon consummation of the Exchange Offer, constitute a release and discharge, on behalf of such Eligible Holder and its successors and assigns, and such Eligible Holder's affiliates and their respective successors and assigns, of each of the Released Parties and their respective present and former affiliates, members, officers, directors, representatives and advisors from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims that could be asserted on behalf of Genco, that Genco would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Eligible Holder of any Claim or interest, based on or relating to, or in any manner arising from, in whole or in part, Genco (including the management, ownership or operation thereof), Genco's restructuring efforts, intercompany transactions involving Genco or its subsidiaries, transactions involving Genco or its subsidiaries pursuant and/or related to the Shared Services Agreement, the Genco Power Supply Agreement, the Tax Sharing Agreement (as defined in the Plan, attached as Annex A to this Offering Memorandum and Disclosure Statement), the Genco Indenture, any preference or avoidance claim relating to transfers made or obligations incurred by Genco or its subsidiaries pursuant to Sections 544, 547, 548, and 549 of the Bankruptcy Code or applicable state law, the formulation, preparation, dissemination, or negotiation of the Support Agreement or the Genco Working Capital Facility, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Support Agreement, the Exchange Offer, the Plan, the pursuit of consummation of the Exchange Offer or confirmation of the Plan, the issuance or distribution of securities pursuant to the Restructuring, or the distribution of property in connection with the Exchange Offer or under any other related agreement, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Settlement Date related or relating to the foregoing; *provided, however*, that notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release (a) any post-Settlement Date obligations of any party or entity with respect to the Exchange Offer or any document, instrument, or agreement executed to implement the Restructuring or (b) any Claim or Cause of Action against a Released Party (other than Genco and its subsidiaries) based on or relating to, or in any manner arising from, securities existing on or before the Settlement Date that were issued by a Released Party (other than Genco and its subsidiaries) or debt incurred by a Released Party (other than Genco and its subsidiaries).

#### ***Release and Discharge by Genco***

On and after the Settlement Date, for good and valuable consideration, each Released Party will be and will be deemed released and discharged by Genco and any successor of Genco, from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims that could be asserted on behalf of Genco, that Genco would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Eligible Holder of any Claim or interest, based on or relating to, or in any manner arising from, in whole or in part, Genco (including the management, ownership or operation thereof), Genco's restructuring efforts, intercompany transactions involving Genco or its subsidiaries, transactions involving Genco or its subsidiaries pursuant and/or related to the Shared Services Agreement, the Genco Power Supply Agreement, or the Tax Sharing Agreement, the Genco Indenture, any preference or avoidance claim relating to transfers made or obligations incurred by

This subsection applies to all Noteholders.

#### ***Release and Discharge by Noteholders***

To the fullest extent permitted by applicable law, on and after the Plan Effective Date, for good and valuable consideration, each Noteholder (except for any Noteholder that (1)(a) votes to reject the Plan or (b) does not vote on the Plan and (2) opts out of granting the releases set forth in Section 6.4(b) of the Plan pursuant to any Ballot cast on the Plan by such Noteholder) and each holder of an interest in Genco will be deemed to have released and discharged each of the Released Parties from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims that could be asserted on behalf of Genco, that Genco, Genco as reorganized under the Plan (the “*Reorganized Debtor*”), or the bankruptcy estate of Genco created under Section 541 of the Bankruptcy Code (the “*Estate*”) would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of such Noteholder or holder of an interest in Genco, based on or relating to, or in any manner arising from, in whole or in part, Genco (including the management, ownership or operation thereof), Genco’s restructuring efforts, intercompany transactions involving Genco or its subsidiaries, transactions involving Genco or its subsidiaries pursuant and/or related to the Shared Services Agreement, the Genco Power Supply Agreement, or the Tax Sharing Agreement, the Genco Indenture, any preference or avoidance claim relating to transfers made or obligations incurred by Genco or its subsidiaries pursuant to Sections 544, 547, 548, and 549 of the Bankruptcy Code or applicable state law, the formulation, preparation, dissemination, or negotiation of the Support Agreement or the Genco Working Capital Facility, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Support Agreement, the Exchange Offer, the Indenture Consent Solicitation, the Plan, the Chapter 11 Case, the filing of the Chapter 11 Case, the pursuit of consummation of the Exchange Offer or confirmation of the Plan, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Plan Effective Date related or relating to the foregoing; *provided, however*, that notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release: (a) any post-Plan Effective Date obligations of any party or entity under the Plan or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan; (b) any Claim or Cause of Action against a Released Party (other than Genco and its subsidiaries) based on or relating to, or in any manner arising from, securities existing on or before the Plan Effective Date that were issued by a Released Party (other than Genco and its subsidiaries) or debt

### ***Release and Discharge by Genco***

On and after the Plan Effective Date, for good and valuable consideration, each Released Party will be and will be deemed released and discharged by Genco, the Reorganized Debtor, its Estate, and any successor to any of the foregoing, from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims that could be asserted on behalf of Genco, that Genco, the Reorganized Debtor, or its Estate would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of any Noteholder, based on or relating to, or in any manner arising from, in whole or in part, Genco (including the management, ownership or operation thereof), Genco’s restructuring efforts, intercompany transactions involving Genco or its subsidiaries, transactions involving Genco or its subsidiaries pursuant and/or related to the Shared Services Agreement, the Genco Power Supply Agreement, or the Tax Sharing Agreement, the Genco Indenture any preference or avoidance claim relating to transfers made or obligations incurred by Genco or its subsidiaries pursuant to Sections 544, 547, 548, and 549 of the Bankruptcy Code, the formulation, preparation, dissemination, or negotiation of the Support Agreement or the Genco Working Capital Facility, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Support Agreement, the Exchange Offer, the Indenture Consent Solicitation, the Plan, the Chapter 11 Case, the filing of the Chapter 11 Case, the pursuit of consummation of the Exchange Offer or confirmation of the Plan, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Plan Effective Date related or relating to the foregoing; provided, however, that notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release (a) any post-Plan Effective Date obligations of any party or entity under the Plan or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or (b) any Claim or Cause of Action Genco, the Reorganized Debtor or the Estate has or may have against its subsidiaries, including, but not limited to, with respect to the EEI Promissory Note.

### ***Exculpation***

On and after the Plan Effective Date, no Exculpated Party shall have or incur, and each Exculpated Party will be released and exculpated from any Claim, obligation, Cause of Action or liability for any Claim in connection with or arising out of the formulation, preparation, dissemination, or negotiation of the Support Agreement, the Genco Working Capital Facility, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Support Agreement, the Exchange Offer, the Indenture Consent Solicitation, the Plan, the Chapter 11 Case, the filing of the Chapter 11 Case, the pursuit of confirmation of the Plan, the pursuit of consummation of the Exchange Offer or confirmation of the Plan, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Plan Effective Date related or relating to the foregoing, except for willful misconduct or gross negligence, but in all respects such entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities with respect to the foregoing; *provided, however*, that the foregoing exculpation shall not apply to the Unreleased Dynegy Claims. Genco, the Reorganized Debtor, Dynegy and the Supporting Noteholders (and each of their respective

affiliates, agents, directors, officers, employees, advisors, and attorneys) have participated in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of the securities pursuant to the Plan, and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan, including the issuance of securities thereunder.

*“Exculpated Party”* means any of Genco, the Noteholders, Dynegy, the Genco Indenture Trustee and any of their respective predecessors, successors and assigns, subsidiaries, affiliates, managed accounts or funds, current and former officers, directors, principals, shareholders, members, partners, employees, agents, advisory board members, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors and other professionals, and such persons’ respective heirs, executors, estates, servants and nominees, in each case in their capacity as such.

### ***Discharge of Genco***

On and after the Plan Effective Date: (a) the rights afforded in the Plan and the treatment of all Claims and interests shall be in exchange for and in complete satisfaction, discharge, and release of all Claims and interests of any nature whatsoever, including any interest accrued on such Claims from and after the Petition Date, against Genco or any of its assets, property, or Estate; (b) the Plan shall bind all Noteholders and holders of interests in Genco, notwithstanding whether any such Noteholders failed to vote to accept or reject the Plan or voted to reject the Plan; (c) all Claims and interests shall be satisfied, discharged, and released, and Genco’s liability with respect thereto shall be extinguished completely, including any liability of the kind specified under Section 502(g) of the Bankruptcy Code; and (d) all entities shall be precluded from asserting against Genco, the Reorganized Debtor, the Estate, their successors and assigns, and their assets and properties any other Claims or interests based upon any documents, instruments, or any act or omission, transaction, or other activity of any kind or nature that occurred prior to the Plan Effective Date, *provided, however*, that the foregoing discharge shall not apply to the Unreleased Dynegy Claims.

### ***Injunction***

Except as provided in the Plan or the confirmation order, as of the Plan Effective Date, all persons that have held, currently hold, may hold, or allege that they hold, a Claim or other debt or liability that is discharged or an interest or other right of an equity security holder that is Reinstated pursuant to the terms of the Plan are permanently enjoined from taking any of the following actions against Genco, the Reorganized Debtor, and their respective subsidiaries or their property on account of any such discharged Claims, debts, or liabilities or Reinstated interests or rights: (i) commencing or continuing, in any manner or in any place, any action or other proceeding; (ii) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order; (iii) creating, perfecting, or enforcing any lien or encumbrance; (iv) asserting a setoff, right of subrogation, or recoupment of any kind against any debt, liability, or obligation due to Genco or the Reorganized Debtor; or (v) commencing or continuing any action, in each such case in any manner, in any place, or against any person that does not comply with or is inconsistent with the provisions of the Plan.

Except as provided in the Plan or the confirmation order, as of the Plan Effective Date, all persons that have held, currently hold, or may hold, a Claim, obligation, suit, judgment, damage, demand, debt, right, cause of action, or liability that is released pursuant to Article VI of the Plan are permanently enjoined from taking any of the following actions on account of such released Claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action, or liabilities or Reinstated interests or rights: (i) commencing or continuing, in any manner or in any place, any action or other proceeding; (ii)

enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order; (iii) creating, perfecting, or enforcing any lien or encumbrance; (iv) asserting a setoff against any debt, liability, or obligation due to any released person; or (v) commencing or continuing any action, in any manner, in any place, or against any person that does not comply with or is inconsistent with the provisions of the Plan.

Without limiting the effect of the foregoing upon any person, by accepting distributions pursuant to the Plan, each holder of an Allowed Claim or Allowed interests receiving distributions or having been Reinstated pursuant to the Plan shall be deemed to have specifically consented to the injunctions set forth in this subsection.

*“Allowed”* means, with reference to any Claim or interest, (i) a Claim or interest (or a portion thereof) that is neither disputed, contingent nor unliquidated, and, if filed with the Bankruptcy Court or Claims Agent (as defined in the Plan, attached as Annex A to this Offering Memorandum and Disclosure Statement), as to which Genco or any other party in interest has not filed an objection by the Claims Objection Deadline (as defined in the Plan, attached as Annex A of this Offering Memorandum and Disclosure Statement) or such other applicable period of limitation fixed by the Bankruptcy Code, Bankruptcy Rules or the Bankruptcy Court; (ii) a Claim or interest that has been Allowed by a final order; (iii) a Claim or interest that is Allowed (x) pursuant to the Plan, (y) in any stipulation that is approved by the Bankruptcy Court or (z) pursuant to any contract, instrument, indenture or other agreement entered into or assumed in connection herewith; (iv) a Claim relating to a rejected executory contract or unexpired lease that has been Allowed by a final order; (v) a Claim as to which a Proof of Claim (as defined in the Plan, attached as Annex A to this Offering Memorandum and Disclosure Statement) has been timely filed and as to which no objection has been filed by the Claims Objection Deadline; or (vi) any other Claim or interest that has been allowed by a final order of the Bankruptcy Court. For the avoidance of doubt, a Claim that is Disputed is not an Allowed Claim.

*“Disputed”* means (i) when used with respect to a Claim, that portion (including, when appropriate, the whole of such Claim) of (x) a Claim as to which (A) Genco or the Reorganized Debtor, as applicable, disputes its liability in accordance with applicable law or contract (including, without limitation, by declining to pay the Claim or by issuing a statement or other communication to the claimant or publicly that such Claim is disputed, including with respect to the status of such Claim as secured or unsecured), and (B) the liability of Genco has not been settled by Genco or by the Reorganized Debtor, or has not been determined, resolved, or adjudicated by final order, (y) as an alternative to the foregoing, a Claim as to which Genco or the Reorganized Debtor, as applicable, has elected to file an objection or a motion for estimation in the Bankruptcy Court and such objection or a motion for estimation has not been settled or withdrawn by Genco or by the Reorganized Debtor, or has not been determined, resolved, or adjudicated by final order; or (z) a Claim that has been expressly disputed in the Plan; (ii) when used with respect to an interest, an interest that is in a name, kind and amount different than as set forth in the records of Genco; or (iii) when used with respect to a Claim or interest, a Claim or interest that is not yet Allowed; *provided, however*, that notwithstanding any of the foregoing, in no case shall a Noteholder Claim that is Allowed under the Plan or the Support Agreement Fee be a Disputed Claim.

*“Reinstated”* means (i) leaving unaltered the legal, equitable, and contractual rights to which the holder of a Claim or interest is entitled so as to leave such Claim or interest unimpaired in accordance with Section 1124 of the Bankruptcy Code; or (ii) notwithstanding any contractual provision or applicable law that entitles the holder of such Claim or interest to demand or receive accelerated payment of such Claim or interest after the occurrence of a default, (v) curing any such default that occurred before or after the Petition Date, other than a default of a kind specified in Section 365(b)(2) of the Bankruptcy Code, or of a kind that Section 365(b)(2) does not require to be cured, (w) reinstating the maturity of such Claim or interest as such maturity existed before such default, (x) compensating the holder of such Claim or interest for any damages incurred as a result of any reasonable reliance by such holder on such contractual

provision or such applicable law, (y) if such Claim or interest arises from any failure to perform a nonmonetary obligation, other than a default arising from failure to operate a nonresidential real property lease subject to Section 365(b)(1)(A) of the Bankruptcy Code, compensating the holder of such Claim or interest (other than Genco or an insider) for any actual pecuniary loss incurred by such holder as a result of such failure, and (z) not otherwise altering the legal, equitable, or contractual rights to which the holder of such Claim or interest is entitled; *provided, however*, that any Claim that is Reinstated under the Plan shall be subject to all limitations set forth in the Bankruptcy Code, including, in particular, Sections 502 and 510.

## THE EXCHANGE OFFER AND INDENTURE CONSENT SOLICITATION

By tendering Genco Notes in the Exchange Offer, a Noteholder will be deemed to be certifying that it is an Eligible Holder. If you are a Non-Eligible Holder, the Exchange Offer is not being made to you and you should review the information in the section “The Plan.” If you are unsure whether you are an Eligible Holder, please contact the Information Agent or the Exchange Agent at their respective telephone numbers and addresses set forth on the back cover of this Offering Memorandum and Disclosure Statement or consult your custodian bank, depository, broker, trust company or other nominee for assistance. Dynegy retains the right to request additional information to confirm whether any Noteholder is an Eligible Holder.

### Purpose of the Exchange Offer and Indenture Consent Solicitation

The Exchange Offer and Indenture Consent Solicitation are critical components of Genco’s plan to restructure its balance sheet without involving a filing under the Bankruptcy Code.

None of Dynegy, Genco, the Information Agent, the Exchange Agent, the Voting Agent, the Genco Indenture Trustee, the trustee under the indenture governing the Dynegy Notes, the Supporting Noteholders, or any of their representatives or counsel, accountants or other advisors makes any recommendation as to whether Eligible Holders should tender their Genco Notes pursuant to the Exchange Offer and deliver their Indenture Consents pursuant to the Indenture Consent Solicitation. Each Eligible Holder must make its own decision as to whether to tender its Genco Notes and deliver its Indenture Consents, and, if so, the principal amount of Genco Notes as to which action is to be taken.

### Terms of the Exchange Offer and Indenture Consent Solicitation

#### *General*

Upon the terms and subject to the conditions set forth in this Offering Memorandum and Disclosure Statement, Dynegy is offering Eligible Holders of the outstanding Genco Notes to exchange in an out-of-court restructuring such Genco Notes for Dynegy Notes, Dynegy Warrants and cash.

In addition, in connection with the Exchange Offer, Dynegy is soliciting Indenture Consents on behalf of Genco from Eligible Holders to the Proposed Amendments to the Genco Indenture. The purpose of the Indenture Consent Solicitation is to obtain the Indenture Consents required to adopt the Proposed Amendments, which would, among other things, delete certain restrictive covenants and other provisions of the Genco Indenture.

**Eligible Holders who validly tender their Genco Notes in the Exchange Offer will be deemed to have delivered their Indenture Consent by such tender.**

**If the Requisite Consents are received from Eligible Holders and other conditions are satisfied, the Supplemental Indenture may be executed by Genco and the Genco Indenture Trustee upon or at any time after consummation of the Exchange Offer and the Proposed Amendments will become operative upon execution of the Supplemental Indenture. If the Proposed Amendments become operative, certain restrictive covenants and other provisions of the Genco Indenture will be amended or eliminated with respect to any Genco Notes that remain outstanding after consummation of the Exchange Offer. This may have adverse consequences for Eligible Holders who elect not to tender Genco Notes in the Exchange Offer and for Noteholders who are not Eligible Holders. See “—Proposed Amendments” and “Risk Factors—Risks to Holders of Non-Tendered Genco Notes if the Exchange Offer is Consummated.” If the Exchange Offer is consummated, but the Proposed Amendments do not become operative, the Genco Indenture will remain in effect in its present form. In addition, if the Exchange Offer is not consummated prior to commencement by Genco of the Chapter 11 Case, the Eligible Holders’ consents to the Proposed**

**Amendments will be deemed revoked, the Supplemental Indenture will not be executed, and the Proposed Amendments will not become operative.**

Dynegy reserves the right, in its sole discretion, to not accept for exchange any Genco Notes if the Exchange Offer Conditions are not satisfied and to reject the tender and Indenture Consent of any Eligible Holder who does not satisfy the Exchange Offer Payment Conditions. See “—Conditions of the Exchange Offer and Indenture Consent Solicitation.”

From time to time after the Expiration Date, Dynegy and its affiliates may acquire any Genco Notes that are not tendered and accepted in the Exchange Offer or any Dynegy Notes issued in the Exchange Offer through open market purchases, privately negotiated acquisitions, subsequent exchange or tender offers, redemption or otherwise, at prices and upon such terms as it may determine (or as may be provided for in the indentures governing the Genco Notes or the Dynegy Notes), which with respect to the Genco Notes may be higher or lower or more or less favorable than those in the Exchange Offer and, in either case, could be for cash or other consideration. There can be no assurance as to which, if any, of these alternatives or combinations thereof Dynegy or its affiliates may choose to pursue in the future.

***Exchange Offer Consideration***

In exchange for each \$1,000 principal amount of Genco Notes validly tendered (and not validly withdrawn) on or prior to the Expiration Date and accepted by Dynegy, the Eligible Holder thereof will receive the consideration described in the table on the front cover of this Offering Memorandum and Disclosure Statement.

In connection with the Exchange Offer, Dynegy will issue up to \$210.0 million aggregate principal amount of Dynegy Notes. If the Dynegy Notes are issued pursuant to the Exchange Offer, the interest rate on the Dynegy Notes will be 8.48% per annum. The Dynegy Notes will be issued in minimum denominations of \$1.00 and in integral multiples of \$1.00 in excess thereof. The principal amount of Dynegy Notes to be issued to any Eligible Holder will be rounded down to the nearest \$1.00. No payment will be made with respect to any fractional portion of Dynegy Notes not received as a result of such rounding. See “Description of the Dynegy Notes.”

In connection with the Exchange Offer, Dynegy will issue up to 10 million Dynegy Warrants. Each of the Dynegy Warrants will be exercisable for one share of Dynegy Common Stock at an exercise price of \$35.00 per share. The Dynegy Warrants will be exercisable in a cashless exercise in exchange for Dynegy Common Stock. The amount of Dynegy Warrants to be issued to any Eligible Holder will be rounded down to the nearest whole number. No payment will be made with respect to any fractional portion of Dynegy Warrants not received as a result of such rounding. See “Description of the Dynegy Warrants.”

The cash payable in connection with the Exchange Offer, which shall be funded by Genco, consists of up to \$100,693,750 in cash, representing \$130 million of cash, less the Genco Notes Interest Payments, and will be distributed on the Settlement Date; *provided*, that if the cash available at Genco upon consummation of the Exchange Offer is insufficient to pay such amount and other amounts then payable by Genco, Dynegy will provide Genco with the funds necessary to pay the difference through an intercompany loan.

***Support Agreement Fee***

Subject to consummation of the Restructuring, each Eligible Holder who became party to the Support Agreement (the “*Supporting Noteholders*”) on or before October 21, 2016 shall receive upon the Settlement Date or the Plan Effective Date, as applicable, its *pro rata* share of \$9.0 million in cash (the

“*Support Agreement Fee*”), subject to the conditions set forth in the Support Agreement. See “The Support Agreement.”

### ***Accrual of Interest***

Other than as set forth in the table on the front cover of this Offering Memorandum and Disclosure Statement, Eligible Holders will not receive any payment, including for accrued and unpaid interest, with respect to the Genco Notes pursuant to the Exchange Offer.

However, Genco intends to make the interest payment due on December 1, 2016 on the 2032 Notes as required by the Support Agreement. Under no circumstances will any interest be payable because of any delay in the delivery of Dynegy Notes to any Eligible Holder with respect to the Dynegy Notes to be received in the Exchange Offer or otherwise. No additional amounts will be paid in the Exchange Offer with respect to accrued and unpaid interest on the Genco Notes whether or not the Exchange Offer is extended or the Settlement Date is later than December 7, 2016.

### ***Expiration Date and Settlement Date***

The Exchange Offer and Indenture Consent Solicitation will expire at 11:59 p.m., New York City time, on December 6, 2016, unless extended by Dynegy. Dynegy reserves the right to extend the Exchange Offer and Indenture Consent Solicitation at any time and for any reason after consultation with Genco and the Supporting Noteholders.

Eligible Holders who desire to receive the applicable consideration (as described in the table on the front cover of this Offering Memorandum and Disclosure Statement) with respect to their Genco Notes must (i) tender their Genco Notes in the Exchange Offer and (ii) consent to the applicable Proposed Amendments. Tenders of Genco Notes in the Exchange Offer may be withdrawn and Indenture Consents may be revoked at any time on or prior to the Expiration Date.

Dynegy plans to issue the Dynegy Notes in exchange for the Genco Notes tendered in the Exchange Offer as soon after the Expiration Date as practicable, but not, in any event, later than on the third Business Day following the Expiration Date.

### ***Extension, Termination or Amendment***

Dynegy reserves the right to extend the Exchange Offer and Indenture Consent Solicitation at any time and for any reason after consultation with Genco and the Supporting Noteholders by giving oral (to be confirmed in writing) or written notice of such extension to the Exchange Agent and by making public disclosure by issuance of a press release or other appropriate means of such extension to the extent required by law. During any extension of the Exchange Offer and/or Indenture Consent Solicitation, all Genco Notes previously tendered and not withdrawn will remain subject to the Exchange Offer, and all Indenture Consents previously delivered and not revoked will remain subject to the Indenture Consent Solicitation, and may, subject to the terms and conditions of the Exchange Offer and Indenture Consent Solicitation, be accepted by Dynegy. In addition, subject to the terms of the Support Agreement, Dynegy reserves the right to extend the Exchange Offer and Indenture Consent Solicitation at any time and for any reason after consultation with Genco and the Supporting Noteholders, and, subject to the terms of the Support Agreement, to terminate, withdraw or amend the Exchange Offer and Indenture Consent Solicitation at any time and for any reason. See also “—Announcements.”

Any waiver, amendment or modification of the Exchange Offer or Indenture Consent Solicitation will apply to all Genco Notes tendered pursuant to the Exchange Offer and all Indenture Consents delivered pursuant to the Indenture Consent Solicitation. If Dynegy makes a change that it determines to be material in any of the terms of the Exchange Offer or Indenture Consent Solicitation, or waives a condition of the Exchange Offer or Indenture Consent Solicitation that Dynegy determines to be material,

Dynegy will give oral (to be confirmed in writing) or written notice of such amendment or such waiver to the Exchange Agent and will disseminate additional exchange offer documents and extend the Exchange Offer and Indenture Consent Solicitation and withdrawal any revocation rights as it determines necessary and to the extent required by law. Any such extension, amendment, waiver, decrease or change will not result in the reinstatement of any withdrawal or revocation rights if those rights had previously expired, except as specifically provided above. In addition, Dynegy may waive conditions without extending the Exchange Offer or Indenture Consent Solicitation in accordance with applicable law.

### ***Announcements***

Any extension, termination or amendment of the Exchange Offer or Indenture Consent Solicitation will be followed as promptly as practicable by announcement thereof, such announcement in the case of an extension to be issued no later than 9:00 a.m., New York City time, on the next Business Day following the previously scheduled Expiration Date. Without limiting the manner in which Dynegy may choose to make such announcement, Dynegy will not, unless otherwise required by law, have any obligation to publish, advertise or otherwise communicate any such announcement other than by making a release to an appropriate news agency or another means of announcement that Dynegy deems appropriate. See also “—Extension, Termination or Amendment.”

### **Proposed Amendments**

The 2018 Notes, 2020 Notes and the 2032 Notes have been issued pursuant to the Base Indenture, as supplemented by the Sixth Supplemental Indenture, the Seventh Supplemental Indenture and the Fourth Supplemental Indenture, respectively. The Proposed Amendments would delete the covenants and certain other provisions listed below and references thereto in their entirety from the Base Indenture, Fourth Supplemental Indenture, Sixth Supplemental Indenture and Seventh Supplemental Indenture, as indicated, as well as the defined terms to the extent they are no longer used, section references related to such covenants that cease to have meaning by virtue of these changes, provisions made irrelevant as a result of their deletion and other conforming changes.

In addition to the foregoing, the delivery of an Agent's Message by an Eligible Holder will, upon consummation of the Exchange Offer, constitute a release and discharge of certain claims such Eligible Holder may have against Dynegy, Genco and certain of their affiliates and other parties. See "Release, Discharge of Claims, and Covenants Not to Sue" and "Procedures for Tendering Genco Notes in the Exchange Offer, Delivering Indenture Consents, Voting on the Plan and Submitting Genco Notes in Connection with the Plan—Release of Claims under the Exchange Offer."

The Proposed Amendments with respect to the Genco Notes represent a single proposal for the Indenture Consent Solicitation, and Eligible Holders who participate in the Exchange Offer and Indenture Consent Solicitation must consent to the Proposed Amendments in their entirety and may not consent selectively with respect to the Proposed Amendments.

In order for the Base Proposed Amendments to be adopted with respect to the Base Indenture, Eligible Holders of a majority in aggregate principal amount of the Genco Notes must consent to the Base Proposed Amendments. In order for the Additional Proposed Amendments to be adopted with respect to the applicable supplemental indenture, Eligible Holders of a majority in aggregate principal amount of the applicable series of Genco Notes must consent to the Additional Proposed Amendments. For purposes of the Indenture Consent Solicitation, \$825.0 million aggregate principal amount of Genco Notes are deemed outstanding and entitled to consent to the Base Proposed Amendments.

**Acceptance of Genco Notes and Acceptance of Indenture Consents**

If all the conditions to the Exchange Offer and Indenture Consent Solicitation are satisfied or waived, Dynegy intends to accept for exchange on the Settlement Date, after it receives Agent's Messages with respect to any and all of the Genco Notes validly tendered (and not validly withdrawn), the Genco Notes to be exchanged by notifying the Exchange Agent of Dynegy's acceptance. The notice may be oral if Dynegy promptly confirms such notice in writing.

Dynegy expressly reserves its right, in its sole discretion, to delay acceptance for exchange of Genco Notes tendered in the Exchange Offer (subject to Rule 14e-1(c) under the Exchange Act, which requires that Dynegy issue or pay the offered consideration, as applicable, or return the Genco Notes deposited pursuant to the Exchange Offer promptly after termination or withdrawal of the Exchange Offer), or to terminate the Exchange Offer and not accept any Genco Notes not previously accepted, (1) if any of the conditions to the Exchange Offer shall not have been satisfied and such conditions are not waived by Dynegy or (2) in order to comply in whole or in part with any applicable law.

For purposes of the Exchange Offer, Dynegy will have accepted validly tendered (and not validly withdrawn) Genco Notes, if, as and when Dynegy gives oral or written notice to the Exchange Agent of

Dynegy's acceptance of the Genco Notes for exchange pursuant to the Exchange Offer. In all cases, exchange of, and payment for, Genco Notes pursuant to the Exchange Offer will be made by the deposit of any exchange consideration with the Exchange Agent (or upon the Exchange Agent's instructions, DTC), which will act as your agent for the purposes of receiving Dynegy Notes and Dynegy Warrants from Dynegy and cash from Genco and delivering such Dynegy Notes, Dynegy Warrants and cash to you at such times specified in this Offering Memorandum and Disclosure Statement. If, for any reason whatsoever, acceptance for exchange of any Genco Notes tendered pursuant to the Exchange Offer is delayed (whether before or after Dynegy's acceptance of the Genco Notes) or Dynegy extends the Exchange Offer and Indenture Consent Solicitation or is unable to accept the Genco Notes tendered pursuant to the Exchange Offer, then, without prejudice to Dynegy's rights set forth herein, Dynegy may instruct the Exchange Agent to retain tendered Genco Notes, and those Genco Notes may not be withdrawn, subject to the limited circumstances described in "Procedures for Tendering Genco Notes in the Exchange Offer, Delivering Indenture Consents, Voting on the Plan and Submitting Genco Notes in Connection with the Plan—Exchange Offer and Indenture Consent Solicitation."

Genco will pay or cause to be paid all transfer taxes with respect to the tender of any Genco Notes.

### **Conditions of the Exchange Offer and Indenture Consent Solicitation**

Notwithstanding any other provisions of the Exchange Offer and Indenture Consent Solicitation, Dynegy will not be required to accept for exchange or to exchange Genco Notes validly tendered (and not validly withdrawn) pursuant to the Exchange Offer. Additionally, Dynegy reserves the right to extend the Exchange Offer and Indenture Consent Solicitation at any time and for any reason in its sole discretion after consultation with Genco and the Supporting Noteholders, and, subject to the terms of the Support Agreement, to terminate, withdraw or amend the Exchange Offer and Indenture Consent Solicitation at any time and for any reason, including if the Exchange Offer conditions, as listed below, have not been satisfied and such conditions are not waived by Dynegy.

#### ***Minimum Participation Condition***

Completion of the Exchange Offer is conditioned upon Eligible Holders representing at least 97% of the aggregate principal amount of Genco Notes being validly tendered and not validly withdrawn in the Exchange Offer. Pursuant to the Support Agreement, Dynegy, in its sole discretion, but in consultation with Genco and with notice to the Supporting Noteholders, may amend, modify, supplement or waive the Minimum Participation Condition, so long as the Minimum Participation Condition shall not exceed 97%.

#### ***General Conditions***

The "General Conditions" mean that none of the following conditions shall have occurred:

- the Support Agreement has not been validly terminated by the parties thereto; and
- the following general conditions:
  - there shall not have been instituted or threatened or be pending any action, proceeding, application, claim counterclaim or investigation (whether formal or informal) (or there shall not have been any material adverse development to any action, application, claim, counterclaim or proceeding currently instituted, threatened or pending) before or by any court, governmental, regulatory or administrative agency or instrumentality, domestic or foreign, or by any other person, domestic or foreign, in connection with the Exchange Offer and Indenture Consent Solicitation that, in Dynegy's reasonable judgment, would prohibit, prevent, restrict or delay consummation of the Exchange Offer and Indenture Consent Solicitation;

- an order, statute, rule, regulation, executive order, stay, decree, judgment or injunction shall not have been proposed, enacted, entered, issued, promulgated, enforced or deemed applicable by any court or governmental, regulatory or administrative agency or instrumentality, domestic or foreign, that, in Dynegy's reasonable judgment, would prohibit, prevent, restrict or delay consummation of the Exchange Offer and Indenture Consent Solicitation;
- the Offering Memorandum and Disclosure Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, as determined in the sole judgment of Dynegy;
- there shall not have occurred or be likely to occur any event or condition affecting Dynegy or Genco's business or financial affairs and their respective subsidiaries that, in Dynegy's reasonable judgment, either (i) would prohibit, prevent, restrict or delay consummation of the Exchange Offer and Indenture Consent Solicitation, or (ii) would result in a default under any of Dynegy or Genco's material agreements; and
- there has not occurred (i) any general suspension of, or limitation on prices for, trading in securities in the United States or other major securities or financial markets, (ii) a material impairment in the trading market for debt securities, (iii) a declaration of a banking moratorium or any suspension of payments in respect to banks in the United States or other major financial markets, (iv) any limitation (whether or not mandatory) by any government or governmental, administrative or regulatory authority or agency, domestic or foreign, or other event that, in Dynegy's reasonable judgment, would affect the extension of credit by banks or other lending institutions, (v) a commencement of a war, armed hostilities, terrorist acts or other national or international calamity directly or indirectly involving the United States or (vi) in the case of any of the foregoing existing on the date of commencement of the Exchange Offer, a material acceleration or worsening thereof that, in Dynegy's reasonable judgment would prohibit, prevent, restrict or delay consummation of the Exchange Offer and Indenture Consent Solicitation.

In addition, Dynegy's obligation to issue the applicable consideration (as described in the table on the front cover of this Offering Memorandum and Disclosure Statement) is conditioned upon Dynegy's acceptance of Genco Notes for exchange pursuant to the Exchange Offer.

These conditions are for Dynegy's benefit and may be asserted by Dynegy or may be waived by it, including any action or inaction by Dynegy giving rise to any condition, in whole or in part at any time and from time to time, in its sole discretion. Dynegy may additionally terminate the Exchange Offer and Indenture Consent Solicitation if any condition is not satisfied after the Expiration Date. Under each of the Exchange Offer and Indenture Consent Solicitation, if any of these events occur, subject to the termination rights described above, Dynegy may (i) return Genco Notes tendered thereunder to you, (ii) extend the Exchange Offer and retain all tendered Genco Notes until the expiration of the extended Exchange Offer or (iii) amend the Exchange Offer in any respect by giving oral or written notice of such amendment to the Exchange Agent and making public disclosure of such amendment to the extent required by law.

Dynegy has not made a decision as to what circumstances would lead it to waive any such condition, and any such waiver would depend on circumstances prevailing at the time of such waiver. Although Dynegy has no present plans or arrangements to do so, Dynegy reserves the right to amend, at any time, the terms of the Exchange Offer or Indenture Consent Solicitation. Dynegy will give Noteholders notice of such amendments as may be required by applicable law.

If the conditions to the Exchange Offer (including the Minimum Participation Threshold above) are not satisfied and such conditions are not waived by Dynegy, Dynegy may not consummate the Exchange Offer and Genco may file the Chapter 11 Case and pursue confirmation and consummation of the Plan such that Noteholders would receive the treatment described in the Plan.

Dynegy may waive or amend any of these conditions or any other conditions to the consummation of the Exchange Offer without providing additional withdrawal rights except as required by law.

#### **Exchange Agent; Information Agent**

D.F. King & Co., Inc. has been appointed the exchange agent for the Exchange Offer (the “*Exchange Agent*”). All correspondence in connection with the Exchange Offer should be sent or delivered by each beneficial owner of Genco Notes, or its custodian bank, depositary, broker, trust company or other nominee, to the Exchange Agent at the address and telephone numbers set forth on the back cover of this Offering Memorandum and Disclosure Statement. Dynegy will pay the Exchange Agent reasonable compensation for its services and will reimburse it for certain reasonable expenses in connection therewith.

D.F. King & Co., Inc. has also been appointed as the information agent for the Exchange Offer (the “*Information Agent*”), and will receive reasonable compensation for its services. Questions regarding the Exchange Offer, including those concerning tender procedures and requests for additional copies of this Offering Memorandum and Disclosure Statement should be directed to the Information Agent at the address and telephone numbers set forth on the back cover of this Offering Memorandum and Disclosure Statement. Dynegy will pay the Information Agent reasonable compensation for its services and will reimburse it for certain reasonable expenses in connection therewith.

## THE PLAN

**GENCO HAS NOT COMMENCED A CHAPTER 11 CASE UNDER THE BANKRUPTCY CODE AND HAS NOT FILED THE PLAN AT THIS TIME. THIS OFFERING MEMORANDUM AND DISCLOSURE STATEMENT SOLICITS ADVANCE ACCEPTANCE OF THE PLAN IN THE EVENT THAT GENCO COMMENCES THE CHAPTER 11 CASE AND THE PLAN IS FILED WITH THE BANKRUPTCY COURT, AND CONTAINS INFORMATION RELEVANT TO A DECISION TO ACCEPT OR REJECT THE PLAN.**

The following is a summary of the material terms and provisions of the Plan. While we believe this summary covers the material terms and provisions of the Plan, it may not contain all of the information that is important to you. The Plan is attached as Annex A hereto, which is incorporated by reference into this Offering Memorandum and Disclosure Statement. To the extent there is any inconsistency between this Offering Memorandum and Disclosure Statement and the Plan regarding the terms of the Plan, the Plan shall control. Capitalized terms used in this section, but not otherwise defined, shall have the meanings ascribed to them in the Plan.

**Votes to accept or reject the Plan are being solicited from all holders of Genco Notes, and thus this section applies to all holders of Genco Notes. The Plan and this Offering Memorandum and Disclosure Statement should be read in their entirety before voting on the Plan. See “Risk Factors—Risks Related to Bankruptcy Considerations” for a discussion of risks associated with the Plan and the transactions contemplated hereunder. You are urged to consult counsel about the Plan and its effect on your legal rights before voting.**

### **The Purpose of the Plan**

Under the terms of the RSA and the milestones set forth therein, described in further detail below, if the Exchange Offer is not consummated but Genco has received the Requisite Plan Acceptance (as defined in this Offering Memorandum and Disclosure Statement), Genco anticipates filing a voluntary petition for relief under chapter 11 of the Bankruptcy Code promptly following the Expiration Date (as defined in this Offering Memorandum and Disclosure Statement) for the purpose of pursuing consummation of the Plan. Through consummation of the Plan, Genco intends to reorganize its capital structure, significantly reduce its indebtedness, and improve its liquidity.

### **Anticipated Events in a Chapter 11 Case**

#### ***General***

Chapter 11 is the principal reorganization chapter of the Bankruptcy Code pursuant to which a debtor in possession may reorganize its business for the benefit of its creditors, stockholders, and other parties in interest. The date on which a chapter 11 case is commenced is known as the Petition Date.

The commencement of a chapter 11 case creates an estate comprising all the legal and equitable interests of the debtor in possession as of the date the petition is filed. Sections 1101, 1107 and 1108 of the Bankruptcy Code provide that a debtor may continue to operate its business and remain in possession of its property as a “debtor in possession” unless the bankruptcy court orders the appointment of a trustee. The filing by Genco of a voluntary petition will commence its Chapter 11 Case. Genco expects to continue to operate its business and manage its property as a debtor in possession under Bankruptcy Code sections 1107(a) and 1108, unless the Bankruptcy Court orders the appointment of a trustee.

The filing of a chapter 11 petition also triggers the automatic stay provisions of the Bankruptcy Code. Section 362 of the Bankruptcy Code provides, among other things, for an automatic stay of all attempts by creditors or other third parties to collect prepetition claims from the debtor or otherwise interfere with its property or business. Exempted from the automatic stay are governmental authorities

seeking to exercise regulatory or policing powers. Except as otherwise ordered by the bankruptcy court, the automatic stay remains in full force and effect until the effective date of a confirmed plan of reorganization.

The formulation and consummation of a plan of reorganization is the principal purpose of a chapter 11 case. The plan sets forth the means for satisfying claims against and interests in a debtor's estate. Confirmation of a plan of reorganization by a bankruptcy court makes the plan binding upon the debtor, any issuer of securities under the plan, any person or entity acquiring property under the plan and any creditor of or equity security holder in the debtor, whether or not such creditor or equity security holder (i) is impaired under or has accepted the plan or (ii) receives or retains any property under the plan. Subject to certain limited exceptions and other than as provided in the plan itself or the confirmation order, the confirmation order discharges the debtor from any debt that arose prior to the date of confirmation of the plan and substitutes therefore the obligations specified under the confirmed plan.

Unless a trustee is appointed, only a debtor may file a plan during the first 120 days of a chapter 11 case, and the debtor will have 180 days to solicit acceptance of such plan. As Genco intends to file the Plan on the first day of any Chapter 11 Case, no other creditor or party in interest may file a plan unless and until the exclusive filing and solicitation periods are terminated or expire.

### ***Solicitation of a Plan***

Traditionally, before soliciting acceptances of a proposed chapter 11 plan of reorganization, Bankruptcy Code Section 1125 requires a debtor to prepare a disclosure statement that contains information of a kind, and in sufficient detail, to permit a hypothetical reasonable investor to make an informed judgment regarding acceptance of the plan of reorganization. When votes to accept or reject a chapter 11 plan are solicited prior to the commencement of the bankruptcy case, as with the Plan here, the solicitation must comply with applicable non-bankruptcy law, and if there is no such applicable non-bankruptcy law, with Bankruptcy Code Section 1125 as stated above. Genco submits this Offering Memorandum and Disclosure Statement pursuant to an exemption from registration under the Securities Act and applicable state securities law and Bankruptcy Code Section 1125 asking holders of Class 5 – Noteholder Claims to accept the Plan, a copy of which is attached as Annex A to this Offering Memorandum and Disclosure Statement.

### ***Confirmation of a Plan***

Typically when votes to accept or reject a plan are solicited prior to the commencement of the bankruptcy case, the debtor will file upon the commencement of such case its plan and disclosure statement and request that the bankruptcy court schedule a combined hearing to approve the form of disclosure statement, the debtors prepetition solicitation of votes with respect to the plan, and to obtain confirmation of the plan. As discussed in more detail below, Genco expects to file the Plan and this Offering Memorandum and Disclosure Statement on the Petition Date and request that the Bankruptcy Court promptly schedule a hearing to consider approval of the Offering Memorandum and Disclosure Statement and the solicitation of votes with respect to the Plan, and to confirm the Plan.

Among the requirements for confirmation of a plan of reorganization are the following: (a) the plan is accepted by all impaired classes of claims and interests or, if the plan is rejected by an impaired class, that it “does not discriminate unfairly” and is “fair and equitable” as to such class; (b) the plan is feasible; and (c) the plan is in the “best interests” of holders of claims and holders of interests that are impaired under its provisions.

Chapter 11 of the Bankruptcy Code does not require that each holder of a claim or interest vote to accept the plan. Bankruptcy Code Section 1126(c) provides that a class of claims has accepted a plan of reorganization if such plan has been accepted by creditors that hold at least two thirds in amount and more

than one half in number of the allowed claims of such class that vote on the Plan. Additionally, classes of claims or interests that are not “impaired” under a plan of reorganization are conclusively presumed to have accepted the plan and thus are not entitled to vote. Accordingly, acceptance of a plan will generally be solicited only from those persons who hold claims or interests in an impaired class.

**Under the Plan, only holders of Class 5 – Noteholder Claims are impaired and entitled to vote to accept or reject the Plan. Accordingly, only the votes of holders of Noteholder Claims are being solicited.**

**As discussed herein, Dynegy, Genco and the Supporting Noteholders (as defined in this Offering Memorandum and Disclosure Statement), who hold approximately 69.9% in aggregate principal amount of the outstanding Genco Notes, are parties to the RSA, which, among other things, requires the Supporting Noteholders to vote to accept the Plan.**

### **Overview of the Plan**

The Plan is designed to accomplish, and is premised on, the discharge of Genco’s liability with respect to the Genco Notes and Genco Notes Indenture. All other Claims and Interests are Unimpaired under the Plan.

### ***Summary of Recoveries Available under the Plan***

The table below provides a summary of the classification, treatment and estimated recoveries of Claims and Interests under the Plan. This information is provided in summary form for illustrative purposes only and is qualified in its entirety by reference to the provisions of the Plan. For a more detailed description of the treatment of Claims and Interests under the Plan, see “—Overview of the Plan—Classification of Claims and Interests.”

### ***Classification of Claims and Interests***

As described above, the Plan organizes Genco's creditor and equity constituency into groups called "Classes." For each Class, the Plan describes (a) the underlying "Claim" or "Interest," (b) the recovery

available to the holders of Claims or Interests in that Class under the Plan, (c) whether the Class is “*Impaired*” under the Plan, meaning that each holder will receive less than the full value on account of its Claim or Interest or that the rights of holders under law will be altered in some way (such as receiving stock instead of holding a Claim) and (d) the form of consideration (e.g., cash, stock or a combination thereof), if any, that such holders will receive on account of their respective Claims or Interests).

In accordance with Bankruptcy Code Section 1123(a)(1), Administrative Claims and Priority Tax Claims have not been classified for purposes of the Plan, or for the purposes of Bankruptcy Code sections 1123, 1124, 1125, 1126 or 1129.

### ***Treatment of Unclassified Claims in the Debtor***

#### ***Treatment of Administrative Claims***

With respect to each Allowed Administrative Claim, the holder of each such Allowed Administrative Claim shall receive in full satisfaction, settlement, release, and discharge of and in exchange for such Allowed Administrative Claim, (A) Cash equal to the unpaid portion of such Allowed Administrative Claim or (B) such different treatment as to which such holder and the Debtor or the Reorganized Debtor, as applicable, shall have agreed upon in writing, either (i) on the Effective Date, (ii) if the Administrative Claim is not Allowed as of the Effective Date, the first Business Day after the date that is thirty (30) calendar days after the date on which such Administrative Claim becomes an Allowed Claim, or (iii) if the Administrative Claim is based on liabilities incurred by the Debtor in the ordinary course of business during the Chapter 11 Case, pursuant to terms and conditions of the particular transaction giving rise to such Allowed Administrative Claim, without any further action by the holders of such Allowed Administrative Claim.

The RSA Fee shall be paid in Cash on the Effective Date of the Plan as an Allowed Administrative Claim pro rata to each Early Consenting Noteholder, with such pro rata share determined as the proportion that the amount of Noteholder Claims held by such Early Consenting Noteholder on the Effective Date of the Plan bears to the aggregate amount of all Noteholder Claims held by the Early Consenting Noteholders and Qualified Permitted Transferees as of the Effective Date of the Plan; *provided*, that to the extent an Early Consenting Noteholder Transfers any Noteholder Claims to a Permitted Transferee in accordance with Section 6(a) of the RSA prior to the Effective Date of the Plan, such Permitted Transferee shall be entitled to such Early Consenting Noteholder’s pro rata share of the RSA Fee in respect of such transferred Noteholder Claims but not any other Noteholder Claims held by such Permitted Transferee (unless such Permitted Transferee was an Early Consenting Noteholder) (such Permitted Transferee, solely with respect to such transferred Noteholder Claims by an Early Consenting Noteholder, a “*Qualified Permitted Transferee*”).

#### ***Administrative Claims Bar Date***

Requests for payment of Administrative Claims must be filed and served on the Reorganized Debtor pursuant to the procedures specified in the Confirmation Order and the notice of entry of the Confirmation Order no later than the Administrative Claims Bar Date, which shall be the 45th day after the Effective Date. Unless previously effectuated by separate order entered by the Bankruptcy Court, entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the Debtor's foregoing assumption of each of the D&O Insurance Policies maintained by the Debtor without any modifications.

#### *Exemption from Certain Transfer Taxes*

Pursuant to Bankruptcy Code Section 1146(a), any transfers from the Debtor to the Reorganized Debtor or any other Person pursuant to, in contemplation of, or in connection with the Plan, including any Liens granted to secure the Genco Working Capital Facility, and the issuance, transfer, or exchange of any debt, equity securities or other interest under or in connection with the Plan, shall not be taxed under any law imposing a stamp tax, real estate transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or government assessment, and the appropriate state or local governmental officials or agents shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment. The Plan Supplement shall be incorporated into the Plan by reference and is a part of the Plan as if set forth in full herein. After filing, the Plan Supplement may be inspected in the office of the Clerk of the Bankruptcy Court during normal business hours. The Plan Supplement is also available for inspection on (a) the website maintained by the Claims Agent: <http://dm.epiq11.com/IPG>, and (b) the Bankruptcy Court's website: <http://ecf.txsb.uscourts.gov>. In

addition, holders of Claims or Interests may obtain a copy of any document included in the Plan Supplement upon written request in accordance with Section 10.17 of the Plan.

*Preservation of Causes of Action*

Unless any Causes of Action against an Entity or Person are expressly waived, relinquished, exculpated, released, compromised or settled in the Plan or a Bankruptcy Court order, in accordance with Bankruptcy Code Section 1123(b), but subject to Article VI of the Plan, the Reorganized Debtor shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, and the Reorganized Debtor's rights to commence, prosecute or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. The Reorganized Debtor may pursue such Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtor. No Entity or Person may rely on the absence of a specific reference in the Plan, the Plan Supplement or the Disclosure Statement to any Cause of Action against them as any indication that the Reorganized Debtor will not pursue any and all available Causes of Action against them.

Unless any Causes of Action against an Entity or Person are expressly waived, relinquished, exculpated, released, compromised or settled in the Plan or a Bankruptcy Court order, the Reorganized Debtor expressly reserves all Causes of Action for later adjudication and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise) or laches, shall apply to such Causes of Action upon, after or as a consequence of the Confirmation or the Effective Date.

*Guarantee of Dynegy Indebtedness*

Upon or after consummation of the Exchange Offer and the Proposed Amendments becoming operative or the effectiveness of the Plan, Dynegy intends to designate Genco and its wholly-owned subsidiary as guarantors of Dynegy's material, third-party indebtedness for borrowed money. EEI, in which Genco owns an 80% interest, and its subsidiaries will not guarantee Dynegy's indebtedness. As of September 30, 2016, on a pro forma basis as described under the section "Dynegy Capitalization," Dynegy had \$9.2 billion of material, third-party indebtedness for borrowed money (excluding a forward capacity agreement, inventory financing agreements, the amortizing note portion of Dynegy's tangible equity units, equipment financing agreements and unamortized debt discounts and issuance costs), \$2.6 billion of which would have been secured (which secured indebtedness will be secured by substantially all of the assets of Genco and such wholly-owned subsidiary in conjunction with the effectiveness of the guarantees). The guarantees will contain language limiting the amount of the guarantee to the extent it constitutes a fraudulent transfer or conveyance and provide for contribution from or payments made by or on behalf of any other guarantor.

*General Settlement of Claims and Interests*

Pursuant to Bankruptcy Code Section 1123 and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases and other benefits provided under the Plan, upon the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and Equity Interests and controversies resolved pursuant to the Plan. All distributions made to holders of Allowed Claims or Interests in any Class are intended to and shall be final.

*General Distribution Provisions*

One of the key concepts under the Bankruptcy Code is that only claims and interests that are "allowed" may receive distributions under a chapter 11 plan. This term is used throughout the Plan and the descriptions herein. In general, an Allowed Claim or Interest means that Genco agrees, or if there is a

dispute, the Bankruptcy Court determines, by Final Order, that the Claim or Interest, and the amount thereof, is in fact a valid obligation of or Interest in the Debtors.

The Disbursing Agent shall make all Plan distributions to the appropriate holders of Allowed Claims in accordance with the terms of the Plan.

Unless otherwise provided in the Plan, any distributions and deliveries to be made under the Plan shall be made on the Effective Date or as soon thereafter as is practicable.

#### *Plan Funding*

The Debtor will fund Cash distributions under the Plan with Cash on hand, including Cash from operations and the proceeds of the Genco Working Capital Facility, as described further in the Plan.

Except as otherwise specifically provided for in the Plan, the Confirmation Order or another order of the Bankruptcy Court or required by the Bankruptcy Code, postpetition interest shall not accrue or be paid on any Claims, and no holder of a Claim shall be entitled to interest accruing on such Claim on or after the Petition Date.

#### *Application of the Distribution Record Date*

On the applicable Distribution Record Date, for all Claims other than Noteholder Claims, the records of the Debtor shall be closed for purposes of determining the record holders of Claims or Interests, and there shall be no further changes in the record holders of any Claims or Interests. Except as provided herein, the Reorganized Debtor, the Disbursing Agent(s), the Indenture Trustee, and each of their respective agents, successors, and assigns shall have no obligation to recognize any transfer of Claims or Interests occurring after the Distribution Record Date and shall be entitled instead to recognize and deal for all purposes hereunder with only those record holders stated on the applicable books and records, claims registers or transfer ledgers as of the close of business on the Distribution Record Date irrespective of the number of distributions to be made under the Plan to such Persons or the date of such distributions.

#### *Disbursing Agent*

On or before the Effective Date, the Debtor shall designate the Person(s) (whether the Reorganized Debtor and/or one or more independent third parties) to serve as the Disbursing Agent(s) under the Plan. All Distributions under the Plan shall be made by the Disbursing Agent on or as soon as is practicable after the Effective Date. The Debtor, the Reorganized Debtor, the Indenture Trustee and the Disbursing Agent, as applicable, shall not be required to give any bond or surety or other security for the performance of the duties of the Disbursing Agent unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Reorganized Debtor. The Reorganized Debtors shall cooperate in good faith with the applicable Disbursing Agent (if other than the Reorganized Debtors) to comply with the reporting and withholding requirements outlined in Section 7.13 of the Plan.

#### *Delivery of Distributions*

The Disbursing Agent(s) shall make distributions to the holders of the Allowed Claims in the same manner and to the same addresses as payments are made in the ordinary course of the Debtor's businesses; provided, however, that if a Proof of Claim references a different payment address, the address on the Proof of Claim shall be used. The Reorganized Debtor and the Disbursing Agent(s) shall have no obligation to attempt to locate any holder of an Allowed Claim other than by reviewing the Debtor's and/or Reorganized Debtor's books and records, and the Proofs of Claim filed against the Debtor (if any). The Debtor and Reorganized Debtor shall use all commercially reasonable efforts to

provide the Disbursing Agent(s) with the amount of Claims and the identity and addresses of holders of Claims, in each case, as set forth in the Debtor's and/or Reorganized Debtor's books and records. Notwithstanding anything to the contrary contained in the Plan, distributions on account of Noteholder Claims shall be made to the account of, or at the direction of, the Indenture Trustee and shall be subject to the Indenture Trustee's Charging Lien.

#### *Unclaimed Distributions*

If any distribution to a holder of an Allowed Claim is returned to the Reorganized Debtor or the Disbursing Agent as undeliverable or is otherwise unclaimed, no further distributions shall be made to such holder unless and until the Reorganized Debtor or the Disbursing Agent are notified in writing of such holder's then-current address or other necessary information for delivery. Subject to the succeeding sentence, the Reorganized Debtor or the Disbursing Agent shall retain undeliverable distributions until such time as a distribution becomes deliverable. Subject to Section 7.4 of the Plan, each holder of an Allowed Claim whose distribution remains (i) undeliverable for one hundred and eighty (180) days after the distribution is returned as undeliverable or (ii) otherwise has not been deposited, endorsed or negotiated within one hundred and eighty (180) days of the date of issuance shall have no claim to or interest in such distribution and shall be forever barred from receiving any distribution under the Plan. Nothing contained in the Plan shall require the Debtor, the Reorganized Debtor or the Disbursing Agent to attempt to locate any holder of an Allowed Claim.

#### *Satisfaction of Claims*

Unless otherwise provided in the Plan, any distributions and deliveries to be made on account of Allowed Claims under the Plan shall be in complete and final satisfaction, settlement and discharge of and exchange for such Allowed Claims.

#### *Fractional Shares and Notes and De Minimis Cash Distributions*

No fractional shares of New Securities shall be issued or distributed under the Plan. Each Person entitled to receive New Securities shall receive the total number of whole New Dynegy Warrants, and the principal amount of New Dynegy Notes to which such Person is entitled. Dynegy will issue the New Dynegy Notes in minimum denominations of \$1.00 and in integral multiples of \$1.00 in excess thereof. The principal amount of New Dynegy Notes to be issued to any Eligible Holder will be rounded down to the nearest \$1.00. The amount of New Dynegy Warrants will be rounded down to the nearest whole number. No payment or distribution will be made with respect to any fractional portion of New Dynegy Notes or New Dynegy Warrants not received as a result of such rounding. Upon the allocation of all of the whole New Securities authorized under the Plan, all remaining fractional portions of the entitlements shall be cancelled and shall be of no further force and effect. The Disbursing Agent shall have the right to carry forward to subsequent distributions any applicable credits or debits arising from the rounding described in this paragraph.

#### *Allocation of Distributions Between Principal and Interest*

All distributions received under the Plan by holders of applicable Claims shall be deemed to be allocated first to the principal amount of such Claim as determined for United States federal income tax purposes and then to accrued interest, if any, with respect to such Claim.

#### *Setoffs*

Except as otherwise provided in the Plan, the Reorganized Debtor may, but shall not be required to, set off against any Claim, and the payments or other distributions to be made pursuant to the Plan in respect of such Claim, claims of any nature whatsoever that the Debtor or the Reorganized Debtor may have against the holder of such Claim; provided, however, that neither the failure to do so nor the

allowance of any Claim hereunder shall constitute a waiver or release by the Reorganized Debtor of any such claim that the Debtor or the Reorganized Debtor may have against such holder.

#### *Powers of Disbursing Agent*

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of the Plan.

#### *Withholding and Reporting Requirements*

In connection with the Plan and all distributions thereunder, the applicable Disbursing Agent shall, to the extent applicable, comply with all tax withholding and reporting requirements imposed by any federal, state, provincial, local, or foreign taxing authority, and all distributions thereunder shall be subject to any such withholding and reporting requirements. The Disbursing Agent(s) shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements including, without limitation, requiring that, as a condition to the receipt of a distribution, the holder of an Allowed Claim complete the appropriate IRS Form W-8 or IRS Form W-9, as applicable to each holder. Notwithstanding any other provision of the Plan, (a) each holder of an Allowed Claim that is to receive a distribution pursuant to the Plan shall have sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed on such holder by any governmental unit, including income and other tax obligations, on account of such distribution, and (b) no distribution shall be made to or on behalf of such holder pursuant to the Plan unless and until such holder has made arrangements satisfactory to the applicable Disbursing Agent to allow it to comply with its tax withholding and reporting requirements. Any property to be distributed pursuant to the Plan shall, pending the implementation of such arrangements, be treated as an undeliverable distribution to be held by the Indenture Trustee or the Disbursing Agent, as the case may be, until such time as the Disbursing Agent is satisfied with the holder's arrangements for any withholding tax obligations.

#### *Disputed Claims*

##### *No Distributions Pending Allowance*

Notwithstanding any provision otherwise in the Plan and except as otherwise agreed by the relevant parties no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order. For the avoidance of doubt, a Claim that is Disputed is not an Allowed Claim under the Plan.

##### *Estimation of Claims*

The Debtor or the Reorganized Debtor, as applicable, may at any time request that the Bankruptcy Court estimate any contingent, unliquidated or Disputed Claim pursuant to Bankruptcy Code Section 502(c) regardless of whether the Debtor previously objected to such Claim, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Reorganized Debtor may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation and resolution

procedures are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court.

### ***Fee Claims***

#### ***Professional Fee Claims***

On the later of (i) the Effective Date and (ii) the date the Bankruptcy Court enters an order approving the fee applications of the applicable Professional, the Debtor shall pay all amounts owing to the Professionals for all unpaid Professional Fee Claims relating to prior periods and for the period ending on the Effective Date, subject to the applicable Holdback Amount. Each Professional shall estimate its Professional Fee Claims due for periods that have not been billed as of the Effective Date. On or prior to forty-five (45) days after the Effective Date, each Professional shall File with the Bankruptcy Court its final fee application seeking final approval of all fees and expenses from the Petition Date through the Effective Date; provided that the Reorganized Debtor may pay retained Professionals or other Entities in the ordinary course of business after the Effective Date, without further Bankruptcy Court order. Objections to any Professional Fee Claim must be Filed and served on the Reorganized Debtor and the requesting party no later than twenty (20) days after such Professional Fee Claim is Filed with the Bankruptcy Court. To the extent necessary, the Plan and the Confirmation Order shall amend and supersede any previously entered order regarding the payment of Professional Fee Claims. Within ten (10) days after entry of a Final Order with respect to its final fee application, each Professional shall remit any overpayment to the Reorganized Debtor, and the Reorganized Debtor shall pay any unpaid amounts to each Professional.

#### ***Fees and Expenses of Ad Hoc Group***

On the Effective Date, the Reorganized Debtor shall reimburse, in accordance with the terms of the respective engagement letters of the Ad Hoc Group Advisors, the then-outstanding (i) reasonable documented out-of-pocket expenses of the members of the Ad Hoc Group and (ii) fees and expenses of each of the Ad Hoc Group Advisors; without the need for any of the members of the Ad Hoc Group or either of the Ad Hoc Group Advisors to file an application or otherwise seek Bankruptcy Court approval for such payment.

### ***Assumption of Executory Contracts and Unexpired Leases***

#### ***Assumed Contracts and Leases***

Except as otherwise provided in the Plan, the Confirmation Order, or the Plan Supplement, as of the Effective Date, the Debtor shall be deemed to have assumed each executory contract or unexpired lease to which the Debtor is a party as of the Petition Date unless any such contract or lease (i) was previously assumed or rejected upon motion by a Final Order, (ii) previously expired or terminated pursuant to its own terms, (iii) is the subject of any pending motion, including to assume, to assume on modified terms, to reject or to make any other disposition filed by the Debtor on or before the Confirmation Date, or (iv) is subsequently rejected in accordance with the provisions of Section 5.3 of the Plan.

The Confirmation Order shall constitute an order of the Bankruptcy Court under Bankruptcy Code Section 365(a) approving the contract and lease assumptions described in Section 5.1(a) of the Plan, as of the Effective Date. Each executory contract and unexpired lease assumed pursuant to Section 5.1 of the Plan shall revest in and be fully enforceable by the Reorganized Debtor in accordance with its terms, except as modified by the provisions of the Plan, or any order of the Bankruptcy Court authorizing and providing for its assumption, or applicable federal law.

Each executory contract and unexpired lease that is assumed shall include (i) all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such contract or lease and (ii) all contracts or leases appurtenant to the subject premises, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, reciprocal easement agreements, vaults, tunnel or bridge agreements or franchises, and any other interests in real estate or rights in rem related to such premises, unless any of the foregoing agreements has been rejected pursuant to an order of the Bankruptcy Court.

To the extent applicable, all executory contracts or unexpired leases of the Debtor assumed pursuant to the Plan shall be deemed modified such that the transactions contemplated by the Plan shall not be a “*change in control*,” however such term may be defined in the relevant executory contract or unexpired lease, and any required consent under any such contract or lease shall be deemed satisfied by the Confirmation of the Plan.

Upon the Effective Date, the Power Supply Agreement shall be assumed and deemed amended to (A) provide that at any time during the term of the Power Supply Agreement, either party may elect to terminate the Power Supply Agreement by providing the other party with no less than six (6) months’ advanced written notice of its desire to terminate the Power Supply Agreement and (B) if required by Dynegy and IPM, modify the “Energy Charge” (as defined in the Power Supply Agreement) and the “Capacity Payment” (as defined in the Power Supply Agreement) to eliminate any subsidy from IPM or IPRG to Genco under the Power Supply Agreement.

Upon the Effective Date, the Shared Services Agreement shall be assumed and deemed amended to provide that Dynegy and the other “Providers” (as defined in the Shared Services Agreement) may terminate the Shared Services Agreement for convenience with respect to one or more “Recipients” (as defined in the Shared Services Agreement) upon twelve (12) months’ notice to such Recipients.

#### *Determination of Cure Disputes and Deemed Consent*

Any monetary amounts by which each executory contract and unexpired lease to be assumed pursuant to the Plan is in default shall be satisfied, under Bankruptcy Code Section 365(b)(1) by Cure. The Debtor shall, at its option, be permitted to resolve any dispute with respect to the amount of Cure either (i) through the Bankruptcy Court, or (ii) in the procedural manner in which a dispute regarding the amounts owed under a particular executory contract and unexpired lease would have been settled, determined, resolved or adjudicated if the Chapter 11 Case had not been commenced.

If there is a dispute regarding (i) the nature or amount of any Cure, (ii) the ability of the Reorganized Debtor to provide “adequate assurance of future performance” (within the meaning of Bankruptcy Code Section 365) under the contract or lease to be assumed, or (iii) any other matter pertaining to assumption, Cure shall occur following the earlier of (y) the entry of a Final Order resolving the dispute and approving the assumption if such dispute is adjudicated in the Bankruptcy Court, or (z) as to disputed monetary amounts allegedly due under the executory contract or unexpired lease, following the final resolution of such matter if the Debtor elected to handle such dispute in the procedural manner in which it would have been settled, determined, resolved or adjudicated if the Chapter 11 Case had not been commenced.

#### *Survival of the Debtor’s Indemnification Obligations*

Any obligations of the Debtor pursuant to its corporate charter, bylaws, or other organizational documents to indemnify current and former officers, directors, members, managers, partners, agents and/or employees with respect to all present and future actions, suits and proceedings against the Debtor or such officers, directors, members, managers, partners, agents and/or employees, based upon any act or

omission for or on behalf of the Debtor shall not be discharged or impaired by confirmation of the Plan provided that the Reorganized Debtor shall not indemnify directors of the Debtor for any Claims or Causes of Action arising out of or relating to any act or omission that is a criminal act unless such director had no reasonable cause to believe its conduct was unlawful, or for any other acts or omissions that are excluded under the terms of the foregoing organizational documents. All such obligations shall be deemed and treated as executory contracts to be assumed by the Debtor under the Plan and shall continue as obligations of the Reorganized Debtor. Any claim based on the Debtor's obligations herein shall not be a Disputed Claim or subject to any objection in either case by reason of Section 502(e)(1)(B) of the Bankruptcy Code. In addition, after the Effective Date, the Reorganized Debtor shall not terminate or otherwise reduce the coverage under any D&O Insurance Policies (including any "tail policy") in effect as of October 17, 2016, and all officers, directors, members and partners of the Debtor who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy regardless of whether such officer, directors, members and/or partners remain in such positions after the Effective Date.

#### *Restructuring Support Agreement and Related Agreements*

On the Effective Date, the Debtor shall assume and be deemed to assume the RSA pursuant to the Plan, including the obligation of the Debtor with respect to the RSA Fee. On the Effective Date, if not previously assumed by the Debtor, the Debtor shall assume (i) the letter agreement between the Debtor and Willkie Farr & Gallagher LLP, dated as of May 6, 2016, and (ii) the letter agreement between the Debtor and Houlihan Lokey Capital, Inc., dated as of June 1, 2016, and such agreements shall terminate on their terms as of the Effective Date. Fees and expenses due and payable pursuant to the RSA or such letter agreements (including the RSA Fee and the fees and expenses of the Ad Hoc Group Advisors), subject to the terms and conditions thereof in all respects, as of the Effective Date, shall be an Allowed Administrative Claim under this Plan without any need to file a request for payment of such Administrative Claims.

Pursuant to the RSA, each Early Consenting Noteholder shall receive on the Effective Date its pro rata share of the RSA Fee in Cash, with such pro rata share determined as the proportion that the amount of Allowed Noteholder Claims held by such Early Consenting Noteholder on the Effective Date bears to the aggregate amount of all Allowed Noteholder Claims held by the Early Consenting Noteholders and Qualified Permitted Transferees; provided, that to the extent an Early Consenting Noteholder transfers any Allowed Noteholder Claims to a Permitted Transferee in accordance with the RSA prior to the Effective Date, such Permitted Transferee shall be entitled to receive on the Effective Date such Early Consenting Noteholder's pro rata share of the RSA Fee in respect of such transferred Allowed Noteholder Claims but not any other Allowed Noteholder Claims held by such Permitted Transferee (unless such Permitted Transferee was an Early Consenting Noteholder) (such Permitted Transferee, solely with respect to such transferred Allowed Noteholder Claims by an Early Consenting Noteholder, a "Qualified Permitted Transferee").

#### *Compensation and Benefit Plans*

Except to the extent (i) otherwise provided for in the Plan, (ii) previously assumed or rejected by an order of the Bankruptcy Court entered on or before the Confirmation Date, (iii) the subject of a pending motion to reject filed by the Debtor on or before the Confirmation Date, or (iv) previously terminated, all Employee Programs administered by the Debtor in effect before the Effective Date, shall be deemed to be, and shall be treated as though they are, contracts that are assumed under the Plan. Nothing contained herein shall be deemed to modify the existing terms of Employee Programs, including, without limitation, the Debtor's and the Reorganized Debtor's rights of termination and amendment thereunder. As to any Employee Programs administered by Dynegy, nothing contained in the Plan shall be deemed to modify

the existing terms of such Employee Programs, including, without limitation, Dynegy's rights of termination and amendment thereunder.

To the extent any "change in control" provision contained in any Employee Program would be triggered and payable solely as a result of the transactions contemplated by the Plan, such Employee Program shall not be assumed to the extent a waiver of the change in control provision is not executed by the employee having the benefit of such change in control provision, but otherwise shall remain in full force and effect and may be triggered as a result of any transactions occurring after the Effective Date.

As of the Effective Date, any and all equity incentive plans, equity ownership plans, or any other equity-based plans entered into before the Effective Date, including Claims arising from any change in control provision therein, shall be deemed to be, and shall be treated as though they are, contracts that are assumed pursuant to Bankruptcy Code Section 365 under the Plan pursuant to the Confirmation Order, provided, however, that nothing contained herein will impact any Cash payment components of any such equity-based plans.

The Debtor further affirms and agrees that any discharge of liability provided under the Plan shall not operate to discharge any obligations it might have under applicable non-bankruptcy law with respect to any tax-qualified defined benefit pension plan maintained by Dynegy as a result of the Debtor's status as a member of the "controlled group" for such pension plan.

#### *Insurance Policies*

All insurance policies pursuant to which the Debtor has any obligations in effect as of the Effective Date shall be deemed and treated as executory contracts pursuant to the Plan and shall be assumed by the Debtor and Reorganized Debtor and shall continue in full force and effect. All other insurance policies shall revert in the Reorganized Debtor.

#### *Reservation of Rights*

Except as expressly set forth in the Plan, the Plan shall have no force or effect unless the Bankruptcy Court shall enter the Confirmation Order, and the Confirmation Order shall have no force or effect if the Effective Date does not occur. None of the filing of the Plan, any statement or provision contained in the Plan or the taking of any action by the Debtor with respect to the Plan, the Disclosure Statement or the Plan Supplement shall be or shall be deemed to be an admission or waiver of any rights of the Debtor with respect to the holders of Claims or Equity prior to the Effective Date.

#### *Effect of Confirmation; Injunctions, Releases and Related Provisions*

##### *Binding Effect*

Subject to Article VI of the Plan, and notwithstanding Bankruptcy Rules 3020(e), 6004(h) and 7062 or otherwise, upon the occurrence of the Effective Date, the rights, benefits, and obligations of any Person named or referred to in the Plan shall be immediately binding on, and shall inure to the benefit of, any heir, executor, administrator, personal representative, successor, or assign of such Person, including, but not limited to, the Reorganized Debtor and all other parties in interest in the Chapter 11 Case, including any and all holders of Claims or Interests (irrespective of whether holders of such Claims or Interests are deemed to have accepted the Plan).

##### *Discharge of Claims Against and Interests in the Debtors*

On and after the Effective Date: (a) the rights afforded in the Plan and the treatment of all Claims and Interests shall be in exchange for and in complete satisfaction, discharge, and release of all Claims and Interests of any nature whatsoever, including any interest accrued on such Claims from

and after the Petition Date, against the Debtor or any of its assets, property, or estate; (b) the Plan shall bind all holders of Claims and Interests, notwithstanding whether any such holders failed to vote to accept or reject the Plan or voted to reject the Plan; (c) all Claims and Interests shall be satisfied, discharged, and released, and the Debtor's liability with respect thereto shall be extinguished completely, including any liability of the kind specified under Section 502(g) of the Bankruptcy Code; and (d) all entities shall be precluded from asserting against the Debtor, the Reorganized Debtor, the Estate, their successors and assigns, and their assets and properties any other Claims or Interests based upon any documents, instruments, or any act or omission, transaction, or other activity of any kind or nature that occurred prior to the Effective Date, provided, however, that the foregoing discharge shall not apply to the Unreleased Dynegey Claims.

**"Unreleased Dynegey Claims"** means any Claims and Causes of Action, including, but not limited to, any intercompany claim, if applicable, against the Debtor asserted by Dynegey or its affiliates (other than its affiliates that are Non-Debtor Subsidiaries), including, but not limited to, Claims and Causes of Action in connection with or arising out of the Shared Services Agreement, the Tax Sharing Agreement, and the Power Supply Agreement.

#### *Term of Pre-Confirmation Injunctions and Stays*

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays provided for in the Chapter 11 Case under Bankruptcy Code Sections 105 or 362 or otherwise, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order), shall remain in full force and effect until the Effective Date.

#### *Plan Injunction*

Except as provided in the Plan or the Confirmation Order, as of the Effective Date, all Persons that have held, currently hold, may hold, or allege that they hold, a Claim or other debt or liability that is discharged or an Interest or other right of an equity security holder that is Reinstated pursuant to the terms of the Plan are permanently enjoined from taking any of the following actions against the Debtor, the Reorganized Debtor, and their respective subsidiaries or their property on account of any such discharged Claims, debts, or liabilities or Reinstated Interests or rights: (i) commencing or continuing, in any manner or in any place, any action or other proceeding; (ii) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order; (iii) creating, perfecting, or enforcing any Lien or encumbrance; (iv) asserting a setoff, right of subrogation, or recoupment of any kind against any debt, liability, or obligation due to the Debtor or the Reorganized Debtor; or (v) commencing or continuing any action, in each such case in any manner, in any place, or against any Person that does not comply with or is inconsistent with the provisions of the Plan.

Except as provided in the Plan or the Confirmation Order, as of the Effective Date, all Persons that have held, currently hold, or may hold, a Claim, obligation, suit, judgment, damage, demand, debt, right, cause of action, or liability that is released pursuant to Article VI of the Plan are permanently enjoined from taking any of the following actions on account of such released Claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action, or liabilities or Reinstated Interests or rights: (i) commencing or continuing, in any manner or in any place, any action or other proceeding; (ii) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order; (iii) creating, perfecting, or enforcing any Lien or encumbrance; (iv) asserting a setoff against any debt, liability, or obligation due to any released Person; or (v) commencing or continuing any action, in any manner, in any place, or against any Person that does not comply with or is inconsistent with the provisions of the Plan.

Without limiting the effect of Section 6.6 of the Plan upon any Person, by accepting distributions pursuant to the Plan, each holder of an Allowed Claim or Allowed Interests receiving distributions or

having been Reinstated pursuant to the Plan shall be deemed to have specifically consented to the injunctions set forth in Section 6.6 of the Plan.

***Releases by the Debtor***

On and after the Effective Date, for good and valuable consideration, each Released Party is and is deemed released and discharged by the Debtor, the Reorganized Debtor, its Estate, and any successor to any of the foregoing, from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims that could be asserted on behalf of the Debtor that the Debtor, the Reorganized Debtor, or its Estate would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest, based on or relating to, or in any manner arising from, in whole or in part, the Debtor (including the management, ownership or operation thereof), the Debtor's restructuring efforts, intercompany transactions involving the Debtor or its subsidiaries, transactions involving the Debtor or its subsidiaries pursuant and/or related to the Shared Services Agreement, the Power Supply Agreement, or the Tax Sharing Agreement, the Genco Notes Indenture, any preference or avoidance claim relating to transfers made or obligations incurred by the Debtor or its subsidiaries pursuant to Sections 544, 547, 548, and 549 of the Bankruptcy Code, the formulation, preparation, dissemination, or negotiation of the RSA or the Genco Working Capital Facility, or any contract, instrument, release, or other agreement or document created or entered into in connection with the RSA, the Exchange Offer, the Consent Solicitation, the Plan, the Chapter 11 Case, the filing of the Chapter 11 Case, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of the New Securities pursuant to the Plan, or the distribution of property pursuant to the Plan or any other related agreement, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing; provided, however, that notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release (a) any post-Effective Date obligations of any party or entity under the Plan or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or (b) any Claim or Cause of Action the Debtor, the Reorganized Debtor, or the Estate has or may have against its subsidiaries, including, but not limited to, with respect to the EEI Promissory Note.

***Releases by Holders of Claims and Interests***

To the fullest extent permitted by applicable law, on and after the Effective Date, for good and valuable consideration, each holder of a Claim against or Interest in the Debtor (except for any holder of a Noteholder Claim in Class 5 that (i) (a) does not vote either to accept or to reject the Plan or (b) votes to reject the Plan and (ii) opts out of granting the releases set forth in this Section 6.4(b), pursuant to any Ballot cast on the Plan by such holder) is deemed to have released and discharged each of the Released Parties from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims that could be asserted on behalf of the Debtor, that the Debtor, the Reorganized Debtor, or its Estate would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest, based on or relating to, or in any manner arising from, in whole or in part, the Debtor (including the management, ownership or operation thereof), the Debtor's restructuring efforts, intercompany transactions involving the Debtor or its subsidiaries, transactions involving the Debtor or its subsidiaries pursuant and/or related to the Shared Services Agreement, the Power Supply Agreement, or the Tax Sharing Agreement, the Genco Notes Indenture, any preference or avoidance claim relating to transfers made or obligations incurred by the Debtor or its subsidiaries pursuant to sections 544, 547, 548, and 549 of the Bankruptcy Code or applicable state law, the formulation, preparation, dissemination, or negotiation of the RSA or the Genco Working Capital

#### *Exculpation and Limitation of Liability*

No Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from any Claim, obligation, Cause of Action or liability for any Claim in connection with or arising out of the formulation, preparation, dissemination, or negotiation of the RSA or the Genco Working Capital Facility, or any contract, instrument, release, or other agreement or document created or entered into in connection with the RSA, the Exchange Offer, the Consent Solicitation, the Plan, the Chapter 11 Case, the filing of the Chapter 11 Case, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of New Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing, except for willful misconduct or gross negligence, but in all respects such entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities with respect to the foregoing; provided, however, that the foregoing exculpation shall not apply to the Unreleased Dynegey Claims. The Debtor, the Reorganized Debtor, Dynegey and the Consenting Noteholders (and each of their respective affiliates, agents, directors, officers, employees, advisors, and attorneys) have participated in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of the New Securities pursuant to the Plan, and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan, including the issuance of any security thereunder.

#### *Injunction*

Except as provided in the Plan or the Confirmation Order, as of the Effective Date, all Persons that have held, currently hold, may hold, or allege that they hold, a Claim or other debt or liability that is discharged or an Interest or other right of an equity security holder that is Reinstated pursuant to the terms of the Plan are permanently enjoined from taking any of the following actions against the Debtor, the Reorganized Debtor, and their respective subsidiaries or their property on account of any such discharged Claims, debts, or liabilities or Reinstated Interests or rights: (i) commencing or continuing, in any manner or in any place, any action or other proceeding; (ii) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order; (iii) creating, perfecting, or enforcing any Lien or encumbrance; (iv) asserting a setoff, right of subrogation, or recoupment of any kind against any debt, liability, or

obligation due to the Debtor or the Reorganized Debtor; or (v) commencing or continuing any action, in each such case in any manner, in any place, or against any Person that does not comply with or is inconsistent with the provisions of the Plan.

Except as provided in the Plan or the Confirmation Order, as of the Effective Date, all Persons that have held, currently hold, or may hold, a Claim, obligation, suit, judgment, damage, demand, debt, right, cause of action, or liability that is released pursuant to Article VI of the Plan are permanently enjoined from taking any of the following actions on account of such released Claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action, or liabilities or Reinstated Interests or rights: (i) commencing or continuing, in any manner or in any place, any action or other proceeding; (ii) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order; (iii) creating, perfecting, or enforcing any Lien or encumbrance; (iv) asserting a setoff against any debt, liability, or obligation due to any released Person; or (v) commencing or continuing any action, in any manner, in any place, or against any Person that does not comply with or is inconsistent with the provisions of the Plan.

Without limiting the effect of the foregoing provisions of Section 6.6 of the Plan upon any Person, by accepting distributions pursuant to the Plan, each holder of an Allowed Claim or Allowed Interests receiving distributions or having been Reinstated pursuant to the Plan shall be deemed to have specifically consented to the injunctions set forth in Section 6.6 of the Plan.

***Subordinated Claims and Reservation of Rights Regarding Claims and Interests***

The allowance, classification, and treatment of all Allowed Claims and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, Bankruptcy Code Section 510(b), or otherwise. Pursuant to Bankruptcy Code Section 510, the Debtor reserves the right to re-classify any Allowed Claim (other than Noteholder Claims) in accordance with any contractual, legal or equitable subordination rights relating thereto, including with respect to legal and equitable defenses to alleged rights of setoff or recoupment.

***Scope of the Bankruptcy Court's Retention of Jurisdiction After the Plan Effective Date***

Under Bankruptcy Code Sections 105(a) and 1142, and notwithstanding entry of the Confirmation Order and occurrence of the Effective Date, and except as otherwise ordered by the Bankruptcy Court, the Bankruptcy Court shall retain exclusive jurisdiction over all matters arising out of, and related to, the Chapter 11 Case and the Plan to the fullest extent permitted by law, including, without limitation, jurisdiction to:

- allow, disallow, determine, liquidate, classify, estimate, or establish the priority or secured or unsecured status of any Claim or Interest, including the resolution of any request for payment of any Administrative Claim and the resolution of any and all objections to the secured or unsecured status, priority, amount or allowance of Claims or Interests;
- hear and determine all applications for Professional Fees; provided, however, that from and after the Effective Date, the payment of the fees and expenses of the retained Professionals of the Reorganized Debtor shall be made in the ordinary course of business and shall not be subject to the approval of the Bankruptcy Court;
- hear and determine all matters with respect to contracts or leases or the assumption or rejection of any contracts or leases to which a Debtor is a party or with respect to which the Debtor may

be liable, including, if necessary and without limitation, the nature or amount of any required Cure or the liquidation or allowance of any Claims arising therefrom;

- effectuate performance of and payments under the provisions of the Plan;
- hear and determine any and all adversary proceedings, motions, applications, and contested or litigated matters arising out of, under, or related to, the Chapter 11 Case;
- adjudicate, decide or resolve any and all matters related to Bankruptcy Code Section 1141;
- enter such orders as may be necessary or appropriate to execute, implement, or consummate the provisions of the Plan and all contracts, instruments, releases, and other agreements or documents created in connection with the Plan, the Disclosure Statement, or the Confirmation Order;
- hear and determine disputes arising in connection with the interpretation, implementation, consummation, or enforcement of the Plan, including, without limitation, disputes arising under agreements, documents, or instruments executed in connection with the Plan, provided, however, that any dispute arising under or in connection with the New Securities, the Genco Working Capital Facility, the New Genco Governing Documents, the New Warrant Agreement or the New Indenture shall be dealt with in accordance with the provisions of the applicable document;
- consider any modifications of the Plan, cure any defect or omission, or reconcile any inconsistency in any order of the Bankruptcy Court, including, without limitation, the Confirmation Order;
- issue injunctions, enter and implement other orders, or take such other actions as may be necessary or appropriate to restrain interference by any entity with the implementation, consummation, or enforcement of the Plan or the Confirmation Order;
- enter and implement such orders as may be necessary or appropriate if the Confirmation Order is for any reason reversed, stayed, revoked, modified, or vacated;
- hear and determine any matters arising in connection with or relating to the Plan, the Plan Supplement, the Disclosure Statement, the Confirmation Order, or any contract, instrument, release, or other agreement or document created in connection with the Plan, the Plan Supplement, the Disclosure Statement, or the Confirmation Order;
- enforce all orders, judgments, injunctions, releases, exculpations, indemnifications, and rulings entered in connection with the Chapter 11 Case or provided for under the Plan;
- except as otherwise limited herein, recover all assets of the Debtor and property of the Estate, wherever located;
- hear and determine matters concerning state, local, and federal taxes in accordance with Bankruptcy Code Sections 346, 505, and 1146;
- hear and determine all disputes involving the existence, nature, or scope of the Debtor's discharge;
- hear and determine such other matters as may be provided in the Confirmation Order or as may be authorized under, or not inconsistent with, provisions of the Bankruptcy Code; and

- enter a final decree closing the Chapter 11 Case.

### ***Miscellaneous Plan Provisions***

#### ***Modifications and Amendments***

The Debtor, subject to the consent of Dynegey and the Consenting Noteholders in accordance with the RSA, may alter, amend, or modify the Plan under Bankruptcy Code Section 1127(a) at any time prior to the Confirmation Date. After the Confirmation Date and prior to substantial consummation of the Plan, as defined in Bankruptcy Code Section 1101(2), the Debtor may, subject to the consent of Dynegey and the Consenting Noteholders in accordance with the RSA, under Bankruptcy Code Section 1127(b), institute proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in the Plan or the Confirmation Order, provided, however, that prior notice of such proceedings shall be served in accordance with the Bankruptcy Rules or order of the Bankruptcy Court.

#### ***Revocation, Withdrawal, or Non-Consummation of the Plan***

The Debtor reserves the right to revoke or withdraw the Plan at any time prior to the Confirmation Date and to file subsequent plans of reorganization. If the Debtor revokes or withdraws the Plan in accordance with Section 10.13 of the Plan, or if Confirmation or the Effective Date does not occur, then (a) the Plan shall be null and void in all respects, (b) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain any Claim or Class of Claims), assumption or rejection of contracts or leases effected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void, and (c) nothing contained in the Plan, and no acts taken in preparation for consummation of the Plan, shall (i) constitute or be deemed to constitute a waiver or release of any Claims by or against, or any Interests in, any Debtor or any other Person, (ii) prejudice in any manner the rights of the Debtor or any Person, including any of Dynegey or the Consenting Noteholders, in any further proceedings involving the Debtor, or (iii) constitute an admission of any sort by any Debtor or any other Person, including any of Dynegey or the Consenting Noteholders.

### **Summary of the RSA as it Pertain to the Plan**

The Plan is supported by Genco's most significant creditors, including the Supporting Noteholders, who hold approximately 70% in aggregate principal amount of the outstanding Genco Notes, and Dynegey as set forth in the RSA. Pursuant to the terms of the RSA, the parties to the RSA have agreed, among other things, and subject to certain terms and conditions, including:

- to take all reasonable actions necessary to consummate the transactions contemplated by the Plan;
- not to support any plan or restructuring that is inconsistent with the terms of the Plan; and
- with respect to the Supporting Noteholders, to vote to accept the Plan.

In the event of any inconsistency between this Disclosure Statement and the RSA, the terms of the RSA shall govern. The RSA may be terminated after notice upon the occurrence of certain events, including, among other things, the failure to meet specified milestones related to filing, confirmation and consummation of the Plan and in the event of certain breaches by the parties under the RSA. Certain material milestones include:

- December 20, 2016: consummation of the Exchange Offer or filing of the Chapter 11 Case must occur on or before December 20, 2016;

- March 31, 2017: the Bankruptcy Court shall have entered an order approving the Disclosure Statement and confirming the Plan on or before March 31, 2017; and
- April 30, 2017: the Effective Date under the Plan shall have occurred on or before April 30, 2017.

If the Exchange Offer is not successful, commencing the Chapter 11 Case will enable Genco to implement the financial Restructuring described in the RSA through the Plan with little to no expected disruption of Genco's business.

### **Significant First Day Motions and Retention of Professionals**

On the Petition Date, Genco intends to file several motions requesting that the Bankruptcy Court enter orders authorizing the Debtor to continue operating their business in the ordinary course (the "*First Day Motions*"). These First Day Motions are designed to facilitate a smooth transition into the Chapter 11 Case and minimize disruption to Genco's ongoing operations. There is no guarantee that the Bankruptcy Court will grant any or all of the requested relief. The following summary highlights certain of the First Day Motions that Genco expects to file with the Bankruptcy Court at the onset of the potential Chapter 11 Case.

### ***Approval of Solicitation Procedures and Scheduling of Combined Hearing***

On the Petition Date, Genco anticipates filing a motion requesting that the Bankruptcy Court schedule a hearing to consider the adequacy of the Disclosure Statement, the sufficiency of the Solicitation Procedures and confirmation of the Plan (the "*Combined Hearing*"). Genco will be seeking confirmation of the Plan and emergence from the Chapter 11 Case as soon as possible. To that end, the Debtor intends to file a motion (the "*Plan Scheduling Motion*") on the Petition Date requesting that the Bankruptcy Court enter an order (a) scheduling the Combined Hearing, (b) approving the form and notice of the Combined Hearing, and (c) establishing a deadline and procedures for objections to the Disclosure Statement and the Plan. Genco will seek the earliest possible date permitted by the applicable rules and the Bankruptcy Court's calendar for the Combined Hearing. Objections to the Disclosure Statement and confirmation of the Plan must be filed with the Bankruptcy Court by the date set forth in the notice of the Combined Hearing and will be governed by Bankruptcy Rules 3020(b) and 9014 and the local rules of the Bankruptcy Court. **UNLESS AN OBJECTION TO THE DISCLOSURE STATEMENT OR THE PLAN IS TIMELY FILED AND SERVED, IT MAY NOT BE CONSIDERED BY THE COURT.**

### ***Motions Related to Maintaining Operations***

Recognizing that any interruption of Genco's business, even if for a short period, could negatively impact vendor relationships and Genco's goodwill, revenue and profits, all of which would be detrimental to the value of Genco's estate, Genco intends to file certain First Day Motions to ensure its operations remain stable and continue in the ordinary course. The First Day Motions that Genco currently contemplates filing are identified below. Genco may add or remove First Day Motions from this list before filing.

### ***Cash Management System***

Genco maintains a centralized cash management system controlled by it to collect, track, aggregate and disburse cash on a daily basis. To facilitate a smooth transition into the Chapter 11 Case, Genco intends to seek authority to continue using the existing cash management system, bank accounts and business forms and to continue intercompany transactions. In connection with this relief, Genco will also seek authority to make transfers between it and its affiliates in the ordinary course to satisfy operating expenses.

*Wages Motion*

Genco's ability to manage its businesses requires the continued focus and commitment of its employees and independent contractors. These individuals rely on their compensation and benefits to pay their daily living expenses, absent which they would be exposed to significant financial difficulties. Genco cannot afford for these individuals to be distracted by unnecessary concern over the payment of their wages and other benefits in the ordinary course of operations, particularly when such individuals have specialized knowledge in respect of Genco's business and the energy markets. Moreover, Genco has sufficient Cash on hand to pay these obligations in the ordinary course. Accordingly, Genco intends to seek authority to (a) pay all prepetition wages, salaries and other compensation to the its employees and independent contractors; and (b) continue its participation in benefit programs and policies, consistent with the ordinary course of business and past practices, on a postpetition basis.

*Taxes and Utilities*

Although Genco expects to pay all taxes and regulatory obligations in full pursuant to the Plan, to minimize the potential disruption to its business during the potential Chapter 11 Case, the Debtor intends to seek authority to pay the Debtor's fees and other similar charges and assessments, as well as certain taxes, whether arising prior or subsequent to the Petition Date, to the appropriate taxing, licensing and other governmental authorities. Additionally, Genco incurs utility expenses for electricity, telephone and other essential services in the ordinary course of its business. The Debtors would intend to seek approval of adequate assurance procedures in the event that any utility provider makes a demand for adequate assurance or otherwise threatens to alter, refuse or discontinue utility service to Genco.

***Procedural Motions and Professional Retention Applications***

Genco intends to file several procedural motions that are standard in chapter 11 cases of similar size and complexity, as well as applications to retain the various professionals who will be assisting Genco during the Chapter 11 Case.

**Confirmation and Effectiveness of Plan*****Conditions to Confirmation***

The following are conditions precedent to the occurrence of the Confirmation Date for the Plan, each of which must be satisfied or waived in accordance with Section 8.3 of the Plan:

- (1) the Bankruptcy Court shall have entered an order, pursuant to Bankruptcy Code Sections 1125 and 1126, approving the Disclosure Statement and the solicitation and tabulation of votes with respect to the Plan, which order shall be in form and substance reasonably acceptable to the Debtor, Dynegey and the Majority Consenting Noteholders; and
- (2) the Bankruptcy Court shall have entered the Confirmation Order in form and substance reasonably acceptable to the Debtor, Dynegey and the Majority Consenting Noteholders, which Confirmation Order shall, among other things:
- (3) authorize the Debtor and the Reorganized Debtor to take all actions necessary or appropriate to enter into, implement and consummate the contracts, instruments, releases, leases, indentures and other agreements or documents created in connection with the Plan;
- (4) decree that the provisions of the Confirmation Order and the Plan are non-severable and mutually dependent; and

- (5) authorize the implementation of the Plan in accordance with its terms, including authorizing the issuance of all consideration to be issued under the Plan, including the New Securities, and authorizing entry into all agreements necessary to effectuate the Plan, including the Genco Working Capital Facility, the New Genco Governing Documents, the New Indenture and the New Warrant Agreement.

***Conditions to Effective Date***

The following conditions precedent must be satisfied or waived on or prior to the Effective Date in accordance with Section 8.3 of the Plan:

- the Confirmation Order shall (a) have been entered in a form and substance reasonably satisfactory to the Debtor, Dynegy and the Majority Consenting Noteholders and (b) have become a Final Order;
- the final version of the Plan Supplement and all of the schedules, documents and exhibits contained therein shall have been filed in form and substance reasonably acceptable to the Debtor, Dynegy and the Consenting Noteholders in accordance with the RSA;
- all actions, documents, certificates and agreements necessary to implement the Plan, including documents contained in the Plan Supplement, shall have been effected or executed and delivered, as the case may be, to the required parties and, to the extent required; provided, however, that each document, instrument and agreement must be reasonably acceptable to the Debtor, Dynegy and the Consenting Noteholders in accordance with the RSA;
- the Bankruptcy Court shall not have required the establishment of a Disputed Claims reserve in an amount greater than \$10 million;
- all authorizations, consents, regulatory approvals, rulings or documents that are necessary to implement and effectuate the Plan shall have been received, waived or otherwise resolved; and
- the Reorganized Debtor shall have entered into the Genco Working Capital Facility Credit Agreement, and all conditions precedent to the consummation or effectiveness of the entry in to the Genco Working Capital Facility shall have been waived or satisfied in accordance with the terms thereof, and any funding contemplated to be made on the Effective Date shall have been made in accordance with the applicable financing documents.

***Waiver of Conditions Precedent to Plan Confirmation or Plan Effective Date***

Each of the conditions set forth in Sections 8.1 and 8.2 of the Plan (“Conditions to Confirmation” and “Conditions to Effective Date,” respectively), may be waived in whole or in part by the Debtor, without any notice to parties in interest or the Bankruptcy Court and without a hearing, provided, however, that such waiver shall not be effective without the consent of Dynegy and the Majority Consenting Noteholders in accordance with the RSA. Notwithstanding the foregoing, only Dynegy may waive, in its sole discretion, the condition to the Effective Date with respect to the reserve established for Disputed Claims set forth in Section 8.2(iv) of the Plan.

***Effect of Failure of Conditions Precedent to Plan Confirmation or Plan Effective Date***

If the Consummation of the Plan does not occur prior to termination of the RSA in accordance with its terms, the Plan shall be null and void in all respects, and nothing contained in the Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any claims by Dynegy or the holders of any Claims or Interests; (2) prejudice in any manner the rights of the Debtor, any holders of any Claims or

Interests or any other Entity; or (3) constitute an admission, acknowledgment, offer or undertaking by the Debtor, any holders of any Claims or Interests or any other Entity in any respect.

### ***Standards for Confirmation***

At the Combined Hearing, the Bankruptcy Court will confirm the Plan only if all of the requirements of section 1129 of the Bankruptcy Code are met. Among the requirements for confirmation of a plan are that the plan is (i) accepted by all Impaired classes of Claims and Interests or, if rejected by an Impaired class, that the plan “does not discriminate unfairly” and is “fair and equitable” as to such class, (ii) feasible and (iii) in the “best interests” of creditors and equity interest holders that are Impaired under the Plan.

The following requirements must be satisfied pursuant to section 1129(a) of the Bankruptcy Code before the Bankruptcy Court may confirm a plan of reorganization. Genco and Dynegy believe the Plan fully complies with the statutory requirements for Confirmation listed below.

- (1) The Plan complies with the applicable provisions of the Bankruptcy Code.
- (2) The proponents of the Plan have complied with the applicable provisions of the Bankruptcy Code.
- (3) The Plan has been proposed in good faith and not by any means forbidden by law.
- (4) Any payment made or to be made by the Debtor (or any other proponent of the Plan) or by a Person issuing Securities or acquiring property under the Plan, for services or for costs and expenses in or in connection with the Chapter 11 Case, in connection with the Plan and incident to the Chapter 11 Case is subject to the approval of the Bankruptcy Court as reasonable.
- (5) The Debtor (or any other proponent of the Plan) has disclosed (or will disclose prior to the Combined Hearing) the identity and affiliations of any individual proposed to serve, after Confirmation, as a director or officer of the Reorganized Debtor, any Affiliate of the Debtor reorganized under the Plan or any successor to the Debtor under the Plan, and the appointment to, or continuance in, such office of such individual is consistent with the interests of creditors and holders of Claims and Interests and with public policies.
- (6) The proponent of the Plan has disclosed (or will disclose prior to the Combined Hearing) the identity of any “Insider” (as defined in section 101(31) of the Bankruptcy Code) that will be employed or retained by the Reorganized Debtors and the nature of any compensation for such Insider.
- (7) Any governmental regulatory commission with jurisdiction, after confirmation of the Plan, over the rates of the Debtor has approved any rate change provided for in the Plan or such rate change is expressly conditioned on such approval.
- (8) With respect to each holder within Class 5 – Noteholder Claims, the impaired Class under the Plan, each such holder (a) has accepted the Plan or (b) will receive or retain under the Plan on account of such Claim or Interest property of a value, as of the Effective Date, that is not less than the amount that such holder would so receive or retain if the Debtor was liquidated under chapter 7 of the Bankruptcy Code on such date.
- (9) With respect to each Class of Claims or Interests, such Class (a) has accepted the Plan or (b) is Unimpaired under the Plan (subject to the “cram-down” provisions discussed below).

- (10) The Plan provides for treatment of Claims, as applicable, in accordance with the provisions of section 507(a) of the Bankruptcy Code.
- (11) If a Class of Claims or Interests is Impaired under the Plan, at least one Class of Claims or Interests that is Impaired under the Plan has accepted the Plan, determined without including any acceptance of the Plan by any Insider.
- (12) Confirmation is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Reorganized Debtors, or any successor to the Debtors under the Plan, unless such liquidation or reorganization is proposed in the Plan.
- (13) All fees payable under 28 U.S.C. § 1930 have been paid or the Plan provides for the payment of all such fees on the Effective Date.

### ***Best Interests Test/Liquidation Analysis***

As described above, Bankruptcy Code section 1129(a)(7) requires that each holder of an Impaired Claim or Interest either (a) accept the Plan or (b) receive or retain under the Plan property of a value, as of the Effective Date, that is not less than the value such holder would receive if the Debtor was liquidated under chapter 7 of the Bankruptcy Code. To assist holders in determining whether the Plan meets this requirement, Genco, with the assistance of Ducera Partners (“Ducera”), its financial advisor, has prepared an unaudited liquidation analysis, which is attached hereto as Annex B (the “*Liquidation Analysis*”). The distributions to holders of the Class 5 – Noteholder Claims will far exceed any likely recovery under chapter 7 of the Bankruptcy Code. Therefore, Genco believes that the Plan satisfies the best interests test of Bankruptcy Code section 1129(a)(7).

### ***Feasibility***

The Bankruptcy Code requires that a debtor demonstrate that confirmation of a plan of reorganization is not likely to be followed by liquidation or the need for further financial reorganization. For purposes of determining whether the Plan meets this requirement, Genco has analyzed its ability to meet its obligations under the Plan. As part of this analysis, Genco prepared financial projections, which, together with the assumptions on which they are based, are attached hereto as Annex C (the “*Financial Projections*”). Based on such Financial Projections, Genco believes that it will possess the resources and working capital necessary to make all payments required under the Plan and to conduct its business going forward. Therefore, Genco believes that Confirmation of the Plan is not likely to be followed by liquidation or the need for further reorganization.

### ***Contractual Dispute***

On September 2, 2016, Genco terminated for convenience its contract with Advatech, LLC (“*Advatech*”) for an air quality control system at the Newton plant. On September 30, 2016, Advatech submitted a final invoice to Genco for \$81.4 million, and subsequently recorded a mechanics’ lien with respect to a portion of such claim in the amount of \$45.0 million. Other than limited demobilization costs, which Advatech claims are less than \$700,000, and a final scheduled payment of \$500,000, Genco does not believe it owes any additional amounts to Advatech. Genco considers Advatech’s claim and associated lien to be without merit, and intends to vigorously dispute them.

## THE SUPPORT AGREEMENT

On October 14, 2016, Dynegy, Genco and certain of Dynegy's other indirect, wholly-owned subsidiaries, Illinois Power Marketing Company, Dynegy Administrative Services Company, Dynegy Operating Company, IPH, LLC, Illinois Power Resources Generating, LLC and Electric Energy, Inc. entered into a restructuring support agreement (the "*Support Agreement*") with certain holders (the "*Supporting Noteholders*") and, together with Dynegy and Genco, the "*Support Agreement Parties*") of the Genco Notes. Pursuant to the Support Agreement, the Supporting Noteholders agree, subject to the terms and conditions contained in the Support Agreement, among other things, to (1) support and take all actions reasonably necessary to complete the Restructuring, including by tendering (and not withdrawing) their Genco Notes in the Exchange Offer, consenting in the Consent Solicitation and voting in favor of the Plan; (2) not support any plan or transaction that is inconsistent with, or would impede, the Restructuring; and (3) not direct the Genco Indenture Trustee to take any action inconsistent with the Supporting Noteholders' obligations under the Support Agreement. Dynegy and/or Genco agree under the Support Agreement, among other things, to (1) support and take all actions reasonably necessary to complete the Restructuring; (2) if all conditions to consummation of the Exchange Offer have been satisfied or waived, consummate the Exchange Offer no later than December 20, 2016; (3) if certain conditions are not met, subject to approval of Genco's board of directors, commence the Chapter 11 Case; (4) use commercially reasonable efforts to obtain all required regulatory and/or third-party approvals for the Restructuring; and (5) not support any plan or transaction that is inconsistent with, or would impede, the Restructuring.

In addition, the Support Agreement provides that Supporting Noteholders who entered into the Support Agreement on or before October 21, 2016 will be paid, upon consummation of the Restructuring, their pro rata share of \$9.0 million in cash, with such pro rata share determined as the proportion that the amount of Genco Notes held by such Supporting Noteholder upon consummation of the Restructuring bears to the aggregate amount of all Genco Notes held by such Supporting Noteholders and Qualified Permitted Transferees as of consummation of the Restructuring, subject to certain qualifications described in the Support Agreement.

The Support Agreement may be terminated by the Majority Supporting Noteholders, Genco or Dynegy, as applicable, upon delivery of written notice in accordance with the Support Agreement upon the occurrence of the following events:

(i) the breach by Genco or Dynegy of any of the representations, warranties or covenants of Genco or Dynegy, as applicable, set forth in the Support Agreement to the extent such breach would have a material adverse effect on consummation of the Restructuring; provided, however, that the Majority Supporting Noteholders shall include in such notice of termination the details of any such breach, and if such breach is capable of being cured, the parties to the Support Agreement shall have five Business Days after receiving such notice to cure any such breach;

(ii) the breach by one or more of the Supporting Noteholders of any of the material representations, warranties or covenants of such Supporting Noteholders set forth in the Support Agreement; provided, however, that with respect to any such breach by a Supporting Noteholder, so long as the non-breaching Supporting Noteholders at the time of, and subsequent to, such breach hold at least 66.7% of the aggregate principal amount of all outstanding Genco Notes and such breach would not have a material adverse effect on consummation of the Restructuring, then such termination shall be effective only with respect to such breaching Supporting Noteholder; provided further, however, that Genco or Dynegy shall include in such notice of termination the details of any such breach, and if such breach is capable of being cured, the Parties shall have five Business Days after receiving such notice to cure any such breach;

(iii) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any ruling, judgment or order enjoining the consummation of or rendering illegal the Restructuring, and such ruling, judgment or order is final and non-appealable; provided, however, that the Parties shall have ten Business Days after issuance of such final ruling, judgment or order to obtain relief that would allow consummation of the Restructuring in accordance with the Support Agreement;

(iv) the Bankruptcy Court shall have entered an order (A) directing the appointment of an examiner with expanded powers or a trustee, (B) converting the Chapter 11 Case to a case under chapter 7 of the Bankruptcy Code, or (C) dismissing the Chapter 11 Case, which order has not been stayed, reversed or vacated within ten Business Days after such issuance;

(v) if the conditions to Dynegy's obligations to consummate the Exchange Offer have been satisfied or waived (as amended, modified, supplemented or waived), consummation of the Exchange Offer has not occurred on or before December 20, 2016;

(vi) consummation of the Exchange Offer has not occurred, or the Chapter 11 Case has not commenced, on or before December 20, 2016;

(vii) confirmation of the Plan has not occurred on or before March 31, 2017; or

(viii) consummation of the Plan has not occurred on or before April 30, 2017.

**PROCEDURES FOR TENDERING GENCO NOTES IN THE EXCHANGE OFFER,  
DELIVERING INDENTURE CONSENTS, VOTING ON THE PLAN AND SUBMITTING  
GENCO NOTES IN CONNECTION WITH THE PLAN**

**Exchange Offer and Consent Solicitation**

If you are a Non-Eligible Holder, the Exchange Offer is not being made to you. This subsection applies only to Eligible Holders.

It is your responsibility to validly tender your Genco Notes and deliver your Indenture Consents. Dynegy has the right to waive any defects. However, Dynegy is not required to waive defects and is not required to notify you of defects in your tender or delivery.

***Valid Tender of Genco Notes and Delivery of Indenture Consents***

***Tendering and Consenting With Respect to Genco Notes Held Through a Custodian***

Any beneficial owner of Genco Notes whose notes are held by a custodian bank, depositary, broker, trust company or other nominee and who wishes to tender Genco Notes or deliver Indenture Consents should contact such custodial entity promptly and instruct such custodial entity to tender the Genco Notes and deliver Indenture Consents on such beneficial owner's behalf.

***Book-Entry Transfer***

The Exchange Agent has or will establish an account with respect to the Genco Notes at DTC for purposes of the Exchange Offer, and any financial institution that is a participant in the DTC system and whose name appears on a security position listing as the record owner of the Genco Notes may make book-entry delivery of Genco Notes by causing DTC to transfer the Genco Notes into the Exchange Agent's account at DTC in accordance with DTC's procedure for transfer. Delivery of Genco Notes must be effected through book-entry transfer into the Exchange Agent's account at DTC and an Agent's Message must be transmitted to and received by the Exchange Agent on or prior to the Expiration Date.

***Tender of Genco Notes Through ATOP***

All Eligible Holders that wish to participate in the Exchange Offer must electronically transmit their acceptance of the Exchange Offer through ATOP. In accordance with ATOP procedures, DTC will then verify the acceptance of the Exchange Offer and send an Agent's Message to the Exchange Agent for its acceptance.

An “*Agent’s Message*” is a message transmitted by DTC, received by the Exchange Agent and forming part of the Book-Entry Confirmation, which states that DTC has received an express acknowledgement from you that you have received the Offering Memorandum and Disclosure Statement and agree to be bound by the terms of the Indenture Consent, and that Dynegy and Genco may enforce such agreements against you.

Delivery of such tendered Genco Notes must be made to the Exchange Agent. Unless such Eligible Holder delivers by book-entry delivery the Genco Notes being tendered to the Exchange Agent, Dynegy may, at its option, treat such tender as defective for purposes of delivery of acceptance for exchange and for the right to receive the applicable consideration (as described in the table on the front cover of this Offering Memorandum and Disclosure Statement). Delivery of documents to DTC does not constitute delivery to the Exchange Agent. If you desire to tender your Genco Notes on the day that the Expiration Date occurs, you must allow sufficient time for completion of the ATOP procedures during the normal business hours of DTC on such date. Dynegy will have the right, which may be waived, to reject the defective tender of Genco Notes as invalid and ineffective.

Dynegy has not provided guaranteed delivery procedures in conjunction with the Exchange Offer or under any of the exchange offer documents or other exchange offer materials provided therewith. Eligible Holders must timely tender their Genco Notes in accordance with the procedures set forth in the exchange offer documents.

#### *Consenting to Proposed Amendments Through ATOP*

By tendering through ATOP, DTC participants will be deemed to have consented to the Proposed Amendments. In accordance with ATOP procedures, DTC will then send an Agent’s Message to the Exchange Agent for its acceptance.

#### ***Effect of Tendering in the Exchange Offer***

Subject to and effective upon the acceptance of and the exchange of the Genco Notes tendered thereby, by tendering Genco Notes through ATOP as described in this Offering Memorandum and Disclosure Statement, an Eligible Holder:

- (1) irrevocably sells, assigns and transfers to Dynegy all right, title and interest in and to all the Genco Notes tendered thereby;
- (2) is deemed to consent to the Proposed Amendments;
- (3) constitute a release and discharge, on behalf of such holder and its successors and assigns, and such holders’ affiliates and their respective successors and assigns, of each of the Released Parties from the claims and causes of actions as described in “Release, Discharge of Claims, and Covenants Not to Sue—Release and Discharge upon Consummation of the Exchange Offer”; and
- (4) irrevocably appoints the Exchange Agent as its true and lawful agent and attorney-in-fact (with full knowledge that the Exchange Agent also acts as Dynegy’s agent with respect to the tendered Genco Notes with full power coupled with an interest) to:
  - transfer ownership of the Genco Notes on the account books maintained by DTC, together with all accompanying evidences of transfer and authenticity, to or upon Dynegy’s order, as applicable;
  - present the Genco Notes for transfer on the relevant security register; and

- receive all benefits or otherwise exercise all rights of beneficial ownership of the Genco Notes (except that the Exchange Agent will have no rights to or control over Dynegy or Genco's funds), all in accordance with the terms of the Exchange Offer.

### ***Determination of Validity***

All questions as to the validity, form, eligibility (including time of receipt) and acceptance of any tendered Genco Notes through ATOP, and the form and validity (including time of receipt of notices of withdrawal) of all documents will be determined by Dynegy in its sole discretion, which determination will be final and binding. Dynegy reserves the absolute right to reject any or all tenders of any Genco Notes determined by Dynegy not to be in proper form, or if the acceptance of or exchange of such Genco Notes may, in the opinion of Dynegy's counsel, be unlawful. Dynegy also reserves the right to waive any Exchange Offer Conditions that Dynegy is legally permitted to waive.

Your tender through ATOP will not be deemed to have been validly made until all defects or irregularities in your tender have been cured or waived. All questions as to the form and validity (including time of receipt) of any delivery or withdrawal of a tender will be determined by Dynegy in its sole discretion, which determination shall be final and binding. None of Dynegy, Genco, the Information Agent, the Exchange Agent or any other person or entity is under any duty to give notification of any defects or irregularities in any tender or withdrawal of any Genco Notes, or will incur any liability for failure to give any such notification.

### ***Withdrawal of Tenders and Revocation of Indenture Consents***

Tenders of Genco Notes may be withdrawn and Indenture Consents may be revoked on or prior to the Expiration Date. Genco Notes tendered and not withdrawn and Indenture Consents delivered and not revoked on or prior to the Expiration Date may not be withdrawn or revoked, as applicable, after the Expiration Date, and Genco Notes tendered and Indenture Consents delivered after the Expiration Date may not be withdrawn or revoked, as applicable, at any time, unless the Exchange Offer is terminated without any Genco Notes being accepted or as required by applicable law. If such a termination occurs, the Genco Notes will be returned to the tendering holder as promptly as practicable, and previously delivered Indenture Consents will be deemed revoked, the Supplemental Indenture will not be executed (or if executed will be deemed ineffective), and the Proposed Amendments will not become operative.

An Eligible Holder who validly withdraws previously tendered Genco Notes and validly revokes Indenture Consents on or prior to the Expiration Date and does not validly re-tender Genco Notes and validly re-deliver Indenture Consents on or prior to the Expiration Date, will also not receive the applicable consideration (as described in the table on the front cover of this Offering Memorandum and Disclosure Statement). An Eligible Holder who validly withdraws previously tendered Genco Notes and validly revokes previously delivered Indenture Consents on or prior to the Expiration Date and validly re-tenders Genco Notes and validly re-delivers Indenture Consents on or prior to the Expiration Date will receive the applicable consideration (assuming such Genco Notes are accepted for exchange).

Subject to applicable regulations of the SEC, if, for any reason whatsoever, acceptance for exchange of, any Genco Notes tendered pursuant to the Exchange Offer, or any Indenture Consents delivered pursuant to the Indenture Consent Solicitation, as applicable, is delayed (whether before or after Dynegy's acceptance for exchange of Genco Notes) or Dynegy extends an Exchange Offer or Indenture Consent Solicitation, or is unable to accept for exchange, or exchange the Genco Notes tendered pursuant to the Exchange Offer, Dynegy may instruct the Exchange Agent to retain tendered Genco Notes, and those Genco Notes may not be withdrawn, and all Indenture Consents previously delivered and not revoked will remain subject to the Indenture Consent Solicitation, except to the extent that you are entitled to the withdrawal and revocation rights set forth herein.

To be effective, a properly transmitted “Request Message” through DTC’s ATOP system for a withdrawal of a tender must:

- (1) be received by the Exchange Agent at the address specified on the back cover of this Offering Memorandum and Disclosure Statement on or prior to the Expiration Date;
- (2) specify the name of the Eligible Holder and the corresponding Indenture Consent to be withdrawn or revoked, as applicable; and
- (3) contain the description of the Genco Notes to be withdrawn and the corresponding Indenture Consent related to such Genco Notes, in each case, to be withdrawn or revoked, as applicable, the number of the account at DTC from which the Genco Notes were tendered and the name and number of the account at DTC to be credited with the Genco Notes withdrawn and the aggregate principal amount represented by such Genco Notes.

If the Genco Notes to be withdrawn have been delivered or otherwise identified to the Exchange Agent, a notice of withdrawal is effective immediately upon receipt by the Exchange Agent of the notice of withdrawal (or receipt of a Request Message) even if physical release is not yet effected. A withdrawal of Genco Notes can only be accomplished in accordance with the foregoing procedures.

A valid withdrawal of tendered Genco Notes, effected on or prior to the Expiration Date, will constitute the concurrent valid revocation of the related Indenture Consent to the Proposed Amendments. If you tendered Genco Notes, you may only revoke a related Indenture Consent by withdrawing your previously tendered Genco Notes from the Exchange Offer.

If you withdraw Genco Notes and revoke Indenture Consents, you will have the right to re-tender and re-deliver them on or prior to the Expiration Date in accordance with the procedures described above for tendering Genco Notes and delivering the Indenture Consents. If Dynegy amends or modifies the terms of the Exchange Offer or the Indenture Consent Solicitation, or the information concerning the Exchange Offer or the Indenture Consent Solicitation in a manner determined by Dynegy to constitute a material change to Noteholders, Dynegy will disseminate additional exchange offer materials and extend the period of such Exchange Offer or Indenture Consent Solicitation, including any withdrawal and revocation rights, to the extent required by law and as Dynegy determines necessary. An extension of the Expiration Date will not affect an Eligible Holder’s withdrawal and revocation rights unless otherwise provided herein or in any additional exchange offer materials or as required by applicable law.

### ***Release of Claims under the Exchange Offer***

Tendering Genco Notes through ATOP as described in this Offering Memorandum and Disclosure Statement will, on the day the Exchange Offer is consummated, constitute a release and discharge, on behalf of such holder and its successors and assigns, and such holders’ affiliates and their respective successors and assigns, of each of the Released Parties from the claims and causes of actions as described in “Release, Discharge of Claims, and Covenants Not to Sue—Release and Discharge upon Consummation of the Exchange Offer.”

### **The Plan**

This subsection applies to all Noteholders.

#### ***General***

Eligible Holders may participate in the Exchange Offer and the Indenture Consent Solicitation without voting on the Plan, and all Noteholders may vote on the Plan without participating in the Exchange Offer and the Indenture Consent Solicitation.

***Voting on the Plan and Submission of Ballots***

In addition to this Offering Memorandum and Disclosure Statement, Genco has prepared (a) the Ballot for Noteholders (the “*Beneficial Ballot*”) and (b) the Ballot for nominees to reflect the votes of the beneficial owners of Genco Notes (the “*Master Ballot*”). Each beneficial owner of Genco Notes will receive a Beneficial Ballot and each nominee holding Genco Notes on behalf of beneficial owners will receive a Master Ballot.

In order to vote on the Plan, Noteholders must vote in accordance with the instructions contained in the Beneficial Ballot or provide instructions to their respective nominees in accordance with the instructions contained in the Master Ballot. Nominees of Noteholders must reflect the votes of such Noteholders’ votes on the Master Ballot included therewith. By providing instructions to their respective nominees to vote on the Plan, Noteholders are directing their respective nominees to execute their Master Ballots on such Noteholders’ behalf that reflects their instructions with respect to the Plan.

**If you are an Eligible Holder and participate in the Exchange Offer but the Exchange offer is not consummated, the Genco Notes that you tendered in the Exchange Offer will be released from DTC’s ATOP system upon termination of the Exchange Offer and, whether or not you vote in favor of the Plan on the Ballot, you will be required to re-submit your Genco Notes through ATOP after the Petition Date in order to receive a distribution under the Plan.**

Noteholders who vote to reject the Plan or who do not vote may nevertheless be bound by the terms of the Plan and have the relevant treatment applied to their Genco Notes if the Plan is consummated.

A beneficial owner of Genco Notes who wishes to vote on the Plan must provide their Ballot to their nominee in sufficient time to enable their nominee to complete the Master Ballot (or otherwise validate the beneficial owner’s Ballot) and deliver it to the Voting Agent on or prior to the Expiration Date. To validly reflect the vote of a beneficial owner of Genco Notes, such owner’s nominee must send the Master Ballot or validated beneficial owner Ballot to the Voting Agent so as to be actually received by the Voting Agent on or prior to the Expiration Date. A validly submitted Ballot may be revoked and a holder may modify its vote by causing the delivery of a new Ballot to the Voting Agent on or prior to the Expiration Date.

***Voting Record Date***

The Voting Record Date for the Plan is October 28, 2016 (the “Voting Record Date”), unless modified by Genco.

***Release of Claims under the Plan***

To the fullest extent permitted by applicable law, on and after the Plan Effective Date, for good and valuable consideration, each holder of a Claim against Genco is deemed to have released and discharged, each of the Released Parties from the claims and causes of actions as described in “Release, Discharge of Claims, and Covenants Not to Sue—Release and Discharge upon Effectiveness of the Plan.”

## DESCRIPTION OF THE DYNEGY NOTES

The Dynegy Notes will be issued under an indenture among Dynegy, the Subsidiary Guarantors (as defined herein) and Wilmington Trust, National Association, as trustee. The terms of the Dynegy Notes include those stated in the indenture and those made part of the indenture by reference to the Trust Indenture Act of 1939, as amended (the “*Trust Indenture Act*”). The following description is a summary of the material provisions of the indenture. It does not restate the indenture in its entirety. You should read the indenture because it, and not this description, defines your rights as holders of the Dynegy Notes.

You can find the definitions of certain terms used in this description under the subheading “— Certain Definitions.” Certain defined terms used in this description but not defined below under “— Certain Definitions” have the meanings assigned to them in the Indenture. In this description, references to “Dynegy” refer only to Dynegy Inc. and not to any of its subsidiaries.

The registered holder of a Dynegy Note is treated as the owner of it for all purposes. Only registered holders of Dynegy Notes have rights under the indenture.

### **Brief Description of the Dynegy Notes and the Subsidiary Guarantees**

#### ***The Dynegy Notes***

The Dynegy Notes will:

- be general unsecured obligations of Dynegy;
- rank *pari passu* in right of payment with all of Dynegy’s existing and future senior indebtedness;
- be effectively subordinated to Dynegy’s secured indebtedness, including indebtedness incurred under the Credit Agreement, to the extent of the value of the collateral securing such indebtedness;
- be senior in right of payment to any of Dynegy’s subordinated indebtedness; and
- be unconditionally guaranteed on a joint and several basis by the Subsidiary Guarantors.

#### ***The Subsidiary Guarantees***

Each Subsidiary Guarantor’s guarantee of the Dynegy Notes will:

- be a general unsecured obligation of such Subsidiary Guarantor;
- rank *pari passu* in right of payment with all of such Subsidiary Guarantor’s existing and future senior indebtedness;
- be effectively subordinated to such Subsidiary Guarantor’s secured indebtedness, including such Subsidiary Guarantor’s guarantee of Dynegy’s obligations under the Credit Agreement, to the extent of the value of the collateral securing such indebtedness; and
- be senior in right of payment to any of such Subsidiary Guarantor’s subordinated indebtedness.

Assuming the Delta Transaction is consummated, as of September 30, 2016, (1) after giving effect to an issuance by Dynegy in October 2016 of \$750.0 million aggregate principal amount of senior notes and the use of a portion of the proceeds thereof to repay indebtedness of Dynegy, (2) assuming that all of the outstanding Genco Notes are cancelled either by being validly tendered (and not validly withdrawn)

and accepted in the Exchange Offer or because the Plan is implemented, as if each had occurred on such date, and (3) after giving effect to the pro forma adjustments set forth in the Summary Pro Forma Financial Information (collectively, the “*Pro Forma Adjustments*”), Dynegy would have had \$9.7 billion of indebtedness (excluding unamortized discount and debt issuance costs of \$199 million), of which \$2.9 billion would have been secured. As of September 30, 2016, Dynegy had \$1.1 billion of additional borrowings available under Dynegy’s revolving credit facilities, net of expected letters of credit outstanding (all of which are secured). Upon the closing of the Delta Transaction, Dynegy will have additional capacity in place, will draw upon its revolving capacity, and expects to issue additional letters of credit. The amounts described in the first sentence of this paragraph include \$2.0 billion of borrowings incurred under the Escrowed Term Loan by Dynegy Finance IV, Inc., a direct wholly-owned subsidiary of Dynegy, to finance a portion of the purchase price of the GSENA Thermal Assets pursuant to the Delta Transaction. The net proceeds of the Escrowed Term Loan are being held in an escrow account pending the closing of the Delta Transaction. If (1) the conditions applicable to the release of the loan proceeds from the escrow account are not satisfied on or before February 24, 2017, (2) the Delta Transaction is not consummated on or before February 24, 2017, or (3) the Delta Stock Purchase Agreement or the Escrowed Term Loan is terminated, the escrowed funds and other cash will be used to repay and retire the Escrowed Term Loan.

Not all of Dynegy’s subsidiaries will guarantee the Dynegy Notes at the time this offering is consummated. The Dynegy Notes will be effectively subordinated in right of payment to all liabilities of any of Dynegy’s subsidiaries that does not guarantee the Dynegy Notes, except to the extent that Dynegy is itself recognized as a creditor of the subsidiary, in which case its claims would still be effectively subordinated to the extent of any collateral securing such liabilities and would still be subordinated in right of payment to any indebtedness of the subsidiary senior to that held by Dynegy. As of September 30, 2016, (1) Dynegy and the Subsidiary Guarantors held 82% of Dynegy’s consolidated total assets and (2) assuming the Delta Transaction is consummated, on a pro forma basis for the Pro Forma Adjustments, Dynegy and the Subsidiary Guarantors would have held 97% of Dynegy’s consolidated total assets. In addition, after giving effect to the Pro Forma Adjustments as if each of the transactions described therein occurred on January 1, 2015, total operating revenues of the non-guarantor subsidiaries would have been 11% and 10% of Dynegy’s consolidated operating revenues for the year ended December 31, 2015 and the nine months ended September 30, 2016, respectively, adjusted for GSENA’s consolidated operating revenues for the six months ended June 30, 2016. See “Risk Factors—Risks Related to Ownership of the Dynegy Notes, the Dynegy Warrants and Dynegy Common Stock—Risks Related to the Dynegy Notes—Your right to receive payments on the Dynegy Notes could be adversely affected if any of Dynegy’s non-guarantor subsidiaries declare bankruptcy, liquidate or reorganize.”

### **Principal, Maturity and Interest**

Dynegy will issue up to \$210,000,000 in aggregate principal amount of the Dynegy Notes either (1) in exchange for the Genco Notes tendered and accepted in the Exchange Offer or (2) in payment for the Genco Notes that are cancelled pursuant to the Plan, as applicable. Dynegy will issue the Dynegy Notes in minimum denominations of \$1.00 and in integral multiples of \$1.00 in excess thereof. The Dynegy Notes will mature (1) if issued pursuant to the Exchange Offer, on the seventh anniversary of the settlement of the Exchange Offer or (2) if issued pursuant to the Plan, on the seventh anniversary of the Plan Effective Date.

Interest on the Dynegy Notes will accrue at a rate per annum equal to the lesser of (1) the average of (a) the 2023 VWAY and (b) the 2024 VWAY or (2) the 2024 VWAY. Accordingly, if the Dynegy Notes are issued pursuant to the Exchange Offer, the interest rate on the Dynegy Notes will be 8.48% per annum and, if the Dynegy Notes are issued pursuant to the Plan, the interest rate on the Dynegy Notes will be determined according to such calculation on the Plan Effective Date. The interest payment dates for each year will be (1) the first 1<sup>st</sup> or 15<sup>th</sup> of a month that occurs after the Issue Date and (2) the date that

is six months after such date (for example, if the Issue Date is December 5, the interest payment dates will be December 15 and May 15 of each year); *provided* that no interest payment shall be made on the first 1<sup>st</sup> or 15<sup>th</sup> of a month that occurs after the Issue Date. The interest record dates will be (1) if the interest payment dates are the 1<sup>st</sup> of the month, the 15<sup>th</sup> of the month preceding the interest payment dates and (2) if the interest payment dates are the 15<sup>th</sup> of the month, the 1<sup>st</sup> of the month in which such interest payment dates occur.

Interest on the Dynegy Notes issued pursuant to the Exchange Offer will accrue from the Issue Date or, if interest has already been paid, from the date it was most recently paid. Interest on Dynegy Notes issued pursuant to the Plan, whether issued on or after the Plan Effective Date, will accrue from the Plan Effective Date, or if interest has already been paid, from the date it was most recently paid. However, Dynegy Notes issued pursuant to the Plan on each separate date may not be fungible for trading purposes with Dynegy Notes issued on the other dates. See “Risk Factors—Risks Related to Bankruptcy Considerations—Depending on when an Eligible Holder submits its Genco Notes under the Plan, the Dynegy Notes and Dynegy Warrants will be issued on the Plan Effective Date, on the 75<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day), or on the 180<sup>th</sup> day after the Plan Effective Date (or the next succeeding Business Day). Dynegy Notes that are issued pursuant to the Plan on each separate date may not be fungible for trading purposes with Dynegy Notes issued on the other dates.” Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months. All references to “*interest*” in this description will be deemed to include any Special Interest payable pursuant to the registration rights provisions to be included in the indenture governing the Dynegy Notes only if the Dynegy Notes are issued pursuant to the Exchange Offer.

Dynegy may issue additional Dynegy Notes under the indenture from time to time after the Issue Date without the consent of the existing holders of Dynegy Notes. The Dynegy Notes and any additional Dynegy Notes subsequently issued under the indenture will be treated as a single class for all purposes under the indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase. Unless the context otherwise requires, for all purposes of this description, references to “*Dynegy Notes*” include any additional Dynegy Notes issued.

### **Subsidiary Guarantees**

The Dynegy Notes will be unconditionally guaranteed, jointly and severally, on a senior unsecured basis by each of Dynegy’s current and future Wholly-Owned Domestic Subsidiaries that from time to time is a borrower or guarantor under the Credit Agreement. The obligations of each Subsidiary Guarantor under its Subsidiary Guarantee will be limited as necessary to prevent that Subsidiary Guarantee from constituting a fraudulent conveyance under applicable law. See “Risk Factors—Risks Related to Ownership of the Dynegy Notes, the Dynegy Warrants and Dynegy Common Stock—Risks Related to the Dynegy Notes—A court could cancel the guarantees of the Dynegy Notes by Dynegy’s subsidiaries under fraudulent transfer law.”

A Subsidiary Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Subsidiary Guarantor is the surviving Person) another Person, other than Dynegy or another Subsidiary Guarantor, unless immediately after giving effect to that transaction, no Default or Event of Default exists.

The Subsidiary Guarantee of a Subsidiary Guarantor will be released automatically:

- (1) upon the release, discharge or termination of such Subsidiary Guarantor’s obligations as a borrower under the Credit Agreement or such Subsidiary Guarantor’s guarantee of the Credit Agreement; or

- (2) upon defeasance or satisfaction and discharge of the Dynegy Notes as provided below under the captions “—Legal Defeasance and Covenant Defeasance” and “—Satisfaction and Discharge.”

### **Methods of Receiving Payments on the Dynegy Notes**

If a holder of Dynegy Notes has given wire transfer instructions to Dynegy, Dynegy will pay or cause to be paid all principal, interest and premium on that holder’s Dynegy Notes in accordance with those instructions. All other payments on Dynegy Notes will be made at the office or agency of the paying agent and registrar unless Dynegy elects to make interest payments by check mailed to the holders of Dynegy Notes at their address set forth in the register of holders.

### **Paying Agent and Registrar for the Dynegy Notes**

The trustee will initially act as paying agent and registrar. Dynegy may change the paying agent or registrar without prior notice to the holders of the Dynegy Notes, and Dynegy or any of its Subsidiaries may act as paying agent or registrar.

### **Transfer and Exchange**

A holder may transfer or exchange Dynegy Notes in accordance with the provisions of the indenture. The registrar and the trustee may require a holder, among other things, to furnish appropriate endorsements and transfer documents in connection with a transfer of Dynegy Notes. Holders will be required to pay all taxes due on transfer. Dynegy is not required to transfer or exchange any Dynegy Note selected for redemption. Also, Dynegy is not required to transfer or exchange any Dynegy Note for a period of 15 days before a selection of Dynegy Notes to be redeemed.

### **Optional Redemption**

At any time prior to the second anniversary of the Issue Date, Dynegy may on any one or more occasions redeem all or a part of the Dynegy Notes, upon not less than 30 nor more than 60 days’ prior notice, at a redemption price equal to 100% of the principal amount of Dynegy Notes redeemed, plus the Applicable Premium, and accrued and unpaid interest, if any, to but excluding the redemption date, subject to the rights of holders of Dynegy Notes on the relevant record date to receive interest due on the relevant interest payment date.

Except pursuant to the preceding paragraph, the Dynegy Notes will not be redeemable at Dynegy’s option prior to the second anniversary of the Issue Date. Dynegy is not prohibited, however, from acquiring the Dynegy Notes in market transactions by means other than a redemption, whether pursuant to a tender offer or otherwise.

If the Dynegy Notes are issued pursuant to the Exchange Offer, Dynegy may on any one or more occasions redeem all or a part of the Dynegy Notes during the periods set forth below upon not less than 30 nor more than 60 days’ notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, on the Dynegy Notes redeemed, to but excluding the applicable redemption date (subject to the rights of holders of Dynegy Notes on the relevant record date to receive interest on the relevant interest payment date):

<u>Period</u>	<u>Percentage</u>
Second anniversary of the Issue Date to, but excluding, the third anniversary of the Issue Date .....	104.240%
Third anniversary of the Issue Date to, but excluding, the fourth anniversary of the Issue Date.....	102.827%
Fourth anniversary of the Issue Date to, but excluding, the fifth anniversary of the Issue Date.....	101.413%
Fifth anniversary of the Issue Date and thereafter.....	100.000%

If the Dynegy Notes are issued pursuant to the Plan, Dynegy may on any one or more occasions redeem all or a part of the Dynegy Notes during the periods set forth below upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, on the Dynegy Notes redeemed, to but excluding the applicable redemption date (subject to the rights of holders of Dynegy Notes on the relevant record date to receive interest on the relevant interest payment date):

<u>Period</u>	<u>Percentage</u>
Second anniversary of the Issue Date to, but excluding, the third anniversary of the Issue Date .....	100.000% + one-half of the interest rate
Third anniversary of the Issue Date to, but excluding, the fourth anniversary of the Issue Date.....	100.000% + one-third of the interest rate
Fourth anniversary of the Issue Date to, but excluding, the fifth anniversary of the Issue Date.....	100.000% + one-sixth of the interest rate
Fifth anniversary of the Issue Date and thereafter .....	100.000%

### **Mandatory Redemption**

Dynegy is not required to make mandatory redemption or sinking fund payments with respect to the Dynegy Notes.

### **Selection and Notice**

If less than all of the Dynegy Notes are to be redeemed at any time, the trustee (or registrar if other than the trustee) will select Dynegy Notes for redemption on a *pro rata* basis to the extent practicable or by lot or such other similar method in accordance with the procedures of DTC, unless otherwise required by law or applicable stock exchange requirements.

Notices of redemption will be mailed by first class mail or delivered electronically at least 30 but not more than 60 days before the redemption date to each holder of Dynegy Notes to be redeemed at its registered address, except that redemption notices may be mailed or delivered electronically more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Dynegy Notes or a satisfaction and discharge of the indenture. Any redemption notice may, in Dynegy's discretion, be subject to the satisfaction of one or more conditions precedent. If such redemption is subject to the satisfaction of one of more conditions precedent, such notice shall state that, in Dynegy's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by Dynegy in its sole discretion), such redemption may not occur and such notice may be rescinded in the event that any or all of such conditions shall not have been satisfied (or waived by Dynegy in its sole discretion) by the redemption date, or by the redemption date so delayed.

If any Dynegy Note is to be redeemed in part only, the notice of redemption that relates to that Dynegy Note will state the portion of the principal amount of that Dynegy Note that is to be redeemed. A new Dynegy Note in principal amount equal to the unredeemed portion of the original Dynegy Note will be issued in the name of the holder of Dynegy Notes upon cancellation of the original Dynegy Note.

Dynegy Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on Dynegy Notes or portions of them called for redemption.

### **Change of Control**

If a Change of Control occurs, each holder of Dynegy Notes will have the right to require Dynegy to repurchase all or any part of that holder's Dynegy Notes pursuant to a change of control offer (the "*Change of Control Offer*") on the terms set forth in the indenture. In the Change of Control Offer, Dynegy will offer a payment (the "*Change of Control Payment*") in cash equal to 101% of the aggregate principal amount of the Dynegy Notes repurchased, plus accrued and unpaid interest, if any, on the Dynegy Notes to but excluding the date of purchase, subject to the rights of holders of Dynegy Notes on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, Dynegy will mail (or deliver electronically) a notice to each holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Dynegy Notes on the date for payment specified in the notice (the "*Change of Control Payment Date*"), which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed or delivered, pursuant to the procedures required by the indenture and described in such notice. Dynegy will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Dynegy Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the indenture, Dynegy will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the indenture by virtue of such compliance.

On the Change of Control Payment Date, Dynegy will, to the extent lawful:

- (1) accept for payment all Dynegy Notes or portions of Dynegy Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Dynegy Notes or portions of Dynegy Notes properly tendered; and
- (3) deliver or cause to be delivered to the trustee the Dynegy Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Dynegy Notes or portions of Dynegy Notes being purchased by Dynegy.

The paying agent will promptly mail to each holder of Dynegy Notes properly tendered the Change of Control Payment for such Dynegy Notes, and the trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each holder a new Dynegy Note equal in principal amount to any unpurchased portion of the Dynegy Notes tendered, if any. Dynegy will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The provisions described above that require Dynegy to make a Change of Control Offer following a Change of Control will be applicable whether or not any other provisions of the indenture are applicable. Except as described above with respect to a Change of Control, the indenture does not contain provisions that permit the holders of the Dynegy Notes to require that Dynegy repurchase or redeem the Dynegy Notes in the event of a takeover, recapitalization or similar transaction.

Dynegy will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the indenture applicable to a Change of Control Offer made by Dynegy and purchases all Dynegy Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to the indenture as described above under the caption

“—Optional Redemption,” unless and until there is a default in payment of the applicable redemption price. A Change of Control Offer may be made in advance of a Change of Control, with the obligation to pay and the timing of payment conditioned upon the occurrence of a Change of Control, if a definitive agreement to effect a Change of Control is in place at the time the Change of Control Offer is made.

The definition of Change of Control includes a phrase relating to the direct or indirect sale, lease, transfer, conveyance or other disposition of “all or substantially all” of the properties or assets of Dynegy and its Subsidiaries taken as a whole. There is a limited body of case law interpreting the phrase “substantially all,” and there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a holder of Dynegy Notes to require Dynegy to repurchase its Dynegy Notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of Dynegy and its Subsidiaries taken as a whole to another Person or group may be uncertain.

## **Certain Covenants**

### ***Liens***

Dynegy will not and will not permit any Subsidiary Guarantor to, create, incur, assume or suffer to exist or become effective any mortgage, pledge or other lien (other than Permitted Liens) upon any Principal Property to secure indebtedness for borrowed money represented by notes, bonds, debentures or other evidences of indebtedness, unless all payments due under the indenture and the Dynegy Notes issued thereunder are secured on an equal and ratable basis with the obligations so secured until such time as such obligations are no longer secured by a lien.

### ***Merger, Consolidation or Sale of Assets***

Dynegy may not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not Dynegy is the surviving corporation) or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of Dynegy and its Subsidiaries taken as a whole, in one or more related transactions, to another Person; unless:

- (1) either (a) Dynegy is the surviving corporation or (b) the Person formed by or surviving any such consolidation or merger (if other than Dynegy) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a corporation, partnership or limited liability company organized or existing under the laws of the United States, any state of the United States or the District of Columbia; *provided* that if the Person is a partnership or limited liability company, then a corporation wholly-owned by such Person organized or existing under the laws of the United States, any state of the United States or the District of Columbia that does not and will not have any material assets or operations shall become a co-issuer of the Dynegy Notes pursuant to supplemental indentures duly executed by the applicable trustee;
- (2) the Person formed by or surviving any such consolidation or merger (if other than Dynegy) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made assumes all the obligations of Dynegy under the indenture and the Dynegy Notes pursuant to documents in such form as are reasonably satisfactory to the trustee; and
- (3) immediately after such transaction, no Default or Event of Default exists.

In addition, Dynegy may not, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person.

This “Merger, Consolidation or Sale of Assets” covenant will not apply to:

- (1) a merger of Dynegy with an Affiliate solely for the purpose of reincorporating Dynegy in another jurisdiction or forming a direct holding company of Dynegy; and
- (2) any sale, transfer, assignment, conveyance, lease or other disposition of assets between or among Dynegy and its Subsidiaries, including by way of merger or consolidation.

### ***Additional Subsidiary Guarantees***

If any Wholly-Owned Domestic Subsidiary of Dynegy other than a Subsidiary Guarantor becomes a borrower under the Credit Agreement or guarantees any indebtedness under the Credit Agreement, within 30 days thereof Dynegy shall cause such Wholly-Owned Domestic Subsidiary to execute and deliver to the trustee a supplemental indenture pursuant to which such Subsidiary will guarantee payment of the Dynegy Notes on the same terms and conditions as those applicable to the Subsidiary Guarantors under the indenture and will deliver to the trustee an opinion of counsel that such supplemental indenture has been duly authorized, executed and delivered and constitutes a legally valid and enforceable obligation (subject to customary qualifications and exceptions). Thereafter, such Wholly-Owned Domestic Subsidiary will be a Subsidiary Guarantor with respect to the Dynegy Notes until such Wholly-Owned Domestic Subsidiary’s Subsidiary Guarantee with respect to the Dynegy Notes is released in accordance with the indenture.

### ***Reports***

Whether or not required by the SEC’s rules and regulations, so long as any Dynegy Notes are outstanding, Dynegy will furnish to the trustee, within the time periods (including any extensions thereof) specified in the SEC’s rules and regulations:

- (1) all quarterly and annual reports of Dynegy that would be required to be filed with the SEC on Forms 10-Q and 10-K if Dynegy were required to file such reports; and
- (2) all current reports of Dynegy that would be required to be filed with the SEC on Form 8-K if Dynegy were required to file such reports.

All such reports will be prepared in all material respects in accordance with all of the rules and regulations applicable to such reports. Each annual report on Form 10-K will include a report on Dynegy’s consolidated financial statements by Dynegy’s independent registered public accounting firm. In addition, Dynegy will file a copy of each of the reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the rules and regulations applicable to such reports (unless the SEC will not accept such a filing). To the extent such filings are made with the SEC, the reports will be deemed to have been furnished to the trustee and holders of Dynegy Notes. Dynegy agrees that it will not take any action for the purpose of causing the SEC not to accept any such filings.

If, notwithstanding the foregoing, the SEC will not accept Dynegy’s filings for any reason, Dynegy will (i) post the reports referred to in the preceding paragraph on its website with no password protection within the time periods that would apply if Dynegy were required to file those reports with the SEC, (ii) not later than ten Business Days after the time Dynegy posts its quarterly and annual reports on its website, hold a quarterly conference call to discuss the information contained in such reports and (iii) no fewer than two Business Days prior to the date of the conference call required to be held in accordance with clause (ii) above, issue a press release to appropriate U.S. wire services announcing the time and date of such conference call and either including all information necessary to access the call or directing the holders or beneficial owners of, and prospective investors in, the Dynegy Notes and securities analysts

and market makers to contact an individual at Dynegy (for whom contact information shall be provided in such press release) to obtain the information on how to access such conference call.

In addition, Dynegy agrees that, for so long as any Dynegy Notes remain outstanding, at any time it is not required to file the reports required by the preceding paragraphs with the SEC, it will furnish to the holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

### Events of Default and Remedies

Each of the following is an “*Event of Default*” with respect to the Dynegy Notes:

- (1) default for 30 days in the payment when due of interest on the Dynegy Notes;
- (2) default in payment when due of the principal of, or premium, if any, on the Dynegy Notes;
- (3) failure by Dynegy or a Subsidiary Guarantor to comply with any covenant in the indenture (other than a default specified in clause (1) or (2) above) for 60 days after written notice by the trustee or holders of at least 25% in principal amount of the Dynegy Notes;
- (4) default under any document evidencing any indebtedness for borrowed money by Dynegy or any Subsidiary Guarantor, whether such indebtedness now exists or is created after the Issue Date, if that default:
  - (a) is caused by a failure to pay principal when due at final (and not any interim) maturity on or prior to the expiration of any grace period provided in such indebtedness (a “*Payment Default*”); or
  - (b) results in the acceleration of such indebtedness prior to its express maturity (without such acceleration having been rescinded, annulled or otherwise cured),

and, in each case, the principal amount of any such indebtedness, together with the principal amount of any other such indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated (without such acceleration having been rescinded, annulled or otherwise cured), aggregates \$100.0 million or more; *provided* that this clause (4) shall not apply to (i) secured indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such indebtedness and (ii) any indebtedness that is required to be converted into Qualifying Equity Interests upon the occurrence of certain designated events so long as no payments in cash or otherwise are required to be made in accordance with such conversion);

- (5) except as permitted by the indenture, any Subsidiary Guarantee of any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary shall be held in any final and non-appealable judicial proceeding to be unenforceable or invalid or shall cease for any reason (other than in accordance with its terms) to be in full force and effect or any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary, or any Person acting on behalf of any Subsidiary Guarantor (or any group of Subsidiary Guarantors) that constitutes a Significant Subsidiary, shall deny or disaffirm in writing its or their obligations under its or their Subsidiary Guarantees; and
- (6) (a) a court of competent jurisdiction (i) enters an order or decree under any Bankruptcy Law that is for relief against Dynegy, any Subsidiary Guarantor that is a Significant Subsidiary or any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary in an involuntary case; (ii) appoints a custodian for all or substantially all of the

property of Dynegy, any Subsidiary Guarantor that is a Significant Subsidiary or any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary; or (iii) orders the liquidation of Dynegy, any Subsidiary Guarantor that is a Significant Subsidiary or any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary and, in each of clauses (i), (ii) or (iii), the order, appointment or decree remains unstayed and in effect for at least 60 consecutive days; or (b) Dynegy, any Subsidiary Guarantor that is a Significant Subsidiary or any group of Subsidiary Guarantors that, taken together, would constitute a Significant Subsidiary, pursuant to or within the meaning of Bankruptcy Law (i) commences a voluntary case; (ii) consents to the entry of an order for relief against it in an involuntary case; (iii) consents to the appointment of a custodian of it or for all or substantially all of its property; (iv) makes a general assignment for the benefit of its creditors.

In the case of an Event of Default pursuant to clause (6) of the previous paragraph, the Dynegy Notes that are outstanding will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the trustee or the holders of at least 25% in principal amount of such Dynegy Notes that are outstanding may declare all the Dynegy Notes to be due and payable immediately.

Subject to certain limitations, holders of a majority in principal amount of the Dynegy Notes that are then outstanding may direct the trustee in its exercise of any trust or power. The trustee may withhold from holders of the Dynegy Notes notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal or interest.

The trustee will be under no obligation to exercise any of the rights or powers under the indenture at the request or direction of any holders of the Dynegy Notes unless such holders have offered to the trustee indemnity or security satisfactory to the trustee against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no holder of a Dynegy Note may pursue any remedy with respect to the indenture unless:

- (1) such holder has previously given the trustee notice that an Event of Default is continuing;
- (2) holders of at least 25% in aggregate principal amount of the Dynegy Notes that are then outstanding have requested the trustee to pursue the remedy;
- (3) such holders have offered the trustee reasonable security or indemnity against any loss, liability or expense;
- (4) the trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (5) holders of a majority in aggregate principal amount of the Dynegy Notes that are then outstanding have not given the trustee a direction inconsistent with such request within such 60-day period.

The holders of a majority in aggregate principal amount of the Dynegy Notes then outstanding by notice to the trustee may, on behalf of the holders of the Dynegy Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, such Dynegy Notes.

Dynegy is required to deliver to the trustee annually a statement regarding compliance with the indenture. Upon becoming aware of any Default or Event of Default, Dynegy is required to deliver to the trustee a statement specifying such Default or Event of Default.

### **No Personal Liability of Directors, Officers, Employees and Stockholders**

No director, officer, employee, incorporator or stockholder of Dynegy or any Subsidiary Guarantor, as such, will have any liability for any obligations of Dynegy or the Subsidiary Guarantors under the Dynegy Notes, the indenture or the Subsidiary Guarantees, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of Dynegy Notes by accepting a Dynegy Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Dynegy Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

### **Legal Defeasance and Covenant Defeasance**

Dynegy may, at its option and at any time, elect to have all of its obligations discharged with respect to the Dynegy Notes that are outstanding and all obligations of the Subsidiary Guarantors of such Dynegy Notes discharged with respect to their Subsidiary Guarantees (“*Legal Defeasance*”) except for:

- (1) the rights of holders of the Dynegy Notes that are then outstanding to receive payments in respect of the principal of, or interest or premium on such Dynegy Notes when such payments are due from the trust referred to below;
- (2) Dynegy’s obligations with respect to the Dynegy Notes concerning issuing temporary Dynegy Notes, registration of Dynegy Notes, mutilated, destroyed, lost or stolen Dynegy Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the trustee for the Dynegy Notes, and Dynegy and the Subsidiary Guarantors’ obligations in connection therewith; and
- (4) the Legal Defeasance provisions of the indenture governing such Dynegy Notes.

In addition, Dynegy may, at its option and at any time, elect to have the obligations of Dynegy and the Subsidiary Guarantors released with respect to certain covenants (including Dynegy’s obligation to make Change of Control Offers) that are described in the indenture (“*Covenant Defeasance*”) and thereafter any omission to comply with those covenants will not constitute a Default or Event of Default with respect to the Dynegy Notes. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) described under “—Events of Default and Remedies” will no longer constitute an Event of Default with respect to the Dynegy Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance:

- (1) Dynegy must irrevocably deposit with the trustee, in trust, for the benefit of the holders of the Dynegy Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants to pay the principal of, or interest and premium on such Dynegy Notes that are then outstanding on the Stated Maturity or on the applicable redemption date, as the case may be, and Dynegy must specify whether such Dynegy Notes are being defeased to maturity or to a particular redemption date;
- (2) in the case of Legal Defeasance, Dynegy must deliver to the trustee an opinion of counsel reasonably acceptable to the trustee confirming that (a) Dynegy has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion of counsel will confirm that, the holders of the Dynegy Notes that are then outstanding will not recognize income, gain or loss for federal income tax

purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

- (3) in the case of Covenant Defeasance, Dynegy must deliver to the trustee an opinion of counsel reasonably acceptable to the trustee confirming that the holders of the Dynegy Notes that are then outstanding will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;
- (4) no Default or Event of Default with respect to the Dynegy Notes has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit);
- (5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than the indenture) to which Dynegy or any of its Subsidiaries is a party or by which Dynegy or any of its Subsidiaries is bound;
- (6) Dynegy must deliver to the trustee an Officer's Certificate stating that the deposit was not made by Dynegy with the intent of preferring the holders of the Dynegy Notes over the other creditors of Dynegy with the intent of defeating, hindering, delaying or defrauding creditors of Dynegy or others; and
- (7) Dynegy must deliver to the trustee an Officer's Certificate and an opinion of counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

#### **Amendment, Supplement and Waiver**

Except as provided in the next two succeeding paragraphs, the indenture, the Dynegy Notes and the Subsidiary Guarantees may be amended or supplemented with the consent of the holders of a majority in principal amount of Dynegy Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Dynegy Notes), and any existing default or compliance with any provision of the indenture, the Dynegy Notes or the Subsidiary Guarantees may be waived with the consent of the holders of a majority in principal amount of the Dynegy Notes that are then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Dynegy Notes).

Without the consent of each holder of Dynegy Notes affected, an amendment or waiver may not (with respect to any such Dynegy Notes held by a non-consenting holder):

- (1) reduce the principal amount of such Dynegy Notes whose holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any such Dynegy Note or alter the provisions with respect to the redemption of such Dynegy Notes (other than provisions relating to the covenant described above under the caption "—Change of Control" and provisions relating to the number of days of notice to be given in the event of a redemption);
- (3) reduce the rate of or change the time for payment of interest on any such Dynegy Note;

- (4) waive a Default or Event of Default in the payment of principal of, or interest or premium on such Dynegy Notes (except a rescission of acceleration of such Dynegy Notes by the holders of a majority in aggregate principal amount of such Dynegy Notes and a waiver of the payment default that resulted from such acceleration);
- (5) make any such Dynegy Note payable in currency other than that stated in such Dynegy Notes;
- (6) make any change in the provisions of the indenture relating to waivers of past Defaults or the rights of holders of such Dynegy Notes to receive payments of principal of, or interest or premium on such Dynegy Notes;
- (7) waive a redemption payment with respect to any such Dynegy Note (other than a payment required by the covenant described above under the caption “—Change of Control”); or
- (8) make any change in the preceding amendment and waiver provisions.

Notwithstanding the preceding, without the consent of any holder of Dynegy Notes, Dynegy, the Subsidiary Guarantors and the trustee may amend or supplement the indenture, the Dynegy Notes and the Subsidiary Guarantees:

- (1) to cure any ambiguity, defect or inconsistency;
- (2) to provide for uncertificated Dynegy Notes in addition to or in place of certificated Dynegy Notes;
- (3) to provide for the assumption of Dynegy or a Subsidiary Guarantor’s obligations to holders of Dynegy Notes in the case of a merger or consolidation or sale of all or substantially all of Dynegy or such Subsidiary Guarantor’s assets;
- (4) to make any change that would provide any additional rights or benefits to the holders of Dynegy Notes or that does not adversely affect the legal rights under any indenture of any such holder;
- (5) to comply with requirements of the SEC in order to effect or maintain the qualification of any indenture under the Trust Indenture Act;
- (6) to conform the text of the indenture or the Dynegy Notes to any provision of this “Description of the Dynegy Notes” to the extent that such provision in this “Description of the Dynegy Notes” was intended to be a verbatim or substantially verbatim recitation of a provision of the indenture, the Dynegy Notes or the Subsidiary Guarantees;
- (7) to evidence and provide for the acceptance and appointment under the indenture of a successor trustee pursuant to the requirements thereof;
- (8) to provide for the issuance of additional Dynegy Notes in accordance with the limitations set forth in the indenture; or
- (9) to allow any Subsidiary Guarantor to execute a supplemental indenture and/or a Subsidiary Guarantee with respect to the Dynegy Notes.

### Satisfaction and Discharge

The indenture will be discharged and will cease to be of further effect as to all Dynegy Notes issued thereunder, when:

- (1) either:
  - (a) all such Dynegy Notes that have been authenticated, except lost, stolen or destroyed Dynegy Notes that have been replaced or paid and Dynegy Notes for whose payment money has been deposited in trust and thereafter repaid to Dynegy, have been delivered to the trustee for such Dynegy Notes for cancellation; or
  - (b) all such Dynegy Notes that have not been delivered to the trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and Dynegy or any Subsidiary Guarantor has irrevocably deposited or caused to be deposited with the trustee as trust funds in trust solely for the benefit of the holders of Dynegy Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on the Dynegy Notes not delivered to the trustee for cancellation for principal, premium and accrued interest to the date of maturity or redemption;
- (2) no Default or Event of Default under the indenture has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which Dynegy or any Subsidiary Guarantor is a party or by which Dynegy or any Subsidiary Guarantor is bound;
- (3) Dynegy or any Subsidiary Guarantor has paid or caused to be paid all sums payable by it under the indenture; and
- (4) Dynegy has delivered irrevocable written instructions to the trustee under the indenture to apply the deposited money toward the payment of the Dynegy Notes at maturity or the redemption date, as the case may be.

In addition, Dynegy must deliver an Officer's Certificate and an opinion of counsel to the trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

### Concerning the Trustee

If the trustee becomes a creditor of Dynegy or any Subsidiary Guarantor, the indenture limits its right to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The trustee will be permitted to engage in other transactions; *however*, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue (if the indenture has been qualified under the Trust Indenture Act) or resign.

The holders of a majority in principal amount of the Dynegy Notes that are outstanding will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the trustee, subject to certain exceptions. The indenture provides that in case an Event of Default occurs and is continuing, the trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the trustee will be under no obligation to exercise any of its rights or powers under the indenture at the request of any

holder of Dynegy Notes, unless such holder has offered to the trustee security and indemnity satisfactory to it against any loss, liability or expense.

### **Notes Registration Rights; Special Interest**

The following description is a summary of the material provisions of the indenture relating to registration rights with respect to the Dynegy Notes, which will be included in the indenture only if the Dynegy Notes are issued pursuant to the Exchange Offer.

If the Dynegy Notes are issued pursuant to the Exchange Offer, Dynegy, the Subsidiary Guarantors and the trustee will enter into the indenture containing the registration rights provisions on the Issue Date. Pursuant to such registration rights provisions, Dynegy and the Subsidiary Guarantors will agree to use all commercially reasonable efforts to file with the SEC the Exchange Offer Registration Statement (as defined in the indenture) on the appropriate form under the Securities Act with respect to the Exchange Notes. Upon the effectiveness of the Exchange Offer Registration Statement, Dynegy and the Subsidiary Guarantors will offer to the holders of Registrable Securities pursuant to the Exchange Offer (as defined in the indenture) who are able to make certain representations the opportunity to exchange their Registrable Securities for Exchange Notes.

If:

- (1) Dynegy and the Subsidiary Guarantors are not:
  - (a) required to file the Exchange Offer Registration Statement; or
  - (b) permitted to consummate the Exchange Offer because the Exchange Offer is not permitted by applicable law or SEC policy; or
- (2) any holder of Registrable Securities notifies Dynegy prior to the 20th Business Day following consummation of the Exchange Offer that:
  - (a) it is prohibited by law or SEC policy from participating in the Exchange Offer;
  - (b) it may not resell the Exchange Notes acquired by it in the Exchange Offer to the public without delivering a prospectus and the prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales; or
  - (c) it is a broker-dealer and owns Dynegy Notes acquired directly from Dynegy or an affiliate of Dynegy,

Dynegy and the Subsidiary Guarantors will file with the SEC a Shelf Registration Statement (as defined in the indenture) to cover resales of the Dynegy Notes by the holders of the Dynegy Notes who satisfy certain conditions relating to the provision of information in connection with the Shelf Registration Statement.

For purposes of the preceding, “*Registrable Securities*” means each Dynegy Note until the earliest to occur of:

- (1) the date on which such Dynegy Note has been exchanged by a Person other than a broker-dealer for an Exchange Note in the Exchange Offer;
- (2) following the exchange by a broker-dealer in the Exchange Offer of a Dynegy Note for an Exchange Note, the date on which such Exchange Note is sold to a purchaser who receives from such broker-dealer on or prior to the date of such sale a copy of the prospectus contained in the Exchange Offer Registration Statement;

- (3) the date on which such Dynegy Note has been effectively registered under the Securities Act and disposed of in accordance with the Shelf Registration Statement; or
- (4) the date on which such Dynegy Note is actually sold pursuant to Rule 144 under the Securities Act; *provided* that a Dynegy Note will not cease to be a Registrable Security for purposes of the Exchange Offer by virtue of this clause (4).

If the Dynegy Notes are issued pursuant to the Exchange Offer, the indenture will provide that:

- (1) Dynegy and the Subsidiary Guarantors will use all commercially reasonable efforts to have the Exchange Offer Registration Statement declared effective by the SEC on or prior to 360 days after the Issue Date;
- (2) unless the Exchange Offer would not be permitted by applicable law or SEC policy, Dynegy and the Subsidiary Guarantors will:
  - (a) commence the Exchange Offer; and
  - (b) use all commercially reasonable efforts to issue on or prior to 30 Business Days, or longer, if required by applicable securities laws,
 

after the date on which the Exchange Offer Registration Statement was declared effective by the SEC, issue Exchange Notes in exchange for all Dynegy Notes tendered prior thereto in the Exchange Offer; and
- (3) if obligated to file the Shelf Registration Statement, Dynegy and the Subsidiary Guarantors will use all commercially reasonable efforts to cause the Shelf Registration to be declared effective by the SEC on or prior to 90 days after such obligation arises.

If:

- (1) any of such registration statements is not declared effective by the SEC on or prior to the date specified for such effectiveness (the “*Effectiveness Target Date*”);
- (2) Dynegy and the Subsidiary Guarantors fail to consummate the Exchange Offer within 30 Business Days of the Effectiveness Target Date with respect to the Exchange Offer Registration Statement; or
- (3) the Shelf Registration Statement or the Exchange Offer Registration Statement is declared effective but thereafter ceases to be effective during the periods specified in the indenture (each such event referred to in clauses (1) through (3) above, a “*Registration Default*”),

then Dynegy and the Subsidiary Guarantors will pay special interest (“*Special Interest*”) to each holder of Registrable Securities until all Registration Defaults have been cured.

Following the occurrence of a Registration Default, Special Interest will be paid in an amount equal to 0.25% per annum of the principal amount of Registrable Securities outstanding. The amount of the Special Interest will increase by an additional 0.25% per annum with respect to each subsequent 90-day period until all Registration Defaults have been cured, up to a maximum amount of Special Interest for all Registration Defaults of 0.50% per annum of the principal amount of the Registrable Securities outstanding. All accrued Special Interest will be paid by Dynegy and the Subsidiary Guarantors on the next scheduled interest payment date to DTC or its nominee by wire transfer of immediately available funds or by federal funds check and to holders of certificated Dynegy Notes by wire transfer to the accounts specified by them or by mailing checks to their registered addresses if no such accounts have

been specified. Payment of Special Interest will be the sole remedy with respect to a Registration Default and a Registration Default will not constitute an Event of Default.

Holders of Dynegy Notes will be required to make certain representations to Dynegy (as described in the indenture) in order to participate in the Exchange Offer and will be required to deliver certain information to be used in connection with the Shelf Registration Statement and to provide comments on the Shelf Registration Statement within the time periods set forth in the indenture in order to have their Dynegy Notes included in the Shelf Registration Statement and benefit from the provisions regarding Special Interest set forth above. By acquiring Registrable Securities, a holder will be deemed to have agreed to indemnify Dynegy and the Subsidiary Guarantors against certain losses arising out of information furnished by such holder in writing for inclusion in any Shelf Registration Statement. Holders of Dynegy Notes will also be required to suspend their use of the prospectus included in the Shelf Registration Statement under certain circumstances upon receipt of written notice to that effect from Dynegy.

### **Certain Definitions**

## DESCRIPTION OF THE DYNEGY WARRANTS

The Dynegy Warrants will be issued pursuant to a warrant agreement among Dynegy, Computershare Inc. and Computershare Trust Company, N.A., as warrant agent. The following description is a summary of certain provisions of the warrant agreement and the Dynegy Warrants. It does not restate the warrant agreement or the Dynegy Warrants in their entirety. You should read the warrant agreement and the Dynegy Warrants because they, and not this description, define your rights as holders of the Dynegy Warrants. In this description, references to “Dynegy” refer only to Dynegy Inc. and not to any of its subsidiaries.

The registered holder of a Dynegy Warrant is treated as the owner of it for all purposes. Only registered holders of Dynegy Warrants have rights under the warrant agreement.

### General

Each Dynegy Warrant will entitle the holder thereof to purchase one share of Dynegy Common Stock at an exercise price of \$35.00, subject to adjustments as described below (the “*Exercise Price*”). The Dynegy Warrants will be exercisable (1) if issued pursuant to the Exchange Offer, until 5:00 p.m., New York City time, on the seventh anniversary of the Settlement Date or (2) if issued pursuant to the Plan, until 5:00 p.m., New York City time, on the seventh anniversary of the Plan Effective Date, in either case, if such date is not a Business Day, the next subsequent Business Day (such date, the “*Warrant Expiration Date*”). Unless exercised, the Dynegy Warrants will automatically expire on the Warrant Expiration Date. The Dynegy Warrants will be exercisable in a cashless exercise in exchange for Dynegy Common Stock. The number of Warrant Shares issuable upon cashless exercise of the Dynegy Warrants is subject to adjustment based upon the market price of Dynegy Common Stock.

### Anti-dilution Adjustments

The Exercise Price, the number of Warrant Shares purchasable upon the exercise of each Dynegy Warrant and the number of Dynegy Warrants outstanding are subject to adjustment from time to time upon the occurrence of the following with respect to Dynegy:

- stock splits, combinations, etc.;
- issuance or expiration of options, warrants or convertible securities;
- dividends or distributions;
- certain issuances of common stock;
- other actions affecting common stock equivalents; and
- the consolidation, merger or sale of assets.

### No Voting Rights

The holders of the Dynegy Warrants will not have any right to vote on any matter submitted to stockholders, including any right to vote for the election of directors of Dynegy.

### Warrant Registration Rights

The following description is a summary of the material provisions of the warrant agreement relating to registration rights with respect to the Dynegy Warrants, which will be included in the warrant agreement only if the Dynegy Warrants are issued pursuant to the Exchange Offer.

If the Dynegy Warrants are issued pursuant to the Exchange Offer, the warrant agreement will provide that, beginning six months from the date of issuance of the Dynegy Warrants, if holders of Registrable Securities (as defined below) constituting more than 10% of all Warrant Shares originally issuable upon exercise of all Dynegy Warrants (in each case as adjusted by the anti-dilution provisions) request the filing of a registration statement for the resale of Dynegy Common Stock issued upon exercise of the Dynegy Warrants, Dynegy will use commercially reasonable efforts to file such registration statement and to cause such registration statement to remain effective until the number of remaining Registrable Securities constitutes less than 10% of the Warrant Shares originally issuable upon exercise of all Dynegy Warrants (in each case as adjusted by the anti-dilution provisions).

“*Registrable Securities*” means at any time: (1) any shares of Dynegy Common Stock issued upon the exercise of any Dynegy Warrant, and (2) any securities issued or issuable with respect to any shares of Dynegy Common Stock described in clause (1) (including, by way of stock dividend, stock split, distribution, exchange, combination, merger, recapitalization, reorganization or otherwise); *provided*, that as to any particular Registrable Securities once issued, such securities shall cease to be Registrable Securities upon the earliest to occur of: (a) the date on which such securities are disposed of pursuant to an effective registration statement under the Securities Act, (b) the date on which such securities are disposed of pursuant to Rule 144 (or any successor provision) promulgated under the Securities Act, (c) the date on which the holder of such securities may freely resell all such securities pursuant to Rule 144(b)(1) under the Securities Act, and (d) the date on which such securities cease to be outstanding.

### **Authorized Shares**

Dynegy has authorized for issuance such number of Warrant Shares as shall be issuable upon the exercise of all outstanding Dynegy Warrants. Such shares of Dynegy Common Stock will, upon issuance and in accordance with the terms of the warrant agreement, be fully paid and nonassessable and free from all taxes, liens, charges and security interests with created by or imposed upon Dynegy with respect to the issuance thereof.

### **Amendments**

Dynegy and the warrant agent may from time to time supplement or amend the warrant agreement without the consent of the holders of the Dynegy Warrants for certain purposes, including curing defects or inconsistencies or making changes that do not adversely affect, alter or change the interests of the holders of the Dynegy Warrants. Any other supplement or amendment to the warrant agreement may be effected with the prior written consent of holders of the Dynegy Warrants exercisable for a majority of the Warrant Shares then issuable upon exercise of the Dynegy Warrants then outstanding; *provided, however*, that the prior written consent of holders of Dynegy Warrants exercisable for a two-thirds of the Warrant Shares then issuable upon exercise of the Dynegy Warrants then outstanding shall be required for any amendment pursuant to which the Exercise Price would be increased (other than pursuant to adjustments provided in the warrant agreement and described above under “—Anti-dilution Adjustments”), the number of Warrant Shares purchasable upon exercise of the Dynegy Warrants would be decreased (other than pursuant to adjustments provided in the warrant agreement and described above under “—Anti-dilution Adjustments”) or the Expiration Date would be advanced to an earlier date.

### **Governing Law**

The warrant agreement and the Dynegy Warrants will be governed by, and construed in accordance with, the laws of the State of New York.

## DESCRIPTION OF DYNEGY CAPITAL STOCK

The following summary of the terms of Dynegy's capital stock is not meant to be complete and is qualified in its entirety by reference to Dynegy's third amended and restated certificate of incorporation, Dynegy's sixth amended and restated bylaws and the provisions of applicable law. In this description, references to "Dynegy" refer only to Dynegy Inc. and not to any of its subsidiaries.

### Authorized Capital Stock

Dynegy has the authority to issue a total of 440,000,000 shares of capital stock, consisting of 420,000,000 shares of Dynegy Common Stock and 20,000,000 shares of preferred stock.

### Common Stock

The rights, preferences and privileges of holders of Dynegy Common Stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of Dynegy's preferred stock which Dynegy may designate and issue in the future.

*Dividend Rights.* Subject to the rights of holders of preferred stock of any series that may be issued from time to time, and as otherwise provided by Dynegy's third amended and restated certificate of incorporation, holders of Dynegy Common Stock shall be entitled to receive such dividends and other distributions in cash, stock of any corporation or of Dynegy's property as may be declared by Dynegy's board of directors from time to time out of Dynegy's assets or funds legally available for dividends and other distributions, and shall share equally on a per share basis in all such dividends and other distributions.

*Liquidation Rights.* In the event of any liquidation, dissolution or winding up of Dynegy, the holders of Dynegy Common Stock will be entitled to share in Dynegy's net assets available after the payment of all debts and other liabilities and subject to the prior rights of any outstanding class of Dynegy's preferred stock.

*Preemptive Rights.* Pursuant to Dynegy's third amended and restated certificate of incorporation, the holders of Dynegy Common Stock have no preemptive rights.

*Conversion Rights.* Shares of Dynegy Common Stock are not convertible.

*Voting Rights.* Subject to the rights of the holders of any series of Dynegy's preferred stock, each outstanding share of Dynegy Common Stock is entitled to one vote on all matters submitted to a vote of stockholders.

*Board of Directors.* Holders of Dynegy Common Stock do not have cumulative voting rights with respect to the election of directors. At any meeting to elect directors by holders of Dynegy Common Stock, the presence, in person or by proxy, of the holders of a majority of the voting power of shares of capital stock then outstanding shall constitute a quorum for such election. Directors shall be elected by a plurality of the votes of the shares present and entitled to vote on the election of directors, except for directors whom the holders of preferred stock have the right to elect, if any.

### 2012 Warrants to Purchase Common Stock

Pursuant to the 2012 plan of reorganization, Dynegy issued warrants to purchase shares of Dynegy Common Stock to holders of shares of its old common stock, which were cancelled pursuant to such plan. The warrants became exercisable at any time after the date of issuance and have an exercise price of \$40.00 per share. Each of the warrants expires on October 2, 2017. The warrants provide for a cashless exercise by the warrant holder. The exercise price of the warrants and the number of shares issuable upon

exercise of the warrants are subject to adjustment upon certain events including stock subdivisions, combinations, splits, stock dividends, capital reorganizations, or capital reclassifications of common stock and in connection with certain distributions of cash, assets or securities. These warrants are not redeemable.

### **Preferred Stock**

Under the terms of Dynegy's third amended and restated certificate of incorporation, Dynegy's board of directors is authorized to issue from time to time up to an aggregate of 20,000,000 shares of preferred stock and to fix or alter the designations, preferences, rights and any qualifications, limitations or restrictions of the shares of each series, including the dividend rights, dividend rates, conversion rights, voting rights, rights and terms of redemption (including sinking fund provisions), redemption price or prices, liquidation preferences and the number of shares constituting any series. These shares may be used for a variety of corporate purposes, including future public offerings, to raise additional capital or to facilitate acquisitions. If Dynegy's board of directors decides to issue shares of preferred stock to persons supportive of current management, this could render it more difficult or discourage an attempt to obtain control of Dynegy by means of a merger, tender offer, proxy contest or otherwise. Authorized but unissued shares of preferred stock also could be used to dilute the stock ownership of persons seeking to obtain control of Dynegy. To the extent required by Section 1123(a)(6) of the Bankruptcy Code, Dynegy is prohibited from issuing shares of nonvoting equity securities (within the meaning of such statute).

### **Tangible Equity Units**

In June 2016, Dynegy issued 4,600,000 tangible equity units, with each unit consisting of a prepaid stock purchase contract and a senior amortizing note issued by Dynegy. Unless settled earlier at the holder's option or at Dynegy's election or earlier redeemed by Dynegy in connection with an acquisition termination redemption, each purchase contract will automatically settle on July 1, 2019 (subject to postponement in certain limited circumstances), and Dynegy will deliver an aggregate of not more than 28,518,160 shares and not less than 23,092,460 shares of Dynegy Common Stock, subject to adjustment, based upon the applicable fixed settlement rates, the reference price, the threshold appreciation price and the daily volume weighted average price of Dynegy Common Stock. The amortizing notes have an aggregate principal amount of \$87.2 million, bear interest at the rate of 7.00% per annum and have a final installment payment date of July 1, 2019. On each January 1, April 1, July 1 and October 1, commencing on October 1, 2016, Dynegy will pay equal quarterly cash installments of \$1.75 per amortizing note (except for the October 1, 2016 installment payment, which was \$1.94 per amortizing note).

### **Certain Anti-Takeover Effects**

*Provisions of Delaware Law.* Dynegy is a Delaware corporation. In its third amended and restated certificate of incorporation, Dynegy elected not to be subject to the provisions of Section 203 of the Delaware General Corporation Law ("*Section 203*") regulating corporate takeovers. In general, Section 203 prohibits Delaware corporations, including those whose securities are listed for trading on the NYSE, from engaging in any business combination with any interested stockholder for a period of three years following the date that the stockholder became an interested stockholder, unless:

- the transaction is approved by Dynegy's board of directors before the date the interested stockholder attained that status;
- upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced; or

- on or after such time the business combination is approved by Dynegy's board of directors and authorized at a meeting of stockholders by at least two-thirds of the outstanding voting stock that is not owned by the interested stockholder.

Under certain circumstances, Section 203 makes it more difficult for a person who would be an "interested stockholder" to effect various business combinations with a corporation for a three-year period. However, Section 203 is not applicable to Dynegy.

*Advance Notice Procedures.* Dynegy's sixth amended and restated bylaws establish an advance notice procedure for stockholder proposals to be brought before an annual meeting of stockholders, including proposed nominations of persons for election to Dynegy's board of directors. Stockholders at an annual meeting will only be able to consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of the board or by a stockholder who was a stockholder of record on the record date for the meeting, who is entitled to vote at the meeting and who has given Dynegy's corporate secretary timely written notice, in proper form, of the stockholder's intention to bring that business before the meeting. Although Dynegy's bylaws do not give the board of directors the power to approve or disapprove stockholder nominations of candidates or proposals regarding other business to be conducted at a special or annual meeting, the bylaws may have the effect of precluding the conduct of certain business at a meeting if the proper procedures are not followed or may discourage or deter a potential acquirer from conducting a solicitation of proxies to elect its own slate of directors or otherwise attempting to obtain control of the company.

*Action by Written Consent; Special Meetings of Stockholders.* Dynegy's sixth amended and restated bylaws provide that stockholder action can be taken at an annual or special meeting of stockholders or by written consent in lieu of a meeting. Dynegy's third amended and restated certificate of incorporation and the bylaws provide that, except as otherwise required by law, special meetings of the stockholders can only be called by the chairman of the board, the chief executive officer, the president, a majority of the board, or the holders of at least 20% of all the outstanding shares entitled to vote on the matter for which the meeting is being held. Dynegy's board of directors may postpone or reschedule any meeting previously scheduled by the chairman of the board, the board, the chief executive officer, or the president.

*Authorized but Unissued Shares.* Dynegy's authorized but unissued shares of common stock and preferred stock will be available for future issuance without stockholder approval, subject to the rules and regulations of the NYSE or any applicable exchange. These additional shares may be utilized for a variety of corporate purposes, including future public offerings to raise additional capital, corporate acquisitions and employee benefit plans. The existence of authorized but unissued shares of common stock and preferred stock could render more difficult or discourage an attempt to obtain control of a majority of Dynegy Common Stock by means of a proxy contest, tender offer, merger or otherwise.

## CERTAIN U.S. FEDERAL INCOME TAX CONSIDERATIONS

The following describes certain U.S. federal income tax consequences of the Exchange Offer and the Indenture Consent Solicitation and, in the alternative, the implementation of the Plan, and the ownership and disposition of the Dynegy Notes, the Dynegy Warrants, and the Dynegy Shares (as defined below). This discussion is for general information only and does not consider all aspects of U.S. federal income taxation that may be relevant to a particular beneficial owner in light of the beneficial owner's individual circumstances or to certain types of beneficial owners subject to special tax rules, including, without limitation, insurance companies, tax exempt organizations, financial institutions, partnerships or other pass through entities (or investors therein), certain former citizens and residents of the United States, "controlled foreign corporations," "passive foreign investment companies," corporations that accumulate earnings to avoid U.S. federal income tax, taxpayers subject to the alternative minimum tax, U.S. Holders (as defined below) whose functional currency is not the U.S. dollar, banks, dealers in securities or currencies, investors that own directly, indirectly or through attribution 10.0% or more of the voting power or value of shares of Genco or Dynegy common stock, traders in securities and persons holding the Genco Notes, Dynegy Notes, Dynegy Warrant, or Dynegy Shares as part of a "straddle," "hedge" or "conversion transaction." This discussion addresses only the U.S. federal income tax consequences to beneficial owners of the Genco Notes that hold such Genco Notes as capital assets (generally, property held for investment) and beneficial owners of the Dynegy Notes, the Dynegy Warrants, and the Dynegy Shares that acquire such consideration pursuant to the Exchange Offer or, in the alternative, the Plan, and that will hold such Dynegy Notes, Dynegy Warrants, and Dynegy Shares as capital assets.

This discussion is based upon the Internal Revenue Code of 1986, as amended (the "*Code*"), its legislative history, existing and proposed Treasury regulations thereunder (the "*Regulations*"), published rulings and court decisions, all as in effect on the date of this document, and all of which are subject to change, possibly on a retroactive basis. No rulings from the Internal Revenue Service (the "*IRS*") have or will be sought with respect to the matters discussed below. There can be no assurance that the IRS will not take a different position concerning the tax consequences discussed below or that any such position would not be sustained. Moreover, this description does not address the U.S. federal estate or gift tax consequences, or any state, local or non-U.S. tax consequences.

For purposes of this discussion, a "*U.S. Holder*" is a beneficial owner of Genco Notes, Dynegy Notes, Dynegy Warrants, or Dynegy Shares that, for U.S. federal income tax purposes is:

- an individual who is a citizen or resident of the U.S.;
- a corporation (or any other entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the U.S., any state thereof or the District of Columbia;
- an estate whose income is subject to U.S. federal income taxation regardless of its source; or
- a trust, if a U.S. court is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust, or the trust has a valid election in effect under applicable regulations to be treated as a U.S. person.

For purposes of this discussion, a "*Non-U.S. Holder*" is a beneficial owner of Genco Notes, Dynegy Notes, Dynegy Warrants, or Dynegy Shares that is, for U.S. federal income tax purposes not a U.S. Holder or a partnership.

If a partnership or other entity treated as a partnership for U.S. federal income tax purposes holds Genco Notes, Dynegy Notes, Dynegy Warrants, or Dynegy Shares, the tax treatment of a partner will generally depend on the status of the partner and on the activities of the partnership. Partners of partnerships holding Genco Notes, Dynegy Notes, Dynegy Warrants, or Dynegy Shares should consult their own tax advisors regarding the tax consequences of the Exchange Offer and the Indenture Consent Solicitation and, in the alternative, the acceptance of the Plan, and the ownership and disposition of the Dynegy Notes, the Dynegy Warrants, and the Dynegy Shares.

This discussion does not address the payment of the Support Agreement Fee to certain beneficial owners of Genco Notes pursuant to the Support Agreement.

**Noteholders should consult their own tax advisors regarding the particular U.S. federal income tax consequences to you of the Exchange Offer and the Indenture Consent Solicitation and, in the alternative, the implementation of the Plan, and the ownership and disposition of the Dynegy Notes, the Dynegy Warrants, and the Dynegy Shares as well as any tax consequences that may arise under the laws of any relevant foreign, state, local, or other taxing jurisdiction or under any applicable tax treaty, as well as possible effects of changes in federal or other tax laws.**

## **Tendering Holders**

### ***Tax Treatment of the Exchange Offer***

The tax consequences of the exchange of Genco Notes for Dynegy Notes, Dynegy Warrants, and cash pursuant to the Exchange Offer will depend on whether the exchange is treated as resulting in a “significant modification” of the Genco Notes, and thus a taxable exchange of the Genco Notes for Dynegy Notes, Dynegy Warrants, and cash. The exchange of Genco Notes for Dynegy Notes, Dynegy Warrants, and cash will constitute a significant modification of the Genco Notes if, based on all of the relevant facts and circumstances and taking into account all of the differences between the terms of the Genco Notes and the terms of the Dynegy Notes collectively, the legal rights or obligations of exchanging holders are altered in an “economically significant” manner as determined under the Regulations. Dynegy believes that the modification of the Genco Notes is economically significant given that the Dynegy Notes will have a different obligor and will have significantly different terms. Therefore, the remainder of this discussion assumes that the consummation of the Exchange Offer will be treated as a taxable exchange for U.S. federal income tax purposes.

### ***Tax Consequences for Exchanging U.S. Holders***

A U.S. Holder that participates in the Exchange Offer will recognize gain or loss equal to the difference, if any, between (i) the sum of (A) the issue price of the Dynegy Notes received determined as described below, (B) the fair market value of the Dynegy Warrants received and (C) cash (other than any portion of cash attributable to accrued interest, which will be taxed as such) and (ii) the U.S. Holder’s adjusted tax basis in the Genco Notes. A U.S. Holder’s adjusted tax basis in the Genco Notes generally will equal the amount paid for such Genco Notes, increased by the amount of market discount, if any, previously taken into account by the U.S. Holder and reduced by the amount of any amortizable bond premium, if any, previously amortized by the U.S. Holder and the amount of any principal payment previously received with respect to the Genco Notes. Subject to the application of the market discount rules discussed below, any gain or loss would be capital gain or loss, and would be long-term capital gain or loss if at the time of the exchange the U.S. Holder had held the Genco Notes for more than one year. Long-term capital gains recognized by a non-corporate U.S. Holder generally are subject to U.S. federal income taxation at preferential rates. The deductibility of capital losses is subject to limitations.

A U.S. Holder’s holding period for the Dynegy Notes and Dynegy Warrants received pursuant to the Exchange Offer will commence on the date immediately following the exchange. A U.S. Holder’s

initial tax basis in the Dynegy Warrants will be the fair market value of the Dynegy Warrants received. A U.S. Holder's initial tax basis in the Dynegy Notes will be equal to their "issue price" (determined as described below).

#### *Issue Price of Dynegy Notes*

The issue price of the Dynegy Notes will depend on whether the Dynegy Notes are "publicly traded" within the meaning of applicable Regulations. Under the applicable Regulations, property is considered to be publicly traded if (i) an executed sale of such debt instrument occurs within the 31-day period ending fifteen days after the issue date and the sales price is reasonably available within a reasonable period of time, or (ii) at least one price quote (whether firm or indicative) is available within such 31-day period. If the Dynegy Notes are publicly traded, the issue price of the Dynegy Notes will equal the fair market value of the Dynegy Notes on the exchange date. If the Genco Notes are publicly traded but the Dynegy Notes are not, the issue price of the Dynegy Notes will equal the fair market value of the Genco Notes on the exchange date less the sum of (i) the fair market value of the Dynegy Warrants on the exchange date and (ii) cash. If neither the Genco Notes nor the Dynegy Notes are publicly traded, the issue price of the Dynegy Notes is the stated principal amount of the Dynegy Notes on the exchange date. Within ninety (90) days of the issuance of the Dynegy Notes, Dynegy will make reasonably available its determination as to whether the Dynegy Notes were considered publicly traded as of the exchange date, as well as the "issue price" of the Dynegy Notes. The issuer's determination of the issue price of the Dynegy Notes is binding on each U.S. Holder, unless a U.S. Holder explicitly discloses in a statement attached to such holder's U.S. federal income tax return that it is taking a different position. U.S. Holders should consult their tax advisors concerning the determination of the issue price of the Dynegy Notes received in exchange for Genco Notes and the tax consequences thereof.

#### *Market Discount*

Subject to a de minimis rule, if Genco Notes were purchased at an amount less than their stated redemption price at maturity, such Notes will be treated as having been purchased with a "market discount" equal to the difference. In that case, any gain recognized on the exchange of Genco Notes for Dynegy Notes, Dynegy Warrants, and cash generally would be characterized as ordinary income to the extent of the accrued market discount, if any, on such Genco Notes as of the exchange date. U.S. Holders who acquired their Genco Notes other than at original issuance should consult their own tax advisors regarding the possible application of the market discount rules to a tender of the Genco Notes pursuant to the Exchange Offer.

#### ***Tax Consequences to U.S. Holders of Holding the Dynegy Notes***

##### *Certain Contingent Payments*

Dynegy may be obligated to pay amounts in excess of the stated interest or principal on the Dynegy Notes as described under "Description of the Dynegy Notes—Change of Control." These potential payments may implicate the provisions of Regulations relating to "contingent payment debt instruments." According to the applicable Regulations, certain contingencies will not cause a debt instrument, as of the date of issuance, to be treated as a contingent payment debt instrument if such contingencies, as of the date of issuance, are remote or incidental. Although the issue is not free from doubt, Dynegy intends to take the position that the foregoing contingencies are remote and/or incidental, and therefore Dynegy does not intend to treat the Dynegy Notes as contingent payment debt instruments. Dynegy's position that such contingencies are remote and/or incidental is binding on a U.S. Holder unless such holder discloses its contrary position in the manner required by applicable Regulations. Dynegy's position is not, however, binding on the IRS, and if the IRS were to successfully challenge this position, a U.S. Holder might be required to accrue interest income at a higher rate than the stated interest rate on the Dynegy Notes, and to treat as ordinary interest income any gain realized on the taxable disposition of a Dynegy Note. The

remainder of this discussion assumes that the Dynegy Notes will not be treated as contingent payment debt instruments. U.S. Holders should consult their own tax advisors regarding the possible application of the contingent payment debt instrument rules to the Dynegy Notes.

#### *Stated Interest*

Subject to the original issue discount (“OID”) rules discussed below, stated interest on a Dynegy Note will be includible in the gross income of a U.S. Holder as ordinary interest income in accordance with such U.S. Holder’s method of accounting for U.S. federal income tax purposes.

#### *Original Issue Discount*

If the stated redemption price at maturity of the Dynegy Notes is greater than the issue price of the Dynegy Notes by an amount equal to or exceeding a *de minimis* amount (0.25 percent of the Dynegy Note’s stated redemption price at maturity multiplied by the number of complete years to its maturity), the Dynegy Notes would be treated as having been issued with OID.

A U.S. Holder generally must include in taxable income for any particular taxable year the “daily portion” of the OID that accrues on the Dynegy Note for each day during the taxable year on which the U.S. Holder holds the Dynegy Note, in addition to stated interest and whether the U.S. Holder reports on the cash or accrual basis of accounting for U.S. federal income tax purposes. Thus, the U.S. Holder will be required to include OID in income in advance of the receipt of the cash to which such OID is attributable. The daily portion is determined by allocating to each day in any “accrual period” a *pro rata* portion of the OID allocable to that accrual period. Accrual periods with respect to a Dynegy Note may be of any length and may vary in length over the term of the Dynegy Note as long as (1) no accrual period is longer than one year and (2) each scheduled payment of interest or principal on the Dynegy Note occurs on either the final or first day of an accrual period. The amount of OID allocable to an accrual period equals the excess of (1) the product of the Dynegy Note’s adjusted issue price at the beginning of the accrual period and the Dynegy Note’s yield to maturity (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period) over (2) the sum of the payments of qualified stated interest on the Dynegy Notes allocable to the accrual period. The “adjusted issue price” of a Dynegy Note at the beginning of any accrual period is the issue price of the Dynegy Note (x) increased by the amount of accrued OID for each prior accrual period and (y) decreased by the amount of any payments previously made on the Dynegy Note that were not qualified stated interest payments. The term “qualified stated interest” generally means stated interest that is unconditionally payable at least annually at a single fixed rate. Stated interest on the Dynegy Note will be treated as qualified stated interest.

A U.S. Holder, upon election, generally may use the constant yield to maturity method applicable to OID to determine the timing of inclusion of all interest (including all qualified stated interest and OID) on a Dynegy Note, subject to certain limitations. Such an election generally applies only to the note with respect to which it is made and may not be revoked without the consent of the IRS. U.S. Holders should consult with their tax advisors about this election if the Dynegy Notes are treated as issued with OID.

#### *Sale, Taxable Exchange, Redemption, Retirement or Other Taxable Disposition of the Dynegy Notes*

Upon a sale, taxable exchange, redemption, retirement or other taxable disposition of a note, a U.S. Holder generally will recognize gain or loss, if any, equal to the difference between the amount realized upon the sale, taxable exchange, redemption, retirement or other taxable disposition (other than an amount attributable to accrued but unpaid interest, which will be taxable as ordinary income to the extent not previously included in income) and such holder’s adjusted tax basis in the Dynegy Note at that time. A U.S. Holder’s adjusted tax basis in the Dynegy Note generally will be equal to its “issue price” (as determined above), increased by the amount of OID previously included in the U.S. Holder’s income with

respect to the Dynegy Notes, if any, and reduced by the amount of any payments on the Dynegy Notes other than qualified stated interest received by the U.S. Holder.

Any gain or loss realized on the sale, taxable exchange, redemption, retirement or other taxable disposition of a Dynegy Note generally will be capital gain or loss, and will be long term capital gain or loss if, at the time of sale, taxable exchange, redemption, retirement or other taxable disposition, the Dynegy Note has been held for more than one year. Long-term capital gains recognized by a non-corporate U.S. Holder generally are subject to U.S. federal income taxation at preferential rates. The deductibility of capital losses is subject to limitations.

### ***Tax Consequences to U.S. Holders of Holding the Dynegy Warrants***

#### ***Sale or Disposition of the Dynegy Warrants***

A U.S. Holder will recognize gain or loss on the sale or other taxable disposition of a Dynegy Warrant in an amount equal to the difference, if any, between the U.S. Holder's tax basis in the Dynegy Warrant (as determined above) and the amount realized from the sale or other taxable disposition. Any such gain or loss generally will be capital gain or loss, which will be long-term capital gain or loss if the U.S. Holder's holding period in the Dynegy Warrant is more than one year at the time of the taxable disposition. Long-term capital gains recognized by a non-corporate U.S. Holder generally are subject to U.S. federal income taxation at preferential rates. The deductibility of capital losses is subject to limitations.

#### ***Exercise of the Dynegy Warrants***

The tax consequences of the exercise of a warrant that requires a cashless exercise is not clear. Although it is not free from doubt, Dynegy expects that the exercise of the Dynegy Warrants on a cashless basis as described above under "Description of the Dynegy Warrants—General," should be treated as an option to receive a variable number of shares of Dynegy Common Stock on exercise with no exercise price. Under such characterization, a U.S. Holder generally will not recognize gain or loss upon the exercise of its Dynegy Warrants. A U.S. Holder will generally have a tax basis in the Dynegy Common Stock received upon exercising of the Dynegy Warrants (the "*Dynegy Shares*") equal its tax basis in the Dynegy Warrant (as determined above). The holding period of the Dynegy Shares should commence on the day the Dynegy Warrant is exercised.

However, other characterizations are possible. For instance, the exercise of the Dynegy Warrants could also be characterized as a recapitalization. Under such characterization, the tax consequences to a U.S. Holder who exercises the Dynegy Warrants will generally be the same as described above, except that the holding period of the Dynegy Shares will include such holder's holding period of the Dynegy Warrants.

Alternatively, the IRS could take the position that the exercise of the Dynegy Warrants would result in a taxable exchange resulting in gain or loss. The amount of gain or loss recognized on such deemed exchange and its character as short term or long term will depend on the position taken by the IRS regarding the nature of that exchange. If the U.S. Holder is treated as exchanging the Dynegy Warrants for the Dynegy Shares, the amount of gain or loss will be the difference between the fair market value of the Dynegy Shares received on exercise and the U.S. Holder's basis in the Dynegy Warrants. In that case, the U.S. Holder will have long term capital gain or loss if it has held the Dynegy Warrants for more than one year. Alternatively, if the IRS could take the position that the U.S. Holder is treated as selling a portion of the Dynegy Warrants or underlying Dynegy Share for cash that is used to pay the exercise price for the Dynegy Warrants. In that case, the amount of gain or loss would be the difference between that exercise price and the U.S. Holder's basis attributable to the Dynegy Warrants or Dynegy Shares deemed to have been sold. If the U.S. Holder is treated as selling Dynegy Warrants, such holder will have long

term capital gain or loss if it has held the Dynegy Warrants for more than one year. If the U.S. Holder is treated as selling Dynegy Shares, such holder will have short term capital gain or loss. In either case, any gain or loss will be capital gain or loss and will be taxable in the same manner discussed above under “—Sale or Disposition of the Dynegy Warrants.”

U.S. Holders should consult their tax advisors concerning these other possible characterizations of the cashless exercise of the Dynegy Warrants.

#### *Expiration of the Dynegy Warrants without Exercise*

Upon the lapse or expiration of a Dynegy Warrant, a U.S. Holder generally will recognize a loss in an amount equal to such U.S. Holder’s tax basis in the Dynegy Warrant. Any such loss generally will be a capital loss and will be long-term capital loss if the U.S. Holder’s holding period in the Dynegy Warrant is more than one year at the time of the lapse or expiration. The deductibility of capital losses is subject to limitations under the Code.

#### *Certain Adjustments to the Dynegy Warrants*

The exercise terms of the Dynegy Warrants, including the number of Dynegy Shares that will be issued on the exercise of the Dynegy Warrant, may be adjusted in certain circumstances as discussed above under “Description of the Dynegy Warrants—Anti-dilution Adjustments.” Under Section 305(c) of the Code, adjustments (or failures to make adjustments) that have the effect of increasing a U.S. Holder’s proportionate interest in Dynegy’s assets or earnings may in some circumstances result in a constructive distribution to such U.S. Holder. Adjustments to the exercise terms of the Dynegy Warrants made pursuant to a *bona fide* reasonable adjustment formula that has the effect of preventing the dilution of the interest of the investors in the Dynegy Warrants will generally not be considered to result in a constructive distribution. However, certain of the possible adjustments provided in the Dynegy Warrants will not qualify as being pursuant to a *bona fide* reasonable adjustment formula. If such adjustments are made, U.S. Holders of the Dynegy Warrants will be deemed to have received distributions even though they have not received any cash or property as a result of such adjustments. Any taxable deemed distribution will be taxed in the same manner as an actual distribution received by a U.S. Holder as discussed below under “—Tax Consequences to U.S. Holders of Holding Dynegy Shares—Distributions.”

Information reporting is required regarding the amount of any deemed distributions. In addition, on April 12, 2016, the IRS proposed regulations addressing the amount and timing of deemed distributions, obligations of withholding agents and filing and notice obligations of issuers. If adopted as proposed, the regulations would generally provide that (i) the amount of a deemed distribution is the excess of (a) the fair market value of the right to acquire shares immediately after the relevant event, over (b) the fair market value of the right to acquire shares without the adjustment, (ii) the deemed distribution occurs at the earlier of (a) the date the adjustment occurs under the terms of the warrants and (b) the date of the actual distribution of cash or property that results in the deemed distribution, and (iii) information reporting is required regarding the amount of any deemed distributions. The final regulations will be effective for deemed distributions occurring on or after the date of adoption, but investors and withholding agents may rely on them prior to that date under certain circumstances. Because a deemed distribution would not result in the payment of any cash to a U.S. Holder from which any applicable backup withholding could be satisfied, if backup withholding is paid on the U.S. Holder’s behalf (because the U.S. Holder failed to establish an exemption from backup withholding), Dynegy may, at its option, or an applicable withholding agent may, withhold such amounts from Dynegy Shares or current or subsequent payments of cash payable to such U.S. Holder.

U.S. Holders are urged to consult their own tax advisor with respect to the tax consequences of any adjustment (or the absence of any adjustment) to the exercise terms and any resulting deemed distribution.

***Tax Consequences to U.S. Holders of Holding the Dynegy Shares******Distributions***

Distributions paid on the Dynegy Shares generally will be treated as a dividend to the extent paid out of Dynegy's current or accumulated earnings and profits and will be includible in income when received by a U.S. Holder. In the case of a non-corporate U.S. Holder, dividends are subject to tax at reduced rates if certain holding period and other requirements are met. Dividends received by a corporate U.S. Holder should be eligible for the dividends received deduction if such holder meets certain holding period and other applicable requirements. If a distribution exceeds Dynegy's current and accumulated earnings and profits, the excess will be first treated as a tax-free return of the U.S. Holder's investment, up to the U.S. Holder's tax basis in the Dynegy Shares. Any remaining excess will be treated as a capital gain (and thus treated in the manner described in "—Sale or Other Taxable Disposition of the Dynegy Shares" below).

***Extraordinary Dividends***

Dividends that exceed certain thresholds in relation to a U.S. Holder's tax basis in the Dynegy Shares could be characterized as an "extraordinary dividend" under the Code. If a corporate U.S. Holder that has held the Dynegy Shares for two years or less before the dividend announcement date receives an extraordinary dividend, it will generally be required to reduce its tax basis in the Dynegy Shares with respect to which such dividend was made by the nontaxed portion of such dividend. If the amount of the reduction exceeds the U.S. Holder's tax basis in the Dynegy Shares, the excess is treated as taxable gain (and thus treated in the manner described in "—Sale or Other Taxable Disposition of the Dynegy Shares" below). Non-corporate U.S. Holders that receive an extraordinary dividend will be required to treat any losses on the sale of the Dynegy Shares as long-term capital losses to the extent that any extraordinary dividends received by such non-corporate U.S. Holder would otherwise qualify as a dividend.

***Sale or Other Taxable Disposition of the Dynegy Shares***

A U.S. Holder will recognize gain or loss on the sale or other taxable disposition of the Dynegy Shares in an amount equal to the difference, if any, between the U.S. Holder's tax basis in the Dynegy Shares (as determined above under "Tax Consequences to U.S. Holders of Holding the Dynegy Warrants—Exercise of the Dynegy Warrants") and the amount realized from the sale or other taxable disposition. Any such gain or loss generally will be capital gain or loss, which will be long-term capital gain or loss if the U.S. Holder's holding period in the Dynegy Shares is more than one year at the time of the taxable disposition. Long-term capital gains recognized by a non-corporate U.S. Holder generally are subject to U.S. federal income taxation at preferential rates. The deductibility of capital losses is subject to limitations.

***Tax Consequences for Exchanging Non-U.S. Holders***

Subject to the discussions below under the headings "—Information Reporting and Backup Withholding" and "—FATCA Withholding," a Non-U.S. Holder that participates in the Exchange Offer generally will not be subject to U.S. federal income tax with respect to any gain recognized on the tender of its Genco Notes unless:

- the gain is effectively connected with the Non-U.S. Holder's conduct of a trade or business within the United States (and, if an applicable income tax treaty applies, is attributable to a permanent establishment or fixed base of the Non-U.S. Holder maintained in the United States), in which event such gain will be subject to regular U.S. federal income tax on such gain in generally the same manner as if it were a U.S. Holder (as described above under "—Tax Consequences for Exchanging U.S. Holders). A corporate Non-U.S. Holder may also be subject

to an additional U.S. branch profits tax at a rate of 30% on its effectively connected earnings and profits attributable to such gain, subject to adjustments (unless reduced or eliminated by an applicable income tax treaty); or

- the Non-U.S. Holder is an individual, who is present in the United States for 183 or more days in the taxable year of the disposition and certain other requirements are met, in which event the gain will be subject to a 30% U.S. federal income tax (or a reduced rate under an applicable treaty), which may be offset by certain U.S. source capital losses recognized in the same taxable year, even though such Non-U.S. Holder is not considered a resident of the United States, *provided* that such Non-U.S. Holder has timely filed U.S. federal income tax returns.

If there is accrued and unpaid interest on the Genco Notes at the time that they are tendered pursuant to the Exchange Offer, a portion of the consideration received in exchange for a tendering Non-U.S. Holder's Genco Notes may be considered attributable to accrued interest for U.S. federal income tax purposes. In general, any amount paid to a Non-U.S. Holder that is attributable to accrued interest will not be subject to U.S. federal income tax (including withholding tax), *provided* that such interest is not effectively connected with the Non-U.S. Holder's conduct of a trade or business within the United States (and, if required by an applicable income tax treaty, is not attributable to a permanent establishment or fixed base of the Non-U.S. Holder maintained in the United States), if such Non-U.S. Holder:

- is not a "10 percent shareholder" (within the meaning of Sections 881(c)(3)(B) and 871(h)(3)(B) of the Code) of Genco;
- is not a controlled foreign corporation for U.S. federal income tax purposes related to Genco actually or by attribution through stock ownership;
- is not a bank receiving interest on a loan entered into in the ordinary course of business within the meaning of Section 881(c)(3)(A) of the Code; and
- either (a) provides an appropriate, properly executed, IRS Form W-8BEN or IRS Form W-8BEN-E (as applicable or a suitable substitute form) signed under penalties of perjury that includes the Non-U.S. Holder's name and address, and certifies as to such Non-U.S. Holder status in compliance with applicable law and regulations; or (b) causes a securities clearing organization, bank or other financial institution that holds customers' securities in the ordinary course of its trade or business to provide a statement to Dynegey or its agent under penalties of perjury in which it certifies that such an IRS Form W-8BEN or IRS Form W-8BEN-E (as applicable or a suitable substitute form) has been received by it from the Non-U.S. Holder or qualifying intermediary and furnishes Dynegey or its agent with a copy. The Regulations provide special certification rules for notes held by a foreign partnership and other intermediaries.

### ***Tax Consequences to Non-U.S. Holders of Holding the Dynegey Notes***

#### ***Stated Interest and OID***

Subject to the discussions below under the headings "—Information Reporting and Backup Withholding" and "—FATCA Withholding," interest (including, for these purposes, any OID) that Dynegey pays to a Non-U.S. Holder will not be subject to U.S. federal income tax (including withholding tax), *provided* that such interest is not effectively connected with the Non-U.S. Holder's conduct of a trade or business within the United States (and, if required by an applicable income tax treaty, is not attributable to a permanent establishment or fixed base of the Non-U.S. Holder maintained in the United States), if such Non-U.S. Holder:

- is not a “10 percent shareholder” (within the meaning of Sections 881(c)(3)(B) and 871(h)(3)(B) of the Code) of Dynegy;
- is not a controlled foreign corporation for U.S. federal income tax purposes related to Dynegy actually or by attribution through stock ownership;
- is not a bank receiving interest on a loan entered into in the ordinary course of business within the meaning of Section 881(c)(3)(A) of the Code; and
- either (a) provides an appropriate, properly executed, IRS Form W-8BEN or IRS Form W-8BEN-E (as applicable or a suitable substitute form) signed under penalties of perjury that includes the Non-U.S. Holder’s name and address, and certifies as to such Non-U.S. Holder status in compliance with applicable law and regulations; or (b) causes a securities clearing organization, bank or other financial institution that holds customers’ securities in the ordinary course of its trade or business to provide a statement to Dynegy or its agent under penalties of perjury in which it certifies that such an IRS Form W-8BEN or IRS Form W-8BEN-E (as applicable or a suitable substitute form) has been received by it from the Non-U.S. Holder or qualifying intermediary and furnishes Dynegy or its agent with a copy. The Regulations provide special certification rules for notes held by a foreign partnership and other intermediaries.

If a Non-U.S. Holder cannot satisfy the requirements described above, payments of interest made to the Non-U.S. Holder will be subject to a 30% U.S. federal tax withholding unless such holder provides Dynegy or its agent with the appropriate, properly executed IRS Form W-8BEN or W-8BEN-E claiming an exemption from (or reduction of) withholding under the benefit of a tax treaty or IRS Form W-8ECI stating that such interest is not subject to withholding because it is effectively connected with the conduct by the Non-U.S. Holder of a U.S. trade or business.

A Non-U.S. Holder whose interest income is effectively connected with a U.S. trade or business (and in the case of an applicable treaty, is attributable to a permanent establishment or fixed base maintained in the United States) of the Non-U.S. Holder will be subject to regular U.S. federal income tax on such interest in generally the same manner as if it were a U.S. Holder (as discussed above under “—Tax Consequences to U.S. Holders of Holding the Dynegy Notes—Stated Interest”). A corporate Non-U.S. Holder may also be subject to an additional U.S. branch profits tax at a rate of 30% on its effectively connected earnings and profits attributable to such interest, subject to adjustments (unless reduced or eliminated by an applicable income tax treaty).

*Sale, Taxable Exchange, Redemption, Retirement or Other Taxable Disposition of the Dynegy Notes*

Subject to the discussions below under the headings “—Information Reporting and Backup Withholding” and “*FATCA Withholding*,” a Non-U.S. Holder generally will not be subject to U.S. federal income tax with respect to any gain recognized on a sale, taxable exchange, redemption, retirement or other taxable disposition of a Dynegy Notes unless:

- the gain is effectively connected with such Non-U.S. Holder’s conduct of a trade or business (and in the case of an applicable treaty, is attributable to a permanent establishment or fixed base maintained in the United States) within the United States; or
- such Non-U.S. Holder is an individual, who is present in the United States for 183 or more days in the taxable year of the disposition and certain other requirements are met.

If a Non-U.S. Holder satisfies one of the two bullets above, such Non-U.S. Holder will be taxed on such gain in the same manner as described above under “—Tax Consequences for Exchanging Non-U.S. Holders.”

To the extent that the amount realized on sale, taxable exchange, redemption, retirement or other taxable disposition of a Dynegy Note is attributable to accrued but unpaid interest on the Dynegy Note, this amount will be treated in the same manner as described above in “—Stated Interest.”

***Tax Consequences to Non-U.S. Holders of Holding the Dynegy Warrants and Dynegy Shares***

***Sale or Other Taxable Disposition of the Dynegy Warrants or Dynegy Shares***

Subject to the discussions below under the headings “—Information Reporting and Backup Withholding” and “—FATCA Withholding,” a Non-U.S. Holder will not be subject to United States federal income tax on gain recognized on the sale or other taxable disposition or upon the exercise of the Dynegy Warrant, or upon the sale or other taxable disposition of the Dynegy Shares unless:

- the gain is effectively connected with the Non-U.S. Holder’s conduct of a trade or business within the United States (and, if an applicable income tax treaty applies, is attributable to a permanent establishment or fixed base of the Non-U.S. Holder maintained in the United States;
- the Non-U.S. Holder is an individual, who is present in the United States for 183 or more days in the taxable year of the disposition and certain other requirements are met; or
- Dynegy is or has been a U.S. real property holding corporation at any time within the five-year period preceding the disposition or the Non-U.S. Holder’s holding period, whichever period is shorter, and certain other conditions apply.

If a Non-U.S. Holder satisfies one of the first two bullets above, such Non-U.S. Holder will be taxed on such gain in the same manner as described above under “—Tax Consequences for Exchanging Non-U.S. Holders.”

With respect to the third bullet point above, Dynegy has not determined whether it is a U.S. real property holding corporation, and no assurance can be given that Dynegy is not or will not become one in the future. If, however, Dynegy is or becomes a United States real property holding corporation, and if its common stock is in the year of disposition regularly traded on an established securities market:

- with respect to a disposition of the Dynegy Share, if a Non-U.S. Holder has owned, or is deemed to have owned, at any time within the shorter of the five-year period preceding the disposition of the Dynegy Shares or such Non-U.S. Holder’s holding period, more than 5% of Dynegy’s common stock, such Non-U.S. Holder generally will be subject to U.S. federal income tax on any gain from the disposition;
- with respect to a disposition or exercise of the Dynegy Warrants:
  - if the Dynegy Warrants are regularly traded on an established securities market at the time of the disposition or exercise and a Non-U.S. Holder has owned, or is deemed to have owned, at any time within the shorter of the five-year period preceding the disposition or exercise of the Dynegy Warrants or such Non-U.S. Holder’s holding period, more than 5% of the Dynegy Warrants outstanding, such Non-U.S. Holder generally will be subject to U.S. federal income tax on any gain from the disposition or exercise (other than an exercise pursuant to which the exercising Non-U.S. Holder will own greater than 5% of Dynegy’s common stock, provided certain other requirements are met);

- if the Dynegy Warrants are not regularly traded on an established securities market at the time of the disposition or exercise, a Non-U.S. Holder generally will be subject to U.S. federal income tax on the gain from the disposition or exercise (other than an exercise pursuant to which the exercising Non-U.S. Holder will own greater than 5% of Dynegy's common stock, provided certain other requirements are met) and the transferee of the Dynegy Warrants generally will be required to withhold 15% of the gross proceeds payable to a Non-U.S. Holder if on the date such Non-U.S. Holder acquired the Dynegy Warrants they had a fair market value greater than 5% of the fair market value of Dynegy's common stock outstanding. For this purpose, if a Non-U.S. Holder subsequently acquires additional Dynegy Warrants, then such Dynegy Warrants will be aggregated and valued as of the date of the subsequent acquisition in order to apply the 5% limitation.

If the gain from any disposition or exercise is subject to tax as described above, it will be taxed as if a Non-U.S. Holder were a U.S. Holder and such Non-U.S. Holder would be required to file a U.S. tax return with respect to such gain.

If, during the calendar year in which the relevant sale, exchange or other taxable disposition occurs, Dynegy is a United States real property holding corporation, and if Dynegy's common stock is not regularly traded on an established securities market at any time during the calendar year in which the relevant sale, exchange or other taxable disposition occurs, a Non-U.S. Holder generally will be subject to U.S. federal income tax on any gain from the disposition of the Dynegy Warrants or Dynegy Shares (regardless of the amount of Dynegy Warrants or Dynegy Shares owned), and transferees of the Dynegy Warrants or Dynegy Shares will generally be required to withhold 15% of the gross proceeds payable to a Non-U.S. Holder. The gain from the disposition will be subject to regular U.S. income tax as if a Non-U.S. Holder were a U.S. Holder, and such Non-U.S. Holder would be required to file a U.S. tax return with respect to such gain.

Non-U.S. Holders should consult their tax advisors with respect to the application of the foregoing rules to their ownership and disposition of the Dynegy Warrants or Dynegy Shares, and in particular with respect to the potential consequences of Dynegy being a United States real property holding corporation.

### *Distributions*

Any distribution to a Non-U.S. Holder with respect to the Dynegy Shares, other than certain *pro rata* distributions of shares of common stock, that Dynegy pays out of its current or accumulated earnings and profits, as determined for U.S. federal income tax purposes, will constitute a dividend. In general, dividends paid to Non-U.S. Holders (including any constructive distributions taxable as dividends discussed below under “—Constructive Dividends”) with respect to the Dynegy Shares will be subject to U.S. federal withholding tax at a 30% rate, unless such rate is reduced by an applicable tax treaty.

Dividends that are effectively connected with a Non-U.S. Holder's conduct of a trade or business in the United States and, if required by an applicable tax treaty, are attributable to such Non-U.S. Holder's permanent establishment in the United States, are not subject to the withholding tax, but instead are subject to U.S. federal income tax on a net income basis at applicable individual or corporate rates in the same manner as if the Non-U.S. Holder were a U.S. Holder (as described above). A Non-U.S. Holder will be required to comply with certain certification and disclosure requirements in order for effectively connected income to be exempt from withholding or to claim a reduced treaty rate. Any such effectively connected dividends received by a Non-U.S. Holder that is a corporation may also, under certain circumstances, be subject to the branch profits tax at a 30% rate or such lower rate as may be prescribed under an applicable tax treaty.

*Constructive Dividends*

In certain circumstances (including as described above under “—Tax Consequences to U.S. Holders of Holding the Dynegy Warrants—Certain Adjustments to the Dynegy Warrants”), a Non-U.S. Holder will be deemed to receive a constructive distribution from Dynegy that is treated as a dividend for U.S. federal income tax purposes. Any constructive dividend deemed paid to Non-U.S. Holder will be subject to U.S. federal income tax or withholding tax in the manner described above under “—Distributions.”

Because a taxable constructive dividend would not result in the payment of any cash to a Non-U.S. Holder from which any applicable withholding or backup withholding could be satisfied, if withholding or backup withholding is paid on the Non-U.S. Holder’s behalf (because the Non-U.S. Holder failed to establish an exemption from withholding or backup withholding), Dynegy may, at its option, or an applicable withholding agent may, withhold such amounts from Dynegy Shares or current or subsequent payments of cash payable to such U.S. Holder. In addition, the proposed regulations affect the Non-U.S. Holders in the manner described above under “—Tax Consequences to U.S. Holders of Holding the Dynegy Warrants—Certain Adjustments to the Dynegy Warrants.” A Non-U.S. Holder who is subject to U.S. federal withholding or backup withholding should consult its own tax advisor as to whether it can obtain a refund for all or a portion of such amounts.

***Information Reporting and Backup Withholding****U.S. Holders*

Information reporting requirements generally will apply to payments of interest (including OID) on the Dynegy Notes, deemed dividends on the Dynegy Warrants, dividends on the Dynegy Shares and the proceeds from the Exchange Offer, a sale of a Dynegy Note, Dynegy Warrant or Dynegy Share paid to a U.S. Holder, unless the U.S. Holder is an exempt recipient, and if requested, certifies as to that status. Backup withholding generally will apply to those payments if the U.S. Holder fails to provide an appropriate certification with its correct taxpayer identification number or certification of exempt status.

*Non-U.S. Holders*

Generally, the amount of interest (including OID) on the Dynegy Notes, deemed dividends on the Dynegy Warrants, and dividends on the Dynegy Shares paid to a Non-U.S. Holder, and the amount of tax, if any, withheld with respect thereto must be reported annually to the IRS and to the Non-U.S. Holder. Copies of applicable information returns reporting such payments and any withholding may also be made available to the tax authorities in the country in which the Non-U.S. Holder resides under the provisions of an applicable treaty or agreement.

In general, a Non-U.S. Holder will not be subject to backup withholding with respect to such payments, *provided* it complies with certain certification procedures to establish that it is not a U.S. person. The certification required to claim an exemption from withholding of tax on interest described above under “—Tax Consequences for Non-U.S. Holder of Holding the Dynegy Notes—Stated Interest” generally will avoid backup withholding as well. A Non-U.S. Holder will be subject to information reporting and, depending on the circumstances, backup withholding with respect to payments of the proceeds from the Exchange Offer, a sale of a Dynegy Note, Dynegy Warrant or Dynegy Share conducted within the United States or through certain U.S. related financial intermediaries unless the certification described above has been received, or the Non-U.S. Holder otherwise establishes an exemption.

Backup withholding is not an additional tax. The amount of any backup withholding from a payment to a U.S. Holder or Non-U.S. Holder will be allowed as a credit against the U.S. Holder’s or

Non-U.S. Holder's U.S. federal income tax liability and may entitle the U.S. Holder or Non-U.S. Holder to a refund, *provided* that the required information is timely furnished to the IRS.

### ***FATCA Withholding***

Pursuant to Sections 1471 through 1474 of the Code, commonly known as the Foreign Account Tax Compliance Act ("*FATCA*"), a 30% withholding tax ("*FATCA withholding*") may be imposed on certain payments to certain foreign financial institutions, investment funds and other non-U.S. persons receiving payments on an investor's behalf if the investor or such persons fail to comply with certain information reporting requirements. An intergovernmental agreement between the United States and an applicable foreign country, or future Treasury regulations, may modify this regime. Payments of interest (including OID) and dividends (including constructive distributions treated as dividends) that an investor receives in respect of the Dynegy Notes, Dynegy Warrants, or Dynegy Shares, as applicable, could be affected by this withholding if such investor is subject to the FATCA information reporting requirements and fail to comply with them or if such investor holds the Dynegy Notes, Dynegy Warrants, or Dynegy Shares, as applicable, through a non-U.S. person (e.g., a foreign bank or broker) that fails to comply with these requirements (even if payments to an investor would not otherwise have been subject to FATCA withholding). Payments of gross proceeds from a sale or other disposition of the Dynegy Notes, Dynegy Warrants, or Dynegy Shares, as applicable, could also be subject to FATCA withholding unless such disposition occurs before January 1, 2019. Investors should consult their own tax advisors regarding the relevant U.S. law and other official guidance on FATCA withholding.

### **Non-Tendering Holders**

#### ***Tax Consequences to Non-Tendering U.S. Holders upon a Successful Indenture Consent Solicitation***

The U.S. federal income tax consequences to a non-tendering U.S. Holder following the adoption of the Proposed Amendments will depend, in part, upon whether, for U.S. federal income tax purposes, the adoption of the Proposed Amendments constitute a "significant modification" of the Genco Notes held by such holder and, if so, whether the resulting deemed exchange (the "*Deemed Exchange*") of "new" Notes for "old" Notes constitutes a recapitalization for U.S. federal income tax purposes.

Generally, the modification of a debt instrument is a significant modification only if, based on all the facts and circumstances, the legal rights or obligations under such instrument are modified in a manner that is "economically significant." Applicable Regulations provide that the addition, deletion or alteration of customary accounting or financial covenants relating to a debt instrument does not give rise to a significant modification of the debt instrument. However, the Regulations do not define "customary accounting or financial covenants" and do not otherwise directly address all of the exact types of modifications of the Genco Notes that would occur upon adoption of the Proposed Amendments. The Regulations provide that all modifications to a debt instrument are considered collectively, so that a series of such modifications may be significant when considered together although each modification, if considered alone, would not be significant. Genco believes that the Proposed Amendments should not cause a significant modification of the Genco Notes under the Regulations and should not result in a deemed exchange of the Genco Notes for U.S. federal income tax purposes, either because (i) the modifications of the debt instrument are not economically significant based on all of the facts and circumstances or (ii) the Proposed Amendments may be considered to be the alteration of customary accounting or financial covenants. Accordingly, a U.S. Holder who does not tender its Notes should not recognize any income, gain or loss in connection with the Exchange Offer and the Indenture Consent Solicitation and should have the same adjusted tax basis and holding period in the Genco Notes after the adoption of the Proposed Amendments.

### *Alternative Characterization*

The law on this point, however, is unclear and the IRS could assert that the Proposed Amendments constitute a significant modification to the terms of the Genco Notes. If such Proposed Amendments were treated as a significant modification of the terms of the Notes, a non-tendering U.S. Holder would be treated as having exchanged its “old” Notes for “new” Notes for U.S. federal income tax purposes, which would be a taxable event unless the exchange qualified as a “recapitalization.” Such a Deemed Exchange would qualify as a recapitalization for U.S. federal income tax purposes if both the “old” Notes and “new” Notes are “securities” for U.S. federal income tax purposes. Whether an instrument constitutes a security is determined based on all the facts and circumstances, but most authorities have held that the length of the term of a debt instrument is an important factor in determining whether such instrument is a security for U.S. federal income tax purposes. A debt instrument with a term to maturity of five years or less generally does not qualify as a security, and a debt instrument with a term to maturity of ten years or more generally does qualify as a security.

If there were a Deemed Exchange and it constituted a recapitalization, a U.S. Holder would not recognize any gain or loss on the Deemed Exchange, would have the same adjusted tax basis, holding period and, if the “old” Notes had “market discount” in such holder’s hands, market discount in the “new” Notes as such holder had in the “old” Notes immediately prior to the Deemed Exchange.

If there were a Deemed Exchange and it did not constitute a recapitalization, then a U.S. Holder would recognize taxable gain or loss (subject to the wash sale rules of the Code) equal to the difference, if any, between the “issue price” of the “new” Notes at the time of the Deemed Exchange (excluding the portion thereof attributable to accrued and unpaid interest on the “old” Notes, which would be taxable as ordinary interest income to the extent not previously included in gross income) and such U.S. Holder’s adjusted tax basis in the “old” Notes deemed to have been exchanged therefor. This gain or loss would generally be capital gain or loss, and would be long-term capital gain or loss if a U.S. Holder held the “old” Notes for more than one year, except to the extent any gain is recharacterized as ordinary income under the market discount rule. In addition, a U.S. Holder’s adjusted tax basis in the “new” Notes would equal their issue price, and a U.S. Holder would have a new holding period in the “new” Notes commencing on the day after the Deemed Exchange. The determination of the issue price of the “new” Notes would depend on whether the “new” Notes and the “old” Notes were “publicly traded” within the meaning of applicable Regulations as discussed above under “—Tax Consequences for Exchanging U.S. Holders—Issue Price of Dynegy Notes.”

If there were a Deemed Exchange (whether or not it qualified as a recapitalization) and if the issue price of the “new” Notes were less than the principal amount of the “new” Notes (with an exception for certain *de minimis* amounts), the “new” Notes would be treated as issued with OID, and a U.S. Holder would be required to include such OID in income as ordinary income as it accrues (regardless of such holder’s method of tax accounting), on a constant yield basis, in advance of the receipt of cash payments on the “new” Notes as described above under “Tax Consequences to U.S. Holders of Holding the Dynegy Notes—Original Issue Discount.”

U.S. Holders should consult their tax advisors regarding the U.S. federal income tax consequences of holding the Notes after the adoption of the Proposed Amendments.

### ***Tax Consequences to Non-Tendering Non-U.S. Holders upon a Successful Indenture Consent Solicitation***

As discussed above, although the issue is not free from doubt, Genco believes that the adoption of the Proposed Amendments will not cause a significant modification and thus a non-tendering Non-U.S. Holder should not be subject to U.S. federal income tax with respect to the adoption of the Proposed Amendments.

If the IRS were to successfully assert that the Proposed Amendments constituted a significant modification to the terms of the Genco Notes, a non-tendering Non-U.S. Holder would generally not be subject to U.S. federal income tax with respect to gain, if any, recognized on the Deemed Exchange of its Genco Notes unless the gain is effectively connected with such Non-U.S. Holder's conduct of a trade or business (and in the case of an applicable treaty, is attributable to a permanent establishment or fixed base maintained in the United States) within the United States or such Non-U.S. Holder is an individual, who is present in the United States for 183 or more days in the taxable year of the disposition and certain other requirements are met.

### **Tax Consequences of the Plan**

If the Exchange Offer and Indenture Consent Solicitation are not completed, upon implementation of the Plan all U.S. Holders and Non-U.S. Holders that are Eligible Holders will have their Genco Notes cancelled and will receive the Dynegy Notes, Dynegy Warrants and cash they would have received in the Exchange Offer. Accordingly, the tax consequences to U.S. Holders and Non-U.S. Holders will be the same as those discussed above under “—Tendering Holders.” Upon implementation of the Plan, all U.S. Holders and Non-U.S. Holders that are not Eligible Holders will also have their Genco Notes cancelled but will receive solely the Non-Eligible Holder Distribution, which will consist entirely of cash. Consequently, the tax consequences to such U.S. Holders and Non-U.S. Holders will be the same as those discussed above under “—Tendering Holders” except that the amount of any gain or loss will be equal to the difference, if any, between (i) the Non-Eligible Holder Distribution (other than any portion thereof attributable to accrued interest, which will be taxed as such) and (ii) such holder's adjusted tax basis in the Genco Notes.

**The above description is not intended to constitute a complete analysis of all tax consequences relating to the Exchange Offer and the Indenture Consent Solicitation and, in the alternative, the implementation of the Plan. You should consult your tax advisors concerning the tax consequences of your particular situation.**

## CERTAIN ERISA CONSIDERATIONS

The following is a summary of certain considerations associated with the receipt of the Dynegy Notes and Dynegy Warrants by employee benefit plans that are subject to Title I of the U.S. Employee Retirement Income Security Act of 1974, as amended (“ERISA”), plans, individual retirement accounts and other arrangements that are subject to Section 4975 of the Code or provisions under any other federal, state, local, non-U.S. or other laws or regulations that are similar to such provisions of ERISA or the Code (collectively, “*Similar Laws*”), and entities whose underlying assets are considered to include “plan assets” of any such plan, account or arrangement.

### General Fiduciary Matters

ERISA and the Code impose certain duties on persons who are fiduciaries of an applicable plan subject to Title I of ERISA or Section 4975 of the Code (an “*ERISA Plan*”) and prohibit certain transactions involving the assets of an ERISA Plan and its fiduciaries or other interested parties. Under ERISA and the Code, any person who exercises any discretionary authority or control over the administration of such an ERISA Plan or the management or disposition of the assets of such an ERISA Plan, or who renders investment advice for a fee or other compensation to such an ERISA Plan, is generally considered to be a fiduciary of the ERISA Plan.

In considering an investment in the Dynegy Notes and Dynegy Warrants of a portion of the assets of any applicable plan, a fiduciary should determine whether the investment is in accordance with the documents and instruments governing such plan and the applicable provisions of ERISA, the Code or any Similar Law relating to a fiduciary’s duties to such plan including, without limitation, the prudence, diversification, delegation of control and prohibited transaction provisions of ERISA, the Code and any other applicable Similar Laws.

### Prohibited Transaction Issues

Section 406 of ERISA and Section 4975 of the Code prohibit ERISA Plans from engaging in specified transactions involving plan assets with persons or entities who are “parties in interest,” within the meaning of ERISA, or “disqualified persons,” within the meaning of Section 4975 of the Code, unless an exemption is available. A party in interest or disqualified person who engaged in a non-exempt prohibited transaction may be subject to excise taxes and other penalties and liabilities under ERISA and the Code. In addition, the fiduciary of the ERISA Plan that engaged in such a non-exempt prohibited transaction may be subject to penalties and liabilities under ERISA and the Code. The acquisition and/or holding of notes or warrants by an ERISA Plan with respect to which Dynegy, or a subsidiary guarantor is considered a party in interest or a disqualified person may constitute or result in a direct or indirect prohibited transaction under Section 406 of ERISA and/or Section 4975 of the Code, unless the investment is acquired and is held in accordance with an applicable statutory, class or individual prohibited transaction exemption. In this regard, the U.S. Department of Labor has issued prohibited transaction class exemptions, or “PTCEs,” that may apply to the acquisition and holding of the Dynegy Notes and Dynegy Warrants. These class exemptions include, without limitation, PTCE 84-14 respecting transactions determined by independent qualified professional asset managers, PTCE 90-1 respecting insurance company pooled separate accounts, PTCE 91-38 respecting bank collective investment funds, PTCE 95-60 respecting life insurance company general accounts and PTCE 96-23 respecting transactions determined by in-house asset managers. In addition, Section 408(b)(17) of ERISA and Section 4975(d)(20) of the Code provide relief from the prohibited transaction provisions of ERISA and Section 4975 of the Code for certain transactions, *provided* that neither the issuer of the securities nor any of its affiliates (directly or indirectly) have or exercise any discretionary authority or control or render any investment advice with respect to the assets of any ERISA Plan involved in the transaction and *provided*

*further* that the ERISA Plan pays no more than adequate consideration in connection with the transaction. There can be no assurance that all of the conditions of any such exemptions will be satisfied.

Because of the foregoing, the Dynegy Notes and Dynegy Warrants should not be acquired or held by any person investing “plan assets” of any applicable plan, unless such acquisition and holding of the Dynegy Notes and Dynegy Warrants will not constitute a non-exempt prohibited transaction under ERISA and the Code or a similar violation of any applicable Similar Laws.

### **Representation**

Accordingly, by acceptance of a Dynegy Note and Dynegy Warrants or any interest therein, each recipient and subsequent transferee of a note or warrant or any interest therein will be deemed to have represented and warranted that (A) either (i) no portion of the assets used by such purchaser or transferee to acquire or hold the Dynegy Notes and Dynegy Warrants constitutes assets of any applicable plan or (ii) the purchase and holding of the Dynegy Notes and Dynegy Warrants or any interest therein by such purchaser or transferee will not constitute a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or a similar violation under any applicable Similar Laws and (B) it will not sell or otherwise transfer such notes or warrants or any interest therein otherwise than to a purchaser or transferee that is deemed to make these same representations, warranties and agreements with respect to its purchase and holding of such note or warrant or any interest therein.

The foregoing discussion is general in nature and is not intended to be all inclusive, nor should it be construed as legal advice. Due to the complexity of these rules and the penalties that may be imposed upon persons involved in non-exempt prohibited transactions, it is particularly important that fiduciaries or other persons considering purchasing the Dynegy Notes and Dynegy Warrants (and holding the Dynegy Notes and Dynegy Warrants) or any interest therein on behalf of, or with the assets of, any applicable plan, consult with their counsel regarding the potential applicability of ERISA, Section 4975 of the Code and any Similar Laws to such investment and whether an exemption would be applicable to the acquisition and holding of the Dynegy Notes and Dynegy Warrants or any interest therein.

The post-Effective Date operations of the Reorganized Debtor shall be funded with Cash on hand, revenue from its continued operations, and proceeds of the Genco Working Capital Facility. Without further notice to or order or other approval of the Bankruptcy Court (other than the Confirmation Order), act or action under applicable law, regulation, order or rule, the Reorganized Debtor shall be authorized to (i) enter into the Genco Working Capital Facility, (ii) grant any Liens and security interests and incur the indebtedness as required under, and in accordance with the terms and conditions of, the Genco Working Capital Facility, and (iii) issue, execute and deliver all documents, instruments and agreements necessary or appropriate to implement and effectuate all obligations under the Genco Working Capital Facility, with each of the foregoing being acceptable to Dynegy and the Majority Consenting Noteholders, and to take all other actions necessary to implement and effectuate borrowings under the Genco Working Capital Facility. On the Effective Date, the Genco Working Capital Facility, together with new promissory notes, if any, evidencing obligations of the Reorganized Debtor thereunder, and all other documents, instruments, and agreements to be entered into, delivered, or confirmed thereunder on the Effective Date, shall become effective. The new promissory notes issued pursuant to the Genco Working Capital Facility and all obligations under the Genco Working Capital Facility and related documents shall be paid as set forth in the Genco Working Capital Facility and related documents.

The Genco Working Capital Facility Credit Agreement shall constitute a legal, valid, binding and authorized obligation of the Reorganized Debtor, and shall be enforceable in accordance with its terms. The financial accommodations to be extended thereunder are being extended, and shall be deemed to have been extended, in good faith and for legitimate business purposes, are reasonable, shall not be subject to avoidance, recharacterization or subordination (including equitable subordination) for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent conveyances or other voidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law.

On the Effective Date, all of the Liens and security interests to be granted in accordance with the Genco Working Capital Facility (i) shall be deemed to be approved, (ii) shall be legal, binding and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the Genco Working Capital Facility Credit Agreement, (iii) shall be deemed perfected on the Effective Date, subject only to such Liens and security interests as may be permitted under the Genco Working Capital Facility Credit Agreement, and (iv) shall not be subject to avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and shall not constitute preferential transfers, fraudulent conveyances or other voidable transfers under the Bankruptcy Code or any applicable non-bankruptcy law.

Dynegy and the other persons or entities granted such Liens and security interests are authorized to make all filings and recordings, and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, provincial, federal or other law that would be applicable in the absence of the Plan and the Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of the Confirmation Order).

Notwithstanding anything to the contrary in this Plan, the Bankruptcy Court shall have no jurisdiction over any matters first arising under the Genco Working Capital Facility after the Effective Date.

**(c) Authorization and Issuance of the New Dynegy Notes**

On the Effective Date, Dynegy shall authorize the issuance of the New Dynegy Notes in the aggregate principal amount of up to \$210 million for the benefit of Eligible Holders in accordance with the terms and conditions of the New Indenture. The Debtor or the Reorganized Debtor, as applicable, shall use commercially reasonable efforts to cause the New Dynegy Notes to be represented by one or more global notes and to be issued in book-entry form through the facilities of DTC. The issuance and distribution of the New Dynegy Notes pursuant to the Plan to Eligible Holders shall be exempt from registration under applicable securities laws pursuant to Bankruptcy Code Section 1145(a).

**(d) Authorization and Issuance of the New Dynege Warrants**

On the Effective Date, Dynege shall authorize the issuance of the New Dynege Warrants for the benefit of Eligible Holders in accordance with the terms and conditions of the New Warrant Agreement. The issuance and distribution of the New Dynege Warrants pursuant to the Plan to Eligible Holders shall be exempt from registration under applicable securities laws pursuant to Bankruptcy Code Section 1145(a).

**4.4 Cancellation of the Genco Notes and Agreements**

**(a)** On the Effective Date, except as otherwise provided for herein, the Genco Notes shall be deemed extinguished, cancelled and of no further force or effect.

**(b)** The obligations of the Debtor (and the Reorganized Debtor) under any agreements, indentures, or certificates of designations governing the Genco Notes and any other note, bond, or indenture evidencing or creating any indebtedness or obligation with respect to the Genco Notes shall be discharged in each case without further act or action under any applicable agreement, law, regulation, order, or rule and without any action on the part of the Bankruptcy Court or any Person; provided, however, that the Genco Notes and the Genco Notes Indenture shall continue in effect solely for the purposes of (i) allowing the holders of the Genco Notes to receive the distributions provided for Noteholder Claims hereunder; (ii) allowing the Disbursing Agent and the Indenture Trustee to make distributions on account of the Noteholder Claims; (iii) preserving the Indenture Trustee's rights to compensation and indemnification under the Genco Notes Indenture; (iv) permitting the Indenture Trustee to enforce its rights or any obligation owed to it under this Plan, including seeking compensation or reimbursement of fees and expenses in accordance with the terms of this Plan; (v) preserving the Indenture Trustee's Charging Lien; and (vi) permitting the Indenture Trustee to appear in the Chapter 11 Case or any proceeding in the Bankruptcy Court or any other court.

**(c)** Subsequent to the performance by the Indenture Trustee or its agents of any duties that are required under the Plan, the Confirmation Order or under the terms of the Genco Notes Indenture, the Indenture Trustee and its agents (i) shall be relieved of, and released from, all obligations associated with the Genco Notes arising under the Genco Notes Indenture or under other applicable agreements or law and (ii) shall be deemed to be discharged.

**4.5 Participation in Plan by Dynege**

**(a)** Dynege has agreed to be a sponsor of and participant in the Plan with the Debtor for purposes of (i) providing the Genco Working Capital Facility, including for purposes of payment of the Cash Consideration, Non-Eligible Holder Distributions and RSA Fee to the extent necessary, (ii) issuing the New Dynege Notes and (iii) issuing the New Dynege Warrants and consents to the jurisdiction of the Bankruptcy Court with respect to the foregoing.

**(b)** As an affiliate of the Debtor which is participating in the Plan, Dynege shall be deemed to be, and the Confirmation Order shall find that Dynege is, an affiliate of the Debtor participating in a joint plan with the Debtor for purposes of Bankruptcy Code Section 1145.

**4.6 Directors and Officers of Reorganized Genco**

**(a)** The initial members of the New Board will be disclosed in the Plan Supplement or otherwise on or before the Confirmation Date. Upon and after the Effective Date, the New Board shall serve in accordance with the New Genco Governing Documents.

**(b)** The officers of Genco shall continue to serve in their same respective capacities after the Effective Date for the Reorganized Debtor until replaced or removed in accordance with the New Genco Governing Documents, subject to applicable law.

**4.7 Revesting of Assets**

Except as otherwise provided herein, the property of the Debtor's Estate, together with any property of the Debtor that is not property of its Estate and that is not specifically disposed of pursuant to the Plan, shall revert in the Reorganized Debtor on the Effective Date. Thereafter, the Reorganized Debtor may operate its business and

may use, acquire, and dispose of such property free of any restrictions of the Bankruptcy Code, the Bankruptcy Rules, or the Bankruptcy Court. Except as specifically provided in the Plan or the Confirmation Order, as of the Effective Date, all property of the Reorganized Debtor shall be free and clear of all Claims and Interests, and all Liens with respect thereto.

#### **4.8 Indemnification of Debtor's Directors, Officers, and Employees; Insurance**

(a) Upon the Effective Date, the New Genco Governing Documents shall contain provisions, or the Reorganized Debtor shall enter into indemnification agreements, which, to the fullest extent permitted by applicable law, (i) eliminate the personal liability of the Debtor's directors, officers, and key employees serving before, on, and after the Petition Date and the Reorganized Debtor's directors, officers, and key employees serving on and after the Effective Date for monetary damages; and (ii) require the Reorganized Debtor, subject to appropriate procedures, to indemnify those of the Debtor's directors, officers, and key employees serving prior to, on, or after the Effective Date for all claims and actions, including, without limitation, for pre-Effective Date acts and occurrences.

(b) The Debtor, and upon the Effective Date, the Reorganized Debtor, shall assume all of the D&O Insurance Policies maintained by Genco pursuant to Bankruptcy Code Section 365(a). Unless previously effectuated by separate order entered by the Bankruptcy Court, entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the Debtor's foregoing assumption of each of the D&O Insurance Policies maintained by Genco without any modifications.

#### **4.9 Exemption From Certain Transfer Taxes**

Pursuant to Bankruptcy Code Section 1146(a), any transfers from the Debtor to the Reorganized Debtor or any other Person pursuant to, in contemplation of, or in connection with the Plan, including any Liens granted to secure the Genco Working Capital Facility, and the issuance, transfer, or exchange of any debt, equity securities or other interest under or in connection with the Plan, shall not be taxed under any law imposing a stamp tax, real estate transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or government assessment, and the appropriate state or local governmental officials or agents shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment. Such exemption specifically applies, without limitation, to all documents necessary to evidence and implement distributions under the Plan, including the documents contained in the Plan Supplement and all documents necessary to evidence and implement any of the transactions and actions described in the Plan or the Plan Supplement.

#### **4.10 Corporate Action; Effectuating Documents**

(a) On the Effective Date, the adoption and filing of the New Genco Governing Documents and all actions contemplated by the Plan shall be authorized and approved in all respects pursuant to the Plan. All matters provided for herein or therein involving the corporate structure of the Debtor or the Reorganized Debtor, and any corporate action required by the Debtor or the Reorganized Debtor in connection with the Plan, shall be deemed to have occurred and shall be in effect, without any requirement of further action by the stockholders or directors of the Debtor or the Reorganized Debtor, and shall be fully authorized pursuant to applicable state law.

(b) Any chief executive officer, president, chief financial officer, senior vice president, vice president, general counsel, secretary or other appropriate officer of the Reorganized Debtor, shall be authorized to execute, deliver, file, or record the documents included in the Plan Supplement and such other contracts, instruments, releases, indentures, and other agreements or documents, and take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan. Any secretary or assistant secretary of the Reorganized Debtor shall be authorized to certify or attest to any of the foregoing actions. All of the foregoing is authorized without the need for any required approvals, authorizations, or consents except for express consents required under the Plan.

#### **4.11 Plan Supplement**

The Plan Supplement may be filed in parts either contemporaneously with the filing of the Plan or from time to time thereafter, but in no event later than fourteen (14) days prior to the deadline established by the Bankruptcy Court for objecting to the Plan. The Plan Supplement shall be incorporated into the Plan by reference and is a part of the Plan as if set forth in full herein. After filing, the Plan Supplement may be inspected in the office of the Clerk of the Bankruptcy Court during normal business hours. The Plan Supplement is also available for inspection on (a) the website maintained by the Claims Agent: <http://dm.epiq11.com/IPG>, and (b) the Bankruptcy Court's website: <http://ecf.txsb.uscourts.gov>. In addition, holders of Claims or Interests may obtain a copy of any document included in the Plan Supplement upon written request in accordance with Section 10.17 hereof.

#### **4.12 Indenture Trustee Fees and Expenses**

On the Effective Date, the Debtor or Reorganized Debtor, as applicable, shall pay in Cash all Indenture Trustee Fees and Expenses (which, for the avoidance of doubt, shall not reduce the Cash Consideration), without the need for the Indenture Trustee to file fee applications or any other applications with the Bankruptcy Court, and from and after the Effective Date, the Reorganized Debtor shall pay in Cash all Indenture Trustee Fees and Expenses related to any services provided by the Indenture Trustee in connection with making disbursements to holders of Allowed Noteholder Claims. Nothing in the Plan shall in any way affect or diminish the right of the Indenture Trustee to assert the Indenture Trustee's Charging Lien against any distribution to Noteholders with respect to any unpaid Indenture Trustee Fees and Expenses or other amounts payable to the Indenture Trustee under the Genco Notes Indenture.

#### **4.13 Preservation of Causes of Action**

Unless any Causes of Action against an Entity or Person are expressly waived, relinquished, exculpated, released, compromised or settled in the Plan or a Bankruptcy Court order, in accordance with Bankruptcy Code Section 1123(b), but subject to Article VI hereof, the Reorganized Debtor shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, and the Reorganized Debtor's rights to commence, prosecute or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. The Reorganized Debtor may pursue such Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtor. No Entity or Person may rely on the absence of a specific reference in the Plan, the Plan Supplement or the Disclosure Statement to any Cause of Action against them as any indication that the Reorganized Debtor will not pursue any and all available Causes of Action against them.

Unless any Causes of Action against an Entity or Person are expressly waived, relinquished, exculpated, released, compromised or settled in the Plan or a Bankruptcy Court order, the Reorganized Debtor expressly reserves all Causes of Action for later adjudication and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise) or laches, shall apply to such Causes of Action upon, after or as a consequence of the Confirmation or the Effective Date.

#### **4.14 Guarantee of Dynegy Indebtedness**

Dynegy intends, on or after the Effective Date, to designate the Debtor and its wholly-owned subsidiary as guarantors of Dynegy's material, third-party indebtedness for borrowed money. As of September 30, 2016, on a pro forma basis as described in the Disclosure Statement under "Dynegy Capitalization", Dynegy had \$9.2 billion of material, third-party indebtedness for borrowed money, \$2.6 billion of which was secured (which secured indebtedness will be secured by substantially all of the assets of the Debtor and such wholly-owned subsidiary in conjunction with the effectiveness of the guarantees). The guarantees will contain language limiting the amount of the guarantee to the extent it constitutes a fraudulent transfer or conveyance and provide for contribution from or payments made by or on behalf of any other guarantor.

**ARTICLE V**  
**TREATMENT OF EXECUTORY CONTRACTS, UNEXPIRED LEASES,**  
**EMPLOYEE BENEFITS AND INSURANCE POLICIES**

**5.1 Assumed Contracts and Leases**

(a) Except as otherwise provided in the Plan, the Confirmation Order, or the Plan Supplement, as of the Effective Date, the Debtor shall be deemed to have assumed each executory contract or unexpired lease to which the Debtor is a party as of the Petition Date unless any such contract or lease (i) was previously assumed or rejected upon motion by a Final Order, (ii) previously expired or terminated pursuant to its own terms, (iii) is the subject of any pending motion, including to assume, to assume on modified terms, to reject or to make any other disposition filed by the Debtor on or before the Confirmation Date, or (iv) is subsequently rejected in accordance with the provisions of Section 5.3 hereof.

(b) The Confirmation Order shall constitute an order of the Bankruptcy Court under Bankruptcy Code Section 365(a) approving the contract and lease assumptions described in Section 5.1(a) hereof, as of the Effective Date. Each executory contract and unexpired lease assumed pursuant to this Section 5.1 shall revert in and be fully enforceable by the Reorganized Debtor in accordance with its terms, except as modified by the provisions of the Plan, or any order of the Bankruptcy Court authorizing and providing for its assumption, or applicable federal law.

(c) Each executory contract and unexpired lease that is assumed shall include (i) all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such contract or lease and (ii) all contracts or leases appurtenant to the subject premises, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, reciprocal easement agreements, vaults, tunnel or bridge agreements or franchises, and any other interests in real estate or rights *in rem* related to such premises, unless any of the foregoing agreements has been rejected pursuant to an order of the Bankruptcy Court.

(d) To the extent applicable, all executory contracts or unexpired leases of the Debtor assumed pursuant to the Plan shall be deemed modified such that the transactions contemplated by the Plan shall not be a “change in control,” however such term may be defined in the relevant executory contract or unexpired lease, and any required consent under any such contract or lease shall be deemed satisfied by the Confirmation of the Plan.

(e) Upon the Effective Date, the Power Supply Agreement shall be assumed and deemed amended to (A) provide that at any time during the term of the Power Supply Agreement, either party may elect to terminate the Power Supply Agreement by providing the other party with no less than six (6) months’ advanced written notice of its desire to terminate the Power Supply Agreement and (B) if required by Dynegy and IPM, modify the Energy Charge (as defined in the Power Supply Agreement) and the Capacity Payment (as defined in the Power Supply Agreement) to eliminate any subsidy from IPM or IPRG to Genco under the Power Supply Agreement.

(f) Upon the Effective Date, the Shared Services Agreement shall be assumed and deemed amended to provide that Dynegy and the other “Providers” (as defined in the Shared Services Agreement) may terminate the Shared Services Agreement for convenience with respect to one or more “Recipients” (as defined in the Shared Services Agreement) upon twelve (12) months’ notice to such Recipients.

**5.2 Payments Related to Assumption of Contracts and Leases; Resolution of Assumption-Related Disputes**

(a) Any monetary amounts by which each executory contract and unexpired lease to be assumed pursuant to the Plan is in default shall be satisfied, under Bankruptcy Code Section 365(b)(1) by Cure. The Debtor shall, at its option, be permitted to resolve any dispute with respect to the amount of Cure either (i) through the Bankruptcy Court, or (ii) in the procedural manner in which a dispute regarding the amounts owed under a particular executory contract and unexpired lease would have been settled, determined, resolved or adjudicated if the Chapter 11 Case had not been commenced.

(b) If there is a dispute regarding (i) the nature or amount of any Cure, (ii) the ability of the Reorganized Debtor to provide “adequate assurance of future performance” (within the meaning of Bankruptcy

Code Section 365) under the contract or lease to be assumed, or (iii) any other matter pertaining to assumption, Cure shall occur following the earlier of (y) the entry of a Final Order resolving the dispute and approving the assumption if such dispute is adjudicated in the Bankruptcy Court, or (z) as to disputed monetary amounts allegedly due under the executory contract or unexpired lease, following the final resolution of such matter if the Debtor elected to handle such dispute in the procedural manner in which it would have been settled, determined, resolved or adjudicated if the Chapter 11 Case had not been commenced.

(c) Notwithstanding any of the foregoing subsections of this Section 5.2, the Debtor or the Reorganized Debtor, as applicable, shall be authorized to reject any executory contract or unexpired lease to the extent the Debtor or the Reorganized Debtor, as applicable, in the exercise of its sound business judgment, concludes that the amount of the Cure obligation as determined by Final Order or as otherwise finally resolved, renders assumption of such contract or lease unfavorable to the Debtor's Estate or the Reorganized Debtor. Such rejected contracts, if any, shall be listed on the Schedule of Rejected Contracts and Leases, which shall be filed with the Plan Supplement. In the event the Debtor so rejects any previously assumed contract or lease, and such rejection gives rise to a Rejection Damages Claim, such Rejection Damages Claim arising out of such rejection shall be limited to the amount of the Allowed Rejection Damage Claim.

(d) Except as otherwise set forth in the Plan, assumption and assignment of any executory contract or unexpired lease pursuant to the Plan, or otherwise, shall result in the full release and satisfaction of any Claims or defaults, subject to satisfaction of the Cure, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed executory contract or unexpired lease at any time before the effective date of assumption or assignment. Any Proofs of Claim filed with respect to an executory contract or unexpired lease that has been assumed shall be deemed disallowed and expunged, without further notice to or action, order or approval of the Bankruptcy Court or any other entity.

### **5.3 Rejected Contracts and Leases**

The Debtor reserves the right, at any time prior to the Effective Date, except as otherwise specifically provided herein, to seek to reject any executory contract or unexpired lease to which the Debtor is a party and to file a motion requesting authorization for the rejection of any such contract or lease. Any executory contracts or unexpired leases that expire by their terms prior to the Effective Date are deemed to be rejected, unless previously assumed or otherwise disposed of by the Debtor. In the event that the rejection of an executory contract or unexpired lease by the Debtor pursuant to the Plan results in damages to the other party or parties to such contract or lease, a Claim for such damages, if not heretofore evidenced by a timely filed Proof of Claim, shall be forever barred and shall not be enforceable against the Debtor or the Reorganized Debtor, or their respective properties or interests in property as agents, successors or assigns, unless a Proof of Claim is filed with the Bankruptcy Court and served upon counsel for the Debtor and the Reorganized Debtor no later than thirty (30) days after the later of (1) the Confirmation Date or (2) the effective date of rejection of such executory contract or unexpired lease. Any such Claims, to the extent Allowed, shall be classified as Class 3 General Unsecured Claims.

### **5.4 Extension of Time to Assume or Reject**

Notwithstanding anything otherwise set forth in the Plan, in the event of a dispute as to whether a contract is executory or a lease is unexpired, the Debtor's right to move to assume or reject such contract or lease shall be extended until the date that is thirty (30) days after entry of a Final Order by the Bankruptcy Court determining that the contract is executory or the lease is unexpired. The deemed assumption provided for in Section 5.1(a) hereof shall not apply to any such contract or lease, and any such contract or lease shall be assumed or rejected only upon motion of the Debtor following the Bankruptcy Court's determination that the contract is executory or the lease is unexpired.

### **5.5 Claims Arising from Assumption or Rejection**

(a) Except as otherwise provided in the Plan or by Final Order of the Bankruptcy Court, all (i) Allowed Claims arising from the assumption of any contract or lease shall be treated as Administrative Claims pursuant to Section 2.1(a) above; and (ii) Allowed Rejection Damages Claims shall be treated as General Unsecured

Claims pursuant to and in accordance with the terms of Section 3.3(c) above, except to the extent of any right of setoff and the amount of any security deposit held by the holder of such Allowed Rejection Damages Claim.

(b) If the rejection by the Debtor, pursuant to the Plan or otherwise, of a contract or lease results in a Rejection Damages Claim, then such Rejection Damages Claim shall be forever barred and shall not be enforceable against the Debtor or the Reorganized Debtor or the properties of either of them unless a Proof of Claim is (i) filed with the Claims Agent on or before the date that is the first Business Day that is thirty (30) days after the Bankruptcy Court's entry of an order authorizing the rejection of a contract or lease and (ii) contemporaneously with such filing, served upon (a) if such filing occurs prior to the Effective Date, counsel to the Debtor or (b) if such filing occurs after the Effective Date, counsel to the Reorganized Debtor. All rights of the Debtor or the Reorganized Debtor, as applicable, to object to any Rejection Damages Claim are reserved.

## **5.6 Reservation of Rights Regarding Executory Contracts and Unexpired Leases**

(a) Neither the exclusion nor inclusion of any contract or lease by the Debtor on any exhibit, schedule or other annex to the Plan or in the Plan Supplement, nor anything contained in the Plan, will constitute an admission by the Debtor that any such contract or lease is or is not in fact an executory contract or unexpired lease or that the Debtor or the Reorganized Debtor or their respective affiliates has any liability thereunder.

(b) Nothing in the Plan will waive, excuse, limit, diminish or otherwise alter any of the defenses, Claims, Causes of Action or other rights of the Debtor and the Reorganized Debtor under any executory or non-executory contract or any unexpired or expired lease.

(c) Nothing in the Plan will increase, augment or add to any of the duties, obligations, responsibilities or liabilities of the Debtor or the Reorganized Debtor under any executory or non-executory contract or any unexpired or expired lease.

## **5.7 Restructuring Support Agreement and Related Agreements**

(a) On the Effective Date, the Debtor shall assume and be deemed to assume the RSA pursuant to the Plan, including the obligation of the Debtor with respect to the RSA Fee. On the Effective Date, if not previously assumed by the Debtor, the Debtor shall assume and be deemed to assume pursuant to the Plan (i) the letter agreement between the Debtor and Willkie Farr & Gallagher LLP, dated as of May 6, 2016, and (ii) the letter agreement between the Debtor and Houlihan Lokey Capital, Inc., dated as of June 1, 2016, and such agreements shall terminate on their terms as of the day following the Effective Date, unless otherwise agreed by the parties thereto. Fees and expenses due and payable pursuant to the RSA or such letter agreements (including the RSA Fee and the fees and expenses of the Ad Hoc Group Advisors), subject to the terms and conditions thereof in all respects, as of the Effective Date, shall be an Allowed Administrative Claim under this Plan without any need to file a request for payment of such Administrative Claims.

(b) Pursuant to the RSA, each Early Consenting Noteholder shall receive on the Effective Date its pro rata share of the RSA Fee in Cash, with such pro rata share determined as the proportion that the amount of Allowed Noteholder Claims held by such Early Consenting Noteholder on the Effective Date bears to the aggregate amount of all Allowed Noteholder Claims held by the Early Consenting Noteholders and Qualified Permitted Transferees; provided, that to the extent an Early Consenting Noteholder transfers any Allowed Noteholder Claims to a Permitted Transferee in accordance with the RSA prior to the Effective Date, such Permitted Transferee shall be entitled to receive on the Effective Date such Early Consenting Noteholder's pro rata share of the RSA Fee in respect of such transferred Allowed Noteholder Claims but not any other Allowed Noteholder Claims held by such Permitted Transferee (unless such Permitted Transferee was an Early Consenting Noteholder) (such Permitted Transferee, solely with respect to such transferred Allowed Noteholder Claims by an Early Consenting Noteholder, a "Qualified Permitted Transferee").

## **5.8 Compensation and Benefit Programs**

(a) Except to the extent (i) otherwise provided for in the Plan, (ii) previously assumed or rejected by an order of the Bankruptcy Court entered on or before the Confirmation Date, (iii) the subject of a pending motion to reject filed by the Debtor on or before the Confirmation Date, or (iv) previously terminated, all Employee Programs

administered by the Debtor in effect before the Effective Date, shall be deemed to be, and shall be treated as though they are, contracts that are assumed under the Plan. Nothing contained herein shall be deemed to modify the existing terms of Employee Programs, including, without limitation, the Debtor's and the Reorganized Debtor's rights of termination and amendment thereunder. As to any Employee Programs administered by Dynegy, nothing contained herein shall be deemed to modify the existing terms of such Employee Programs, including, without limitation, Dynegy's rights of termination and amendment thereunder.

(b) To the extent any "change in control" provision contained in any Employee Program would be triggered and payable solely as a result of the transactions contemplated by the Plan, such Employee Program shall not be assumed to the extent a waiver of the change in control provision is not executed by the employee having the benefit of such change in control provision, but otherwise shall remain in full force and effect and may be triggered as a result of any transactions occurring after the Effective Date.

(c) As of the Effective Date, any and all equity incentive plans, equity ownership plans, or any other equity-based plans entered into before the Effective Date, including Claims arising from any change in control provision therein, shall be deemed to be, and shall be treated as though they are, contracts that are assumed pursuant to Bankruptcy Code Section 365 under the Plan pursuant to the Confirmation Order, provided, however, that nothing contained herein will impact any Cash payment components of any such equity-based plans.

(d) The Debtor further affirms and agrees that any discharge of liability provided under this Plan shall not operate to discharge any obligations it might have under applicable non-bankruptcy law with respect to any tax-qualified defined benefit pension plan maintained by Dynegy as a result of the Debtor's status as a member of the "controlled group" for such pension plan.

## **5.9 Insurance Policies**

All insurance policies pursuant to which the Debtor has any obligations in effect as of the Effective Date shall be deemed and treated as executory contracts pursuant to the Plan and shall be assumed by the Debtor and Reorganized Debtor and shall continue in full force and effect. All other insurance policies shall revert in the Reorganized Debtor.

## **5.10 Survival of the Debtor's Indemnification Obligations**

(a) Any obligations of the Debtor pursuant to its corporate charter, bylaws, or other organizational documents to indemnify current and former officers, directors, members, managers, partners, agents or employees with respect to all present and future actions, suits and proceedings against the Debtor or such officers, directors, members, managers, partners, agents or employees, based upon any act or omission for or on behalf of the Debtor shall not be discharged or impaired by confirmation of the Plan provided that the Reorganized Debtor shall not indemnify directors of the Debtor for any Claims or Causes of Action arising out of or relating to any act or omission that is a criminal act unless such director had no reasonable cause to believe its conduct was unlawful, or for any other acts or omissions that are excluded under the terms of the foregoing organizational documents. All such obligations shall be deemed and treated as executory contracts to be assumed by the Debtor under the Plan and shall continue as obligations of the Reorganized Debtor. Any claim based on the Debtor's obligations herein shall not be a Disputed Claim or subject to any objection in either case by reason of Bankruptcy Code Section 502(e)(1)(B). In addition, after the Effective Date, the Reorganized Debtor shall not terminate or otherwise reduce the coverage under any D&O Insurance Policies (including any "tail policy") in effect as of October 17, 2016, and all officers, directors, members and partners of the Debtor who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy regardless of whether such officer, directors, members or partners remain in such positions after the Effective Date.

(b) Indemnification Obligations owed to any of the Debtor's Professionals pursuant to Bankruptcy Code Sections 327 or 328 and order of the Bankruptcy Court, whether such Indemnification Obligations relate to the period before or after the Petition Date, shall be deemed to be, and shall be treated as though they are, contracts that are assumed pursuant to Bankruptcy Code Section 365 under the Plan.

## ARTICLE VI

### SETTLEMENT, RELEASE, INJUNCTION AND RELATED PROVISIONS

#### 6.1 Discharge of Claims

On and after the Effective Date: (a) the rights afforded in the Plan and the treatment of all Claims and Interests shall be in exchange for and in complete satisfaction, discharge, and release of all Claims and Interests of any nature whatsoever, including any interest accrued on such Claims from and after the Petition Date, against the Debtor or any of its assets, property, or estate; (b) the Plan shall bind all holders of Claims and Interests, notwithstanding whether any such holders failed to vote to accept or reject the Plan or voted to reject the Plan; (c) all Claims and Interests shall be satisfied, discharged, and released, and the Debtor's liability with respect thereto shall be extinguished completely, including any liability of the kind specified under Bankruptcy Code Section 502(g); and (d) all entities shall be precluded from asserting against the Debtor, the Reorganized Debtor, the Estate, their successors and assigns, and their assets and properties any other Claims or Interests based upon any documents, instruments, or any act or omission, transaction, or other activity of any kind or nature that occurred prior to the Effective Date, provided, however, that the foregoing discharge shall not apply to the Unreleased Dynege Claims.

#### 6.2 General Settlement of Claims and Interests

Pursuant to Bankruptcy Code Section 1123 and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases and other benefits provided under the Plan, upon the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and Equity Interests and controversies resolved pursuant to the Plan. All distributions made to holders of Allowed Claims or Interests in any Class are intended to and shall be final.

#### 6.3 Release of Liens

Except as otherwise provided in the Plan, the Genco Working Capital Facility Credit Agreement or in any contract, instrument, release or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed, all mortgages, deeds of trust, Liens, pledges or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title and interest of any holder of such mortgages, deeds of trust, Liens, pledges or other security interests shall revert to the Reorganized Debtor and its successors and assigns.

#### 6.4 Releases

##### (a) Releases by the Debtor

On and after the Effective Date, for good and valuable consideration, each Released Party is and is deemed released and discharged by the Debtor, the Reorganized Debtor, its Estate, and any successor to any of the foregoing, from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims that could be asserted on behalf of the Debtor that the Debtor, the Reorganized Debtor, or its Estate would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest, based on or relating to, or in any manner arising from, in whole or in part, the Debtor (including the management, ownership or operation thereof), the Debtor's restructuring efforts, intercompany transactions involving the Debtor or its subsidiaries, transactions involving the Debtor or its subsidiaries pursuant or related to the Shared Services Agreement, the Power Supply Agreement, or the Tax Sharing Agreement, the Genco Notes Indenture, any preference or avoidance claim relating to transfers made or obligations incurred by the Debtor or its subsidiaries pursuant to Bankruptcy Code Sections 544, 547, 548, and 549, the formulation, preparation, dissemination, or negotiation of the RSA or the Genco Working Capital Facility, or any contract, instrument, release, or other agreement or document created or entered into in connection with the RSA, the Exchange Offers, the Consent Solicitation, the Plan, the Chapter 11 Case, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of the New Securities pursuant to the Plan, or the distribution of property pursuant to the Plan or any other related agreement, or

upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing; provided, however, that notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release (a) any post-Effective Date obligations of any party or entity under the Plan or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or (b) any Claim or Cause of Action the Debtor, the Reorganized Debtor, or the Estate has or may have against its subsidiaries, including, but not limited to, with respect to the EEI Promissory Note.

(b) Releases by Holders of Claims and Interests

To the fullest extent permitted by applicable law, on and after the Effective Date, for good and valuable consideration, each holder of a Claim against or Interest in the Debtor (except for any holder of a Noteholder Claim in Class 5 that (i) (a) does not vote either to accept or to reject the Plan or (b) votes to reject the Plan and (ii) opts out of granting the releases set forth in this Section 6.4(b), pursuant to any Ballot cast on the Plan by such holder) is deemed to have released and discharged each of the Released Parties from any and all Claims and Causes of Action, whether known or unknown, including any derivative claims that could be asserted on behalf of the Debtor, that the Debtor, the Reorganized Debtor, or its Estate would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest, based on or relating to, or in any manner arising from, in whole or in part, the Debtor (including the management, ownership or operation thereof), the Debtor's restructuring efforts, intercompany transactions involving the Debtor or its subsidiaries, transactions involving the Debtor or its subsidiaries pursuant or related to the Shared Services Agreement, the Power Supply Agreement, or the Tax Sharing Agreement, the Genco Notes Indenture, any preference or avoidance claim relating to transfers made or obligations incurred by the Debtor or its subsidiaries pursuant to Bankruptcy Code Sections 544, 547, 548, and 549 or applicable state law, the formulation, preparation, dissemination, or negotiation of the RSA or the Genco Working Capital Facility, or any contract, instrument, release, or other agreement or document created or entered into in connection with the RSA, the Exchange Offers, the Consent Solicitation, the Plan, the Chapter 11 Case, the filing of the Chapter 11 Case, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of New Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing; provided, however, that notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release: (a) any post-Effective Date obligations of any party or entity under the Plan or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan; (b) any Claim or Cause of Action against a Released Party (other than the Debtor and its subsidiaries) based on or relating to, or in any manner arising from, securities existing on or before the Effective Date that were issued by a Released Party (other than the Debtor and its subsidiaries) or debt incurred by a Released Party (other than the Debtor and its subsidiaries); and (c) the Unreleased Dynegy Claims.

## 6.5 Exculpation and Limitation of Liability

No Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from any Claim, obligation, Cause of Action or liability for any Claim in connection with or arising out of the formulation, preparation, dissemination, or negotiation of the RSA or the Genco Working Capital Facility, or any contract, instrument, release, or other agreement or document created or entered into in connection with the RSA, the Exchange Offers, the Consent Solicitation, the Plan, the Chapter 11 Case, the filing of the Chapter 11 Case, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of New Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing, except for willful misconduct or gross negligence, but in all respects such entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities with respect to the foregoing; provided, however, that the foregoing exculpation shall not apply to the Unreleased Dynegy Claims. The Debtor, the Reorganized Debtor, Dynegy and the Consenting Noteholders (and each of their respective affiliates, agents, directors, officers, employees, advisors, and

attorneys) have participated in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of the New Securities pursuant to the Plan, and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan, including the issuance of any security thereunder.

## **6.6 Injunction**

(a) Except as provided in the Plan or the Confirmation Order, as of the Effective Date, all Persons that have held, currently hold, may hold, or allege that they hold, a Claim or other debt or liability that is discharged or an Interest or other right of an equity security holder that is Reinstated pursuant to the terms of the Plan are permanently enjoined from taking any of the following actions against the Debtor, the Reorganized Debtor, and their respective subsidiaries or their property on account of any such discharged Claims, debts, or liabilities or Reinstated Interests or rights: (i) commencing or continuing, in any manner or in any place, any action or other proceeding; (ii) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order; (iii) creating, perfecting, or enforcing any Lien or encumbrance; (iv) asserting a setoff, right of subrogation, or recoupment of any kind against any debt, liability, or obligation due to the Debtor or the Reorganized Debtor; or (v) commencing or continuing any action, in each such case in any manner, in any place, or against any Person that does not comply with or is inconsistent with the provisions of the Plan.

(b) Except as provided in the Plan or the Confirmation Order, as of the Effective Date, all Persons that have held, currently hold, or may hold, a Claim, obligation, suit, judgment, damage, demand, debt, right, cause of action, or liability that is released pursuant to Article VI hereof are permanently enjoined from taking any of the following actions on account of such released Claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action, or liabilities or Reinstated Interests or rights: (i) commencing or continuing, in any manner or in any place, any action or other proceeding; (ii) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order; (iii) creating, perfecting, or enforcing any Lien or encumbrance; (iv) asserting a setoff against any debt, liability, or obligation due to any released Person; or (v) commencing or continuing any action, in any manner, in any place, or against any Person that does not comply with or is inconsistent with the provisions of the Plan.

(c) Without limiting the effect of the foregoing provisions of this Section 6.6 upon any Person, by accepting distributions pursuant to the Plan, each holder of an Allowed Claim or Allowed Interests receiving distributions or having been Reinstated pursuant to the Plan shall be deemed to have specifically consented to the injunctions set forth in this Section 6.6.

## **ARTICLE VII**

### **PROVISIONS GOVERNING DISTRIBUTIONS**

#### **7.1 Distributions on Account of Claims Allowed as of the Effective Date**

Except as otherwise provided in the Plan, a Final Order, or as otherwise agreed to by the Debtor or the Reorganized Debtor (as the case may be) and the holder of the applicable Allowed Claim, the Reorganized Debtor shall make initial distributions under the Plan on account of Allowed Claims on or as soon as reasonably practicable after the Effective Date, subject to the Debtor's and Reorganized Debtor's right to object to Claims; provided, however, that (a) Allowed Administrative Claims with respect to liabilities incurred by the Debtor in the ordinary course of business during the Chapter 11 Case or assumed by the Debtor prior to the Effective Date shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business, or industry practice and (b) Allowed Priority Tax Claims shall be paid in accordance with Section 2.1(b). To the extent any Allowed Priority Tax Claim is not due and owing on the Effective Date, such Claim may be paid in full in Cash in accordance with the terms of any agreement between the Debtor or the Reorganized Debtor (as the case may be) and the holder of such Claim or as may be due and payable under applicable non-bankruptcy law or in the ordinary course of business.

## 7.2 Special Rules for Distributions to Holders of Disputed Claims

Notwithstanding any provision otherwise in the Plan and except as otherwise agreed by the relevant parties no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order. No reserve for Disputed Claims shall be required unless otherwise agreed by Dynegey or ordered by the Bankruptcy Court.

## 7.3 Disbursing Agent

On or before the Effective Date, the Debtor shall designate the Person(s) (whether the Reorganized Debtor or one or more independent third parties) to serve as the Disbursing Agent(s) under the Plan. All Distributions under the Plan shall be made by the Disbursing Agent on or as soon as is practicable after the Effective Date. The Debtor, the Reorganized Debtor, the Indenture Trustee and the Disbursing Agent, as applicable, shall not be required to give any bond or surety or other security for the performance of the duties of the Disbursing Agent unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Reorganized Debtor.

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

The Disbursing Agent(s) shall make distributions to the holders of the Allowed Claims in the same manner and to the same addresses as payments are made in the ordinary course of the Debtor's businesses; provided, however, that if a Proof of Claim references a different payment address, the address on the Proof of Claim shall be used. The Reorganized Debtor and the Disbursing Agent(s) shall have no obligation to attempt to locate any holder of an Allowed Claim other than by reviewing the Debtor's or Reorganized Debtor's books and records, and the Proofs of Claim filed against the Debtor (if any). The Debtor and Reorganized Debtor shall use all commercially reasonable efforts to provide the Disbursing Agent(s) with the amount of Claims and the identity and addresses of holders of Claims, in each case, as set forth in the Debtor's or Reorganized Debtor's books and records. Notwithstanding anything to the contrary contained in this Plan, distributions on account of Noteholder Claims shall be made to the account of, or at the direction of, the Indenture Trustee and shall be subject to the Indenture Trustee's Charging Lien.

If any Disbursing Agent is an independent third party, such Disbursing Agent shall receive, without further Bankruptcy Court approval, reasonable compensation for distribution services rendered pursuant to the Plan and reimbursement of reasonable out of pocket expenses incurred in connection with such services from the Reorganized Debtor.

## 7.4 Distributions on Account of Noteholder Claims

**THE DETAILED PROCEDURES WITH RESPECT TO PLAN DISTRIBUTIONS ON ACCOUNT OF THE GENCO NOTES WILL BE SET FORTH IN THE ELIGIBILITY LETTER, WHICH WILL BE SENT TO NOTEHOLDERS PROMPTLY AFTER THE PETITION DATE.**

**ANY HOLDER OF GENCO NOTES WHO FAILS TO FOLLOW THE INSTRUCTIONS IN THIS SECTION 7.4 AND THOSE SET FORTH IN THE ELIGIBILITY LETTER ON OR PRIOR TO ONE HUNDRED AND SIXTY-FIVE (165) DAYS AFTER THE EFFECTIVE DATE SHALL HAVE ITS NOTEHOLDER CLAIM AND ITS RIGHT TO ANY DISTRIBUTION IN RESPECT THEREOF PURSUANT TO THE PLAN OR OTHERWISE ON ACCOUNT OF SUCH NOTEHOLDER CLAIM DISCHARGED AND FORFEITED AND SHALL NOT PARTICIPATE IN ANY DISTRIBUTION UNDER THE PLAN IN RESPECT OF ITS NOTEHOLDER CLAIMS.**

**ANY PROPERTY IN RESPECT OF SUCH FORFEITED NOTEHOLDER CLAIM DISTRIBUTION SHALL REVERT TO DYNEGY OR THE REORGANIZED DEBTOR, AS APPLICABLE.**

**(a) Eligibility for Noteholders to Receive Distributions Under the Plan**

As a condition to participation under the Plan, each holder of a Noteholder Claim is required to review the Eligibility Letter (which will be distributed promptly after the Petition Date according to the terms hereof) and take the following actions, as applicable, to tender its Genco Notes.

- (i) Holders of Noteholder Claims that are Eligible Holders must:
  - A. on or before the Distribution Certification Deadline, complete the Book-Entry Confirmation Procedure (which will be fully described in the Eligibility Letter) for Eligible Holders; or
  - B. after the Distribution Certification Deadline, complete and return a duly completed Eligibility Letter to the Debtor or Reorganized Debtor, as applicable, together with any documents required in connection therewith.
- (ii) Holders of Noteholder Claims that are Non-Eligible Holders must:
  - A. on or before the Distribution Certification Deadline, complete the Book-Entry Confirmation Procedure (which will be fully described in the Eligibility Letter) for Non-Eligible Holders; or
  - B. after the Distribution Certification Deadline, complete and return a duly completed Eligibility Letter to the Debtor or Reorganized Debtor, as applicable, together with any documents required in connection therewith.

Detailed procedures and complete instructions for Noteholders with respect to distributions on account of the Genco Notes will be included in the Eligibility Letter (which will be sent after the Petition Date).

If any Genco Notes remain un-surrendered on the Effective Date, then on or promptly after the Effective Date, the Reorganized Debtor will request that DTC impose a “chill order” on any Genco Notes that have not been validly surrendered prior to the Distribution Certification Deadline.

**(b) Initial Noteholder Claim Distributions**

- (i) To Eligible Holders: On the Effective Date, the Disbursing Agent will distribute to or at the direction of the Indenture Trustee for distribution to Eligible Holders the Eligible Holder Distribution corresponding to each Eligible Holder that has completed the procedures specified in Section 7.4(a)(i) above prior to the Distribution Certification Deadline.
- (ii) To Non-Eligible Holders: On the Effective Date, the Disbursing Agent will distribute to or at the direction of the Indenture Trustee for distribution to Non-Eligible Holders the Non-Eligible Holder Distribution corresponding to each Non-Eligible Holder that has completed the procedures specified in clause Section 7.4(a)(ii) above prior to the Distribution Certification Deadline.

**(c) Interim Noteholder Claim Distributions**

On the date that is seventy-five (75) days following the Effective Date (the “**Interim Distribution Date**”), the Disbursing Agent will:

- (i) Deliver to each Eligible Holder that has completed the procedures specified in Section 7.4(a)(i) after the Distribution Certification Deadline but on or prior to the date that is sixty (60) days after the Effective Date, the Eligible Holder Distribution that such

Eligible Holder is entitled to receive under the Plan, which Eligible Holder Distribution will be delivered by crediting the DTC account specified by such Eligible Holder in their Eligibility Letter (via Deposit/Withdrawal at Custodian (“DWAC”) procedures in cooperation with and at the direction of the indenture trustee for the New Dynegy Notes). Eligible Holders will be compensated for any interest payments, pre-payments, repayments, redemptions or other distributions made from the Effective Date through and including such Interim Distribution Date, as if such Eligible Holder had received its New Securities on the Effective Date; and

- (ii) Deliver to each Non-Eligible Holder that has completed the procedures specified in Section 7.4(a)(ii) after the Distribution Certification Deadline but on or prior to the date that is sixty (60) days after the Effective Date, the Non-Eligible Holder Distribution that such Non-Eligible Holder is entitled to receive under the Plan, which Non-Eligible Holder Distribution will be delivered by crediting the bank account specified by such Non-Eligible Holder in the Eligibility Letter. Non-Eligible Holders receiving a Non-Eligible Holder Distribution on the Interim Distribution Date will not be entitled to interest on such Non-Eligible Holder Distribution with respect to the period after the Effective Date.

**(d) Final Noteholder Claim Distributions**

On the date that is one hundred and eighty (180) days following the Effective Date (the “**Final Distribution Date**”), the Disbursing Agent will:

- (i) Deliver to each Eligible Holder that has completed the procedures specified in Section 7.4(a)(i) after the deadline with respect to the Interim Distribution Date but on or prior to the date that is 165 days after the Effective Date, the Eligible Holder Distribution that such Eligible Holder is entitled to receive under the Plan, which Eligible Holder Distribution will be delivered by crediting the DTC account specified by such Eligible Holder in their Eligibility Letter (via DWAC procedures in cooperation with and at the direction of the indenture trustee for the New Dynegy Notes). Eligible Holders will be compensated for any interest payments, pre-payments, repayments, redemptions or other distributions made from the Effective Date through and including such Final Distribution Date, as if such Eligible Holder had received its New Securities on the Effective Date; and
- (ii) Deliver to each Non-Eligible Holder that has completed the procedures specified in Section 7.4(a)(ii) after the deadline with respect to the Interim Distribution Date but on or prior to the date that is 165 days after the Effective Date, the Non-Eligible Holder Distribution that such Non-Eligible Holder is entitled to receive under the Plan, which Non-Eligible Holder Distribution will be delivered by crediting the bank account specified by such Non-Eligible Holder in the Eligibility Letter. Non-Eligible Holders receiving a Non-Eligible Holder Distribution on the Final Distribution Date will not be entitled to interest on such Non-Eligible Holder Distribution with respect to the period after the Effective Date.

**(e) Forfeiture of Noteholder Claims Distribution**

The Disbursing Agent shall use reasonable best efforts to effect distributions to all holders of certificates or instruments relating to the Genco Notes and shall execute such other documents as might be necessary to effectuate the Plan. Detailed procedures with respect to distributions on account of the Genco Notes will be set forth in the Eligibility Letter.

**Any holder of Genco Notes who fails to follow the instructions set forth in this Section 7.4 and the Eligibility Letter on or prior to one hundred and sixty five (165) days after the Effective Date shall have its Claim and its distribution pursuant to the Plan on account of such Noteholder Claim discharged and forfeited**

**and shall not participate in any distribution under the Plan. Any property in respect of such forfeited Noteholder Claims will revert to Dynegy or the Reorganized Debtor, as applicable.**

## **7.5 Delivery of Distributions**

Except as otherwise provided in the Plan, distributions to holders of Allowed Claims, other than Noteholder Claims, shall be made to holders of record as of the Distribution Record Date by the Reorganized Debtor or the Disbursing Agent, as appropriate: (a) to the signatory set forth on any of the Proofs of Claim filed by such holder or other representative identified therein (or at the last known addresses of such holder if no Proof of Claim is filed or if the Debtor has not been notified in writing of a change of address); (b) at the addresses set forth in any written notices of address changes delivered to the Reorganized Debtor or the applicable Disbursing Agent, as appropriate, after the date of any related Proof of Claim; or (c) on any counsel that has appeared in the Chapter 11 Case on the holder's behalf. The Debtor shall have no obligation to recognize any transfer of Claims or Interests occurring on or after the Distribution Record Date; provided, however, that distributions on account of the Noteholder Claims shall be made in accordance with Section 7.4 above. Subject to this Article VII, distributions under the Plan on account of Allowed Claims shall not be subject to levy, garnishment, attachment, or like legal process, so that each holder of an Allowed Claim shall have and receive the benefit of the distributions in the manner set forth in the Plan. The Debtor, the Reorganized Debtor, the Indenture Trustee and the Disbursing Agent, as applicable, shall not incur any liability whatsoever on account of any distributions under the Plan except for fraud, gross negligence, or willful misconduct.

## **7.6 Calculation of Distribution Amounts of New Securities**

No fractional shares of New Securities shall be issued or distributed under the Plan. Each Person entitled to receive New Securities shall receive the total number of whole New Dynegy Warrants, and the principal amount of New Dynegy Notes to which such Person is entitled. Dynegy will issue the New Dynegy Notes in a minimum denomination of \$1.00 and in integral multiples of \$1.00 in excess thereof. The principal amount of New Dynegy Notes to be issued to any Eligible Holder will be rounded down to the nearest \$1.00. The amount of New Dynegy Warrants will be rounded down to the nearest whole number. No payment or distribution will be made with respect to any fractional portion of New Dynegy Notes or New Dynegy Warrants not received as a result of such rounding. Upon the allocation of all of the whole New Securities authorized under the Plan, all remaining fractional portions of the entitlements shall be cancelled and shall be of no further force and effect. The Disbursing Agent shall have the right to carry forward to subsequent distributions any applicable credits or debits arising from the rounding described in this paragraph.

## **7.7 Minimum; *De Minimis* Distributions**

Notwithstanding anything to the contrary contained in the Plan, the Disbursing Agent shall not be required to distribute Cash or other property to the holder of any Allowed Claim or Allowed Interest if the amount of Cash or other property to be distributed on account of such Allowed Claim or Allowed Interest is less than \$50. Any holder of an Allowed Claim or Allowed Interest on account of which the amount of Cash or other property to be distributed is less than such amount shall have such Claim or Interest, as applicable, discharged and shall be forever barred from asserting such Claim or Interest against the Debtor, the Reorganized Debtor, or their respective property. Any Cash or other property not distributed pursuant to this provision shall be the property of the Reorganized Debtor.

## **7.8 Section 4(a)(2) and Regulation S Exemptions**

Section 4(a)(2) of the Securities Act provides that the registration requirements of the Securities Act will not apply to "transactions by an issuer not involving any public offering." 15 U.S.C. § 77d(a)(2). In addition, 17 CFR 230.901 provides that for the purposes of the registration requirements of the Securities Act (15 U.S.C. § 77(e)), "the terms *offer*, *offer to sell*, *sell*, *sale*, and *offer to buy* shall be deemed to include offers and sales that occur within the United States and shall be deemed not to include offers and sales that occur outside the United States."

The New Securities are being issued only to Eligible Holders. Consequently, the Debtor believes that the solicitation of votes from Eligible Holders to accept or reject the Plan is not a public offering (and is therefore exempt from the registration requirements of Section 5 of the Securities Act pursuant to Section 4(a)(2) of the

Securities Act) or is an offering of securities outside the United States (and therefore is not subject to the registration requirements of Section 5 as set forth in Regulation S, 17 CFR 230.900 et seq).

The Debtor believes that the solicitation of votes from Non-Eligible Holders constitutes a cash tender offer for the Genco Notes that complies with Regulation 14E under the Securities Exchange Act of 1934, 240 CFR 14e-1 et seq.

## **7.9 Undeliverable and Unclaimed Distributions**

### **(a) Distributions Returned as Undeliverable**

If any distribution to a holder of an Allowed Claim is returned to the Reorganized Debtor or the Disbursing Agent as undeliverable or is otherwise unclaimed, no further distributions shall be made to such holder unless and until the Reorganized Debtor or the Disbursing Agent are notified in writing of such holder's then-current address or other necessary information for delivery. Subject to the succeeding sentence, the Reorganized Debtor or the Disbursing Agent shall retain undeliverable distributions until such time as a distribution becomes deliverable. Subject to Section 7.4 hereof, each holder of an Allowed Claim whose distribution remains (i) undeliverable for one hundred and eighty (180) days after the distribution is returned as undeliverable or (ii) otherwise has not been deposited, endorsed or negotiated within one hundred and eighty (180) days of the date of issuance shall have no claim to or interest in such distribution and shall be forever barred from receiving any distribution under the Plan. Nothing contained in this Plan shall require the Debtor, the Reorganized Debtor, the Indenture Trustee or the Disbursing Agent to attempt to locate any holder of an Allowed Claim.

### **(b) Reversion**

Subject to Section 7.4, any distribution under the Plan that is an Unclaimed Distribution for a period of one hundred and eighty (180) days after distribution shall be deemed unclaimed property under Bankruptcy Code Section 347(b) and such Unclaimed Distribution shall revert in the Reorganized Debtor. Upon such reversion, the Claim or Interest of any holder or its successors with respect to such property shall be cancelled, discharged, and forever barred notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws, or any provisions in any document governing the distribution that is an Unclaimed Distribution, to the contrary.

## **7.10 Determination of Allowability of Claims and Interests and Rights to Distributions**

**(a)** Only holders of Allowed Claims and Allowed Interests shall be entitled to receive distributions under the Plan.

**(b)** Unless otherwise provided in the Plan, the Disclosure Statement or an order of the Bankruptcy Court (including, *inter alia*, with respect to Claims subject to Bankruptcy Code Section 510(b)), there shall be no requirement for holders of Claims to file Proofs of Claim, or for holders of Interests to file any proofs of Interest; provided that the Reorganized Debtor reserves the right to establish a Bar Date for parties to file Proofs of Claim, which Bar Date will be approved by an order of the Bankruptcy Court; provided, further, that requests for payment of Administrative Claims must be filed by the Administrative Claims Bar Date pursuant to Section 2.1(a) hereof. With respect to Proofs of Claim and proofs of Interest that are filed with the Bankruptcy Court or Claims Agent, the Debtor or the Reorganized Debtor shall have the right to object to the Proofs of Claim or proofs of Interest in the Bankruptcy Court by the Claims Objection Deadline. The Debtor or the Reorganized Debtor shall have the right to dispute all Claims and Interests and alleged Claims and alleged Interests in any manner that would have been available to it had the Chapter 11 Case not been filed (including, without limitation, by declining to pay any alleged Claim or to recognize any alleged Interest), or may elect in its discretion to have any alleged Claim or Interest adjudicated by the Bankruptcy Court; provided, however, that notwithstanding anything to the contrary in this Plan, neither the Debtor nor the Reorganized Debtor shall dispute the Noteholder Claims Allowed pursuant to the Plan or the RSA Fee.

**(c)** No distributions shall be made on Disputed Claims until and unless such Disputed Claims become Allowed Claims.

**7.11 Timing of Distributions to Holders of Allowed Claims**

Except as otherwise provided herein or as ordered by the Bankruptcy Court, all distributions to holders of Allowed Claims shall be made on or as soon as reasonably practicable after the Effective Date or the date on which such Claim becomes Allowed; provided, however, for the avoidance of doubt, that distributions on account of Noteholder Claims hereunder shall be made on the terms described in Section 7.4 hereof. The Reorganized Debtor or the Disbursing Agent shall have the right, in its discretion, to accelerate any distribution occurring after the Effective Date if the facts and circumstances so warrant.

**7.12 Application of Distribution Record Date**

On the applicable Distribution Record Date, for all Claims other than Noteholder Claims, the records of the Debtor shall be closed for purposes of determining the record holders of Claims or Interests, and there shall be no further changes in the record holders of any Claims or Interests. Except as provided herein, the Reorganized Debtor, the Disbursing Agent(s), the Indenture Trustee, and each of their respective agents, successors, and assigns shall have no obligation to recognize any transfer of Claims or Interests occurring after the Distribution Record Date and shall be entitled instead to recognize and deal for all purposes hereunder with only those record holders stated on the applicable books and records, claims registers or transfer ledgers as of the close of business on the Distribution Record Date irrespective of the number of distributions to be made under the Plan to such Persons or the date of such distributions.

**7.13 Withholding and Reporting Requirements**

In connection with the Plan and all distributions hereunder, the applicable Disbursing Agent shall, to the extent applicable, comply with all tax withholding and reporting requirements imposed by any federal, state, provincial, local, or foreign taxing authority, and all distributions hereunder shall be subject to any such withholding and reporting requirements. The Disbursing Agent(s) shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements including, without limitation, requiring that, as a condition to the receipt of a distribution, the holder of an Allowed Claim complete the appropriate IRS Form W-8 or IRS Form W-9, as applicable to each holder. Notwithstanding any other provision of the Plan, (a) each holder of an Allowed Claim that is to receive a distribution pursuant to the Plan shall have sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed on such holder by any governmental unit, including income and other tax obligations, on account of such distribution, and (b) no distribution shall be made to or on behalf of such holder pursuant to the Plan unless and until such holder has made arrangements satisfactory to the applicable Disbursing Agent to allow it to comply with its tax withholding and reporting requirements. Any property to be distributed pursuant to the Plan shall, pending the implementation of such arrangements, be treated as an undeliverable distribution to be held by the Indenture Trustee or the Disbursing Agent, as the case may be, until such time as the Disbursing Agent is satisfied with the holder's arrangements for any withholding tax obligations.

**7.14 Setoffs**

Except as otherwise provided in the Plan, the Reorganized Debtor may, but shall not be required to, set off against any Claim, and the payments or other distributions to be made pursuant to the Plan in respect of such Claim, claims of any nature whatsoever that the Debtor or the Reorganized Debtor may have against the holder of such Claim; provided, however, that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Reorganized Debtor of any such claim that the Debtor or the Reorganized Debtor may have against such holder.

**7.15 Prepayment**

Except as otherwise provided in the Plan, any ancillary documents entered into in connection herewith, or the Confirmation Order, the Reorganized Debtor shall have the right to prepay, without penalty, all or any portion of an Allowed Claim at any time; provided, however, that any such prepayment shall not be violative of, or otherwise prejudice, the relative priorities and parities among the Classes of Claims.

**7.16 Allocation of Distributions**

All distributions received under the Plan by holders of applicable Claims shall be deemed to be allocated first to the principal amount of such Claim as determined for United States federal income tax purposes and then to accrued interest, if any, with respect to such Claim.

**7.17 Estimation of Claims**

The Debtor or the Reorganized Debtor, as applicable, may at any time request that the Bankruptcy Court estimate any contingent, unliquidated or Disputed Claim pursuant to Bankruptcy Code Section 502(c) regardless of whether the Debtor previously objected to such Claim, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Reorganized Debtor may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation and resolution procedures are intended to be cumulative and not exclusive of one another. **10.12 Severability of Plan Provisions**

If, prior to Confirmation, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is (i) valid and enforceable pursuant to its terms, (ii) integral to the Plan and may not be deleted or modified without the consent of Dynegey, the Debtor and the Consenting Noteholders in accordance with the RSA, and (iii) nonseverable and mutually dependent. Unless the Bankruptcy Court orders otherwise, any ambiguities or uncertainties with respect to interpretation of the Plan, the Plan Supplement, the Disclosure Statement or any other document related thereto shall be interpreted based on the Debtor's or the Reorganized Debtor's interpretation thereof.

**10.13 Revocation, Withdrawal, or Non-Consummation**

**10.14 Reservation of Rights**

Except as expressly set forth in the Plan, the Plan shall have no force or effect unless the Bankruptcy Court shall enter the Confirmation Order, and the Confirmation Order shall have no force or effect if the Effective Date does not occur. None of the filing of the Plan, any statement or provision contained in the Plan or the taking of any

action by the Debtor with respect to the Plan, the Disclosure Statement or the Plan Supplement shall be or shall be deemed to be an admission or waiver of any rights of the Debtor with respect to the holders of Claims or Equity prior to the Effective Date.

#### **10.15 Votes Solicited in Good Faith**

Upon entry of the Confirmation Order, the Debtor will be deemed to have solicited votes on the Plan in good faith and in compliance with the Bankruptcy Code, and pursuant to Bankruptcy Code Section 1125(e), the Debtor and each of its Affiliates, agents, representatives, members, principals, shareholders, officers, directors, employees, advisors and attorneys will be deemed to have participated in good faith and in compliance with the Bankruptcy Code in the offer and issuance of the New Securities distributed under the Plan, and, therefore, such parties, individuals and the Debtor will not have any liability for the violation of any applicable law, rule or regulation governing the solicitation of votes on the Plan or the offer and issuance of the securities offered and distributed under the Plan.

#### **10.16 Waiver or Estoppel**

**The Plan provides that each holder of a Claim or an Interest shall be deemed to have waived any right to assert any argument, including the right to argue that its Claim or Interest should be Allowed in a certain amount, in a certain priority, secured or not subordinated by virtue of an agreement made with the Debtor, its counsel or any other Entity, if such agreement was not disclosed in the Plan, the Disclosure Statement or documents filed with the Bankruptcy Court prior to the Confirmation Date. For the avoidance of doubt, this provision in the Plan is not intended to limit a creditor's ability to enter into a consensual post-confirmation resolution of its Claim.**

---

<sup>3</sup> The amount of the Tranche B Revolving Credit Facility may be adjusted based on adjustments, as of the Effective Date, to a number of assumptions underlying the contemplated amount of \$100 million, including Genco’s actual cash balance immediately prior to the Effective Date, actual and projected remaining transaction costs, and other items, in the reasonable determination of Dynegy, Genco and the Consenting Noteholders in accordance with the RSA.

Default Rate:	At any time when a payment event of default (with respect to any principal, interest, premiums or fees) or bankruptcy event of default with respect to the Borrower under the First Lien Revolving Credit Facilities exists, overdue amounts shall bear interest, to the fullest extent permitted by law, at (i) in the case of principal or interest, 2.00% per annum above the interest rate then borne by (in the case of such principal) such borrowings or (in the case of interest) the borrowings to which such overdue amount relates or (ii) in the case of fees and other amounts, 2.00% per annum in excess of the interest rate then applicable to the Loans.

Notwithstanding the foregoing, (x) the Collateral will exclude all Excluded Assets (or similar term) as defined in the Dynegy Credit Documents and (y) and no mortgage shall be required except to the extent requested by the Lender and corresponding mortgages have been provided to the Collateral Trustee pursuant to the requirements of the Dynegy Credit Agreement and the Dynegy Credit Documents.

The Credit Documentation will provide for intercreditor arrangements that will allow for the Dynegy Priority Debt to be secured by a lien on the Collateral on a senior basis to the First Lien Revolving Credit Facilities.

**Certain Conditions**

**Conditions to Closing:**

The effectiveness of the First Lien Revolving Credit Facility and the initial funding thereunder shall be subject to usual and customary conditions for transactions of this type and consistent with the Documentation Principles (as defined below), as well as each of the conditions to closing the Genco Working Capital Facility and the effectiveness of the Plan, including, without limitation (1) the entry of a satisfactory Confirmation Order (without stay, modification or appeal) and the effectiveness of the Plan under the RSA and receipt of requisite regulatory approvals and (2) that the Bankruptcy Court shall not have required the Borrower or any of its subsidiaries to establish a reserve or reserves for disputed claims in an aggregate amount in excess of \$10 million.

Conditions to all Loans: The making of each Loan, in each case, shall be conditioned upon (a) the accuracy in all material respects of all representations and warranties in the Credit Documentation, (b) there being no default or event of default in existence at the time of, or after giving effect to the making of, such extension of credit and (c) delivery of a customary borrowing notice.

Additionally, the Borrower may not incur any Tranche B Loans, if (after giving effect to the incurrence thereof and the use of proceeds therefrom and any cash or cash equivalents on hand to pay the Cash Consideration) the Borrower and its subsidiaries would hold cash and cash equivalents on such date of incurrence in an aggregate amount in excess of an amount to be mutually agreed upon.

### **Documentation**

Representations and Warranties: Usual and customary for transactions of this type and consistent with the Documentation Principles.

Affirmative Covenants: Usual and customary for transactions of this type and consistent with the Documentation Principles.

Negative Covenants: Usual and customary for transactions of this type and consistent with the Documentation Principles (including the Borrower and its subsidiaries holding cash and cash equivalents in excess of an amount to be agreed at any time Tranche B Loans are outstanding).

Events of Default: Usual and customary for transactions of this type and consistent with the Documentation Principles.

Documentation Principles: The definitive documentation with respect to the First Lien Revolving Credit Facilities (the “Credit Documentation”) shall (a) be drafted by counsel to Dynegy, (b) provide for maximum aggregate borrowings of Tranche A Loans by the Borrower in an amount sufficient to establish feasibility of the Plan (as defined in the Genco RSA), as reasonably agreed by Dynegy, the Borrower and the Majority Consenting Noteholders (as defined in the Genco RSA), (c) be in form and substance usual and customary for transactions of this type, (d) incorporate the terms set forth in this term sheet, (e) be consistent with the requirements of the Genco RSA and (f) otherwise be in form and substance mutually acceptable to Dynegy and the Borrower (the preceding, the “Documentation Principles”).

Voting: Usual and customary for transactions of this type and consistent with the Documentation Principles.

Pledges of Loans: Pledges of Loans in accordance with applicable law or as collateral pursuant to the Dynegy Credit Documents shall be permitted without restriction.

Yield Protection and Taxes: The Credit Documentation shall contain customary provisions protecting the Lender against increased costs or loss of yield resulting from changes in reserve, capital adequacy and other requirements of

law (including provisions relating to Dodd Frank and Basel III). The Credit Documentation shall contain a customary tax gross up provision, it being understood that there will be a customary exception to the gross-up obligations for, among others, withholding taxes imposed as a result of the failure of the Lender to comply with the requirements of current Sections 1471 through 1474 of the Internal Revenue Code as in effect on the Closing Date.

Expenses and Indemnification:

The Borrower shall, within 15 days of a written demand therefor, pay (a) all reasonable and documented out-of-pocket expenses of the Lender incurred on, prior to or after the Closing Date associated with the preparation, execution, delivery and administration of the Credit Documentation and any amendment or waiver with respect thereto (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to the Lender and, if necessary, of one local counsel in any relevant jurisdiction) and (b) all reasonable and documented out-of-pocket expenses of the Lender (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to the Lender and, if necessary, of one local counsel in any relevant jurisdiction) in connection with the enforcement of the Credit Documentation.

The Lender (and its affiliates and their respective officers, directors, employees, agents, advisors and other representatives) (each, an "indemnified person") will be indemnified for and held harmless against, any losses, claims, damages, liabilities or expenses (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all indemnified persons taken as a whole and, solely in the case of an actual or perceived conflict of interest, one additional counsel to all affected indemnified persons taken as a whole, and, if reasonably necessary, one local counsel in any relevant jurisdiction to all indemnified persons, taken as a whole) incurred in respect of the First Lien Revolving Credit Facilities or the use or the proposed use of proceeds thereof, except to the extent arising from the gross negligence, bad faith or willful misconduct of, or material breach of the Credit Documentation by, such indemnified person, in each case as determined by a final, non-appealable judgment of a court of competent jurisdiction or any dispute solely among the indemnified persons and not arising out of any act or omission of the Borrower or any of its subsidiaries.

## Liquidation Analysis

### Overview of the Hypothetical Liquidation Analysis

Genco, with the assistance of Ducera Partners LLC, Genco's financial advisor, prepared this hypothetical liquidation analysis (the "**Liquidation Analysis**") in connection with the Offering Memorandum and Disclosure Statement<sup>1</sup> for the purpose of evaluating whether the Plan meets the "best interest of creditors" test of section 1129(a)(7) of the Bankruptcy Code. Genco believes that the Plan meets this test and that the members of each impaired class that have not voted to accept the Plan or that are not deemed to accept the Plan will receive under the Plan at least as much as they would if Genco were liquidated under Chapter 7 of the Bankruptcy Code.

In determining whether the best interests of creditors test has been met, the first step is to estimate cash proceeds that would be realized if Genco were to be liquidated in accordance with Chapter 7 of the Bankruptcy Code. This Liquidation Analysis provides estimates of the proceeds that may be generated as a result of a hypothetical liquidation of the assets of Genco under Chapter 7 of the Bankruptcy Code. The Liquidation Analysis envisions the orderly liquidation of substantially all of Genco's operations, including those of its non-debtor subsidiaries, by a Bankruptcy Court administered trustee. The table below is shown on a consolidated basis for illustrative purposes only.

### Limitations of the Liquidation Analysis

The determination of the hypothetical proceeds from the liquidation of assets is, by its nature, a highly uncertain process involving the extensive use of estimates and assumptions which, although considered reasonable by Genco's management and their advisors, are inherently subject to significant business, economic and competitive uncertainties and contingencies beyond the control of Genco and its management. Accordingly, there can be no assurance that the values reflected in the Liquidation Analysis would be realized if Genco was, in fact, to undergo a liquidation under Chapter 7 of the Bankruptcy Code, and actual results could vary materially and adversely from those shown here.

The liquidation analysis does not assume a going concern liquidation of Genco's plants. A going concern sale of Genco's assets may be limited in several respects given both positive aspects of operating within the broader IPH structure as well as environmental considerations, including in particular shared, group-based permitting bubble for SO<sub>2</sub> and NO<sub>x</sub> emissions limitations that would need to be broken apart into plant specific limits, which may not be possible under current regulations. In the absence of resolution of the shared permitting bubble, both Genco and IPRG would be jointly and severally liable for each other's permit violations.

NEITHER GENCO NOR ITS ADVISORS MAKE ANY REPRESENTATIONS OR WARRANTIES REGARDING THE ACCURACY OF THE ESTIMATES AND ASSUMPTIONS OR THE ABILITY TO ACHIEVE FORECASTED RESULTS.

NOTHING CONTAINED IN THIS LIQUIDATION ANALYSIS IS INTENDED TO BE OR CONSTITUTES A CONCESSION OR ADMISSION OF GENCO.

EVENTS AND CIRCUMSTANCES OCCURRING SUBSEQUENT TO THE DATE ON WHICH THIS LIQUIDATION ANALYSIS WAS PREPARED MAY BE DIFFERENT FROM THOSE ASSUMED, OR, ALTERNATIVELY, MAY HAVE BEEN UNANTICIPATED, AND THUS THE OCCURRENCE OF THESE EVENTS MAY AFFECT THE ANALYSES IN A MATERIALLY ADVERSE OR MATERIALLY BENEFICIAL MANNER. GENCO DOES NOT INTEND AND DOES NOT UNDERTAKE ANY OBLIGATION TO UPDATE OR OTHERWISE REVISE THIS LIQUIDATION ANALYSIS (OR ANY OTHER PART OF THE OFFERING MEMORANDUM AND DISCLOSURE STATEMENT) TO REFLECT EVENTS OR CIRCUMSTANCES EXISTING OR ARISING AFTER THIS LIQUIDATION ANALYSIS IS PREPARED OR TO REFLECT THE OCCURRENCE OF UNANTICIPATED EVENTS. THEREFORE, THIS LIQUIDATION ANALYSIS SHOULD NOT BE RELIED ON AS A GUARANTEE OR OTHER ASSURANCE OF THE ACTUAL RESULTS THAT WILL OCCUR. IN DECIDING WHETHER TO VOTE TO ACCEPT OR REJECT THE PLAN, HOLDERS OF CLAIMS MUST MAKE THEIR OWN DETERMINATIONS AS TO THE REASONABLENESS OF SUCH ASSUMPTIONS AND THE RELIABILITY OF THIS LIQUIDATION ANALYSIS.

THIS LIQUIDATION ANALYSIS WAS DEVELOPED SOLELY FOR PURPOSES OF THE OFFERING MEMORANDUM AND DISCLOSURE STATEMENT AND PLAN AND TO ENABLE THE HOLDERS OF CLAIMS ENTITLED TO VOTE ON THE PLAN TO MAKE AN INFORMED JUDGMENT ABOUT THE RESTRUCTURING AND PLAN, AND IT SHOULD NOT BE USED OR RELIED ON FOR ANY OTHER PURPOSE, INCLUDING THE PURCHASE OR SALE OF SECURITIES OF, OR CLAIMS OR INTERESTS IN, GENCO OR ANY OF ITS AFFILIATES.

All information contained in the Liquidation Analysis is unaudited and subject to material change. Genco and its bankruptcy advisors undertake no obligation to update or revise the Liquidation Analysis. **Liquidation Analysis Notes**

The following notes (the “**Liquidation Analysis Notes**”) present the general assumptions that were used in preparing the above Liquidation Analysis. The estimated proceeds per the Liquidation Analysis are based on certain assumptions regarding Genco’s assets and the costs to liquidate these assets under Chapter 7 of the Bankruptcy Code. The preparation of this Liquidation Analysis involved extensive use of estimates and assumptions.

The following presents the general assumptions that were used in preparing the Liquidation Analysis assuming a Chapter 7 case in which a Chapter 7 trustee is charged with reducing to cash any and all assets of Genco and making distributions to the holders of Allowed Claims and Interests in accordance with the distribution provisions of section 726 of the Bankruptcy Code.

**GLOBAL NOTES**

- A. **Liquidation Balance.** Except as otherwise set forth in the Specific Notes below, the amounts set forth in the columns labeled “Book Value” represent the unaudited book value of the relevant asset or liability as of September 30, 2016.
- B. **Blended Recovery Estimates.** The recovery estimates for each asset category set forth in the Liquidation Analysis are blended rates based on the recovery rates assumed for various assets within such category, as described in the Specific Notes below.
- C. **Tax Consequences.** The Liquidation Analysis does not include estimates of the tax obligations that may be triggered upon the liquidation, deconsolidation, and sale events that may occur as a result of the hypothetical liquidation described herein. The taxes that may be triggered upon a liquidation may be material.
- D. **No Discounting to Present Value.** Except as otherwise noted in the Specific Notes below, the Liquidation Analysis does not consider the discounting over time of asset values and creditor recoveries, which would likely result in significantly lower recoveries to holders of Claims and Interests than those estimated recoveries presented in the Liquidation Analysis.
- E. **Estimation of Claims.** In preparing the Liquidation Analysis, Genco has estimated an amount of allowed Claims for each Class of claimants based upon a review of Genco’s balance sheets as of September 30, 2016, except as otherwise noted in the Specific Notes below. The estimate of all Allowed Claims in the Liquidation Analysis is based on the par value of those Claims. The estimate of the amount of Allowed Claims and priority of such Claims set forth in the Liquidation Analysis should not be relied upon for any other purpose, including, without limitation, any determination of the value of any distribution to be made on account of Allowed Claims under the Plan. The actual amount of Allowed Claims could be materially different from the amount of Claims estimated in the Liquidation Analysis.

### SPECIFIC NOTES

- A. **Cash and Equivalents.** Cash balances reflect cash on Genco's balance sheet including restricted cash (which is used to satisfy various cash-backed claims). The Liquidation Analysis assumes 100% recovery on cash and equivalents.
- B. **Accounts Receivable – Affiliates.** Accounts Receivable – Affiliates includes receivables from affiliates, including receivables from IPM. Such receivables may be subject to risk in the event the hypothetical liquidation were to impact the ability of such affiliates to continue as a going-concern. As such, a recovery estimate of 65-75% has been applied based on discussions with management.
- C. **Accounts Receivable.** Accounts Receivable consists primarily of rebates that may be subject to offset and includes both accruals and other accounts receivable from third parties. Collections during the liquidation of Genco may be impacted as customers potentially offset damage claims relating to contract rejections against Genco's receivables. As such, a net recovery estimate of 0-10% has been assumed based on discussions with management.
- D. **Inventory.** Inventories includes coal inventory, materials and supplies, in transit inventory, limestone inventory and fuel inventory used in Genco's operations. The Liquidation Analysis assumes coal inventory, limestone and fuel inventory are monetized through a burn-down of the inventory levels that begins in advance of commencing the liquidation process. The Liquidation Analysis assumes a burn-down of inventory over a 2-3 month period, with such incremental cash flows illustrated as recovery on such inventory. Excess consumable inventory is assumed to be monetized, however, recovery may vary by product with a recovery estimate of 40-50% applied based on discussions with management. Coal inventory in transit is assumed to be diverted and as such a recovery estimate of 70-80% has been applied. Materials and supplies at Genco's facilities are assumed to be sold in a liquidation, however, given market dynamics and plant specific nature of such supplies, a recovery estimate of 10-20% has been applied based on discussions with management.
- E. **Prepaid Expenses and Other Current Assets.** Genco's prepaid expenses and other current assets include prepaid insurance, franchise taxes, rent, leases and third party collateral postings. Prepaid insurance consists of a number of policies primarily related to work on a scrubber at Genco's plant in Newton, IL. While a portion of such prepaid assets may be recovered, there is no certainty on the time required to release such deposits. As such a 75-85% recovery estimate has been applied based on discussions with management. Recovery on taxes range based on the type of tax. Prepaid sales taxes may be recoverable, however, timing and cost to recover such amounts may be significant. As such, a recovery estimate of 70-80% has been applied based on discussions with management. Other prepaid use taxes are not assumed to be recoverable in the event of a liquidation.
- F. **Property, Plant and Equipment ("PP&E").** PP&E includes buildings, land, machinery and equipment owned by Genco. The Liquidation Analysis assumes that PP&E is sold through a scrap liquidation process, with a range of recovery estimates based on the type of equipment, plant specific nature of such equipment and potential resale opportunities. The ability to monetize Genco's sizeable land holdings is assumed to be negated by the resolution of asset retirement obligation ("ARO") liabilities at such locations. Certain mobile equipment (including cranes, trucks and forklifts) and environmental assets may be monetized at higher recovery levels while software and computer equipment is likely to receive little value. As such, recovery estimates of 0-30% have been applied based on discussions with management.
- G. **Other Long Term Assets.** Other Long Term Assets includes certain non-refundable voluntary employees beneficiary association ("VEBA") assets, and limited miscellaneous other assets. It is assumed that overfunded VEBA obligations would not be available to the estate in a liquidation. As such, a recovery estimate of 0% has been applied to VEBA assets based on discussions with management.

**Claims:**

- H. **Chapter 7 Trustee Fees.** Section 326 of Bankruptcy Code permits the allowance of reasonable chapter 7 trustee fees not to exceed 3% for gross liquidation proceeds in excess of \$1 million. For purposes of the Liquidation Analyses, Genco has assumed that Chapter 7 trustee fees will equal 3% of gross liquidation proceeds.
- I. **Net Recovery to Structurally Senior Claims.** Creditors of Genco's subsidiaries, including Genco and other intercompany claimants, are assumed to receive recovery based on the priority of their claims, with remaining value distributed to the subsidiaries' equity holders. Taking into account Genco's claims against its subsidiaries (including under a promissory note from EEI), which would share ratably with other claims of equal priority, it is anticipated that \$10.9 to \$13.8 million of proceeds at Genco's subsidiaries would not be available to Genco's creditors in a hypothetical liquidation due to the structural seniority of claims at the operating subsidiary level.
- J. **Priority Claims**
- **Tax Claims.** All tax claims are assumed to receive priority treatment in the Liquidation Analysis. For purposes of the Liquidation Analysis, tax claims include accrued ad valorem, accrued use taxes and payroll taxes. Deferred tax liabilities at Genco are excluded from priority claims as these balance sheet values are driven by the accounting treatment of depreciation relative to tax depreciation and do not represent current taxes payable. It is not anticipated that any claim related to these liabilities would be asserted, however, if a value is required to satisfy these liabilities unsecured creditor recoveries could be reduced.
  - **Professional Fees.** The Liquidation Analysis assumes professional fees (in addition to Chapter 7 trustee fees) to assist with the wind down process of 1% of the gross liquidation proceeds.
  - **Administrative and Priority Claims.** Administrative and priority claims consist of an estimate of Genco's unpaid post-petition operating expenses as well as 503(b)(9) claims, Priority Tax Claims, and Other Priority Claims. For illustrative purposes, no other administrative or priority Claims are assumed in the waterfall, including any estimates for post-petition accounts payable at the time of the liquidation. Any additional Claims would reduce recoveries illustrated in the Liquidation Analysis.
  - **Labor, Pension and OPEB Claims.** Certain subsidiaries have Pension and other postemployment benefits ("OPEB") Claims that are subject to priority treatment, estimated at approximately \$6.5 million. Such Claims are satisfied at the respective subsidiary level. The remainder of the underfunded amounts are assumed to be general unsecured obligations of such subsidiaries and share ratably in recoveries with other general unsecured Claims of the respective entities. This analysis does not take into consideration any survivor liability that may provide Pension and OPEB obligations with recourse to Dynegy. Accrued wages are assumed to be classified as priority Claims.
- K. **Secured Claims.** Secured Claims include collateralized obligations related to railcar lease agreements and certain refinery agreements. No other third party claims (asserted or otherwise) are reflected in the Liquidation Analysis. Any additional claims would reduce recoveries illustrated in the Liquidation Analysis. The Secured Claims are assumed to be satisfied in full, using cash collateral and letter of credit ("LC") support (provided under a facility at IPM). No additional claims from IPM related to such LC draws are assumed to be incurred at Genco.

An entity has asserted secured and unsecured Claims against Genco totaling approximately \$45 million and \$35 million, respectively, neither of which are reflected in the Liquidation Analysis as

Genco does not believe these Claims have any merit. If either Claim were included in the Liquidation Analysis, creditor recoveries would be reduced.

- L. **General Unsecured Obligations - Genco Notes.** The Genco Notes are assumed to consist of par plus accrued and unpaid interest as of December 6, 2016. The Genco Notes are assumed to be pari passu with other general unsecured obligations of Genco, but structurally junior to general unsecured obligations of Genco's subsidiaries. The Genco Notes are assumed to share ratably in recoveries with other general unsecured Claims at Genco.
- M. **General Unsecured Obligations – Other than Genco Notes.** For purposes of this analysis, all intercompany Claims and promissory notes as well as certain labor obligations are assumed to be general unsecured obligations of the respective entities. For purposes of the Liquidation Analysis, AROs are assumed to be general unsecured obligations and share ratably in recoveries with other general unsecured Claims. AROs at Genco are primarily related to coal ash ponds at Genco's plants. The ARO claim value represents the payments required to satisfy the obligations discounted to September 30, 2016. Additional general unsecured Claims related to a hypothetical chapter 7 filing, including contract rejection Claims, coal sales agreements, gas transportation and storage agreements, EPA obligations, other obligations to Independent System Operators and other related Claims triggered by a liquidation are difficult to estimate, are likely to be disputed and may be subject to offset. As such, additional potential general unsecured Claims are not included in the illustrative claim levels.

## Financial Projections

### Overview of the Financial Projections

Genco believes that the Plan meets the feasibility requirement set forth in section 1129(a)(11) of the Bankruptcy Code, as confirmation of the Plan is not likely to be followed by liquidation or the need for further financial reorganization of Genco. In connection with the planning and development of a plan of reorganization and for the purposes of determining whether such plan would satisfy this feasibility standard, Genco analyzed its ability to satisfy its financial obligations while maintaining sufficient liquidity and capital resources.

In connection with the Offering Memorandum and Disclosure Statement,<sup>1</sup> Genco's management team prepared financial projections (the "**Financial Projections**") for the years 2017 through 2020 (the "**Projection Period**"). The Financial Projections were prepared by Genco's management, with the assistance of Genco's advisors, and are based on a number of assumptions with respect to the future performance of the reorganized Genco's operations. Genco's financial advisors have relied upon the accuracy and completeness of financial and other information furnished by Genco's management and did not attempt to independently audit or verify such information. The Financial Projections present, to the best of Genco's knowledge and belief, Genco's expected financial position, results of operations, and cash flows for each of the years reflected in the Projection Period. The Financial Projections include a projected income statement, balance sheet and statement of cash flow for the years ending during the Projection Period. The assumptions disclosed herein are those that Genco believes are significant to the Financial Projections. Because events and circumstances do not always occur as expected, there will inevitably be differences between the projected and actual results; some of which may be material.

GENCO DOES NOT, AS A MATTER OF COURSE, PUBLISH ITS BUSINESS PLANS, BUDGETS OR STRATEGIES OR MAKE EXTERNAL PROJECTIONS OR FORECASTS OF ITS ANTICIPATED FINANCIAL POSITIONS, RESULTS OF OPERATIONS, CASH FLOWS, REVENUES AND GROWTH RATES. ACCORDINGLY, GENCO DOES NOT ANTICIPATE THAT IT WILL, AND DISCLAIMS ANY OBLIGATION TO, FURNISH UPDATED BUSINESS PLANS, BUDGETS, STRATEGIES, PROJECTIONS OR FORECASTS PRIOR TO THE EFFECTIVE DATE OF ANY PLAN OR TO INCLUDE SUCH INFORMATION IN DOCUMENTS REQUIRED TO BE FILED WITH THE SECURITIES AND EXCHANGE COMMISSION OR OTHERWISE MAKE SUCH INFORMATION PUBLICLY AVAILABLE.

THE PROJECTIONS, WHILE PRESENTED WITH NUMERICAL SPECIFICITY, ARE NECESSARILY BASED ON A VARIETY OF ESTIMATES AND ASSUMPTIONS, WHICH, THOUGH CONSIDERED REASONABLE BY GENCO'S MANAGEMENT, MAY NOT BE REALIZED, AND ARE INHERENTLY SUBJECT TO SIGNIFICANT BUSINESS, ECONOMIC AND COMPETITIVE UNCERTAINTIES AND CONTINGENCIES, MANY OF WHICH ARE BEYOND GENCO'S CONTROL. THESE UNCERTAINTIES INCLUDE,

<sup>1</sup> Capitalized terms used but not defined herein have the meanings ascribed to such terms in the *Offering Memorandum and Indenture Consent Solicitation Statement and Disclosure Statement Soliciting Acceptances of a Prepackaged Plan of Reorganization* (the "**Offering Memorandum and Disclosure Statement**"), to which this Liquidation Analysis is attached.

AMONG OTHER THINGS, THE ULTIMATE OUTCOME AND CONTENTS OF A CONFIRMED PLAN OF REORGANIZATION AND THE TIMING OF THE CONFIRMATION OF SUCH PLAN. GENCO CAUTIONS THAT NO REPRESENTATIONS CAN BE MADE AS TO THE ACCURACY OF THE PROJECTIONS AND RELATED INFORMATION OR AS TO THE REORGANIZED DEBTOR'S ABILITY TO ACHIEVE THE PROJECTED RESULTS. SOME ASSUMPTIONS INEVITABLY WILL NOT MATERIALIZE AND EVENTS AND CIRCUMSTANCES OCCURRING SUBSEQUENT TO THE DATE OF THE OFFERING MEMORANDUM AND DISCLOSURE STATEMENT MAY BE DIFFERENT FROM THOSE ASSUMED OR MAY BE UNANTICIPATED, AND THUS MAY AFFECT GENCO'S FINANCIAL RESULTS IN A MATERIAL AND POSSIBLY ADVERSE MANNER. THE PROJECTIONS AND RELATED INFORMATION, THEREFORE, MAY NOT BE RELIED UPON AS A GUARANTY OR OTHER ASSURANCE OF THE ACTUAL RESULTS THAT WILL OCCUR.

Genco's auditor has neither examined nor compiled the accompanying Financial Projections and, accordingly, does not express an opinion or any other form of assurance with respect thereto. The Financial Projections were not prepared with a view toward compliance with published guidelines of the Securities and Exchange Commission or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information, including, without limitation, the American Institute of Certified Public Accountants' Statement of Position 90-7, Financial Reporting by Entities in Reorganization Under the Bankruptcy Code. The Financial Projections, unless otherwise noted, are not in compliance with Generally Accepted Accounting Principles.

### **Projection Assumptions**

The Financial Projections have been prepared in good faith based upon assumptions believed to be reasonable by Genco, including assumptions related to the financial accounts of Genco, which are based upon Genco's estimates and market conditions, including energy and capacity market conditions.

Genco, with the assistance of its advisors, prepared the Financial Projections to include the next four years (2017-2020) ending December 31. The Financial Projections are based on a number of assumptions, and while Genco has prepared the Financial Projections in good faith and believes the assumptions to be reasonable, it is important to note that actual results may be different. The Financial Projections should be read in conjunction with the assumptions, qualifications and notes contained herein, the risk factors described under the heading "Risk Factors" in the Offering Memorandum and Disclosure Statement, and the historical financial statements of Genco incorporated by reference in the Offering Memorandum and Disclosure Statement. The following summarizes the underlying key assumptions upon which the Financial Projections are based.

#### **A. Assumptions with respect to Key Agreements with Non-Debtor Affiliates**

The operation of the Debtor's business is dependent to a significant extent on agreements with its affiliates. As set forth in the Support Agreement, these agreements may be modified upon Genco's emergence from bankruptcy.

Genco has a power supply agreement (“**PSA**”) with its non-debtor affiliate Illinois Power Marketing Company (“**IPM**”) whereby IPM purchases all of the capacity and energy available from Genco’s generation fleet. IPM entered into a similar power supply agreement with Genco’s non-debtor affiliate Illinois Power Resources Generating, LLC (“**IPRG**”). Under these agreements, IPM revenues are allocated between Genco and IPRG based on reimbursable expenses and generation of each entity. The reimbursable expenses used in the calculation of revenues allocated under the agreements include operation costs in addition to depreciation and interest on debt. Genco’s PSA term continues through December 31, 2022 and from year to year thereafter unless either Party elects to terminate by providing the other Party with no less than six months advanced written notice of its desire to terminate. As required by the Support Agreement, upon emergence from bankruptcy Genco’s PSA will be amended to (i) address any potential dispute regarding the term of such PSA and to provide that at any time during the term of the PSA, either party may elect to terminate by providing the other party with no less than six months advance written notice; and (ii) if requested by Dynegy and IPM, modify the calculation of the Energy Charge and the Capacity Payment (each as defined in the PSA) to eliminate any subsidy from IPM or IPRG to Genco under the PSA.

Genco is also party to a shared services agreement (the “**SSA**”) through which Dynegy and certain of its affiliates provide services to Genco and certain of its other non-debtor affiliates. Services provided to Genco pursuant to the SSA include but are not limited to the maintenance of books, records and accounts, administration of finance and treasury matters, administration of tax and accounting services, internal audit, government approvals and proceedings, investor and public relations, strategic planning and business development, legal, compliance, and ethics matters, human resources, business services, contract administration, information technology, operation and maintenance support services, outage support and management, safety, and insurance and risk management strategies. The SSA currently runs through December 31, 2016, and is automatically extended for successive renewal terms of twelve months each unless a recipient of services (such as Genco) delivers a notice of termination no less than twelve months prior to the end of any renewal term. As required by the Support Agreement, upon Genco’s emergence from bankruptcy the SSA will be amended to provide that Dynegy and its affiliate providers of services may terminate the SSA for convenience with respect to a recipient (including Genco) upon twelve months’ notice to such recipient.

The Financial Projections assume that the PSA and SSA remain in place throughout the Projection Period. Because there is some uncertainty as to whether Dynegy and IPM will request a modification of the Energy Charge and the Capacity Payment (each as defined in the PSA) to eliminate any subsidy from IPM or IPRG to Genco under the PSA, the Financial Projections also assume that Dynegy and IPM do not request such a modification.

The termination or certain modifications of either the PSA or the SSA would likely have material and adverse consequences for Genco’s business. The ability of Genco to continue to receive the benefits of the PSA and SSA throughout the Projection Period is subject to factors outside Genco’s control. There can be no guarantees or assurances with respect to Genco’s ability to continue to receive the benefits of these agreements beyond the applicable notice periods in those agreements, as modified upon Genco’s emergence from bankruptcy.

**B. Assumptions with respect to the Projected Consolidated Income Statement**

*Revenue Forecast:* Revenue is forecasted based on internal models driven by inputs from forward curves and derived pricing for projected energy and capacity pricing, adjusted to reflect all known capacity sales. Energy pricing is forecasted based on available market information, with 2017 and 2018 forecasts driven by the forward curve (as of October 12, 2016) with longer term pricing based on heat rates, natural gas basis differentials and power basis differentials. Capacity pricing projections are based on known and expected capacity sales, with open capacity projected at approximately \$150 per MW-day.

Revenue is allocated to Genco according to the terms of its PSA with IPM. For the purposes of the Financial Projections, the PSA is assumed to remain in place throughout the Projection Period. The termination or certain modifications of the PSA could materially impact Genco's projected financial results.

*Cost of Sales:* Cost of sales is forecasted based on fuel and transportation expenses, on a facility by facility basis, informed by existing contract positions and market pricing.

*Operating and Maintenance Expense:* Operating and maintenance expense is forecasted on a facility by facility basis, informed by historical costs.

*Depreciation and Amortization:* Depreciation and amortization is forecasted based on anticipated depreciation and amortization on a facility by facility basis, based on current book values. Bonus Depreciation expense is recognized in 2017, 2018 and 2019 related to capital expenditures that occur in those years. The projection assumes no change to Bonus Depreciation rules.

For illustrative purposes, Depreciation expense for the purpose of calculating taxable income reflects potential accounting treatment that may be pursued in a standalone scenario, however, Depreciation expense for the purpose of calculating payments per the PSA is projected based on the Genco's ordinary course Depreciation expectations.

*Income Tax Expense:* Genco is assumed to accrue tax expense at a 40% rate on taxable income. Taxable income is assumed to be reduced by NOLs available to Genco. Tax expense is assumed to accrue as payable to Dynegy per the Tax Sharing Agreement between Genco and Dynegy.

*Minority Interest:* For illustrative purposes, management projects Genco's financial performance including 100% contribution of EEI cash flow for the benefit of Genco, though 20% of EEI is owned by a third party. This assumption is supported by the intercompany promissory note between Genco and EEI under which EEI owes Genco over \$100 million. It is assumed that any economic benefit generated by EEI would flow to Genco through this note.

**C. Assumptions with respect to the Projected Cash Flow Statement and Projected Balance Sheet**

*Cash:* Beginning cash balances reflect Genco projected balance sheet cash at an illustrative emergence date of March 31, 2017, including Genco's projected cash and targeted collateral releases at Genco, drawings under the Genco Working Capital Facility (described in Exhibit C to the Plan), net of cash distributed to Noteholders, the Support Agreement Fee and

projected professional fees.

Beginning cash balances assume that up to 20% of Noteholders are non-accredited investors and receive cash consideration out of Genco's cash. No assurances can be provided on Genco's operational performance, the ability of Genco to obtain collateral releases and Genco's access to such collateral releases.

Cash balances assume approximately \$100.0 million of drawings under tranche B of the Genco Working Capital Facility on the Effective Date and exclude approximately \$25.0 million of projected undrawn amounts on the Effective Date under tranche A of the Genco Working Capital Facility.

The maximum amount available under tranche A of the Genco Working Capital Facility is expected to be \$25 million, and the maximum amount available under tranche B of the Genco Working Capital Facility is expected to be \$100 million. Such amounts may be adjusted based on adjustments, as of the Effective Date, to a number of assumptions underlying such expected maximum amounts available, including Genco's actual cash balance immediately prior to the Effective Date, actual and projected remaining transaction costs, and other items, in the reasonable determination of Dynegey, Genco and the Consenting Noteholders in accordance with the RSA.

*Debt:* Projections are illustrated inclusive of a \$125.0 million working capital facility at Genco as provided for in the RSA, subject to adjustments as noted above.

*Working Capital:* The assumptions regarding changes to working capital are related to inventory normalization prior to emergence and accruals of taxes payable to Dynegey.

*Capital Expenditures:* Capital expenditures are forecasted on a facility by facility basis, and reflect the Debtor's expectations for both environmental and maintenance capital projects.

*Fresh Start Accounting:* Analysis is prepared prior to the impacts of fresh start accounting.
